IMPORTANT NOTICE

BOARD OF NATUROPATHIC MEDICINE

CHANGES TO LICENSE REQUIREMENTS

Effective January 21, 2010 and pursuant to Hawaii Administrative Rules chapter 16-88, the following are changes to the education requirement and documentation of education requirement for naturopathic physician licensure:

Examination Requirement

All applicants are required to ****pass Part I of the NPLEX*** in addition to passing Part II of the NPLEX; and the examination on homeopathy if the NPLEX was taken prior to August 2007.

**Passing score on each part of the NPLEX examinations must be a converted score of at least seventy-five or a result of "P" or "pass"; provided that the score report of "P" or "pass" is equivalent to a converted score of at least seventy-five.*

Documentation of Education

All applicants are required to ***submit an official transcript*** to verify that the education requirement has been met. Certified copies of your diploma or certified copies of your certificate of graduation will no longer be accepted.
