Home Solutions Dust Mite & Flea Control is a specially formulated compound that kills dust mites and fleas. Use in conjunction with other Aerus healthy home products for even more effective relief.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Amount of Dust Mite & Flea Control	1/2 cup	1 cup	2 cups
Water	1 quart	2 quarts	1 gallon
Treatment Area	50 sq. ft.	100 sq. ft.	200 sq. ft.

- For control of dust mites & fleas in carpet, first deep clean carpet with the Lux Floor Pro by Aerus and the unique Turbo Shampoo (Home Solutions Allergen Relief Concentrate can be added for further removal of protein allergens).
- In a clean bucket, mix 1 cup of Home Solutions Dust Mite & Flea Control in 2 quarts of water and fill spray bottle. Spray evenly to treat 100 square feet. Use the nap lifters as appropriate on the Lux Floor Pro to penetrate deep within carpet fibers.
- Before treating furniture, bedding, mattress or drapes, vacuum thoroughly, then test a small area to evaluate color fastness. When treating couches and chairs, remove cushions and vacuum, then spray all crevices and undersides. Allow to dry before replacing cushions. Spray all pet sleeping areas, including pet bedding.
- Do Not Saturate. Avoid contact with treated surfaces until dry. Run clean water through sprayer to flush pump after use.
