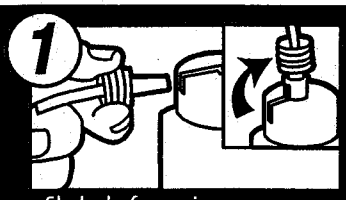
ORTHO® BRUSH-B-GON®
POISON IVY KILLER

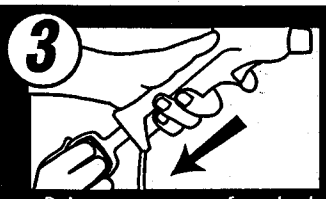
Kills the Toughest Weeds, Guaranteed!

NEW! Pull 'N Spray® No Pumping, Just Pull



- Shake before using.
- Remove sprayer from side carrier and unwrap hose completely.
- Insert red plug at end of hose into red spout on cap until it clicks.
- Flip up spout. Spout must remain up while spraying.

- Twist nozzle at end of sprayer to desired spray pattern (narrow, medium or wide stream).



- Point sprayer away from body.
- Grasp sprayer by the handle.
- **SLOWLY** pull ring at bottom of sprayer handle until it stops and hold for 2 seconds to ready the sprayer.

- Press and hold button on sprayer to begin spraying.
- Pull ring at sprayer bottom again as needed to continue spraying.

PRODUCT FACTS

KILLS WEEDS	Including: blackberries, black cottonwood, box elder, choke cherry, elderberry, elm, honeysuckle, horsetail rush, kudzu, maples, mesquite, mimosa, oak, persimmon, poison ivy, poison oak, ragweeds, raspberry, red alder, sassafras, sweet gum, trumpet creeper, Virginia creeper, wild rose, wild grape & willows
WHERE TO USE	• Around homes, cabins and other buildings • Along fences and trails • In other non-garden areas OUTDOOR USE ONLY

For best results, when treating trees, apply when trees are small.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Do not use on or around edible feed or food crops.

FORMULATED for "spot" application to kill unwanted vegetation, vines, brambles and weeds in areas around homes, cabins, buildings, fences, trails and in non-garden areas.

HOW TO APPLY

Follow illustrations and instructions above.

1. For best results, pull out slowly and hold for two (2) seconds.
2. Spray weeds to thoroughly wet foliage, stems and trunk.
3. Do not spray plants or grasses you like - they may die too. Not recommended for weed control in lawns.
4. When spot treating weeds around desirable plants, shield plants from drift with a sheet of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.

WHEN TO APPLY

Apply when weed/vegetation is leafed out and/or actively growing. For best results, apply to mature leaves. Apply when air is calm to prevent drift to desirable vegetation or plants. Rain or watering 2 hours after application will not reduce effectiveness. Wilting or yellowing will occur in 2 to 6 weeks. Hard to kill weeds may require retreatment if regrowth occurs.

IMPORTANT

Do not allow spray to contact desirable vegetation or ornamental plants as injury may result. **NOTE:** Contact with poison oak or poison ivy anytime of the year can cause an allergic reaction. Handle dead plants with rubber gloves. Dispose of plants and rubber gloves in tightly-sealed garbage bags.

People and pets may enter treated area after spray has dried.

REFILL INSTRUCTIONS

To refill 1.33 gallon Brush-B-Gon Poison Ivy Killer Ready-To-Use: Add 15 fl oz of Brush-B-Gon Poison Ivy, Poison Oak & Brush Killer$_1$ Concentrate to this empty 1.33 gallon container. Slowly fill with 155 fl oz of clean tap water.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Completely discharge/dispense product in sprayer prior to storage. Flip down red spout on cap. DO NOT DISCONNECT SPRAYER HOSE FROM CAP. Place sprayer back inside carrier on bottle with the nozzle facing down. Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Store in a cool, dry place, preferably in a locked storage area. Keep from freezing.

CONTAINER DISPOSAL: If empty: Do not reuse empty container except to refill in accordance with the refill instructions listed in the directions for use. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Wash thoroughly with soap and water after handling.

FIRST AID: In case of emergency, call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or a doctor, or going for treatment.

Note to Physicians: Emergency Information call 1-800-225-2883.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

THE ORTHO GUARANTEE

If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.
