FIRST AID

Have label with you when obtaining treatment advice.

IF ON SKIN OR CLOTHING	• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center, doctor or **1-800-664-9042** immediately for treatment advice.
IF IN EYES	• Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center, doctor, or **1-800-664-9042** immediately for treatment advice.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if absorbed through the skin. Wear goggles or face shield. Avoid contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking. or using tobacco. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

Small birds may become fatally entrapped by this tacky repellent. To reduce hazards to legally protected species, and to avoid noncompliance with the Federal Migratory Bird Treaty Act, follow all instructions in the Directions For Use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store only in original container, in a cool, dry place inaccessible to children and pets.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: If Empty: Nonrefillable container. Do not reuse or refill this container. Place in trash and offer for recycling if available.
If Partially Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its label.
USE RESTRICTIONS: This product may be used to discourage pigeons and starlings, from roosting or perching on treated ledges, sills, roofs, peaks, cornices, and similar parts of municipal, industrial and commercial buildings, homes, apartment and condominium complexes, bridges and overpasses and similar structures.
BIRD-X® BIRD PROOF Transparent Repellent is a transparent, sticky product that remains tacky at 15° F and will not run at temperatures up to 200° F. Do not apply on location where desirable species of birds might become entangled in the repellent.

APPLICATION DIRECTIONS:
Surface Preparation: Clean surfaces to be treated to promote adhesion of repellent. Wipe or scrape all dust, dirt, droppings, and other loose debris from surfaces. Seal porous surfaces prior to treatment by brushing on one coat of shellac or a 50% solution of white glue, and allow to dry.

Product Application: Use a caulking gun and/or a putty knife to apply this product. A properly applied bead of BIRD-X® BIRD PROOF Transparent Repellent looks like this ⌓ in cross section. Press against surface to ensure good adhesion. To treat ledges or sills, apply beads of repellent no larger than 1/2" wide by 1/2" deep at the deepest part in strips no closer than 2" apart, beginning 1" in from the outer edge. To treat roofs, peaks, cornices, etc., apply a single bead of repellent along the highest point.
A second treatment may be necessary if product becomes flattened by heavy bird traffic.

DO NOT APPLY IN BEADS WIDER OR DEEPER THAN THAT PRESCRIBED ABOVE.
One 10 oz. tube of this product will treat 10 linear feet when product is applied in beads 1/2" wide and 1/2" high.

Partially Filled Cartridges: Replace cap on the tip of tube.

Product Clean-up: Use mineral spirits to remove product from treated surfaces, equipment, or other contaminated articles.

IMPORTANT NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
