PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin eyes or clothing. Wear eye protection, long sleeved shirt, long pants, shoes, socks and chemical resistant gloves (such as made out of any waterproof material, selection category A). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.
PESTICIDE STORAGE: Store in a cool, dry place and in such a manner as to prevent cross-contamination with other pesticide, fertilizers food and feed. Store in the original container and out of the reach of children, preferably in locked storage area. Keep container closed when not in use. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance. **CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **FOIL OUTER POUCHES OF WATER SOLUBLE PACKETS (WSP):** Offer for recycling, if available, or dispose of the empty outer foil pouch in the trash as long as WSP is unbroken. POUCHES are stable during normal shipping, handling and storage conditions, even when exposed to freezing, and may be disposed in approved waste facilities.

ENVIRONMENTAL HAZARDS Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. (Containers smaller than 5 gallons) Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

IN CASE OF EMERGENCY CALL RUSTOLEUM AT 847-367-7700.
EPA Reg. No.: 39967- 43 - 69587 | EPA Est. No.: 33967-NJ-01

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or when going for treatment.

DIRECTIONS FOR USE It's in violation of Federal law to use this product in a manner inconsistent with its labeling.Mix well before using this product. Add contents (10 grams) to one (1) gallons of paint, stain or wallpaper adhesive. Shake or stir thoroughly, then use paint as directed by the manufacturer. Surfaces to be painted or papered should be cleaned thoroughly with an appropriate cleaner according to manufacturer instructions. For extremely damp area prone to mildew, two pouches should be used and for New York housing authority specifications 3-4 pouches depending on the protection needed. Note Do not use for any paint applications involving direct or indirect food or drinking water contact.
