PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Hazards to Humans: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before re-use. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Hazards to Domestic Animals: Consult a veterinarian before using this product on debilitated, aged or medicated animals. Consult a veterinarian before using on dogs with known organ dysfunction. Sensitivities can occur after using ANY pesticide product for animals. If signs of sensitivity occur, discontinue use, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Do not use on cats.

May be toxic and potentially fatal if applied to or ingested by cats. **Cats which actively groom or engage in close physical contact with recently treated dogs may be at risk of serious harmful effects.**

FIRST AID

IF SWALLOWED:
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.

IF ON SKIN OR CLOTHING:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 – 20 minutes.
- Call a poison control center or doctor for treatment advice.

IF IN EYES:
- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER:
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the Rocky Mountain Poison Control at 1-303-595-4869.

ENVIRONMENTAL HAZARDS: This product is extremely toxic to fish and other aquatic organisms. Do not apply directly to water.

CHEMICAL HAZARDS: Do not use or store near heat or open flame.

STORAGE AND DISPOSAL STATEMENTS

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place. Protect from freezing.
PESTICIDE DISPOSAL: Call your local solid waste agency or 1-800-CLEANUP or equlvalent oraganization for disposal instructions. Unless otherwise instructed place in trash. Never pour unused product down the drain or on the ground.

CONTAINER DISPOSAL:
If empty. Do not reuse this container. Place in trash or offer for recycling if availble.
If partially filled. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

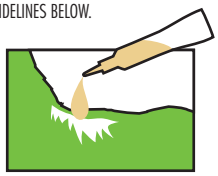
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE ON CATS

Ready to use, no dilution necessary.

- Hold tube in upright position pointing away from user's face and body. Break off tip or cut with scissors. Using the cc marks on the body of the applicator as a guide apply FREEDOM 45 SPOT-ON FOR DOGS™ as follows by gently squeezing the applicator.
- Part dog's hair between the shoulder blades.
- Apply the recommended amount of solution to the skin on the dog's back between the shoulder blades. For extra-large dogs application of the solution to the skin directly in front of the base of the dog's tail is also required. SEE RECOMMENDED DOSING GUIDELINES BELOW.



Apply 3 cc of FREEDOM 45 SPOT-ON FOR DOGS™ to the skin of the dog's back between the shoulder blades and 3 cc to the skin directly in front of the base of the dog's tail.
