Green Treat®

ALGICIDE

Rescue treatment for use to control blooms of green algae in pools treated with chlorine or bromine

Wait 1 hour before swimming after initial treatment

INGREDIENTS

Active ingredient

Sodium bromide	48.5%
Inert ingredients	51.5%
Total	100.0%

Contains no ingredients that will stain pools.

KEEP OUT OF REACH OF CHILDREN

WARNING

See back panel for additional precautionary statements.

Net Contents 2 pounds (32 ounces)

Sold by weight, not volume

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: WARNING. Harmful if swallowed. Causes eye and skin irritation. Do not get in eyes or on skin or clothing. Avoid breathing dust. Wash thoroughly after handling. Wash clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT (FIRST AID): IF SWALLOWED: Wash mouth thoroughly and drink large quantities of water. Do not induce vomiting. Get medical attention. **IF INHALED:** Remove person to fresh air immediately. Seek medical attention. **IF IN EYES:** Flush eyes immediately with cold water for at least 15 minutes. Seek medical attention if irritation persists. **IF ON SKIN:** Wash immediately with plenty of soap and water. Seek medical attention if irritation persists. Remove and wash contaminated clothing before reuse.

PHYSICAL AND CHEMICAL HAZARDS: Reducing agent. Avoid breathing dust from this product. Do not allow this product to come in contact with acids or oxidizing agents under conditions other than described in the directions for use. Add this product to water only. Negligent mixing of this product with acids or oxidizing agents may cause the release of poisonous, corrosive hydrogen bromide or bromine gas.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with labeling. Always add *Green Treat*® directly to pool. TO CONTROL BLOOMS OF GREEN ALGAE IN POOLS TREATED WITH CHLORINE OR BROMINE:

STEP 1: Determine pool volume.

STEP 2: Add 2 lbs. ***Green Treat***® per 20,000 gallons of water, preferably near the green algae.

STEP 3: Add 5 lbs. dry chlorine or 4 gallons liquid chlorine or 5 lbs. bromine per 20,000 gallons water.

STEP 4: Wait 1 hour before entering pool. Observe the required waiting period for the chlorine or bromine product used with ***Green Treat***® if greater than 1 hour.

STEP 5: Repeat as necessary. To prevent recurrence of green algae and to maintain crystal clear water, ***No Mor Problems***® may be used in conjunction with chlorine or bromine. Follow the Directions For Use for ***No Mor Problems***®. Maintain the chlorine or bromine level recommended on the chlorine or bromine product label.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by the use, storage or disposal of this product. **STORAGE:** Store in a dry, well ventilated area out of the reach of children and away from oxidizers. Keep container closed when not in use.

DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
