PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

HAZARDS TO HUMANS: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Avoid contamination of food and foodstuffs.

HAZARDS TO DOMESTIC ANIMALS: FOR USE ON CATS AND KITTENS (OVER 12 WEEKS OF AGE): Do not apply to cats less than twelve weeks old. Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your cat with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

In Case of Emergency, call: 1-800-781-4738
Non-Emergency, call: 1-800-224-PETS (7387)

SENTRY®
FLEA AND TICK SPRAY
FOR CATS AND KITTENS WITH OATMEAL*

User Safety Recommendations
Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID	
IF SWALLOWED:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container with you when calling a poison control center, doctor or veterinarian, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-781-4738.	

*Do not apply to kittens less than 12 weeks old.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

FOR USE ON CATS AND KITTENS OVER 12 WEEKS OF AGE TO KILL FLEAS AND TICKS: Hold the container upright. Spray at a distance of 8 to 12 inches. Spray over entire haircoat making sure the coat is thoroughly wetted to the skin. As you spray, fluff the hair so the spray will penetrate to the skin. Do not spray into the eyes, face or genitalia. Make sure spray wets ticks thoroughly. Spray against the lay of the hair, roughing the hair on long-haired cats. Weight of cat, length of hair and density of coat will determine amount of spray to be applied to wet the skin. This 16 oz. bottle should be sufficient for 20 applications to a 10 lb cat. When applied at the label dose rate, the cat should not be retreated more frequently than once every 14 days. Lighter applications will reduce period of effectiveness, may result in earlier reinfestation and may require more frequent retreatment. For best results in controlling ticks, spray directly on the tick. Allow cat to air dry or blow dry, Do not towel dry. This product is formulated to leave the hair coat soft and manageable for grooming. Do not reapply more often than once every 14 days.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use, away from heat or open flame. Store in a cool, dry area that is inaccessible to children and pets.
