FIRST AID	
Call a poison control center or doctor immediately for treatment advice.	
If on skin or clothing	• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes.
If in eyes	• Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-950-4783 for emergency medical treatment information.

ZODIAC® FleaTrol™
Carpet & Upholstery Pump Spray
contains a unique combination of ingredients that kills pre-adult fleas before they grow up to bite. It reaches fleas hidden in carpets, rugs, upholstery, and pet bedding; protects your home from flea build-up; pets and family from bites. One treatment gives continuous protection against pre-adult fleas for 7 months. Kills fleas, ticks, roaches, silverfish, earwigs, and ants. Leaves no bad smell, no sticky mess, no stains. This product is designed for use on all fabrics and carpeting; however, some natural fibers (such as wool) and synthetics may be adversely affected by any liquid product. **Always test a hidden area prior to use.** Lighter colored carpets may show some soiling after treatment. To help avoid soiling carpets, allow product to dry completely before walking on treated areas. To protect pet against fleas outdoors, use a ZODIAC® flea and tick collar, pet powder, pet spray, pet sponge-on, pet topical, or pet shampoo.

2

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake well before using.

Fleas: Use ZODIAC® FleaTrol™ Carpet & Upholstery Pump Spray in homes, garages, attics, apartments, and hotels. One bottle will treat a surface area equivalent to approximately three 10' x 10' rooms. A fine spray applied uniformly is all that is necessary to kill fleas. Avoid wetting furniture and carpeting. Remove birds and cover aquariums before spraying. For maximum effectiveness, treat entire carpeted area. Treat carpets, rugs, drapes, and all surfaces of upholstered furniture. Old pet bedding should be removed and replaced with clean fresh bedding after treatment of pet area. Retreat as necessary. Leave treated areas and do not return for at least 1 hour.

Avoid contamination of food and foodstuffs. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared, processed, stored, or served.

3

To kill ticks, roaches, silverfish, earwigs, and ants in the environment, apply directly to pests.

STORAGE AND DISPOSAL: Storage: Store in original container, away from children. Protect from freezing or high temperatures. **Disposal:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS -

CAUTION: Harmful if absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling.
