ZODIAC®
Spot On® Plus
Flea & Tick Control for
Cats & Kittens over 3 lbs. but less than 5 lbs.

CENTRAL Garden & Pet

Specially formulated for Cats

ZODIAC® Spot On® *PLUS* Flea & Tick Control for Cats & Kittens over 3 lbs. but less than 5 lbs. is a long-lasting topically applied product specifically formulated for cats to prevent and control flea infestations. This product contains Etofenprox which kills biting adult fleas, deer ticks, and mosquitoes your cat may acquire from its surroundings. It also contains an insect growth regulator (IGR), (S)-methoprene, which prevents flea eggs from maturing into biting adults.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

IMPORTANT! READ ENTIRE LABEL BEFORE EACH USE. FOR USE ONLY ON CATS OR KITTENS (12 WEEKS OF AGE OR OLDER). DO NOT USE ON CATS OR KITTENS LESS THAN 3 POUNDS OR 12 WEEKS OF AGE. DO NOT USE ON OTHER ANIMALS!

USE RESTRICTIONS

For indoor use only.

Apply this product once every 30 days. Do not retreat more than once per month.

Do not apply this product to cats or kittens less than 3 lbs and/or less than 12 weeks of age.

Do not apply to cats/kittens weighing less than 3 lbs.

Do not get this product in your cat's/kitten's eyes.

Do not allow your cat/kitten to ingest this product.

Do not use more than one applicator per cat/kitten and do not apply more than once per month.

This product contains 4 monthly doses, each 0.034 fl oz (one monthly dose).

APPLICATION METHOD

Bend at perforation and tear off 1st month's applicator. Hold applicator upright and bend numbered area of plastic at perforation, tear off and discard. Hold applicator upright away from face and body and use scissors to cut secure seal applicator tip. Prior to application of the product, gently lift the cat's or kitten's hair coat on the back of the neck at the base of the skull, position the tip of the applicator on the cat's exposed skin and squeeze out the entire contents of the applicator onto the cat's skin. Do not bathe cat within the first 24 hours after this product has been applied. Households with more than one cat should prevent cats from grooming each other until solution has dried. Repeat application once monthly.

STORAGE AND DISPOSAL: Pesticide Storage: Store in a cool, dry (preferably locked) area that is away from children and animals. Do not store unused applicators separately from their packaging. **Container Disposal: If empty:** Do not reuse empty applicator. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HAZARDS TO HUMANS: Repeated exposure to etofenprox can cause skin irritation.

HAZARDS TO ANIMALS: For External Use on Cats Only. **Do not use on kittens less than 12 weeks old.** Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your cat/kitten with mild soap and rinse with large amounts of water. If signs continue, please call 1-800-950-4783 or consult a veterinarian immediately. Due to the bitter taste of the product, oral exposure could result in salivation. Be careful not to get any product in the cat's mouth during application. For multiple cat households, prevent the cats from grooming each other until the product has dried. If the salivation continues or other clinical signs are noted, please call 1-800-950-4783.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

In case of an emergency or for product use information, call 1-800-950-4783 or visit our Web site: **www.zodiacpet.com**

SIDE EFFECTS: Monitor your cat after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or 1-800-950-4783.
