TERRO®-PCO • PRE-FILLED – Ready-to-Use
LIQUID ANT BAIT • No Drips, Spill or Mess

DIRECTIONS FOR USE

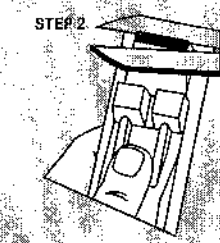
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use In and Around: Homes, Hospitals, Restaurants, Apartments, Grocery Stores, Institutional Buildings, Schools, Cafeterias, Warehouses, Storage Areas, Food Processing Plants, Mobile Homes, Boats, Military Bases, Theaters, Nursing Homes and on Military, Commercial and Cruise Ships.

Attracts and Kills All Common Household Ants Including: Argentine ants, Ghost ants, Cornfield ants, Pavement ants, Acrobat ants, White-footed ants, Little black ants, Odorous house ants, Crazy ants, Big-headed ants and other sweet-eating ants.

Terro®-PCO Liquid Ant Bait now comes as an easy-to-use, pre-filled liquid ant bait. Ants will enter, feed and return to the nest where they will pass on the Terro®-PCO Liquid Ant Bait to the rest of the colony.

STEP 2



1. Break pre-filled baits apart from the plastic frame.
2. Hold bait upright and cut off orange-colored section.
3. Place baits, label side up, near ant trails or close to where ants are numerous. Place additional baits anywhere ants may enter your home. For best results, use seven baits to ensure sufficient supply for the ants.
4. Monitor regularly for activity but do not interfere with the ants or baits. Replace with additional baits when first set is depleted.
5. Once ants are controlled, replace baits every three months to keep ants from returning.

TERRO®-PCO

LIQUID ANT BAIT

- For Control of Sweet-Eating Ants
- Contains Borax
- No Unpleasant Odors
- Use Indoors
- Use Outdoors
- Attracts Ants Fast

KEEP OUT OF REACH OF CHILDREN

CAUTION

Active Ingredient:

Sodium Tetraborate Decahydrate (Borax)	5.40%
Other Ingredients	94.60%
Total	100.00%

EPA Reg. No. 149-8-64405 EPA Est. 149-MO-1

Net Contents: 1 Gallon (3.785 liters)

COMMON DILUTIONS

1% Dilution

TERRO	+	WATER	=	FINISHED PRODUCT
5 fl. oz.	+	25 fl. oz.	=	1 Quart (approximately)
20 fl. oz.	+	100 fl. oz.	=	1 Gallon (approximately)
1 gallon	+	5 gallons	=	6 gallons

2% Dilution

TERRO	+	WATER	=	FINISHED PRODUCT
10 fl. oz.	+	20 fl. oz.	=	1 Quart (approximately)
42 fl. oz.	+	84 fl. oz.	=	1 Gallon (approximately)
1 gallon	+	2 gallons	=	3 Gallons

USING TERRO®-PCO LIQUID ANT BAIT IN BAIT STATIONS: Apply the 1% or 2% TERRO®-PCO Liquid Ant Bait solution using bait stations designed to hold liquid bait. This product will work well in most bait stations such as those made by B&G, Kness and Whitmire Micro-Gen. Follow directions included with the bait stations to obtain best results.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry place. Do not store where children or animals may gain access.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR USE IN AND AROUND: Homes, Hospitals, Restaurants, Apartments, Grocery Stores, Institutional Buildings, Schools, Cafeterias, Warehouses, Storage Areas, Food Processing Plants, Mobile Homes, Boats, Military Bases, Theaters, Nursing Homes and on Military, Commercial and Cruise Ships.

ATTRACTS AND KILLS ALL COMMON HOUSEHOLD ANTS INCLUDING: Argentine ants, Ghost ants, Cornfield ants, Pavement ants, Acrobat ants, White-footed ants, Little black ants, Odorous house ants, Crazy ants, Big-headed ants and other sweet-eating ants.

DO NOT USE in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs. Place bait in areas inaccessible to children and pets.

TERRO®-PCO Liquid Ant Bait can be diluted with water to obtain a 1% or 2% solution of Borax. Such a dilution is helpful when you plan on using a substantial volume of TERRO®-PCO Liquid Ant Bait in a baiting program designed to control very large multi-queen and multi-colony ant infestations.

1% Dilution: 1 part TERRO®-PCO Liquid Ant Bait to 5 parts water. Mix thoroughly.

2% Dilution: 1 part TERRO®-PCO Liquid Ant Bait to 2 parts water. Mix thoroughly.
