§12-15-90 Workers' compensation medical fee schedule. (a) Charges for medical services shall not exceed one hundred ten per cent of participating fees prescribed in the Medicare Resource Based Relative Value Scale System fee schedule (Medicare Fee Schedule) applicable to Hawaii or listed in exhibit A, located at the end of this chapter and made a part of this chapter, entitled "Workers' Compensation Supplemental Medical Fee Schedule", dated January 1, 2007. The Medicare Fee Schedule in effect on January 1, 1995 shall be applicable through June 30, 1996. Beginning July 1, 1996 and each calendar year thereafter, the Medicare Fee Schedule in effect as of January 1 of that year shall be the effective fee schedule for that calendar year.

(b) If maximum allowable fees for medical services are listed in both the Medicare Fee Schedule and the Workers' Compensation Supplemental Medical Fee Schedule, dated January 1, 2007, located at the end of this chapter as exhibit A, charges shall not exceed the maximum allowable fees allowed under the Workers' Compensation Supplemental Medical Fee Schedule, dated January 1, 2007, located at the end of this chapter as exhibit A.

(c) If the charges are not listed in the Medicare Fee Schedule or in the Workers' Compensation Supplemental Medical Fee Schedule, dated January 1, 2007, located at the end of this chapter as exhibit A, the provider of service shall charge a fee not to exceed the lowest fee received by the provider of service for the same service rendered to private patients. Upon request by the director or the employer, a provider of service shall submit a statement to the requesting party, itemizing the lowest fee received for the same health care, services, and supplies furnished to any private patient during the one-year period preceding the date of a particular charge. Requests shall be submitted

in writing within twenty calendar days of receipt of a questionable charge. The provider of service shall reply in writing within thirty-one calendar days of receipt of the request. Failure to comply with the request of the employer or the director shall be reason for the employer or the director to deny payment.

(d) Fees listed in the Medicare Fee Schedule shall be subject to the current Medicare Fee Schedule bundling and global rules. The Health Care Financing Administration Common Procedure Coding System (HCPCS) alphabet codes adopted by Medicare will not be allowed, except for injections and durable medical equipment, unless specifically adopted by the director.
