Attention: Mr. Carlito Caliboso

Ladies and Gentlemen:

Subject: Draft Environmental Assessment (DEA)
East O'ahu Transmission Project 46KV Phased Project

We have reviewed the DEA and have the following comments:

As-built drawings of existing sewer lines should be checked to avoid any conflicts with the proposed transmission lines. Construction plans should be sent to the Wastewater Branch of the Site Development Division of the Department of Planning and Permitting for review and comment.

If there are any questions, please contact Mr. Jay Hamai of Wastewater Division at 527-5003.

Very truly yours,
