Re: Docket No. 03-0417 – Application of Hawaiian Electric Company, Inc. for approval to commit funds in excess of \$500,000 for Item Y48500, East Oahu Transmission Project

Dear Mr. Harwood:

This confirms that the Commission has granted you permission to videotape the public hearing scheduled in this docket for September 1, 2004 at 6:00 p.m. for Malama O Manoa's use, provided that: (1) The videotaping does not disrupt the hearing or interfere with the public's ability to present their testimony to the Commissioners; and (2) you provide the Commission with a complete, unedited copy of the recording of the hearing in DVD format for the docket file.

Yesterday, I contacted all of the other parties and participants to this docket via telephone to advise them that you will videotape the hearing, and that they may also videotape the hearing, if they so choose, under the same conditions.

Upon your arrival at the hearing, please contact me so that we may determine an appropriate location at which to place your equipment. Please call me with any questions or concerns that you may have at 586-2017.

Sincerely,

Catherine P. Awakuni
Commission Counsel
