Also attached is the revised page 1 of HECO's response to CA-IR-57 which was filed with the Consumer Advocate and the Department of Defense on April 15, 2005. The original response contained a typographical error. In the third paragraph, it should have stated that HECO's Cable Cure program was initiated in 1998 and not 1988 as originally filed. Please replace page 1 of the previously filed response with the attached sheet.
