The Honorable Chairman and Members of
the Hawaii Public Utilities Commission
465 South King Street
Kekuanaoa Building, 1st Floor
Honolulu, Hawaii 96813

Dear Commissioners:

Subject: Docket No. 05-0069
Energy Efficiency Docket

By Order No. 21749, filed April 14, 2005, the Commission ordered the parties/participant to meet informally to determine the issues, procedures and schedule with respect to the subject docket, to be set forth in a stipulated prehearing order to be submitted for Commission approval by May 16, 2005. If the parties/participant are unable to stipulate to such an order, each party/participant shall submit its own proposed prehearing order for the Commission's consideration. HECO requests a one-month extension, until June 16, 2005, to work with the parties/participant to attempt to reach agreement on a stipulated prehearing order. The parties/participant (the Consumer Advocate, Department of Defense, Rocky Mountain Institute, Life of the Land, Hawaii Renewable Energy Alliance, Hawaii Solar Energy Association and County of Maui) to this proceeding do not object to the requested extension.

Sincerely,
