COMMISSION

The Honorable Chairman and Members of  
the Hawaii Public Utilities Commission  
Kekuanaoa Building  
465 South King Street, 1st Floor  
Honolulu, Hawaii 96813

Dear Commissioners:

RE: Docket No. 05-0069 – Application of Hawaiian Electric Company, Inc. for Approval and/or Modification of Demand-Side and Load Management Programs and Recovery of Program Costs and DSM Utility Incentives.

On October 7, 2005 the parties submitted proposed Stipulated Prehearing Orders (“SPO”) for the Commission’s consideration, which reflected the differences of opinion on the issues to be addressed in the instant docket.

The Consumer Advocate has since confirmed the position of the Department of Defense and Hawaii Solar Energy Association on the above matter and has obtained their signatures to the SPO submitted by the Consumer Advocate on behalf of all other parties to this proceeding, with the exception of HECO.

Please note that facsimile signature pages are being submitted at this time. As soon as the original signature pages are received, they will be forwarded to the Commission.

Thank you for your consideration of this matter.

Sincerely yours,

*Cheryl S. Kikuta*
