Dear Commissioners:

Subject: Docket No. 05-0069
Energy Efficiency Docket

By letter dated August 26, 2005, HECO, on behalf of the parties/participants, requested an extension of time, until September 16, 2005, for the parties/participants to continue to work together to attempt to reach agreement on a stipulated prehearing order. The parties/participants have had a series of discussions on a procedural schedule and issues that were proposed by HECO. HECO, on behalf of the parties/participants, requests an additional extension of time, until October 7, 2005, for the parties/participants to complete their review of a revised draft stipulated prehearing order that will be circulated by HECO the week of September 19, 2005. The parties/participants (the Consumer Advocate, Department of Defense, Rocky Mountain Institute, Life of the Land, Hawaii Renewable Energy Alliance, Hawaii Solar Energy Association, Kauai Island Utility Cooperative, The Gas Company, County of Maui and County of Kauai) to this proceeding do not object to the requested extension.

Sincerely,
