Docket No. 2006-0394
Decision and Order No. 23319

DECISION AND ORDER

By this Decision and Order, the commission authorizes PACIFIC ISLES EQUIPMENT RENTAL, INC. ("Applicant") to extend its authority under certificate of public convenience and necessity number 2150-C ("Certificate No. 2150-C") to include the general commodities classification on the island of Oahu, and the general commodities and dump truck classifications on the islands of Kauai and Hawaii, subject to certain conditions, as described herein.

I.

Application to Extend Common Carrier Authority

Applicant is a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the dump truck classification. On October 2, 2006, Applicant filed an application seeking commission approval to extend its authority under Certificate No. 2150-C to include the general commodities classification on the island of Oahu, and the general commodities

and dump truck classifications on the islands of Kauai and Hawaii.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of its authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of property by motor vehicle over irregular routes on the

islands of Kauai, Oahu, and Hawaii, in the general commodities and dump truck classifications.

2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, filing the appropriate insurance documents, providing a completed "Vehicle Inventory List" form which identifies which motor vehicles will be permanently stationed on each island, and providing the addresses of its physical facilities on the islands of Kauai and Hawaii.

3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply within the time specified constitutes cause for this commission to vacate this Decision and Order.

4. Applicant shall not commence its expanded operations until it has received written confirmation from the commission that all requirements have been met.
