DECISION AND ORDER

By this Decision and Order, the commission grants ADVENTURES ON MAUI, INC. ("Applicant") a certificate of public convenience and necessity ("Certificate") to operate as a common carrier of property by motor vehicle over irregular routes on the island of Maui in the general commodities and household goods classifications, subject to certain conditions, as described herein.

I.

Application for Common Carrier Authority

By application filed on March 14, 2007, Applicant requests a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the island of Maui in the general commodities and household goods classifications. The application is made pursuant to Hawaii Revised Statutes ("HRS") § 271-12.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers

that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

## II.

### Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for operating authority, as set forth in the application, should be granted.

## III.
