

IMPORTANT NOTICE

BOARD OF BARBERING AND COSMETOLOGY

New License Requirement

Effective June 17, 2003 and pursuant to Hawaii Revised Statutes section 436B-10 and federal law, it is the policy of the State of Hawaii ("**State**") Board of Barbering and Cosmetology ("**Board**") that, in addition to meeting the education, experience, and examination requirements for licensure, an applicant for a Hawaii barber's, cosmetologist's, hairdresser's, esthetician's, nail technician's, or instructor license is required to be either **a United States citizen, a United States national, or an alien authorized to work in the United States.**

This means that, even if an applicant meets the education, experience, and examination requirements for licensure, that applicant shall not be issued a license if that applicant is not a U.S. citizen, a U.S. national, or an alien authorized to work in the U.S.

However, the Board will issue the applicant a **conditional approval** that signifies that the applicant has met the education, experience, and examination requirements for licensure; provided that this conditional approval shall **not** be considered a license to engage in the profession and shall **not** authorize the applicant to work in our State. To obtain authorization to work in our State, the applicant shall be required to contact the U.S. Bureau of Citizenship and Immigration Services ("**BCIS**"). In addition, federal law [45 U.S.C. 666 (a)(13)(A)] requires that once an applicant is authorized by the BCIS to work in the U.S., the applicant must supply his/her Social Security Number ("SSN") so that states can use this information for child support enforcement purposes.

Once the applicant submits evidence to the Board that the BCIS has authorized the applicant to work in the U.S. (without conditions or other encumbrances), **provides a SSN**, and meets all of the licensing requirements in effect at that time (including, but not limited to, the requirement that the applicant has not been convicted of any crime that is directly related to the profession), the applicant shall be issued a full and unrestricted license.

This conditional approval shall be valid for two (2) years. An applicant must obtain the appropriate BCIS authorization within this two (2) year period in order to have a license issued. If the applicant is unable to meet this deadline, the applicant may be required to reapply for licensure and meet all of the requirements in effect at that time.

REQUIREMENTS & INSTRUCTIONS - BEAUTY INSTRUCTOR

Access this form via website at: www.hawaii.gov/dcca/pvl

All applicants are required to take and pass the Hawaii instructor's examination. An applicant who is applying for examination will come into contact with two different and separate agencies during the licensing process:

- 1) Board of Barbering and Cosmetology ("Board") reviews and approves applications for examination and temporary permits; and issues licenses.
- 2) Testing Agency, Experior Assessments LLC, administers the examination to applicants after the application has been approved.

NOTE: A beauty instructor shall teach only in the certification category in which the instructor holds a beauty operator license.

Briefly, the requirements and steps to obtain and maintain an instructor's license in Hawaii are:

- I. Meet the experience and educational requirements;
- II. Apply with the Board for examination and temporary permit;
- III. Upon approval by the Board, register directly with Experior for the examination;
- IV. Take and pass the exam;
- V. Apply for license with the Board; and
- VI. Renew license biennially.

Details for each of the steps are listed in the sections below. The number of each section corresponds to the step number.

- B) Have completed at least **600 hours of beauty school instructor training** in compliance with the Board's curriculum. II. APPLY WITH THE BOARD FOR EXAMINATION & TEMPORARY PERMIT

The temporary permit is a privilege to work and train while waiting to take the examination and will be issued to applicants upon application who have met all qualifications for examination. The temporary permit will be valid for a period covering three (3) examinations as consecutively scheduled by the Board (approximately one (1) year). The temporary permit will be issued **one time only** without extension or reissuance of another permit, therefore, the applicant is encouraged to take the first and all subsequently scheduled examinations.

Briefly, the steps to apply with the Board for the examination and a temporary permit are:

- A) Completion of Application for Exam & License - Beauty Instructor;
- B) Completion of the Temporary Permit form (if applicant intends on working before sitting for the examination);
