

REQUIREMENTS FOR LICENSURE - ENGINEER

Access this form via website at: www.hawaii.gov/dcca/areas/pvl

REQUIREMENTS

Note: Licensure in Hawaii is by discipline. Currently, licenses are offered in the following **disciplines of engineering:** agricultural, chemical, civil, electrical, industrial, mechanical, and structural.

Civil and structural engineering are two separate and distinct disciplines in Hawaii. Civil engineering involves site work, site preparation, infrastructure, grading and drainage, etc. It does not include the design of buildings, structures, or towers. This falls within the scope of structural engineering.

Thus, as a result, if you are a civil engineer whose practice involves what Hawaii considers to be structural engineering, you will need to qualify in and be licensed as a structural engineer in Hawaii in order to practice in your field.

1. Possess the proper education and/or experience as contained below; AND
2. Pass the NCEES FE exam (may be waived for endorsement) and the NCEES PE exam in the discipline applying for or equivalent exams.

PATHWAYS

There are two basic pathways to licensure:

1. If you are already licensed in another state, you will be seeking licensure via
 - a. Endorsement with NCEES exams or
 - b. Endorsement without NCEES FE exam.
2. If you are NOT licensed in any other state, you will be seeking licensure via NCEES exams.

- On page 1 of the application form, please indicate which pathway (1a, 1b, or 2) for licensure you are taking.

MINIMUM EDUCATION & EXPERIENCE

The amount of experience required is dependent on the level of education you have and the pathway applicable to you:

EDUCATION LEVEL	LAWFUL EXPERIENCE	EXAMINATIONS
1 – Master's degree or higher in engineering from an approved institution of higher education AND a bachelor's degree from an approved school or college of engineering	3 years	FE exam <u>Or</u> * 15 years responsible charge PE Exam
2 – Master's degree or higher in engineering from an approved school or college of higher education	4 years	FE exam <u>Or</u> * 15 years responsible charge PE Exam
3 – Bachelor's degree from an approved school or college of engineering	4 years	FE exam <u>Or</u> * 15 years responsible charge PE Exam
4 – Graduate of a 4-year engineering technology or arts and science curriculum from an approved school or college	8 years	FE exam <u>Or</u> * 15 years responsible charge PE Exam
5 – No degree	12 years	FE exam <u>Or</u> * 15 years responsible charge PE Exam

On page 1 of the application form, please indicate which level of education (1 to 5) you have.

* Option of 15 years Responsible Charge experience is only applicable to Licensure via Endorsement.

FOREIGN EDUCATION

In addition to the foregoing, graduates of foreign colleges must have their foreign education evaluated if they wish to have their college degree(s) considered.

In order to do this, contact the Center for Professional Engineering Education Services ("CPEES"), which is affiliated with the National Council of Examiners for Engineering and Surveying ("NCEES") at www.cpees.org, by calling 1(800) 464-7650, or writing to P. O. Box 720010, Miami, FL, 33172. Fax 305-348-5049.

Reports are prepared by CPEES and a copy is sent to us usually within 45 days following receipt of all required documents.

VERIFICATION OF EDUCATION AND EXPERIENCE

Applicants are required to document his/her education and experience. You will need to document your experience in the record portion of the application. However, your level of education and pathway for licensure will dictate the type of additional verification you will need to submit. Refer to the listing below for ways to provide evidence of your experience:

1. NCEES Council Record.
2. Supervised Experience: You must have the enclosed forms EAS-08 "Verification of Supervision" completed by your supervisor(s). If your supervisor is no longer available, contact your original state of licensure and have them submit copies of documentation on your experience directly to the Board.
Note: To be acceptable, experience must have been gained in the discipline for which you are applying, and under the supervision of an engineer who is licensed in the discipline that you are applying for. If you need to take the NCEES exams, the experience must have been gained by the filing deadline (January 10 or July 10).
3. Experience in responsible charge (for licensure via endorsement): You must have the enclosed form EAS-11(b) completed. Please note that experience in responsible charge will be credited in the ratio of 2:1 of the required lawful experience. (For example: Every two (2) years of experience in responsible charge will be credited for one (1) year of the required lawful experience.)
4. Combination of #2 and #3 above.

EXAMINATION

Note: To be acceptable, your PE exam must have been/be taken in one of the following disciplines: agricultural, chemical, civil, electrical, industrial, mechanical, or structural engineering. For structural engineering, a 16-hour exam is required.

Applicants for licensure via endorsement:

Verification of your examination and exam scores must be accomplished. Send the "Verification of Exam/License" form S-1 to the state in which you were **ORIGINALLY LICENSED BY EXAMINATION** with the appropriate service fee, if any. Contact your state licensing agency for any charge. If more than one form is needed or in cases where the exams were taken in more than one state, please duplicate. Completion of this form will also serve to verify your out-of-state license.

If you wish to have the NCEES FE exam requirement waived, you will need to complete the "Verification of Experience in Responsible Charge". The NCEES PE exam requirement cannot be waived.

Applicants for licensure via NCEES FE and PE exams:

Upon approval of your application, you will be mailed an approval notice. You must then register and pay exam fees **DIRECTLY** with NCEES to take the next schedule exam by NCEES's filing deadline. To register for the exam, go to www.els-examreg.org OR call NCEES at 1-877-536-7729, Monday-Friday between 7:30 am – 5:00 pm Eastern Standard Time.

We will then inform the test administrator, the National Council of Examiners for Engineers and Surveyors, of your eligibility to take the FE and/or PE exam. The NCEES will send you an examination packet containing information on registration and cancellation deadlines and fees.

NCEES exams offered:

- a. Fundamental of Engineering (FE)* See education level and experience to qualify to take the FE exam below.
- b. Principles and Practice of Engineering (PE)

The FE and PE exams in chemical, civil, electrical, mechanical and structural engineering are offered twice a year (April and October) on Oahu. The PE exams in agricultural and industrial engineering are offered once a year in October on Oahu.

Application filing deadline: January 10th for April; July 10th for October;

For your information: NCEES

*Education level and experience to qualify to take the NCEES FE exam:

EDUCATION LEVEL	EXPERIENCE
1 – Be in the last year of an engineering curriculum at an approved school or college with graduation expected within 7 months of the date of application	None
2 – Master's degree in engineering from an approved institution of higher education	None
3 – Bachelor's degree from an approved school or college of engineering	None
4 – Graduate of a 4-year engineering technology curriculum from an approved school or college	2 years
5 – Graduate of a 4-year arts and science curriculum with a math, science, or science-related major from an approved school or college	2 years
6 – No degree	9 years

On page 1 of the application form, please indicate which level of education (1 to 6) you have.

If you require special accommodations to sit for the licensure examination, please contact the Exam Branch immediately, but no later than the exam filing deadline, at (808) 586-2711 to obtain a Disability Certification Form that will need to be completed and returned to our office. No action will be taken to provide special testing accommodations until your exam application is complete and approved.

SUBMITTALS

1. Complete the entire application; provide details of your experience in the "Experience Record" portion (keep in mind that "supervisor" refers to a licensed engineer other than yourself); and
2. Provide a copy of all pertinent diplomas or official transcript(s) from an approved school or college; and
3. **A Non-refundable application fee of \$75 made payable to Commerce & Consumer Affairs.**

Depending on your pathway and the examination(s) you are applying for, the board will be awaiting submission of one or more of the following:

1. "Verification of Supervision" form completed by your supervisor(s) who is a licensed engineer.
 2. "Verification of Exam/License" form from another state board.
 3. "Experience in Responsible Charge" form from a licensed engineer.
 4. CPEES report if you are a graduate of a foreign college.
- OR
5. NCEES Council Record.

This material can be made available for individuals with special needs. Please call the Licensing Branch Manager at (808) 586-3000 to submit your request.

INFORMATION & INSTRUCTIONS – ENGINEER

Complete the attached form using a typewriter or print legibly in black ink. Answer all questions and sign and date the application form. Applications that lack supporting documents required for exam or licensure will not be considered. It is the applicant's responsibility to ensure that all documents are received timely. The processing of your application may be delayed if you file an incomplete application.

REQUIREMENTS

Please read the requirements section carefully. Should you have a question or concern regarding the requirements, contact the Licensing Branch at (808) 586-3000.

Information can also be obtained from the Professional & Vocational Licensing Division website: www.hawaii.gov/dcca/areas/pvl

SOCIAL SECURITY NUMBER

Your social security number is used to verify your identity for licensing purposes and for compliance with the below laws.

For a license to be issued you must provide your social security number or your application will be deemed deficient and will not be processed further.

The following laws require that you furnish your social security number to our agency.

FEDERAL LAWS:

42 U.S.C.A. §666 (a)(13) requires the social security number of any applicant for a professional license or occupational license be recorded on the application for license; and if you are licensed health care practitioner, **45 C.F.R., Part 61, Subpart B, §61.7** requires the social security number as part of the mandatory reporting we must do to the Healthcare Integrity and Protection Data Bank (HIPDB), of any final adverse licensing action against a licensed health care practitioner.

HAWAII REVISED STATUTES ("HRS"):

§576D-13(j), HRS Requires the social security number of any applicant for a professional license or occupational license be recorded on the application for license; and

§436B-10(4) HRS which states that an applicant for license shall provide the applicant's social security number if the licensing authority is authorized by federal law to require the disclosure (and by the federal cities shown above, we are authorized to require the social security number).

FEES

Make check payable to: COMMERCE & CONSUMER AFFAIRS (unless otherwise noted).

Note: *One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the payment you sent us for your required fees is honored by your bank. If your payment is dishonored, you will have failed to pay the required licensing fee and your license will not be valid, and you **may not** do business under that license. Also, a \$25.00 service charge shall be assessed for payments that are dishonored for any reason.*

RELEASE OF INFORMATION

If an agency or individual is assisting you with the licensure process we will not be able to release any information to them unless you provide us with authorization. If you wish to do so, please complete the portion on **Release of Information to Third Party**, sign and date it.

RESPONSE

You will receive a deficiency notice or an approval notice upon receipt of all required documents and review of your application.

If for any reason you are denied the registration or license you are applying for, you may be entitled to a hearing as provided by the Hawaii Administrative Rules, Title 16, Chapter 201, and/or Chapter 91, Hawaii Revised Statutes. Your written request for a hearing should be directed to the Board of Professional Engineers, Architects, Surveyors and Landscape Architects and must be received within 60 days of the date that your application for registration or license has been denied.

ABANDONMENT

Pursuant to HRS §436B-9 your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for two consecutive years. The failure to provide evidence of continued efforts includes but is not limited to: (1) failure to submit any required information and documents requested by the licensing authority within two consecutive years from the last date the documents and information were requested, or (2) failure to complete any additional requirements for licensure that remain after approval of your application, such as attempting to complete an exam requirement, within two consecutive years from the date your application was approved, or (3) failure to provide the licensing authority with any written communication during two consecutive years indicating that you are attempting to complete the licensing process. If an application is deemed abandoned the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.

LAWS & RULES PUBLICATIONS

You must certify to reading, understanding, and agreeing to comply with the Hawaii Revised Statutes and Hawaii Administrative Rules governing this license area. Please see below for the chapter numbers of the applicable Hawaii Revised Statutes and Hawaii Administrative Rules. To obtain a copy of the statutes and rules, send a written request to: Board of EASLA, Commerce & Consumer Affairs, P.O. Box 3469, Honolulu, Hawaii, 96801. In addition, you may download the statutes and rules from the following site: www.hawaii.gov/dcca/areas/pvl. Look under "Engineer, Architect, Surveyor & Landscape Architect".

For Engineers, you should be familiar with Chapter 464, Chapter 115, and Chapter 436B.

LICENSURE & RENEWAL

After all requirements are fulfilled, license fees will be due. Notification of amounts will be sent to you at the appropriate time.

For Engineers, all licenses (regardless of issuance date) will expire on **April 30 of each EVEN-NUMBERED year** and are subject to renewal by the license expiration date. Renewals received after the license expiration date are subject to late renewal fees and may be restored up to 2 years. After 2 years, a new application for licensure is required.

CHANGE OF ADDRESS

Whenever you have a change of address, please report it to the department in writing so that your records can be updated.

This material can be made available for individuals with special needs. Please call the Licensing Branch Manager at (808) 586-3000 to submit your request.
