

NATUROPATHIC FORMULARY
(Effective March 7, 2011, Amended May 13, 2011)

Introduction

Pursuant to Act 22 (2009), the Board of Naturopathic Medicine (“**Board**”) hereby establishes this naturopathic formulary that specifies the vitamins, minerals, dietary supplements, botanical medicines, homeopathic medicines, hormones, and legend drugs consistent with naturopathic medical practice that naturopathic physicians can prescribe, administer, or dispense; provided that naturopathic physicians **cannot** prescribe, administer, or dispense any of these items in the injectable form or by injection unless the naturopathic physician is specifically authorized by the Board.

Effective February 14, 2011, only naturopathic physicians who possess a “parenteral therapy” special privilege issued by the Board may prescribe, administer, or dispense any of these items in the injectable form or by injection. To find out if a naturopathic physician is licensed and possesses a “parenteral therapy” special privilege issued by the Board, please visit <http://pvl.hawaii.gov/pvlsearch/app> or you may call our Licensing Branch at (808) 586-3000.

If you have any other questions, please contact the Board’s office at (808) 586-2704 or visit the Board’s website at <http://hawaii.gov/dcca/pvl/boards/naturopathy/>.
