

Want to have your school compete in the LifeSmarts competition but can't make the time commitment? Get assistance from a mentor!

Your students will learn about life skills and real-life consumer issues such as:

- Personal Finance
- Consumer Rights & Responsibilities
- Health & Safety
- Technology
- Environment

Schools to provide:

- Students
- Adult "coach"
- Meeting room for mentors to meet with students
- Computers with internet access

Student training:
September 1 to November 30

LifeSmarts to provide:

- Mentors to guide students
- Teaching resources & curriculum

If your school needs help finding mentors, contact the Office of Curriculum, Instruction and Student Support (OCISS) at (808)733-9141 or the Corporate and Community Partnerships Office at (808)586-3687.

For more information on the LifeSmarts program, call the Hawaii LifeSmarts state coordinator at (808)586-2760 or log on to www.lifesmarts.org.

LifeSmarts is a consumer education competition that allows teens to learn lifeskills in a fun way. LifeSmarts is brought to Hawaii by the Department of Commerce and Consumer Affairs in partnership with the Department of Education, Better Business Bureau Foundation, and Hawaii Credit Union League.
