(b) The six different Apartment Types are described in the Exhibit "A" attached hereto and made a part hereof.

(c) Each apartment has immediate access to the walkways of the Project which connect the apartment to the parking areas, driveways and the adjacent public street.

(d) Except as specifically otherwise provided in the proposed Declaration, an apartment shall not be deemed to include the undecorated or unfinished surfaces of the perimeter walls or interior load-bearing walls, the floors and ceilings which surround each apartment or any pipes, wires, conduits or other utility or service lines running through such apartment which are utilized for or serve more than one apartment, the same being deemed common elements as herein provided. Each apartment shall be deemed to include all of the walls and partitions which are not load-bearing within its perimeter walls, the inner decorated or finished surfaces of all walls, floors and ceilings, all lanais, all windows and glass walls at the perimeter of the apartment and all fixtures and appliances originally installed therein for its exclusive use. Said fixtures and appliances consist of: refrigerator/freezer, range with self-cleaning oven, microwave oven, garbage disposal, trash compactor, dishwasher, water heater, washer/dryer, wetbar with refrigerator, drapes and carpets.

COMMON ELEMENTS: The remaining portions of the proposed Project are designated as "common elements", including specifically but not limited to:

(a) The land.

(b) The yards and grounds, fences, walkways, driveways, parking areas and pavement.

(c) The recreational facilities, including the swimming pool.

(d) Central facilities and appurtenant installations for utility and other common services such as power, light, gas and water.

(f) All other buildings, apparatus and installations existing for common use.

(g) All other parts of the property necessary or convenient to its existence, maintenance and safety or normally in common use.

LIMITED COMMON ELEMENTS: Certain parts of the common elements, herein called the "limited common elements", are designated and set aside for the use of certain apartments, and such apartments shall have appurtenant thereto exclusive easements for the use of such limited common elements as follows:

(a) Each apartment shall have appurtenant thereto an exclusive right to use the parking stall or stalls assigned to such apartment as set forth in Exhibit "A" attached hereto. Each apartment shall always have at least one parking stall appurtenant to it but otherwise any parking stall may be conveyed and made appurtenant to another apartment by a written instrument expressly identifying the apartment to which the parking stall is appurtenant as well as the apartment to which the parking stall will become appurtenant, which written instrument shall be denominated as an amendment to the Declaration, shall be executed by the owner of each apartment affected with the consent of the mortgagee of each apartment affected. The conveyance and Amendment of Declaration shall be effective upon filing of the same in the Bureau of Conveyances of the State of Hawaii. A copy of said instrument, together with the recording data, shall be given to the Association by the affected apartment owners within 15 days of the filing thereof.

INTEREST TO BE CONVEYED TO PURCHASER: Each apartment shall have appurtenant thereto an undivided percentage interest in all common elements of the Project (called the "common interest") as set forth in Exhibit "A" attached hereto and the same proportionate share in the common expenses of the Project and for all other purposes, including voting.

EASEMENTS: In addition to any easements designated in the proposed Declaration in the limited common elements, the apartments and common elements shall have and be subject to the following easements:

1. Each apartment shall have appurtenant thereto nonexclusive easements in the common elements designed for such purposes for ingress to, egress from, utility services for such apartment; in the other common elements for use according to their respective purposes, subject always to the exclusive or limited use of the limited common elements as herein provided and in all other apartments of its building for support.

2. If any part of the common elements encroaches upon any apartment or if any apartment encroaches upon any common element, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall and does exist. If any portion of the Project shall be partially or totally destroyed and then rebuilt, minor encroachments of any parts of the common elements or apartments due to such construction shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist.

3. The Association of Apartment Owners of the Project shall have the right, to be exercised by its Board of Directors or Managing Agent, to enter any apartment or limited common element from time to time during reasonable hours as may be necessary for the operation of the Project or at any time for making emergency repairs therein required to prevent damage to any apartments or common elements or for the installation, repair or replacement of any common elements.

PURPOSES AND RESTRICTIONS: The apartments shall be occupied and used as dwellings by the respective owners thereof, their tenants, families, domestic servants and guests. No apartment owner shall enter into or permit, by deed, agreement of sale, lease, license or any other means, the use of his apartment for time-sharing purposes, which shall mean and include, but not be limited to, any plan of ownership wherein particular persons, as owners or otherwise, are permitted to use the apartment and its appurtenances for a particular recurring limited period of time.

Except for the above expressed restrictions, the owners of the respective apartments shall have the absolute right to lease such apartments subject to all provisions of the Declaration and Bylaws.

OWNERSHIP OF TITLE: The Preliminary Report dated November 6, 1979, issued by Title Guaranty of Hawaii, Incorporated, states that title to the land is vested in Kamehameha Development Corporation, a Hawaii corporation, whose address is 700 Bishop Street, Suite 601, Honolulu, Hawaii 96813.

The Developer has no vested interest in the land but has an option to purchase the land at any time on or before November 30, 1980 pursuant to the terms of an option agreement dated December 21, 1978 by and between Kamehameha Development Corporation and Developer.

If the option is not exercised on or before November 30, 1980, each purchaser will be entitled to a full refund of any deposits paid pursuant to a Sales Contract, without interest. Such refunds will be made within five (5) days after

November 30, 1980. The Escrow Agreement provides that no disbursements of purchasers' funds can be made prior to the issuance of a Final Public Report, which will not be issued until Developer has exercised the option.

ENCUMBRANCES AGAINST TITLE: Said Preliminary Report dated November 6, 1979 reports that title to the land is subject to the following:

1. For real property taxes that may be due and owing, reference is hereby made to the Office of the Tax Assessor, Third Division.
2. Reservation in favor of the State of Hawaii of all mineral and metallic mines.
3. Location of the seaward boundary in accordance with the law of the State of Hawaii, and shoreline setback line in accordance with County Regulation and/or Ordinance.

PURCHASE MONEY HANDLING: A copy of the specimen Sales Contract and the executed Escrow Agreement dated December 20, 1979, have been submitted as part of the registration. The Escrow Agreement identifies Title Guaranty Escrow Services, Inc. as the Escrow. Upon examination, the Sales Contract and the executed Escrow Agreement are found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended. It is incumbent upon the purchaser and prospective purchaser that he read with care the specimen Sales Contract and the executed Escrow Agreement. The latter agreement establishes how the proceeds from the sale of apartments and all sums received from any source are placed in escrow, as well as the methods of disbursement of said funds.

The executed Escrow provides in part:

A purchaser shall be entitled to a return of his funds, and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer.

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Report, there shall have been a change in the

building plans, subsequent to the execution of purchaser's sales contract, requiring approval of a county officer having jurisdiction over the issuance of building permits, unless such change is specifically authorized in the Declaration of Horizontal Property Regime or by the terms of the sales contract or unless a purchaser's written approval or acceptance of the specific change is obtained or ninety days have elapsed since the purchaser has accepted in writing the apartment or the purchaser has first occupied the apartment; or

(d) The Final Report differs in a material respect from the Preliminary Report, and the purchaser's written approval of such change shall not have been obtained; or

(e) The Final Report shall not have been issued within one (1) year from the date of issuance of the Preliminary Report and the purchaser has not waived or has not been deemed to have waived his right to a refund.

Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c), (d) or (e) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee to Escrow of not less than \$25.00 per apartment or a cancellation fee commensurate with the work done by Escrow prior to such cancellation, whichever fee is greater) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

The specimen Sales Contract also provides, in part, that all rights of a Purchaser are and shall be subject and subordinate to the liens of any mortgage(s), advances or sums heretofore or hereafter made to finance the construction and other costs of the project.

MERGER OF ADDITIONAL INCREMENTS: The proposed Declaration provides that the project may be amended by way of merger as set forth in Paragraph T of said proposed Declaration, which contains the provisions set forth below. At the present time, the Developer (referred to as "Owner" in the paragraphs below) intends to develop the 46 units covered by this report, which will be the second increment of development of the KANALOA AT KEAUHOU project and which will be designated as OCEAN VILLAS.

"1. Any provision of this Declaration to the contrary notwithstanding, the Owner shall have the right at its option to amend the Project, by way of merger, as hereinafter provided, at any time up to, but not later than January 1, 1982, by the construction and addition to the Project of up to fifty-four (54) additional apartments, together with such supporting and servicing common elements which the Owner determines in its sole discretion are beneficial to the Project, on up to an additional approximate 5.600 acres of adjoining land, which land is described in Exhibit 'C' attached hereto and made a part hereof.

2. The Project described herein is the second increment of a proposed three (3) increment project, as described in this Paragraph T, which may be developed in two or more increments, all at the option of the Owner. The purpose of the merger provisions of Paragraph T is to provide for a merger of all increments just as if the increments involved had been developed as one single project. A merger may occur with respect to the third increment or any subsequent increments, or any one of them, at the same or different times and merger with respect to one of said increments shall not affect the right of the Owner to merge another increment or increments at a later date subject to all of the provisions of this Declaration.

3. Merger shall take effect with respect to a particular additional increment upon the happening of all of the following conditions with respect thereto:

(a) Recordation in the Bureau of Conveyances of the State of Hawaii by the Owner of a Declaration of Horizontal Property Regime and Bylaws covering the additional increment in a form substantially identical hereto (except for the descriptions of apartments and the common elements and the percentage of common interest therein and except for such matters as may be required to conform to any amendments of Chapter 514A, Hawaii Revised Statutes, enacted subsequent to the recordation hereof) and a Condominium Map depicting the plot and floor plans of the additional increment, both complying with the requirements of Chapter 514A, Hawaii Revised Statutes, as amended; and

(b) Recordation in the Bureau of Conveyances of the State of Hawaii by the Owner of a 'Certificate of Merger', which certificate shall contain:

(i) A certification by a Hawaii registered architect or professional engineer that the final plans theretofore filed for the increments being merged, or being filed simultaneously with such certificate, fully and accurately depict the layout,

location, apartment numbers, dimensions and elevations of the apartments of the increments being merged, as built;

(ii) A certification by Owner that the increment has been substantially completed, that a notice of completion has been filed and that the period for filing of mechanics' and materialmen's liens has expired; and

(iii) The common interest of each apartment of the project after completion of the subject merger.

4. The percentage of common interest of each apartment upon merger with an additional increment shall be calculated by dividing such apartment's floor area by the floor area of all apartments in the project after merger. The 'floor area' of an apartment includes the total square feet of the apartment and its lanai, if any. The Owner may add or subtract up to .0009% to one apartment owned by the Owner, at its discretion, for the sole purpose of ensuring that the total common interests for all apartments equals 100%.

5. From and after the date of the recordation of said Certificate of Merger with respect to a particular additional increment, the following consequences shall ensue:

(a) Use of Common Elements. The apartments in each of the merged increments shall have the right to use the common elements in each increment to the same extent and subject to the same limitations as are imposed upon an apartment in each increment just as though the merged increments had been developed as one project.

(b) Board of Directors. The Board of the project immediately prior to the merger of a particular additional increment shall govern the merged project after completion of the merger; at a special meeting called for the purpose after the merger, the apartment owners may remove said existing Board and elect a new Board to govern the merged project until the next annual meeting. Procedures for calling and holding such meetings shall be those as set forth in the Bylaws.

(c) Interpretation. For purposes hereof, the merged increments shall be treated as part of a single project developed as a whole from the beginning, and there shall be only one Association of Apartment Owners and one Board, and the Declaration of Horizontal Property Regime and Bylaws applicable to

each merged increment shall be construed as one document applicable to the entire project constituting the merged increments except to the extent expressly otherwise provided for therein. It is the purpose hereof to provide that from and after the date of each merger all of the property so merged shall be treated as though it had been developed, divided into apartments, held, occupied and used by the owners thereof as a single undivided project.

6. Such additional apartments and common elements of each additional increment shall be located on said additional land, or part thereof, of their respective increment as determined by the Owner in its sole discretion, with reference, however, to the advice of a registered architect or professional engineer. Until the initial conveyance by Owner of such apartments, Owner shall for all purposes be deemed the 'apartment owner' as to such additional apartments.

7. In connection with, and only to the extent necessary for the creation of such additional apartments and common elements, as aforesaid, the Owner shall have the right up to January 1, 1982 or upon merger of all three increments, whichever shall first occur, to remove, amend or add common elements; to remove, amend or add parking spaces; to enter upon the project premises with employees, agents and contractors for all purposes reasonably necessary for or useful to constructing and completing said additional apartments and common elements according to plans and specifications or amended plans and specifications approved by the officer of the County of Hawaii having jurisdiction over the issuance of building permits; to connect the additional apartments and common elements to utilities of the Project, to file amendments to the Declaration for purposes of certifying condominium maps filed as reflecting the improvements shown therein to be 'as built'; and to sell or designate owners of the additional apartments. Such rights shall include the following:

(a) An easement over, under and across the common elements of the Project for the purposes of all work connected with or incidental to the development, construction and sale of apartments in any undeveloped portions of the additional increments;

(b) The right appurtenant to the undeveloped increments, in the nature of an easement over and upon the project and the developed increments to create and cause dust, noise, vibration and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of apartment in said undeveloped increments;

(c) The right to enter the common areas of the Project for the purpose of showing prospective purchasers of apartments in the Project or in undeveloped increments the facilities of the Project;

(d) The right to place signs upon the Project and on undeveloped increments in conjunction with sales of apartments;

(e) The right of the Owner to use any apartment owned or rented by the Owner for sales or display purposes until all apartments in all increments are sold.

Owner shall use its best efforts to keep its exercise of the rights reserved to it in Paragraph T from unreasonably interfering with the rights of the other apartment owners in the Project.

8. In the event of each merger as aforesaid, each owner of a then added apartment shall be required to advance to the Association, as constituted after merger, upon filing of the respective Certificate of Merger, an amount equal to the average existing apartment's share of funds on deposit immediately prior to such merger with the Association hereby created for operation of the merged project, including the Maintenance Reserve Fund, but excluding funds which will be expended during the next 30 days.

9. The Owner shall have the right to execute, acknowledge and deliver any and all instruments necessary or appropriate for the purpose of carrying out the provisions and exercising the rights, powers and privileges granted by Paragraph T, all as the true and lawful attorney-in-fact of the respective owners from time to time of the apartments of the Project as herein originally constituted or as merged as aforesaid.

10. No apartment owner in the Project shall enter into or offer to enter into any arrangement with any other apartment owner in the Project whereby any rental pool of apartments or any other sharing of rental income of apartments is established. This restriction shall terminate on the earlier of:

(a) January 1, 1982; or

(b) The date on which all apartments in all increments have been developed and sold by the Owner. The Owner may at any time waive this restriction by written notice to all apartment owners in the Project.

11. After completion of the merger of the prior increment or increments with the additional increment

as provided in Paragraph T, the Owner shall have the irrevocable right to amend the Declaration and Bylaws for each increment in their entirety so that there shall be one amended Declaration and Bylaws for all increments for the purpose of showing the merged project with a consolidated description of the land, buildings, apartments, common elements, limited common elements and common interests, and of incorporating into such amended Declaration and Bylaws any statutory requirements enacted subsequent to the recordation of the Declaration and the Bylaws attached thereto, without otherwise changing the form or content of such Declarations and Bylaws. The apartment owners by the Declaration give the Owner their irrevocable power of attorney coupled with an interest to amend the Declaration for such purpose. Upon the filing of such amended Declaration in said Bureau of Conveyances, the Owner shall provide a copy of such amended Declaration to the Managing Agent for the project and each apartment owner at his or her last known address by certified mail. If more than one person owns an apartment, mailing of the amended Declaration to one of the owners shall be sufficient. After the last increment is merged in the Project, the amended Declaration shall omit Paragraph T.

12. If any one or more of the provisions of paragraph T shall be declared to be contrary to law, then such provision or provisions shall be null and void and shall be deemed separable from the remaining provisions of Paragraph T and shall in no way affect the enforceability of any other provision hereof."

MERGER WITH KANALOA AT KEAUFHOU-FAIRWAY VILLAS: The proposed Declaration provides that any provision of the Declaration to the contrary notwithstanding, the Developer shall have the right, at its option, at any time up to, but not later than January 1, 1982, to merge the Project with that certain condominium project known as KANALOA AT KEAUFHOU-FAIRWAY VILLAS and more particularly described in Declaration of Horizontal Property Regime dated November 15, 1979 and recorded in said Bureau in Liber 14262, at Page 242. Said KANALOA AT KEAUFHOU-FAIRWAY VILLAS is the first increment of the proposed three (3) increment project of which the Project is a part and such merger shall be conducted in accordance with the terms of said Declaration of Horizontal Property Regime dated November 15, 1979. The Developer shall have the right to execute, acknowledge and deliver any and all instruments necessary or appropriate for the purpose of carrying out the provisions and exercising the rights, powers and privileges granted by paragraph U of the proposed Declaration, all as the true and lawful attorney-in-fact of the respective owners from time to time of the apartments of the Project as constituted in the Declaration or as merged as aforesaid.

MANAGEMENT AND OPERATIONS: The proposed Declaration provides that the administration of the project shall be vested in the Association of Apartment Owners. Operation of the project shall be conducted for the Association by a responsible corporate Managing Agent who shall be appointed by the Association in accordance with the Bylaws except that the initial Managing Agent shall be appointed by the Developer. It is anticipated that Kanaloa Realty and Property Managers, Inc., whose principal place of business and post office address is 75-5699R Alii Drive, Kailua-Kona, Hawaii 96740 (Phone: 329-2717), will be named as the initial Managing Agent.

STATUS OF PROJECT: The Developer obtained, on June 1, 1979, conditional approval for a Special Management Area Use Permit from the County Planning Department, but the estimated date of commencement of the project is not known at this time.

The purchaser or prospective purchaser shall be cognizant of the fact that this published report represents information disclosed by the Developer in the required Notice of Intention submitted December 21, 1979, and information subsequently filed as of December 31, 1979.
