In the event that the said Lot 5 shall be conveyed to or condemned by the City and County of Honolulu, this easement shall automatically terminate.

LIMITED COMMON ELEMENTS: Certain parts of the common elements, herein called and designated "limited common elements", are reserved for the exclusive use of certain apartments and such apartments shall have appurtenant thereto exclusive easements for the use of such limited common elements. The limited common elements so set aside and reserved are as follows:

- (a) One (1) or more automobile parking spaces shall be assigned to each apartment upon the original conveyance thereof and shall be appurtenant to and for the exclusive use of such apartment. The initial parking space assignment for each apartment is shown on Exhibit "A-1"

attached hereto and made a part hereof. Each apartment shall always have at least one parking space appurtenant to it but otherwise any automobile parking space easement may be transferred from apartment to apartment in the project.

(b) Privacy yard areas as shown on said proposed Condominium Map.

(c) Common entry ways outside of each main entrance.

(d) All other common elements of the project which are rationally related to less than all of said apartments shall be limited to the use of such apartments.

Upon merger of additional increments, the common interest for each apartment shall change in accordance with said Exhibit "B" and paragraph 18 of the proposed Declaration.

PURPOSE OF BUILDING AND RESTRICTIONS AS TO USE: The purposes for which said buildings and other improvements and each of the apartments are intended and shall be restricted as to use are as follows:

(a) The common interest and easements appurtenant to each apartment shall have a permanent character, shall not be altered without the consent of all owners of apartments affected thereby and Lessor except that apartment owners shall have the right to change the designation of parking stalls which are appurtenant to their respective apartments by amendment of the Declaration. Such amendment shall be effective only upon recording of the same in the Bureau of Conveyances of the State of Hawaii.

(b) The common elements shall remain undivided, and no right shall exist to partition or divide any part thereof except as provided by said Horizontal Property Act.

(c) The apartments shall be occupied and used only for residential purposes and no apartment shall be used as a tenement or rooming house or for or in connection with the carrying on of any business, trade or profession whatsoever. The respective apartments shall not be rented by the owners thereof for transient or hotel purposes, which shall be defined as (a) rental for any period less than thirty (30) days; or (b) any rental in which the occupants of the apartment are provided customary hotel services, such as room service for food and beverage, maid service, furnishing laundry and linen, and bellboy service. Other than the foregoing obligations, the owners of the respective apartments shall have the absolute right to lease same provided that said lease is made subject to the covenants and restrictions contained in this Declaration and further subject to the By-Laws and Regulatory agreement.

(d) The apartments in the project or any interest therein shall not be sold, transferred, conveyed, leased, occupied, rented or used for or in connection with any time-sharing purpose or under any time-sharing plan, arrangement or program, including without limitation any so-called "vacation license", "travel club membership" or "time-interval ownership" arrangement. The term "time sharing" as used herein shall be deemed to include, but is not limited to, any plan, program or arrangement under which the right to use, occupy, own or possess an apartment or apartments in the project rotates among various persons on a periodically recurring basis according to a fixed or floating interval or period of time, whether by way of deed, lease, association or club membership, license, rental or use agreement, co-tenancy agreement, partnership or otherwise.

The proposed House Rules states in part: (1) Two-bedroom apartments shall be occupied by no more than four (4) persons and three-bedroom apartments shall be occupied by no more than six (6) persons; (2) All dogs shall be leashed; all dogs will be walked on perimeter sideways; and (3) Cooking and fires of any kind are prohibited on lanais.

MERGER OF ADDITIONAL INCREMENTS: The proposed Declaration provides that Phase II may be merged with up to five (5) additional increments as set forth in Paragraph 18 of said Declaration, which reads in part as follows:

"(18.01) Any provision of this Declaration to the contrary notwithstanding, the Lessor and Developer shall have the right at their option to amend this project, which is Phase II, by way of merger, as hereinafter provided, at any time up to, but not later than December 1, 1986, by the addition of this project to the previous Phase I of thirty-eight (38) apartments known as Phase I, Waiiau Garden Villa, on approximately 110,024 square feet of land, being Lot 2 of File Plan 1655; and by the construction and addition to said projects of one hundred thirty-four (134) additional apartments, together with such supporting and servicing common elements which the Lessor and Developer determine in their discretion are beneficial to the project, on up to an additional approximate 272,100 square feet of adjoining land, being Lots 3, 4, 5 and 6 of File Plan 1655, such additions may be added in five additional increments as follows:

- (1) This Phase II added to Phase I.
- (2) Phase III. Approximately forty-two (42) apartments on Lot 3 of File Plan 1655, containing an area of approximately 62,999 square feet.
- (3) Phase IV. Approximately twenty-two (22) apartments on Lot 4 of File Plan 1655, containing an area of approximately 52,761 square feet.
- (4) Phase V. Approximately forty-eight (48) apartments on Lot 6 of File Plan 1655, containing an area of approximately 105,792 square feet.

(5) Phase VI. Approximately twenty-two (22) apartments on Lot 5 of File Plan 1655, containing an area of approximately 50,548 square feet.

(18.02) The project described herein is the second phase of a proposed six (6) phase project as described in this paragraph 18, which may be developed in two or more phases, all at the option of the Lessor and Developer. The purpose of the merger provisions of this paragraph 18 is to provide for a merger of all phases just as if the phases involved had been developed as one single project. A merger may occur with respect to this second phase with the first and the third or any subsequent phase, or any one of them, at the same or different times and merger with respect to one of said phases shall not affect the right of the Lessor and Developer to merge another phase or phases at a later date subject to all of the provisions of this Declaration.

(18.03) Merger shall take effect with respect to a particular additional phase upon the happening of all of the following conditions with respect thereto:

(1) Recordation in the Bureau of Conveyances of the State of Hawaii by the Lessor and Developer of a Declaration of Horizontal Property Regime and By-Laws covering the additional phase in a form substantially identical hereto (except for the descriptions of apartments and the common elements and the percentage of common interest therein) and a Condominium File Plan depicting the plot and floor plans of the additional phase, both complying with the requirements of Chapter 514A, Hawaii Revised Statutes, as amended, and

(2) Recordation in the Bureau of Conveyances of the State of Hawaii by the Lessor and Developer of a "Certificate of Merger" which certificate shall contain:

(i) A certificate by a Hawaii registered architect or professional engineer depicting fully the layout, location, apartment numbers and dimensions of the apartments as built;

(ii) A certification by Developer that the increment has been substantially completed, that a notice of completion has been filed and that the period for filing of mechanics' and materialmen's liens has expired;

(iii) The common interest of each apartment of the project after completion of the subject merger; and

(iv) A revised plot plan showing the location of the buildings of the project after completion of the subject merger.

(18.04) The percentage of common interest of each apartment upon merger with an additional phase shall be as provided in said Exhibit 'B'."

OWNERSHIP OF TITLE: Title to the land is vested in the Trustees of the Estate of Bernice Pauahi Bishop. The Preliminary Title Report dated December 31, 1979 by Security Title Corporation confirms such ownership. The Developer, together with its wholly owned subsidiary, Central Oahu Land Corporation, is the Lessee of the property, but Developer has advised the Commission, by letter dated January 15, 1980, that it is the exclusive owner of all development rights to the land.

ENCUMBRANCES AGAINST TITLE: Said Preliminary Title Report reports that title to the land is subject to the following:

1. For real property taxes that may be due and owing, reference is hereby made to the Office of the Tax Assessor, First Taxation Division.

2. Reservation in favor of the State of Hawaii of all mineral and metallic mines as reserved in Royal Patent No. 4475.

3. The terms and provisions of that certain Lease No. 24,300 dated April 14, 1976, recorded in the Bureau of Conveyances of the State of Hawaii in Liber 11364 at Page 191, made by and between the Trustees of the Estate of Bernice Pauahi Bishop, as Lessors, to Central Oahu Land Corporation, a Hawaii corporation, and Lear Siegler Properties, Inc., a Delaware corporation authorized to do business in Hawaii, which corporations are associated in a joint venture known as CENTRAL-TROUSDALE, as Lessees.

PURCHASE MONEY HANDLING. A copy of the Specimen Sales Contract and the executed Escrow Agreement dated January 14, 1980 have been submitted as part of the registration. The Escrow Agreement identifies Security Title Corporation as the Escrow. Upon examination, the specimen Sales Contract and the executed Escrow Agreement are found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended. It is incumbent upon the purchaser and prospective purchaser that he reads with care the Sales Contract and the executed Escrow Agreement. The latter agreement establishes how proceeds from the sale of apartments and all sums received from any source are placed in escrow, as well as the methods of disbursement of said funds.

Among other provisions, the executed Escrow Agreement states that a purchaser shall be entitled to a refund of his funds, and Escrow shall pay said funds to said purchaser, without interest, if purchaser shall in writing request refund of his funds and any one of the following shall have occurred:

(a) Escrow receives a written request from Developer to return to Purchaser the funds of such Purchaser then held by Escrow; or

(b) If a Purchaser's funds were obtained prior to the issuance of a final public report and if there is any change in the condominium building plans, subsequent to the execution of Purchaser's Sales Contract, requiring the approval of a county officer having jurisdiction over the issuance of permits for construction of buildings, unless the Purchaser has given written approval or acceptance of the specific change; or

(c) If a Purchaser's funds were obtained prior to the issuance of a final public report and the request is prior to the time the final public report is issued; or

(d) If the final public report differs in any material respect from the preliminary public report, unless the Purchaser has given written approval or acceptance of the difference; or

(e) If the final public report is not issued within one year from the date of issuance of the preliminary public report.

**MANAGEMENT AND OPERATIONS:** The proposed Declaration discloses that the administration of the project shall be vested in the Association of Apartment Owners. Operation of the project shall be conducted for the Association by a responsible corporate Managing Agent who shall be appointed by the Association in accordance with the By-Laws except that the initial Managing Agent shall be appointed by the Developer. TROPIC SHORES REALTY, LTD., a Hawaii corporation, whose business and post office address is 33 South King Street, Suite 206, Honolulu, Hawaii 96813, has been named as the initial Managing Agent and is designated as the agent to receive service of process until such time as the Board of Directors of the Association is elected. The Management Agreement shall be for a term of three years from the date of execution, October 2, 1979, and may be terminated by mutual consent of the parties at the end of any calendar month but not without the consent of the FHA. The FHA shall also have the right to terminate said Agreement at the end of any calendar month upon 30 days written notice to the Association and the Agent.

**WAIAU GARDENS KAI RECREATION ASSOCIATION:** Each apartment owner of the project shall become a member of Waiau Gardens Kai Recreation Association, a Hawaii non-profit corporation, the lessee of Lot 5 as shown on File Plan 1305, for park and recreational purposes, along with apartment owners of other projects as enumerated in Paragraph 12 of the proposed Declaration, and each apartment owner shall remain a member thereof until such time as his ownership of such apartment ceases for any reason, at which time his membership in said corporation shall automatically cease.

**NOTE:** The common expenses of Lot 5 shall include a proportionate share of all reasonable expenses of maintenance, operation, repair, replacement, insurance, rent, real property taxes and assessments of the park and recreational facilities thereon, for which all apartment owners shall be severally liable in equal shares (and not in the proportionate shares as set forth in Exhibit "B" attached hereto) with all other apartment owners of the project and with all apartment owners of the condominium projects known as Waiau Gardens Kai, Unit "B" on Lot 2, area 438,442 square feet, and Waiau Gardens Kai, Unit "A" on Lot 3, area 437,616 square feet, as shown on File Plan 1305; Waiau Gardens Kai, Unit "E" on Lot 1, area 379,602 square feet, and Waiau Gardens Kai, Unit "D" on Lot 2, area 401,924 square feet, as shown on File Plan 1317; Waiau Gardens Kai, Unit "G-1" on Lot 1, area 202,517

square feet, and Waiiau Gardens Kai, Unit "G-II" on Lot 2, area 257,350 square feet, as shown on File Plan 1415, (being a portion of Lot 1, File Plan 1305); Waiiau Garden Court, Phases I through VI, on Lots 1 through 6, as shown on File Plan 1592; and the condominium projects developed or proposed to be developed on Lots 2, 3, 4, 5 and 6, as shown on File Plan 1655 (being a portion of Lot 1, File Plan 1305 and portions of Lot 2, File Plan 1366); provided, however, that until the completion of the uncompleted condominium projects on Lots 2, 3, 4, 5 and 6, File Plan 1655, such apartment owners shall pay in equal shares all expenses of the recreation center.

REGULATORY AGREEMENT: The Developer intends to qualify this project for home mortgage insurance under Section 234 of the National Housing Act. As a condition for qualification, the Developer shall enter into a Regulatory Agreement with the Federal Housing Commissioner which governs the management, operation and maintenance of the project in accordance with standards required by the Federal Housing Commissioner. The project shall be subject to the Regulatory Agreement, a copy of which has been filed with the Commission.

STATUS OF PROJECT: The Developer advises that construction of the project will commence on or about March 1, 1980 and the estimated date of completion of the project is on or about August 31, 1980.
