PURCHASE MONEY HANDLING: A copy of the executed Escrow Agreement, dated March 1, 1980, identifies Long & Melone Escrow, a Hawaii corporation, as escrow agent. On examination, the Escrow Agreement and the specimen Sales Contract also submitted to the Commission as a part of this Registration are to be found in compliance with Chapter 514A, Hawaii Revised Statutes, particularly with Sections 514A-39 and 514A-63 through 66, inclusive.

Among other provisions, the executed Escrow Agreement states that a purchaser under the Sales Contract shall be entitled to a return of his funds and Escrow shall pay such funds to said purchaser without interest, promptly after purchaser has requested such return, if Escrow shall have received from Developer a written notice that any one of the following has occurred:

a. Developer shall have requested Escrow to return to purchaser the funds of purchaser then being held by Escrow; or

b. Developer shall have notified Escrow of Developer's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated therein or otherwise available to Developer; or

In any of the foregoing events Escrow shall, upon receipt of the written request for a refund from purchaser, pay said funds to the purchaser (less cancellation fee to escrow of \$25.00 per Apartment and escrow and cancellation costs, as defined in the Sales Contract) and thereupon said Sales

Contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer; provided, however, that no refund shall be made to a Purchaser at Purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

The specimen Sales Contract provides in part that: (1) Seller expressly reserves the right to sell or lease unsold Apartments free from any restrictions on such sale or lease which may apply to Buyer under the Declaration and Bylaws; (2) the Buyer acknowledges in the Sales Contract that minor construction activity may continue on the site after Buyer has occupied his Apartment, which may result in noise, dust or other annoyances and that the Developer's sales activities, including the use of model units and signs for sales displays and related activities, may continue until the last Apartment in the Project is sold; (3) the Sales Contract also provides that if the Apartment is rented, Buyer shall assume the lease or tenancy agreement; (4) Buyer acknowledges that the Apartment, building, improvements and the project are existing and Buyer accepts the foregoing "as is" "where is", without any warranties, express or implied, or representations whatsoever; and (5) Buyer should also note that the Sales Contract places restrictions on the apartment owners, precluding them from entering into any rental pool or other rental-sharing arrangements with other such Apartment owners until after the expiration of fifteen (15) years from the date of recordation of Buyer's conveyancing documents.

It is incumbent upon the purchaser and the prospective purchaser that he read with care the Sales Contract and Escrow Agreement. The Escrow Agreement establishes how the proceeds on the sale of the Apartment and all sums from any source are placed in Escrow, as well as the retention, disbursement, and refund of said escrow funds.

MANAGEMENT AND OPERATIONS: The Declaration and Bylaws which are incorporated within the Declaration provide that the administration of the Project shall be vested in the Association of Apartment Owners under the direction of the Board of Directors by a responsible corporate managing agent who shall be appointed by the Association in accordance with the Bylaws; provided, however, Developer has reserved the right to designate the managing agent for the initial two-year period subject to certain conditions provided in the Declaration and Bylaws. Developer advises that the managing agent has not yet been selected.

STATUS OF PROJECT: The Developer advises that the Building is pre-existing and completed in 1974. All Apartments will be sold "as is" without any warranties whatsoever and without any warranties of merchantability or fitness for a particular purpose with respect to purchaser's Apartment, appliances or anything installed therein, the common elements of the Project or any portions of the Project.

The Developer has represented that to the best of his information and belief, the building built on the subject premises is in compliance with all ordinances, codes, rules

and regulations or other requirements in force at that time of its construction thereof, and that no variance was granted from any ordinance, code, rule, regulation or other requirement in force at the time of construction thereof or from any current ordinance, code, rule, regulation or other requirement. Also, there are no current outstanding notices to the owners of the improvements of uncured violations or building codes or of other municipal regulations. The Developer has submitted a letter to the Commission from the City's Building Department Director in support of the foregoing statements.

The purchaser or prospective purchaser should be cognizant of the fact that this published report represents information disclosed by the Developer in the required Notice of Intention submitted March 14, 1980, and additional information subsequently filed as of July 28, 1980.

This FINAL HORIZONTAL PROPERTY REGIMES (CONDOMINIUM) PUBLIC REPORT is made a part of REGISTRATION NO. 1269 filed with the Commission on March 14, 1980.

This report, when reproduced, shall be a true copy of the Commission's Public Report. In making facsimiles the paper stock shall be white in color.
