Each of the 20 buildings contains 4 residential condominium apartments. The Declaration of Horizontal Property Regime provides for eighty (80) two (2) and three (3) bedroom condominium apartments within the perimeter walls, floors, ceilings and stairways of the eighty (80) apartments in the buildings.

The residential apartments shall not be deemed to include the undecorated or unfinished surfaces of the perimeter walls or of the interior load-bearing walls, the floors

and perimeter ceilings surrounding each apartment, or any pipes, wires, ducts, conduits or other utility or service lines running through such apartments which are utilized for or serve more than one apartment, all of which are common elements. There is included within each residential apartment a garage and a covered lanai, as set forth in Exhibit "A" attached hereto and as shown on the floor plans for the project (the Condominium Map). The garages comprising a part of a residential apartment are also identified on the Condominium Map by the same building number and letter designation.

The number of rooms and approximate area of each of the residential apartments are set forth in Exhibit "A". It should be noted that Exhibit "A" and the Disclosure Abstract identify more than one type of Apartments B and C relative to area.

Each residential apartment has immediate access (or through a stairway) to a walkway and driveway on the grounds of the project to a public street.

PURCHASE MONEY HANDLING: The Developer has submitted to the Commission a copy of a Specimen Sales Agreement and an Escrow Agreement dated September 17, 1980, identifying Title Guaranty Escrow Services, Inc., as the Escrow agent. Upon examination, the specimen Sales Contract and the executed Escrow Agreement are found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended.

It is incumbent upon the purchaser and prospective purchaser to read and understand the Escrow Agreement before executing the Sales Agreement, since the Escrow Agreement prescribes the procedure for receiving and disbursing purchasers' funds and the sales agreement specifically provides that funds may be disbursed for certain costs of the Project prior to completion of construction.

Among other provisions, the Specimen Sales Agreement provides that:

1. The Sales Agreement shall not be construed as a present transfer of any interest in the property covered by the Sales Agreement, but rather it is an agreement to transfer in the future; that Developer either has or shall enter into agreements with Bank of Hawaii (the "Lender") pursuant to which Lender may loan an aggregate of up to SEVEN MILLION THREE HUNDRED SEVENTY-SIX THOUSAND DOLLARS (\$7,376,000.00) for construction costs, costs of acquiring Developer's leasehold interest in the Project, and other associated costs of the Project; that the purchaser acknowledges and agrees that all security interests obtained by the Lender in connection with such loans as well as any extensions, renewals and modifications thereof shall be and remain at all times a lien or charge on the Project, including the Property covered by the Sales Agreement, prior to and superior to any and all liens or charges on the Project arising from the Sales Agreement or any other prior reservation agreement; that the purchaser undertakes and agrees to execute any further documentation of subordination agreement required by the Lender to evidence this subordination and irrevocably appoints Developer as purchaser's attorney-in-fact to execute any such subordination agreement; and that purchaser consents to Developer's assignment by way of security of Developer's interests in the Sales Agreement and purchaser's escrow deposits to the Lender and agrees

that in the event of passage of Developer's interests therein pursuant to said assignment, that the purchaser will, at Lender's option, perform to, attorn to and recognize Lender (its successors in interest, if any) as the Developer under the Sales Agreement, with all of the rights of the Developer thereunder, all as if the Lender were the original seller thereunder.

2. The Developer has made no representations with respect to the possibility or probability of rental or other income from the apartments, or other economical benefits to be derived from the rental of the apartments, including but not limited to, any representations to the effect that Developer or the managing agent of the project will provide services relating to the rental or sale of the apartments nor representations as to possible advantages from the rental of the apartments under federal or state tax laws. If a purchaser wishes to rent his apartment to third persons, purchaser must make his own arrangements.

3. The purchaser agrees for a period of two (2) years from and after the closing date that the purchaser shall not place anywhere within the Wailuna project any "For Sale" or "For Rent" signs.

4. The contract shall not become fully binding until the third day after the Developer has taken the Buyer's receipt for a copy of the Real Estate Commission's Final Public Report on this Project. The contract shall become fully binding automatically on said day without further notice to Buyer.

5. All taxes, assessments, lease rent and charges of any kind assessable against the Property shall be payable according to the terms of the Apartment Lease, the Declaration and the Bylaws, and will be prorated between Developer and Purchaser as of the final closing date. Purchaser shall pay all closing costs in connection with the sale, including without limitation, escrow fees, preparation of the Apartment Lease, preparation of assignment of Apartment Lease, preparation of any agreement of sale, preparation of any land trust and related documents, State of Hawaii conveyance tax, preparation of any mortgages and all costs related to obtaining the mortgage, all acknowledgment fees, all recording fees, the escrow fee and any proof of title, including the cost of any title insurance premiums, and certain prepayments, all as set forth in the Contract.

PROPERTY MANAGEMENT: Developer has submitted to the Commission copies of two agreements entitled "Agency and Property Management Agreement", which were executed by the Developer on behalf of the Association of Apartment Owners with Certified Management, a division of AR Corporation, as Agent. Said Agreements provide for property management of Wailuna I-C and for Wailuna Recreation Association.

STATUS OF THE PROJECT: The Developer has stated that construction of the Project commenced on July 1, 1980, and that the estimated date of completion is March 1, 1981.

The purchaser or prospective purchaser should be cognizant of the fact that this Public Report represents information disclosed by the Developer in the required Notice of Intention submitted on October 31, 1980 and information subsequently filed as of November 5, 1980.

This FINAL HORIZONTAL PROPERTY REGIMES (CONDOMINIUM) PUBLIC REPORT is made a part of REGISTRATION NO. 1364 filed with the Commission on October 31, 1980.

EXHIBIT "A"

I

The below schedule sets forth the following information with respect to the residential apartments:

1. Column 1 sets forth the apartment number of each apartment and the location and identification of each apartment by identifying the building in which it is located by an arabic numeral and a designation of each apartment by the letter designation of A, B, C, or D.

2. Column 2 indicates whether the apartment is a "standard floor plan" (S), or a "reverse floor plan" (R). An R means that the standard floor plan has been reversed and that it is a mirror-image of a standard floor plan.

3. Column 3 sets forth the type of building in which the apartment is located. The designation as "Type 1", "Type 2" or "Type 3" is considered a "standard" building. When an "R" is placed after the designation of a building, this means that the building contains a reverse location of each apartment and that it is a mirror-image of a standard building.

4. Columns 4 through 11, inclusive, contain a description of each residential apartment as follows:

(a) Column 4 indicates whether the apartment is located on the ground floor (GF) or the second floor (SF) or is a two-story (TS) apartment.

(b) Columns 5, 6 and 7 indicate whether the apartment has a separate living room (LR) and a separate dining room (DR) or has a combination living room-dining room (L/DR). It is noted that the only types of apartments having a separate living room and dining room are the C apartment in Type 2 and Type 3 buildings, and the B apartment in a Type 3 building.

(c) Column 8 indicates whether the apartment has two bedrooms (2) or three bedrooms (3).

(d) Column 9 indicates whether the apartment has two full baths and a one-half bath, or two full baths, or one full bath and a one-half bath.

(e) Column 10 indicates whether the apartment includes a one-car garage (1-C) or a two-car garage (2-C).

(f) Column 11 indicates the approximate square footage area of the apartment, as defined in the Declaration, including the garage and lanai. It is noted that all apartments include a lanai and either a one-car garage or a two-car garage.

4. Column 12 indicates the parking stall, if any, that is appurtenant to and for the exclusive use of the apartment. We note that only those apartments which contain a one-car garage have an appurtenant parking stall.

NOTE: All the foregoing is shown on said Condominium Map.

5. Column 13 sets forth undivided interest in the common elements of the Project appurtenant to the apartment.

MEMO TO: Prospective Purchasers and
Purchasers of Condominium Units in
the Project known as WAILUNA I-C

FROM: Lusk-Hawaii, a Division of John D. Lusk & Son,
Developer of Wailuna I-C

There is a typographical error on page 3 of Exhibit "B" of the Declaration of Horizontal Property Regime of Wailuna I-C, concerning the numbering of apartments located within Building 67 of said project, in that the number of the last apartment listed on page 3 of Exhibit "B" of said Declaration should be "67-D" instead of "67-C".

~~The attached copy of the First Amendment to the Declaration of Horizontal Property Regime of Wailuna I-C corrects this typographical error.~~
