DESCRIPTION OF PROJECT: The Declaration of Horizontal Property Regime, as amended, describes the Project as follows:

(a) Increment 1. Increment 1, which was completed on or about March 15, 1984, consists of five (5) buildings (designated herein and on said Condominium File Plan as Buildings 1 through 5, inclusive), parking areas containing fifty six (56) parking stalls and trash receptacles and a common mailbox facility located in the parking areas of the Project.

(b) Increment 2. The new improvements to be constructed as part of Increment 2 consist of six (6) residential buildings (designated herein and on said Condominium File Plan as Buildings 6 through 11, inclusive),

parking areas containing seventy four (74) parking stalls, (two of which have been assigned to apartments in the Increment 1), trash receptacles and a common mailbox facility located in the parking area and a landscaped private park area which will separate Increment 1 and Increment 2. Picnic and barbecue facilities and playground equipment will be provided in such private park area. The buildings comprising Increment 2 are more particularly described as follows:

(i) Buildings 6, 7, 8 and 9 are one-story structures, without basements, each containing four (4) Apartments.

(ii) Buildings 10 and 11 are two-story structures, without a basement, containing a total of eight (8) Apartments each, with four (4) Apartments on each floor.

(c) Merger of Increment 2. Increment 2 is scheduled for completion on or about June 1, 1985; provided, that the foregoing completion date is an estimate only, and if the completion of said Increment 2 as herein provided shall be delayed by war, earthquake, fire, flood, or similar disaster, or by strikes, labor disputes or any other cause beyond the control of the Developer, the time for completion thereof shall be extended according to the duration and nature of such delay; provided, further, that said Increment 2 shall, in any event, be completed not later than June 21, 1991. Subject to the limitations provided in paragraph 11 of the Declaration, neither the construction and completion by Developer of Increment 2 nor the failure to complete and construct said increment shall prejudice or affect the right of Developer to construct and complete additional Apartments in the Project as part of any future increment or increments, and Developer shall have the right to complete, obtain a Certificate of Occupancy for and convey title to the Apartments comprising Increment 2 or any future increment prior to the completion of any other increment to be constructed later in time. Upon the completion of Increment 2, and any future increment, said increment shall be merged with the preceding increment or increments, as provided in the Declaration, and the increments so merged shall be controlled and administered as a single condominium Project.

Until the completion and merger of Increment 2 Developer shall be responsible for the payment of 87% of all real property taxes and other expenses allocable to the land of the Project (but excluding any such taxes assessed against improvements comprising Increment 1). From and after the date of merger of Increment 2, Developer's proportionate share of the real property taxes and other expenses allocable to the land of the Project shall be reduced to 69.6%. (The foregoing allocation is based on the approximate ratio which the approximate area set aside for future development and/or withdrawal by Developer bears to the total land area of the Project.)

(d) Construction Materials. The buildings are constructed principally of wood, concrete, aluminum, glass and allied building materials.

2. Division of Property.

The approximate net area of each Apartment, as set forth above, is computed by measuring from the interior surfaces of the perimeter walls to the surfaces of interior party walls, and no reduction has been made to account for interior walls, ducts, vents, shafts and the like located within the perimeter walls.

(b) Types of Apartments (Increment 2).

(i) Each of the twenty-four (24) Apartments designated as being a Type A unit contains two bedrooms, a kitchen, living-dining room, bathroom and laundry. The total approximate gross area (including lanai) of each Type A Apartment is 826.36 square feet.

(ii) Each of the eight (8) Apartments designated as being a Type B unit contains two bedrooms, a kitchen, living-dining room, bathroom and laundry. The total approximate gross area (including lanai) of each Type B Apartment is 847.68 square feet.

(c) Access. All ground floor Apartments have immediate access to the grounds and parking areas of the Project. Each of the Apartments above the ground floor has immediate access to its entry after travel by stairway.

(d) Limits of Apartments. Each Apartment shall include: (i) all the walls and partitions which are not load-bearing within its perimeter walls; (ii) all glass windows, louvres, doors and panels along its perimeter; (iii) the inner decorated or finished surfaces of the perimeter walls or interior load-bearing walls; (iv) the interior-finished surfaces of the floors and ceilings; (v) all built-in fixtures and appliances originally installed therein; (vi) any utility system or component thereof which is located within any Apartment designed for the exclusive use of such Apartment; and (vii) all of the air space encompassed within the condominium unit.

Notwithstanding the foregoing, the Apartments shall not include: (i) that portion of any load-bearing interior or perimeter wall within or surrounding any unit which (except for the inner finished surfaces of any such wall), shall be common element; (ii) the floors and ceilings of any Apartment which shall be common elements, except for their inner finished surfaces; and (iii) any pipes, shafts, chases, ducts or any other enclosed space for wiring, plumbing, air exhaust or ventilation, serving or being utilized by more than one condominium unit, the same being deemed common elements as provided hereinbelow."

COMMON ELEMENTS: The Declaration, as amended, states that the common elements shall include the limited common elements described below and all other portions of the land and improvements other than the apartments, including the buildings, and land on which they are located, and all elements mentioned in the Horizontal Property Act which are actually constructed on the land described herein. Said common elements shall include but shall not be limited to:

- (a) All the land.
- (b) All foundations, columns, girders, beams, floor slabs, roofs, supports and load-bearing walls (except for the inner finished surfaces, if any, within each Apartment).
- (c) All structural elements, walkways, retaining walls, fences and railings.
- (d) All driveways and parking areas.
- (e) The eight (8) guest parking stalls in Increment 2 designated on said Condominium File Plan as Parking Stall Nos. 59, 60, 67, 86, 87, 88, 89 and 130.
- (f) All pedestrian walkways, yards, grounds and landscaped areas.
- (g) All private parks and other recreational areas and all equipment and fixtures installed therein including, without limitation, barbecues, picnic tables and playground equipment.
- (h) All mechanical and equipment rooms, ducts, shafts, sewer lines, electrical equipment, pipes, wiring and other central and appurtenant transmission facilities and installations which serve all Apartments for service such as power, light, water, gas, refuse and telephone.
- (i) Any and all other structures, apparatus and installations of common use, and all other parts of the Project necessary or convenient to its existence, maintenance and safety, or normally in common use.

LIMITED COMMON ELEMENTS: The Declaration, as amended, provides that certain parts of the common elements, herein called and designated "limited common elements", are set aside and reserved for the exclusive use of certain Apartments, and such Apartments shall have appurtenant thereto exclusive easements for the use of such limited common elements. The limited common elements so set aside and reserved are listed below. Unless otherwise provided herein, all costs of every kind pertaining to each limited common element, including but not limited to cost of security, maintenance, repair, replacement, additions and improvements, shall be borne entirely by the Apartment or Apartments to which they are appurtenant. If any cost is charged to more than one Apartment, each such Apartment shall bear that portion of the total cost equal to the ratio which its common interest bears to the total common interest of all Apartments responsible for said costs.

- (a) At least two (2) parking stalls shall be appurtenant to and for the exclusive use of each Apartment, as more particularly designed under the topical heading "Division of Property" hereinabove.
- (b) Stairways and sidewalks or walkways utilized for ingress and egress to one or more apartments but not all

Apartments, as shown on condominium File Plan, are restricted solely for the use of the Apartments served thereby.

(c) All other common elements of the Project which are rationally related to less than all of said Apartments, shall be limited common elements for the exclusive use of the Apartment or Apartments to which they are appurtenant.

NOTE: As stated in the First Amendment to the Declaration, two (2) parking stalls, Nos. 131 and 132, have been assigned to Apartment 3A in Increment 1.

INTEREST TO BE CONVEYED TO PURCHASERS: Each Apartment shall have appurtenant thereto an undivided interest in the common elements of the Project and in all profits and common expenses of the Project, and for all other purposes including voting. Until the merger of Increment 2, the percentage interest appurtenant to each of the existing twenty four (24) apartments shall remain as set forth in the Declaration and as disclosed in the Final Public Report. After the merger of Increment 2, the percentage interest appurtenant to each of the 56 units then comprising Increments 1 & 2 shall be as set forth below:

<u>Unit Type</u>	<u>No. of Units</u>	<u>Percentage Common Interest Each</u>	<u>Totals</u>
A	44	1.7756%	78.1264%
B	12	1.8228%	21.8736%
			100.0000%

A condominium conveyance document incorporating a ground sublease will initially be issued to purchasers at closing. Upon the completion of the last increment to be developed on the property, the existing Master Lease between the Developer and the fee owner of the property will be cancelled, thereby converting said sublease arrangement to a direct ground lease from the fee owner to each purchaser.

RESTRICTIONS AS TO USE: Said buildings and other improvements and each of the Apartments shall be restricted to the following uses:

(a) Each Apartment shall be used and occupied as dwellings by the respective owners thereof, their tenants, families, domestic servants and guests. Apartments shall not be used for transient rental or hotel purposes, which shall be defined as any rental of less than thirty (30) days duration.

(b) No Apartment owner shall use his Apartment or appurtenant limited common elements for any purpose which will injure the reputation of the Project, and except as permitted herein or in the Bylaws, no owner will suffer anything to be done or kept in his Apartment or elsewhere which will jeopardize the soundness of the building, or which will interfere with or unreasonably disturb the rights of other owners or their tenants and guests, or which will obstruct the

entrances, parking areas, or walkways of the Project or which will cause an increase in the rate of or result in the cancellation of fire insurance on the improvements of the Project, or the contents thereof, or which will reduce the value of any of such improvements.

(c) Any portions of the Project designated as a "Private Park" on said Condominium File Plan shall be used only for park and playground purposes by the owners and occupants of the Project, as provided in that certain Declaration of Restrictive Covenants for Private Park, dated July 5, 1984, recorded in said Bureau in Liber 18009 at Page 304, and all Apartment owners and the Association of Apartment Owners shall at all times be required to comply with the terms, covenants and conditions contained in said Declaration of Restrictive Covenants for Private Park, including, without limitation, the covenant to perpetually maintain all such private park areas of the Project.

(d) Except as otherwise provided in the Declaration or in the Bylaws, no Apartment owner will, without the prior written consent of the Board of Directors, and any other persons required by the Bylaws or by law, make any structural alterations within his Apartment or make any alterations in or additions to the exterior of the building, including any awnings, jalousies or screens, or to any portion of the common elements.

(e) The owner of any Apartment will not, without the prior written consent of the Board of Directors, display any sign or place any other thing in or upon any door, window, wall or other portion of the Apartment or common elements, so as to be visible from the exterior.

DEVELOPER'S OPTION TO CONSTRUCT ADDITIONAL INCREMENTS AND/OR TO WITHDRAW LAND.

In order to comply with the requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Association and similar governmental agencies, the Declaration has been amended to require that the construction of any additional increments of the Project and/or the withdrawal of any land must be completed by June 21, 1991 rather than by December 31, 1993. Paragraphs 11 and 12 of the Declaration, as amended, now read as follows:

"11. Developer's Option to Construct Additional Increments.

(a) Notwithstanding the conveyance of any Apartment or anything to the contrary in this Declaration, Developer or its permitted assigns, shall, from time to time, have the right at its option, up to but not later than June 21, 1991, to require alteration of the Project by creating not more than one hundred twenty four (124) additional residential Apartments, with appurtenant recreational facilities and other common elements in one or more increments (hereinafter called the "Additional Increment(s)") within the area delineated in red on

said Condominium File Plan as "Future Increments", and to thereafter merge said Additional Increment(s) with the then existing Apartments and common elements of the Project (hereinafter called the "Preceding Increment(s)").

(b) In furtherance of the rights reserved to Developer hereunder, Developer, its employees, agents, contractors and subcontractors, shall have the right at any time, and from time to time, to enter upon the Project and the common elements thereof and do all things reasonably necessary, desirable or useful for constructing, completing and selling the Additional Increment(s), connecting the same to the utility installations of the Project, and selling the Apartments contained within said Additional Increment(s) upon and subject to the following terms and conditions:

(1) The Additional Increment(s) shall be constructed in accordance with plans and specifications prepared by a licensed architect and first approved in writing by Fee Owner; provided, however, that such plans and specifications shall not require the alteration or demolition of any Apartments in the Preceding Increment(s) or any buildings or structures (exclusive of roads and utility installations) constituting part of the common elements thereof.

(2) Developer shall have the right to remove, amend, redesign, alter or add common elements and to add, delete, relocate, realign, reserve and grant all easements and rights-of-way over, under and on the common elements necessary or desirable to service said Additional Increment(s), including but not limited to easements and right-of-way for utilities, cesspools, sanitary and storm sewers, sewage treatment plants, cable television, refuse disposal, driveways, parking areas and roadways; provided, that such easements and rights-of-way shall not materially impair the use of any Apartment in the Preceding Increment(s) or its appurtenant interest in the common elements.

(3) Developer shall have the right to sell and issue condominium conveyance documents for any Apartment in the Additional Increment(s), to place signs or other advertising at the Project in connection with such sales and to use any of said Apartments as model units so long as such activities shall not unreasonably affect the use and enjoyment of the Apartments in the Preceding Increment(s).

(4) Before the commencement of construction of any Additional Increment, Developer shall (i) secure a performance and payment bond, issued by a surety licensed to do business in the State of Hawaii and having a net worth of not less than \$10,000,000.00, naming as obligees the Developer, the Fee Owner and collectively the owners of all Apartments in the Preceding Increment(s) as their interests may appear through the Association of Apartment Owners, in a penal sum of not less than one hundred percent (100%) of the cost of the construction of said Additional Increment guaranteeing completion thereof free and clear of all mechanic's and materialmen's liens; and (ii) furnish to the Association of Apartment Owners

satisfactory evidence that Developer has obtained a construction loan commitment and/or other immediately available funds in an aggregate amount sufficient to pay in full the costs of constructing and completing said Additional Increment, including without limitation, the cost of construction, land acquisition or ground rental, financing commitment fees, appraisal, architectural, engineering, legal and accounting fees, and all other costs and expenses associated with such construction.

(5) The construction and sale of the Additional Increment(s) shall be performed in such manner, as shall cause the least practicable annoyance to and interference with the Apartment owners of the Preceding Increment(s). Each purchaser of an Apartment in the Preceding Increment(s), by his acceptance and occupancy of his Apartment on closing, agrees (i) to remain outside of any fenced or posed construction areas or any other areas upon which work is being performed pending completion, and to exert diligent efforts to prohibit entry into such areas by members of his household and by his invitees; and (ii) to indemnify and save harmless Fee Owner and Developer and its contractors and agents from and against any and all loss or liability for death or injury to persons or damage or loss of property on account of such entry either by the Apartment purchaser or his family and invitees.

(6) Developer shall have the right, at its own expense, and without being required to obtain the consent or joinder of any Apartment owner or lienholder, to execute and record such amendments to this Declaration and said Condominium File Plan as shall be necessary or appropriate under this paragraph 11 to construct and complete the Additional Increment(s), and without limiting the generality of the foregoing, Developer may amend this Declaration: (i) to create and establish the Additional Increment(s); (ii) to describe and allocate the common interest and common elements appurtenant to the Additional Increment(s); (iii) to decrease the common interest appurtenant to each Apartment in the Preceding Increment(s); and (iv) to merge the Additional Increment(s) with and into the Preceding Increment(s) as herein provided.

(7) The common interest appurtenant to each Apartment in the Preceding Increment(s) shall be decreased and the common interest appurtenant to each now Apartment in the Additional Increment(s) shall be allocated on the following basis: The total net floor area (exclusive of lanais) of all of the Apartments in the Preceding and the Additional Increment(s) shall first be determined. The net floor area of each such Apartment shall then be divided by such total net floor area and the resulting quotient shall be the common interest appurtenant to each such Apartment.

(8) Until the first merger of an Additional Increment as hereinafter provided, Developer shall be responsible for the payment of all real property taxes and other expenses allocable to the land of the Project within the "Future Increments" area, as shown on the Condominium File Plan (but excluding any such taxes assessed against the existing improvement herein described). Upon the merger of each

Additional Increment, Developer's proportionate share of the real property taxes and other expenses allocable to the land of the Project shall be appropriately reduced to the ratio (as specified in an Amendment of this Declaration) which the area of the undeveloped land remaining subject to Developer's right of future development bears to the total land area of the Project. Developer will use its best efforts to arrange to have its proportionate share of any real property taxes excluded from the taxes assessed directly to the Apartment owners; provided, that if said proportionate share is nonetheless assessed to the Apartment owners, Developer shall promptly reimburse each Apartment owner therefor. In no event shall the owners of Apartments in the Preceding Increment(s) have any liability for any common expenses attributable to common interests to be constructed as part of any Additional Increment prior to the merger of such Additional Increment. Any of the foregoing provisions to the contrary notwithstanding, from and after June 21, 1991, or the date on which Developer shall cause to be recorded a notice, pursuant to subparagraph (d) of this paragraph, terminating the right reserved in this paragraph 11 and in paragraph 12 hereinbelow, whichever shall first occur, the Apartment Owners shall be and become solely responsible for all real property taxes and other expenses allocable to the entire Project, whether or not any Additional Increment has been created or merged with the Preceding Increment(s).

(9) The merger of any Additional Increment with the Preceding Increment(s) shall take effect only after the completion of such Additional Increment and the issuance of Certificate of Occupancy therefor and upon the recordation by Developer of an Amendment to the Declaration which shall certify that said increment has been completed as aforesaid and that the merger has been consummated. Without limiting the generality of the foregoing, the following consequences shall ensue from and after the effective date of such merger:

(i) Each of the increments so merged shall be treated for the purposes of administration, use and sharing of common expenses as though they had been developed, divided into Apartments and used by the owners thereof as a single undivided Project. The Apartments in each of the merged increments shall have an equal and non-exclusive right to use the common elements constructed as part of each of said increments, subject to the terms, conditions and limitations provided herein and in the Bylaws attached hereto, and the Apartments in each of the merged increments shall have appurtenant thereto an undivided percentage interest in the common elements of the Project and the same proportionate share in all common profits and expenses of the Project, and for all other purposes including voting, as computed pursuant to subparagraph (b) (7) hereinabove;

(ii) The Developer may require the owner of the additional Apartments added to the Project by merger to make contribution, in addition to their share of the common expenses, to the maintenance reserves of the Project. The Developer may provide that such contributions may be made over a period to time, and in establishing the amounts and terms of

such contribution, Developer shall take into account the amount of maintenance reserves accumulated prior to the addition of such Apartments and the condition of the Apartments in the Preceding Increment(s). The owners of additional Apartments added to the Project by merger shall not be obligated to pay or assume any debts, expenses, costs or other obligations incurred by or on behalf of the Association of Apartment Owners as of the effective date of the merger, with the exception of any such debts, expenses, costs or obligations which were incurred for the common benefit of the Apartments in the Preceding Increment(s) and the additional Apartments added to the Project by merger; and

(iii) Within sixty (60) days following the completion and merger of each Additional Increment, a special meeting of the Association of Apartment Owners shall be called to elect a new Board of Directors to replace the existing board of directors and govern the entire Project. The procedures for calling and holding such a meeting and all of the meetings of the Association shall be set forth in the Bylaws recorded concurrently herewith.

(c) At any time prior to June 21, 1991, Developer, with consent of Fee Owner, shall have the right to cancel and terminate the rights reserved in this paragraph and in paragraph 12 hereinbelow by causing to be recorded in the Bureau of Conveyances a written notice of such termination. From and after the date of recordation of such notice, Developer shall be relieved of any further obligation to pay any real property taxes or other expenses assessed against or allocable to the undeveloped land of the Project.

(d) All of the rights reserved by the Developer to construct Additional Increment(s) in this paragraph 11 (including the right of cancellation provided in (c) above) together with the rights reserved by the Developer in paragraphs 12 and 13 below, are also reserved in favor of the Fee Owner, its successors and assigns, effective upon the expiration or sooner termination of the Master Lease."

"12. Developer's Option To Withdraw And Reconsolidate Common Areas. Notwithstanding the conveyance of any Apartment or anything to the contrary in this Declaration, Developer, or its assigns, shall have the right, at its option, up to but not later than June 21, 1991, to (i) require alteration of the Project by withdrawing therefrom and causing the reconveyance to Developer or its assigns of any portion or all of the land within the common element area delineated on said Condominium File Plan as the "Future Development Area", and (ii) to subsequently reconsolidate any subdivided lot previously withdrawn with the land of the Project. Any such withdrawal and reconveyance and any subsequent reconsolidation shall be effect on the following terms and conditions:

(a) If the withdrawal shall require a subdivision or consolidation and re-subdivision of the land of the Project, Developer shall arrange for the same at its sole cost and expense.

(b) Developer shall give each Apartment owner and lienholder at least thirty (30) days prior written notice of its intention to withdraw such land, or its intention to subsequently effect a reconsolidation thereof.

(c) Developer shall, at its own expense and without being required to obtain the consent or joinder of any Apartment owner or lienholder: (i) execute and file any amendments to the Declaration and the Condominium File Plan for the purpose of withdrawing all or any portion of the common element area or areas designated as being subject to withdrawal or to reconsolidate the subdivided land previously withdrawn; and (ii) when applicable, add, delete, relocate, realign, reserve and grant all easements and rights-of-way over, under and on the common elements necessary or desirable to service the land withdrawn, including but not limited to easements and/or rights-of-way for utilities, cesspools, sanitary and storm sewers, cable television, refuse disposal, driveways, parking areas and roadways; provided, however, that such easements and/or rights-of-ways do not materially impair the use of any Apartment or its appurtenant common interest in the common elements; (iii) execute and file an assignment of lease reconveying to Developer, or its nominee, the land so withdrawn; and (iv) execute and file any consolidation or subdivision applications, and other documents which are necessary or appropriate in connection with the subdivision, withdrawal and reconveyance of the withdrawn land, or the subsequent reconsolidation thereof. If and to the extent that any such documents require the consent or joinder of the Apartment owners, Developer shall have the right to execute the same as the attorney-in-fact for each of the Apartment owners of the Project pursuant to the power of attorney set forth in paragraph 13 hereinbelow.

(d) The withdrawal or any subsequent reconsolidation shall become effective upon the filing with the Bureau of Conveyances of the State of Hawaii of an amendment to the Declaration noting such withdrawal or reconsolidation and setting forth a description of the land withdrawn from the Project as a common element or a description of the reconsolidate land, as the case may be.

(e) No withdrawal or reconsolidation shall be permitted which requires the alteration or destruction of any existing Apartment or the limited common elements appurtenant thereto."

PURCHASE MONEY HANDLING: An executed Escrow Agreement, dated October 16, 1984, identifies Title Guaranty Escrow Services, Inc., a Hawaii corporation, as the escrow agent for units in Increment 2. Upon examination, the specimen Deposit Receipt and Sales Contract for Increment 2 and the executed Escrow Agreement are found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended.

Among other provisions, the Escrow Agreement and the Sales Contract provides that:

a) A Sales Contracts shall be non-binding and cancellable by either Buyer or Seller until and unless: (i) a Second Supplementary Public Report for Increment 2 is issued by the Real Estate Commission which recites that the Developer has complied with all of the requirements with respect to Increment 2 which would otherwise be necessary to obtain a Final Public Report for said increment; and (ii) the Sales Contract has become binding as provided in paragraph b) below.

b) A Sales Contract for Increment 2 shall only become binding on Buyer and Seller after:

(i) A true copy of such Second Supplementary Public Report has been delivered to Buyer, either personally or by registered or certified mail with return receipt requested, together with a true copy of all other public reports thereon, if any, issued prior to the date of such delivery and not previously delivered to Buyer:

(ii) Buyer has been given an opportunity to read the reports; and

(iii) Buyer has executed the form of the receipt and notice required under Section 514A-62 of the Hawaii Revised Statutes, and waived his right to cancel; provided that if Buyer does not execute and return the receipt and notice within thirty (30) days from the date of delivery of such reports, or if the apartment is conveyed to Buyer prior to the expiration of such thirty (30) day period, Buyer shall be deemed to have accepted for the reports and to have waived his right to cancel.

c) Until a Sales Contract for Increment 2 becomes binding, as provided above, all funds paid by Buyer shall be held in escrow and not disbursed for any purpose;

d) After a Sales Contract for Increment 2 has become binding as provided above, Buyer shall have the right to rescind the Contract if there is a material change in the Project (other than any change implemented in furtherance of Developer's rights to construct additional apartments in one or more increments) which directly, substantially, and adversely affects the use or value of (i) Buyer's Apartment or appurtenant limited common elements, or (ii) those amenities of the Project available for Buyer's use.

e) Buyer's right of rescission described above shall be waived upon (i) delivery to Buyer, either personally or by registered or certified mail, return receipt requested, of a disclosure document which described the material change and contains a provision for the Buyer's written approval or acceptance of such change, and (ii) Buyer's written approval or acceptance of the material change or the lapse of ninety (90) days since Buyer has accepted the Apartment, or the occupancy of the Apartment; provided that if the Buyer does not rescind this Contract or execute and return the written approval or acceptance of such change as provided in the disclosure document within thirty (30) days from the date of delivery of such disclosure document, Buyer shall be deemed to have approved and accepted such change; provided, further, that the deemed approval and acceptance shall be effective only if at the time of delivery of the disclosure document, Buyer is notified in writing of the fact that Buyer will be deemed to have approved and accepted the change upon his failure to act within the thirty (30) day period.

f) In the event of any rescission pursuant to the foregoing provisions, Buyer shall be entitled to a prompt and

full refund of any money paid, less any escrow cancellation fees and other costs associated with the purchase, which fees and costs shall not exceed \$250.00.

The specimen Deposit Receipt and Sales Contract for Increment 2 also states that all of Buyer's right, title and interest under the Sales Contract are and shall be subject and subordinate to the lien of any mortgage made by Developer for the purpose of acquiring, renovating or refurbishing the Project and that Seller has until June 21, 1991, to construct said additional increment.

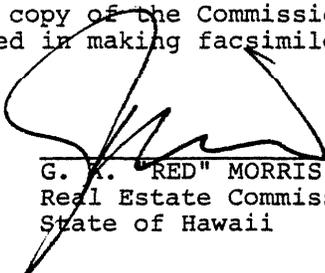

It is incumbent upon the purchaser and prospective purchaser to read and understand the Escrow Agreement before executing the Deposit Receipt and Sales Contract, since the Escrow Agreement describes the procedure for receiving and disbursing purchasers' funds, and the Deposit Receipt and Sales Contract specifically provides that the purchaser approves that Escrow Agreement and assumes the benefit and obligations therein provided.

STATUS OF PROJECT. Increment 1, consisting of twenty four (24) apartments, was completed on or about January 15, 1984. It is anticipated that construction of Increment 2 will commence on or about April 15, 1985, and be completed on or about August 1, 1985.

The purchaser and prospective purchaser should be cognizant of the fact that this published report represents information disclosed by the Developer in the required Notice of Intention submitted October 17, 1983, and information subsequently filed as of February 28, 1985.

This is a SUPPLEMENTARY HORIZONTAL PROPERTY REGIMES (CONDOMINIUM) PUBLIC REPORT, which is made a part of HIDDEN

HIDDEN VALLEY ESTATES

DEVELOPER'S DISCLOSURE ABSTRACT

1. Name and Address of Project: HIDDEN VALLEY ESTATES, 2069 California Avenue, Wahiawa, Hawaii.

2. Name, Address and Telephone Number of Developer: HIDDEN VALLEY INVESTMENTS, Suite 1030, Pacific Tower, 1001 Bishop Street, Honolulu, Hawaii 96813. (Telephone No. 531-3777).

3. Manager of Project: The initial managing agent for the Project is Chaney Brooks & Co., 606 Coral Street, Honolulu, Hawaii 96813. (Telephone No. 544-1600).

4. Maintenance Fees: The Developer has exercised its right, pursuant to Section 514A-15(b) of the Hawaii Revised Statutes, to assume all of the actual common expenses of the Project until such future date (the "Commencement Date") as shall be established by the Developer in the manner provided below. Until the Commencement Date, each apartment owner shall be relieved of his obligation to pay his respective share of the common expenses of the Project allocated to his apartment. Developer may at any time hereafter, establish said Commencement Date by filing an amended disclosure abstract with the Real Estate Commission which shall set forth the Commencement Date and which shall provide that after such date each apartment owner shall become obligated to pay his share of the common expenses of the Project. Such amended disclosure abstract shall be filed with the Real Estate Commission at least thirty (30) days prior to the Commencement Date and a copy thereof shall be mailed or personally delivered by the Developer to each apartment owner. The schedule of the estimated annual maintenance fees for the Project and the monthly maintenance fees for each apartment which will be in effect following the Commencement Date, as determined by generally accepted accounting principles, is more particularly set forth in Exhibit "A" attached hereto and made a part hereof. Purchasers should be aware that the figures shown in Exhibit "A" are estimates only and that there are many factors which may cause the actual maintenance assessments to be greater or lesser than the estimated assessments. For example, such variables as inflation, uninsured casualty loss or damages, increased or decreased services from those contemplated by the Developer, owner delinquencies, and other factors may affect maintenance assessments. The attached breakdown of the estimated costs for each apartment does not include the Purchaser's obligations for the payment of real

property taxes. The actual amount of real property taxes for each apartment probably will not be assessed until after the date of closing.

5. Warranties: The Developer has obtained from the General Contractor of the Project a written warranty with respect to any defects in the construction of the Apartment and the Project due to faulty materials or workmanship or both which are discovered and reported within the one (1) year warranty period provided for in the Contract between the Developer and the General Contractor for the construction of the Project. The Developer does not promise that the General Contractor will honor his warranty. The Developer will attempt to mail the Purchaser a reminder notice (if the Purchaser still owns the Apartment) about 90 days before this warranty period expires; however, failure to mail the notice by the Developer will not affect the Purchaser's rights or give the Purchaser any rights against the Developer for defects or otherwise. The Developer also will transfer to the Purchaser any manufacturer's or dealer's warranties covering appliances in the Apartment. The Developer further agrees without incurring any legal liability, to cooperate with the Purchaser to try to have all the warranties performed by the General Contractor for which the General Contractor is responsible. This promise to cooperate by the Developer is referred to as the Developer's "Limited Warranty". THE LIMITED WARRANTY IS GIVEN TO THE PURCHASER INSTEAD OF ANY WARRANTY OF ANY KIND FROM THE DEVELOPER, EXPRESS OR IMPLIED, WITH RESPECT TO THE APARTMENT, THE PROJECT AND ANY FURNISHINGS OR APPLIANCES LOCATED IN THE APARTMENT OR THE PROJECT. THE PURCHASER ACKNOWLEDGES THAT THE DEVELOPER IS NOT THE CONTRACTOR, ARCHITECT OR ENGINEER OF OR FOR THE APARTMENT OR THE PROJECT, AND THE DEVELOPER DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY WITH RESPECT TO THE DESIGN OR CONSTRUCTION OF THE APARTMENT, THE PROJECT OR SUCH FURNISHINGS OR APPLIANCES, INCLUDING THE MERCHANTABILITY OF SUCH FURNISHINGS AND APPLIANCES OR THEIR FITNESS FOR ANY PARTICULAR PURPOSE. THE PURCHASER SHALL, HOWEVER, HAVE THE BENEFIT OF ANY EXISTING CONTRACTOR'S, MANUFACTURER'S OR DEALER'S WARRANTIES COVERING THE APARTMENT, THE PROJECT OR SUCH FURNISHINGS OR APPLIANCES, TO THE EXTENT SUCH WARRANTIES CAN BE ASSIGNED TO THE PURCHASER. EXCEPT AS STATED ABOVE, THE PURCHASER ACKNOWLEDGES AND AGREES THAT THE DEVELOPER HAS NOT MADE AND WILL NOT BE LEGALLY OBLIGATED FOR ANY OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE APARTMENT, THE PROJECT OR ANYTHING INSTALLED IN THE APARTMENT, OR THE PROJECT.

6. Residential Use: All of the apartments in the Project are limited to residential use only.
