## GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Horizontal Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Some condominium projects are leasehold. This means that the land or the land, building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

### Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Horizontal Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners.

- A. Declaration of Horizontal Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded – Bureau of Conveyances – Book 21017 Page 491  
 Filed – Land Court – Document Number \_\_\_\_\_

Amendment date(s) and recording/filing information:

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed  
 Recorded – Bureau of Conveyance Condo Map No. 1082  
 Filed – Land Court Condo Map No. \_\_\_\_\_

Amendment date(s) and recording/filing information:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the way in which meetings will be conducted, and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded – Bureau of Conveyances – Book 21017 Page 502  
 Filed – Land Court – Document Number \_\_\_\_\_

Amendment date(s) and recording/filing information:

D. House Rules. The Board of Directors may adopt house rules to govern the use and operation of the common elements and individual apartments. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais, keeping of pets, and occupancy limits. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial house rules are usually adopted by the developer.

The House Rules for this condominium are:

- Proposed       Adopted
- Developer does not plan to adopt house rules.

E. Changes to Condominium Documents

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of apartment owners who must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%	100%
Bylaws	65%	100%
House Rules	—	100%

The percentages for individual condominium projects may be more than the minimum set by law.

2. Developer: The developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws, or House Rules:

Developer may amend the Declaration to file the "as built" verified statement required by HRS Sec. 514A-12 and to effect changes required by any governmental agency or authority.

The Condominium Statute (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

[ ] Exhibit \_\_\_\_\_ describes the common interests for each apartment.

[ x ] as follows: Each home shall have appurtenant thereto a one-half (1/2) undivided interest in the Common Elements for all purposes including voting.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. Buyer's interest will be affected only if the developer defaults prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest If Developer Defaults</u>
Mortgage	Foreclosure

F. Management of the Common Elements: The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a managing agent to assist the Association in managing the condominium project.

Initial Managing Agent: When the developer or the developer's affiliate is the initial managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

1. NO INTEREST ON DEPOSITS. Any and all interest received by the Developer and/or the Escrow Agent on the purchaser's payments shall become the sole property of the Developer, pursuant to the provisions of Sections 402-8 and 449-16.5 of the Hawaii Revised Statutes.

2. WARRANTIES. DEVELOPER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE HOMES, COMMON ELEMENTS, APPLIANCES, FURNISHINGS, OR ANYTHING INSTALLED IN OR UPON THE HOMES OR THE PROJECT OR USED IN CONNECTION WITH THE HOMES OR THE PROJECT IN ANY MANNER, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, HABITABILITY, WORKMANLIKE CONSTRUCTION, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

3. TIME IS OF THE ESSENCE. Time is of the essence with regard to each of the terms of the Sales Contract, and if Buyer shall default in any payment when due, or fail to perform any other obligation required of the Buyer thereunder, Seller may notify Buyer in writing of such default and if such default shall not be cured within five (5) days after receipt of such notice, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In such event, all sums paid by Buyer thereunder shall belong absolutely to Seller as liquidated damages, or at Seller's option, Seller may pursue any other remedies in law or in equity for specific performance, damages, or otherwise, and all costs, including reasonable attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

4. MODIFICATION OF DOCUMENTS. Seller reserves the right to modify the Declaration, the By-Laws, and the Deed as may be required by law, by any title insurance company, or by any institutional mortgagee, provided that no such modification shall:

- (b) increase the cost of the Home;
- (c) require substantial physical change of the Home;

SUMMARY OF ESCROW AGREEMENT: An escrow agreement (hereinafter called the "Escrow Agreement") detailing the manner in which purchasers' funds are to be handled, has been executed and a copy thereof has been filed with the Commission. The Escrow Agent is Hawaii Escrow & Title, Inc., a Hawaii corporation. The escrow agreement, among other things, contains the following provisions:

Sales Contracts. Seller will have each purchaser sign a Reservation Agreement, Deposit Receipt, and Sales Contract (the "Sales Contract").

### All Deposits Will be Paid to Escrow.

a. Payments. Seller will turn over the purchasers' initial deposits to Escrow. All other payments to be made by the purchasers are required to be paid to Escrow. This includes any loan payments from purchasers' lenders.

b. Collection Notices. Seller will notify Escrow when a payment is due under the Sales Contracts. Escrow shall then give written notice to the purchasers and call for such payments to be made to Escrow.

What Will Happen to Purchasers' Deposits. Escrow will accept purchasers' deposits and payments and will hold them or pay them out according to this Escrow Agreement.

a. Deposit in a Trust Fund. Escrow will deposit all of the money from the purchasers in a special savings account (the "Trust Fund") with a federally insured Hawaii bank (the "Bank"). The Trust Fund will pay interest at the passbook rate. As stated in the Sales Contracts the Seller will get all of the interest paid on the Trust Fund. Escrow will make the deposits into the Trust Fund at least once each week. If Seller tells Escrow to make a deposit more than once in a calendar week, Seller will pay Escrow a reasonable service charge of Twenty-Five Dollars (\$25.00) for each additional deposit made during that week. Seller shall have the right to find out the status of the Trust Fund directly from the Bank. Escrow will not be responsible and will not have any liability for any loss of funds not caused by Escrow during the time such funds are deposited in the Bank.

b. When a Purchaser's Funds May be Removed from the Trust Fund. A purchaser's funds may be taken out of the Trust Fund but only after the following have happened:

i. the Real Estate Commission has issued a final public report (the "Final Report") on the Project, and

ii. the purchaser has received a copy of the Final Report and given the Seller a receipt for it, and

iii. two full working days have gone by since Seller notifies Escrow that he has received the receipt, and

iv. Seller notifies Escrow in writing that all of the requirements of Sections 514A-39, 514A-63, and 514A-65, Hawaii Revised Statutes then applicable to the Project have been satisfied, and

v. Seller notifies Escrow in writing that the Sales Contract has become a binding sales contract and that the Purchaser's rights of cancellation have lapsed or have become void.

c. If Seller Wants to Use Purchaser's Funds to Pay for Construction Costs. If the purchaser's funds may be taken out of the Trust Fund because Paragraph 5.b. above has been satisfied, then Seller may use the funds to pay for construction costs but only if the following are also satisfied:

i. there are sufficient funds in the Trust Fund to make the payment,

ii. bills are submitted with the request for such disbursements which have been approved or certified for payment by Seller's construction lender, in writing,

iii. Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared, unless sufficient funds are set aside for any bona fide dispute, and

iv. the payment amount and the cost being paid does not violate Sections 514A-40 and 514A-67, Hawaii Revised Statutes.

d. Payment of Purchaser's Funds to Seller. Purchaser's funds in the Trust Fund, as well as any payments made at closing as described in the Sales Contract, shall be paid to Seller when purchaser's Deed has been recorded in the Bureau of Conveyances of the State of Hawaii (the "Bureau of Conveyances").

d. Seller's Funds. Seller's funds may be released from escrow and disbursed without any of the above limitations.

Refunds to Purchasers.

a. When Refunds Will be Made. The Sales Contract explains when purchasers may obtain refunds. Escrow agrees to make the refunds promptly if Seller tells Escrow in writing that

a refund should be made according to the Sales Contract. No refund is to be made at a purchaser's request unless Escrow receives written approval from the Seller.

b. Interest. Refunds to purchasers will be made without any interest.

c. Deduction of Cancellation Fees. Under the Sales Contracts there are times when Escrow is to deduct cancellation fees from the refund amount. Escrow will deduct the cancellation fees from the refund unless Seller instructs Escrow not to do so. The words "cancellation fees" mean Escrow's cancellation fees which are defined in Paragraph 11.b of the Escrow Agreement and any cancellation fees of the lender from whom the purchaser has arranged a loan to buy the condominium unit.

d. Notice of Refunds. Escrow shall give each purchaser entitled to a refund notice of the refund by registered mail. It will be addressed to such purchaser at the address shown on his or her Sales Contract. If a purchaser gives Escrow another address, then Escrow will send the notice to that address.

Purchaser's Default. Seller will notify Escrow in writing that a purchaser has defaulted and that Seller has cancelled that purchaser's Sales Contract. Escrow will then notify that purchaser by registered mail that the Seller has cancelled the Sales Contract because of the default. After ten (10) days following the Purchaser's receipt of such notice, Escrow will then treat the purchaser's funds, less Escrow's cancellation fees, as belonging to the Seller.
