GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Horizontal Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Some condominium projects are leasehold. This means that the land or the land, building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

The Developer reserves the right to file "as built" amendments pursuant to Section 514A-12 of the Hawaii Revised Statutes without the consent or joinder of any apartment owner.

The Condominium Statute (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the common elements, to each other, and to their respective apartments. Summary of Sales Contract

(1) The Sales Contract is not a present transfer of any interest in the Project but only an agreement to purchase and sell apartments.

(2) Payment of the purchase price shall be made through an escrow agent, Founders Title & Escrow of Hawaii. Buyer will have the opportunity to read the Escrow Agreement and agrees with the provisions made therein.

All money for the purchase will be paid to Escrow and may be deposited by Escrow into interest-bearing accounts. All interest earned on such money will belong to the Seller.

(3) By signing the Sales Contract, Buyer represents that Buyer can make all required payments when due. Buyer must supply the Seller on any mortgage lender with true and accurate financial information.

If Buyer needs a mortgage in order to make the purchase, Buyer must apply for a loan within ten (10) business days after Seller signs the Sales Contract. If Buyer does not qualify for a loan, Seller has the option of cancelling the sale. If the sale is cancelled, Seller will tell Escrow to return Buyer's money (without interest), minus Escrow's cancellation fee, and Seller's or any lender's fee for processing the Sales Contract or loan application. As soon as buyer receives a commitment letter to make a loan, a copy of the letter must be sent to Seller immediately. If Buyer is unable to go through with the purchase because Buyer's lender does not close the loan, buyer will be deemed in breach of the Sales Contract. Seller then has the option of keeping all monies already paid by Buyer or pursuing any other legal remedy.

If Buyer intends to pay in cash, Buyer must furnish written proof of ability to pay within ten (10) business days after Seller signs the Sales Contract.

(4) Buyer agrees that Buyer has read, reviewed and approved the condominium documents (Declaration or By-Laws), the Condominium Map, Rules and Regulations of the Project,

form of Apartment Deed and Disclosure Abstract in addition to the Escrow Agreement.

(5) Seller has the right to amend the condominium documents and Condominium Map as long as such amendments do not increase or reduce the number of the other apartments.

(6) Seller makes no representations to Buyer or anyone else about the rental or resale of apartments.

(7) The Sales Contract is not binding on either buyer or Seller until a Final Public Report on the Project has been issued by the Real Estate Commission and Buyer's right to cancel the sale has lapsed. Buyer can waive the right to cancel and go through with the sale by signing the appropriate form given to Buyer. Buyer will lose the right to cancel unless Buyer cancels within thirty (30) days of receiving a copy of the Final Public Report.

(8) Closing shall occur on ten (10) days notice of the date of final closing by Seller or Escrow.

Prorations, real property taxes and other costs shall be prorated as of the closing date. All risk of damage or loss to the purchased apartments will also pass to Buyer as of that date.

(9) Some of the expenses that the buyer must pay at closing include the following: the entire Escrow fee, notary fees, conveyance taxes, appraisal fees, recording fees, cost of credit reports, document preparation fees, title insurance, all costs of Buyer's mortgage, and prorated maintenance fees and real property taxes.

(10) The Sales Contract cannot be transferred or assigned to another buyer without Seller's prior written consent.

(11) The Seller is selling the property "as is" and makes no warranties, expressed or implied, with respect to the apartment, the project, or consumer products or other things installed or contained in the apartment or the Project.

SUMMARY OF ESCROW AGREEMENT

(1) All monies payable by Buyers under Sales Contracts shall be made to the Escrow Agent.

(2) Buyer's funds will be deposited by Escrow into federally-insured accounts. All interest earned on such deposits will belong to the Seller.

(3) Buyer's funds placed in the hands of the Escrow Agent can be used to pay for construction work performed on the Project according to the value of the work completed as verified by an architect or engineer and Buyer's lender or some other financially disinterested person, and for architectural, engineering, financial and legal fees of the Project. However, a Buyer's funds cannot be used until and unless Buyer's Sales Contract has become fully effective and binding so that Buyer and Seller are committed to the sale. Construction costs can only be paid if Escrow is satisfied that all mechanics' and materialmen's liens on the Project will be cleared or that a reserve is set aside in sufficient amount to cover any disputed lien.

(4) Escrow will conduct the closing of each Buyer's Sales Contract by arranging and supervising the execution of all documents related to the Project, recording all applicable real property documents, and doing all other acts required to close sales.

(5) Buyers will be entitled to a refund of their monies if any one of the following events has occurred:

(a) Seller directs Escrow to make the refund;

(b) Seller exercises any cancellation right available under the Sales Contract;

(c) Buyer is entitled to a refund under any provision of the Horizontal Property Act; or

(d) Buyer exercises any right of cancellation available under the Sales Contract.

Under cancellation of any sale, Escrow has a right to receive a cancellation fee commensurate with the work Escrow

has performed, but in any event not less than Twenty-Five Dollars (\$25.00) nor more than \$50.

(6) If Seller terminates the Sales Contract due to a default on the part of Buyer, Seller will so notify Escrow. Escrow will notify the Buyer that the Sales Contract was cancelled because of default by certified or registered mail. If Escrow does not hear from Buyer before the due date thereof or if the Buyer fails to perform in any manner which is being handled by Escrow, Escrow will deduct its cancellation fee from buyer's monies and treat the remainder as Seller's property.
