GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Horizontal Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. See the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Some condominium projects are leasehold. This means that the land or the land, building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

PERMITTED ALTERATIONS TO APARTMENTS

Except as otherwise provided in the Declaration, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from said Condominium Map of the Project, shall be undertaken by the Association or any apartment owners only pursuant to an amendment of the Declaration, duly executed by or pursuant to the affirmative vote of seventy-five percent (75%) of the apartment owners and accompanied by the written consent of the holders of all liens affecting any of the apartments, and in accordance with all of the requirements of Paragraph 6 of Section I of the Declaration, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file of record such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer; PROVIDED, HOWEVER, that notwithstanding any other provision in the Declaration to the contrary and except as otherwise provided in any apartment conveyance, the owner of an apartment may make any alterations or additions within an apartment and the owner of any two adjoining apartments may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the apartments and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by the immediately preceding proviso shall require only the written approval thereof, including approval of the apartment owner's plans therefor, by the Developer and the holders of first mortgage liens affecting such apartment (if the lien holders require such approval), by the appropriate agencies of the State of Hawaii and the City and County of Honolulu if such agencies so require, by the Board of Directors of the Association (which approval shall not be unreasonably or arbitrarily withheld or delayed), and by all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board of Directors of the Association) and such alterations or additions may be undertaken without an amendment to the Declaration or filing of a

complete set of floor plans of the Project as so altered. Prior to the termination of the common ownership of any two adjoining apartments, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such apartment shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

Notwithstanding any other provision in the Declaration to the contrary, prior to (a) the time that all apartments in the Project have been sold and recorded and (b) the filing by the Developer of the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of said Condominium Property Act (but in no event later than December 31, 1997), the Developer shall have the right to make alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any apartment owner, which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or to make other alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any apartment owner, which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 3 of Section T of the Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of apartments in the Project, and the filing in the Office of the Assistant Registrar of the Land Court of Hawaii of apartment conveyances transferring interests in the apartments from the Developer to parties not signatory to the Declaration.

3. WARRANTIES:
 - (a) Developer warrants the materials and workmanship of the Apartment against defects for a period of one (1) year from the Closing Date or the date of occupancy (whichever first occurs); provided, however, that said warranty shall in no event be for a period less than one (1) year from the "date of completion" of the Apartment, as that term "date of completion" is defined in Section 507-43 of the Hawaii Revised Statutes. For purposes of the foregoing warranty, "defects" shall be those items reasonably requiring the repair, renovation, restoration, or replacement of any of the components constituting the Apartment. Items of maintenance relating to the Apartment are not covered by the foregoing warranty.

(b) Developer warrants the materials and workmanship of the common elements of the Project against defects for a period of two (2) years from the date each of the common elements is completed and available for use by apartment owners, or two (2) years from the date the first apartment in the Project is conveyed to an apartment owner other than Developer, whichever is later. For purposes of the foregoing warranty, "defects" shall be those items reasonably requiring the repair, renovation, restoration, or replacement of any of the components constituting the common elements of the Project. Items of maintenance relating to the common elements of the Project are not covered by the foregoing warranty.

(c) Developer's obligations under the foregoing warranties are expressly conditioned on prompt notification by Buyer to Developer of any defects in the materials or workmanship, and are expressly limited to the repair or replacement of defects.

4. BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND ESTIMATED COSTS FOR EACH APARTMENT:

Attached to this Disclosure Abstract as Exhibit "A" is a breakdown of the annual maintenance charges and the monthly estimated cost for each apartment in the Project, prepared by Chaney, Brooks & Company, a Hawaii corporation, for the one-year period commencing November 1988, and certified to have been based on generally accepted accounting principles. The attached breakdown of annual maintenance charges and the estimated cost for each apartment are subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Developer, apartment owner delinquencies and other factors may cause the maintenance assessments to be greater or less than the estimated maintenance assessments. The breakdown of the estimated cost for each apartment contained in this Disclosure Abstract does not include the Buyer's obligation for the payment of Mililani Town Association dues (currently \$10.00 per month) or real property taxes, and does not include or otherwise take into account the one-time "start-up" fee required to be paid in addition to the normal maintenance charges. Estimates of the real property taxes will be provided by the Developer upon request.

* NOTE: THE DEVELOPER ADVISES THAT COSTS AND EXPENSES OF *
* MAINTENANCE AND OPERATION OF A CONDOMINIUM PROJECT ARE *
* VERY DIFFICULT TO ESTIMATE INITIALLY AND EVEN IF SUCH *
* MAINTENANCE CHARGES HAVE BEEN ACCURATELY ESTIMATED, *
* SUCH CHARGES WILL TEND TO INCREASE IN AN INFLATIONARY *
* ECONOMY AND AS THE IMPROVEMENTS AGE. MAINTENANCE *
* CHARGES CAN VARY DEPENDING ON SERVICES DESIRED BY *
* APARTMENT OWNERS. THE BUYER SHOULD EXAMINE THE MAINTENANCE *
* CHARGE SCHEDULE TO SEE WHAT SERVICES ARE INCLUDED *
* IN THE SCHEDULE. *

5. TEMPORARY ASSUMPTION BY DEVELOPER OF ACTUAL COMMON EXPENSES:

The Developer will assume all the actual common expenses of the Project (and therefore an apartment owner will not be obligated for the payment of his respective share of the common expenses) until such time as the Developer files with the Real Estate Commission of the State of Hawaii an amended Disclosure Abstract which states that after a date certain, the respective apartment owner shall thereafter be obligated to pay for his respective share of common expenses that is allocated to his apartment; provided, however, that such amended Disclosure Abstract shall be filed at least 30 days in advance with the Real Estate Commission, with a copy thereof being delivered either by mail or personal delivery after the filing to each of the apartment owners whose maintenance expenses were assumed by the Developer.

SUMMARY OF SALES AGREEMENT

A specimen Reservation and Sales Agreement and a specimen V.A. Addendum to Reservation and Sales Agreement (applicable only to buyers who are eligible and apply for Veterans' Administration guaranteed loans) (collectively the "Sales Agreement") have been submitted to the Real Estate Commission and are available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE RESERVATION AND SALES AGREEMENT AND THE V.A. ADDENDUM TO RESERVATION AND SALES AGREEMENT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of their provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. A Sales Agreement executed prior to the issuance of a Final Public Report for the Project shall constitute a "reservation" and not a "binding contract" for the purchase of an apartment. Accordingly, the reservation may be canceled and terminated at any time at the option of either party (and buyer shall receive a refund) until a Final Public Report is issued on the Project, the buyer signs a receipt for the Final Public Report (or is deemed to have receipted for it under the Condominium Property Act), and each of the conditions set forth in Section 514A-62(a) of the Condominium Property Act have been satisfied. Therefore, the buyer should be aware that the execution of a Sales Agreement prior to the issuance of a Final Public Report does not necessarily mean that the buyer will be able to purchase the reserved apartment for the price or on the other terms stated in the Sales Agreement, or on any terms at all.

2. (a) Seller warrants the materials and workmanship of the Apartment against defects for a period of one (1) year from the Closing Date or the date of occupancy (whichever first occurs); provided, however, that said warranty shall in no event be for a period less than one (1) year from the "date of completion" of the Apartment, as that term "date of completion" is defined in Section 507-43 of the Hawaii Revised Statutes. For purposes of the foregoing warranty, "defects" shall be those items reasonably requiring the repair, renovation, resto-

ration, or replacement of any of the components constituting the Apartment. Items of maintenance relating to the Apartment are not covered by the foregoing warranty.

(b) Seller warrants the materials and workmanship of the common elements of the Project against defects for a period of two (2) years from the date each of the common elements is completed and available for use by apartment owners, or two (2) years from the date the first apartment in the Project is conveyed to an apartment owner other than Seller, whichever is later. For purposes of the foregoing warranty, "defects" shall be those items reasonably requiring the repair, renovation, restoration, or replacement of any of the components constituting the common elements of the Project. Items of maintenance relating to the common elements of the Project are not covered by the foregoing warranty.

(c) Seller's obligations under the foregoing warranties are expressly conditioned on prompt notification by the buyer to Seller of any defects in the materials or workmanship, and are expressly limited to the repair or replacement of defects.

3. Seller may (but doesn't have to) cancel the Sales Agreement (a) if the buyer's mortgage loan application is rejected or not approved within 60 days after application, or (b) if the buyer plans to pay the purchase price in cash but Seller is not satisfied for any reason with the buyer's ability to make the cash payments.

4. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S APARTMENT. IF BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW BUYER DOES IT WILL BE UP TO BUYER. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

5. Buyer will pay for the following closing costs: all of the Escrow fee, all notary fees, all appraisal fees, all recording costs, all charges for buyer's credit report, all costs of preparing any mortgages and promissory notes, and all title insurance costs. Buyer will also pay all mortgage costs. Buyer will also pay a nonrefundable start-up fee which will be held and used by the Seller and the first Managing Agent of the Association as a working capital fund for the benefit of all the

apartment owners. Buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project even if it is owned by Seller. Proration of Mililani Town Association assessments, maintenance charges and other common expenses, and real property taxes will be made as of the scheduled Closing Date.

6. The buyer agrees that buyer may not transfer the Sales Agreement or any of buyer's rights under the Sales Agreement without first getting Seller's written consent (which Seller may withhold in its sole and absolute discretion).

7. Buyer understands that Seller has an agreement with the City and County of Honolulu (the "City") that Seller will offer apartments in the Project for sale only to "Low Income Purchasers" or "Moderate Income Purchasers" as those terms are defined below. Buyer hereby represents to Seller that Buyer is a "Low Income Purchaser" or "Moderate Income Purchaser", as designated in Article II of the Sales Agreement. The term "Low Income Purchaser" as used herein means an owner-occupant buyer whose income (including the income of all members of such buyer's household) does not exceed 80% of the median income (adjusted for family size) for the Honolulu Metropolitan Statistical Area as most recently determined by the U.S. Department of Housing and Urban Development. The term "Moderate Income Purchaser" as used herein means an owner-occupant buyer whose income (including the income of all members of such buyer's household) is greater than 80% but does not exceed 120% of such median income (adjusted for family size). The following are such income limits (as of August 1988) by family size for the Project:

<u>Family Size</u>	<u>Median</u>	<u>80% Income Limit</u>	<u>120% Income Limit</u>
1	\$ 25,565	\$ 20,450	\$ 30,675
2	29,190	23,350	35,025
3	32,875	26,300	39,450
4	36,500	29,200	43,800
5	38,815	31,050	46,575

If Seller or the City shall determine that Buyer is not a "Low Income Purchaser" or "Moderate Income Purchaser", as designated in Article II of the Sales Agreement, Seller shall have the right to cancel this Agreement at any time.

If Seller cancels this Agreement as aforesaid, Seller will tell Escrow to give Buyer back all of Buyer's payments, without interest, and neither party will have any other obligations under this Agreement or relating to the Project. Buyer shall be responsible for the escrow cancellation fee and all other costs associated with the purchase, up to a maximum of \$250.00.

8. Seller reserves the right to cause and effect a merger or mergers of the Project with one or more condominium projects [the "Additional Phase(s)"] located or to be located on land adjacent to the Project, as part of the same incremental plan of development of the Project, all as set forth in the Declaration. Upon any such merger or mergers, all of the apartments in the Project and in the Additional Phase(s) shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the Project and the Additional Phase(s) will become the common elements of the Merged Project, and the common interest appurtenant to the Apartment shall be altered from the percentage set forth in Article I of the Sales Agreement to a percentage as set forth in the "Certificate of Merger" filed by the Seller, in accordance with the Declaration. Nothing herein will be deemed to require Seller to develop any or all of the Additional Phase(s) or to merge any one or more of them into the Project, or to prohibit Seller from dealing with any lands adjacent to the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

9. The transfer of the Property to Buyer will be made subject to (and the Apartment Deed will so provide) certain restrictions on transfer of the Property, including without limitation a first option to purchase the Property in favor of the City and County of Honolulu (acting through its Department of Housing and Community Development), for a period of 10 years, in the event Buyer desires to transfer or lease the Property or violates the covenant requiring Buyer to occupy the Property, as more particularly described in the Apartment Deed, pursuant to Sections 201E-221, 222 and 223 (formerly Sections 359G-9.2, 9.3 and 9.4, respectively) of the Hawaii Revised Statutes.

10. Seller has given or may give to one or more lenders a mortgage or mortgages, security agreement or agreements, and other instruments securing repayment of

loan(s) and covering Seller's ownership rights in the Project, including the individual apartments. All of the rights and interests which Seller gives to the lender or lenders will have priority over the buyers' rights and interests under the Sales Agreements. This applies to any changes in the loan or loans or the mortgage or mortgages, security agreement or agreements or other instruments (including, among other things, extensions, renewals and other changes). The buyers give up and subordinate the priority of their rights and interests under the Sales Agreements in favor of the rights and interests of Seller's lenders until the final closing and delivery of signed apartment leases to the buyers.
