## GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Condominium Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

### Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

#### IV. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. Maui Kamaole Enterprises I ("MKE I"), a Hawaii limited partnership, and Maui Kamaole Enterprises II ("MKE II"), a Hawaii limited partnership, the general partners of the Fee Owner of the project, filed petitions under Chapter 11 of the Bankruptcy Code on July 10, 1987, commencing bankruptcy reorganization proceedings in the United States Bankruptcy Court, District of Hawaii (Bk. No. 87-00557 and Bk. No. 87-00558). Neither the Fee Owner nor the Developer of the project were Debtors in these Chapter 11 proceedings.

By Order Confirming Amended Joint Plan of Reorganization filed on December 23, 1987, the Bankruptcy Court confirmed an Amended Joint Plan of Reorganization filed by MKE I and MKE II, as modified by Modifications to Amended Joint Plan of Reorganization and further modified by Order Granting Motion to Approve Modifications to Amended Joint Plan filed on January 13, 1989, and further modified by Order Granting Debtor's Motion to Approve Modifications to Amended Joint Plan of Reorganization filed on April 14, 1989 (the "Plan of Reorganization"), authorized and directed MKE I and MKE II to do such things as necessary to consummate the Plan of Reorganization, and closed the MKE I and MKE II Chapter 11 proceedings.

In part relevant to this project (referenced in the Plan of Reorganization as "Phase II" or "Clusters 11 and 12"), the Plan of Reorganization provides for the development of the project as reflected in the project documents and as reported in this Public Report. Copies of the Amended Joint Plan of Reorganization, Modifications to Amended Joint Plan of Reorganization, Order Confirming Amended Joint Plan of Reorganization, Order Granting Motion to Approve Modifications to Amended Joint Plan of Reorganization, and Order Granting Debtor's Motion to Approve Modifications to Amended Joint Plan of Reorganization are on file at the Real Estate Commission and available for the purchaser's review. Specifically, the purchaser's attention is drawn to Article VI, Phase II of Exhibit A to the Order Granting Debtor's Motion to Approve Modifications to Amended Joint Plan of Reorganization (pages 1-4) for provisions relevant to this project. The Developer and the Fee Owner have fully satisfied all obligations under the Plan of Reorganization relating to Phase II and as such the Plan of Reorganization shall have no continuing impact or effect on the project or any purchaser of an apartment in the Project.

2. Legal access to the project land from Kihei Road is provided by means of Easement 1 across Lot 4-A adjacent to the project, and State of Hawaii Grant of Easement No. S-4439 across certain State-owned land adjacent to Lot 4-A. An easement for access and utility purposes across Easement 1 is a common element of the project, and Grant of Easement No. S-4439 grants to the Fee Owner an easement and right-of-way for access and utility purposes across the State-owned land for a term of 55 years, up to and including June 23, 2023. The Fee Owner has assigned its interest in Easement S-4439 to American Trust Co. of Hawaii, Inc., as Trustee of Land Trust No. 90-02070. A portion of the beneficial interest in the Land Trust will be conveyed by the Fee Owner to the Association of Apartment Owners of Maui Kamaole Phase II, to be held by the Association as a common element of the project. Such beneficial interest will entitle all owners of units in the project to non-exclusive use and possession of Easement S-4439. The Fee Owner is currently processing and will continue to process State conversion of Easement S-4439 to a fee simple perpetual grant of easement. Upon conversion, the fee simple interest in the grant of easement will be conveyed by the Fee Owner to the Land Trust. The State has indicated that it has no objections to and will consent to the conversion to a perpetual easement. Should the easement remain leasehold, the Association

will need to request an extension to Grant of Easement No. S-4439 prior to its expiration in 2023. A copy of Grant of Easement No. S-4439 and the Land Trust Agreement creating Land Trust No. 90-02070 is on file at the Real Estate Commission and is available for the purchaser's review.

3. The Developer represents that each phase will be on a separately subdivided lot and that the maintenance fees described in Exhibit "H" herein (dated May 12, 1989) are current and are to be used only for maintenance of the 3.379 acre parcel that constitutes Phase II. However, Developer and/or Fee Owner have reserved the right to merge the Phase II project with additional phases (see section III.K. herein) for administration, use, and ownership purposes, at which time the maintenance fees described in Exhibit "H" herein will be allocated pursuant to the Declaration of Merger of Condominium Phases recorded in the Bureau of Conveyances of the State of Hawaii in Liber 22185, Page 275, and also on file with the Real Estate Commission. Merger for ownership purposes may also include a legal consolidation of the land covered by this project with any parcel(s) of land covered by the phase(s) to be merged.
