GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Condominium Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded - Bureau of Conveyances - Document No. _____
Book _____ Page _____
 Filed - Land Court - Document No. 1815846

Amendment date(s) and recording/filing information:

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed
 Recorded - Bureau of Conveyance Condo Map No. _____
 Filed - Land Court Condo Map No. 844

Amendment date(s) and recording/filing information:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the way in which meetings will be conducted, and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances - Document No. _____
Book _____ Page _____
 Filed - Land Court - Document No. 1815847

Amendment date(s) and recording/filing information:

The Condominium Statute (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

D. **House Rules.** The Board of Directors may adopt house rules to govern the use and operation of the common elements and individual apartments. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais, keeping of pets, and occupancy limits. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial house rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

10. Conformance to Present Zoning Code

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> x </u>	<u> </u>	<u> </u>
Structures	<u> x </u>	<u> </u>	<u> </u>
Lot	<u> x </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project intended to be used by all apartment owners. They are owned jointly by all apartment owners.

Exhibit B describes the common elements.

As follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which may use them are:

described in Exhibit

as follows:

- (a) The mailbox bearing the same designation as the apartment;
- (b) The fenced courtyard area adjoining the apartment (for apartments on the ground floor);
- (c) The lanai area adjacent to second story apartments;
- (d) The storage closet located on the lanai (except for Apartment Type 874 which has no exterior storage closet).
- (e) Two automobile parking stalls assigned to each apartment upon the original conveyance thereof which are appurtenant to and for the exclusive use of such apartment.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is often used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium. It may also be used for other purposes, including voting on matters requiring action by apartment owners.

Exhibit A describes the common interests for each apartment.

As follows:

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property.

Exhibit C describes the encumbrances against the title contained in the title report dated April 29, 1991 and issued by Security Title Corporation .

Blanket Liens:

A blanket lien is a mortgage on a condominium project that secures a construction loan. It is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[x] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. Buyer's interest will be affected only if the developer defaults prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest If Developer Defaults</u>
Mortgage	Lender has priority over Purchaser's rights under a Sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before apartment sale is closed. Should the lender terminate Purchaser's Sales Contract, Purchaser shall be entitled to a refund of all deposits less a nominal cancellation fee.

F. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a managing agent to assist the Association in managing the condominium project.

Initial Managing Agent: When the developer or the developer's affiliate is the initial managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial managing agent for this condominium is:

[x] not affiliated with the Developer.

[] the Developer or the Developer's affiliate.

[] self-managed by the Association of Apartment Owners.

[] other _____

G. Estimate of Initial Maintenance Fees:

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided to each apartment.

Exhibit D contains a schedule of maintenance fees and maintenance fee disbursements.

Exhibit D is only an estimate.

H. Utility Charges for Apartments:

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

Not applicable

Electricity

Television Cable

Gas

Water & Sewer

Other _____

I. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:** The Developer warrants against defects in the apartment due to faulty material or workmanship which are discovered and brought to the attention of Developer within one year from the date of conveyance of title to the apartment owner or the date of occupancy, whichever occurs first. In addition, the Developer warrants the common elements against all defects for a period of two years from the date of completion of the common elements or two years from the date the first apartment in the Project is conveyed to a purchaser other than the Developer, whichever is later. For purposes of this warranty, the Developer agrees to repair, renovate, restore or replace any defective material or workmanship within the respective warranty periods. ROUTINE MAINTENANCE WORK IS NOT COVERED BY ANY WARRANTY.

2. **Appliances:** Warranties on appliances furnished with an apartment are not provided by the Developer. The execution and delivery of the apartment deed will operate as an assignment from the Developer to the purchaser of the respective manufacturers or dealers' warranties, if any.

IV. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. One of the access roads to the Palm Court Project located at the end of Koka Street ("Koka Street Access Road") is presently owned by Gentry Development Company, but rights of access have been given to all of the Palm Court Projects. It has not yet been determined whether Koka Street Access Road will be a private road or a public road. If it is decided to make the Koka Street Access Road a public road, it will be deeded to the City and County of Honolulu.

If the Koka Street Access Road remains a private road, the various Associations of Apartment Owners of Palm Court, as well as others who use the Koka Street Access Road including the owners of the condominium project developed to the east of the Koka Street Access Road (approximately 750 apartment units total) will all share in the cost of maintaining the road. No road maintenance costs have been included in the maintenance fees at this time. In the event the various Associations are required to maintain the road, it is not anticipated that the maintenance costs will be significant. If the Koka Street Access Road remains a private road, it is contemplated that ownership will be ultimately held by the Ewa-by-Gentry Community Association, or some other appropriate entity.

Changes may be made to the road in the future, such as widening and extending the road beyond the railroad right-of-way to Renton Road (north of the Project). If these changes are made, the Koka Street Access Road will probably be dedicated to the City and County of Honolulu for public use.

2. The Developer has reserved the right to the respective Associations of Apartment Owners of Palm Court to purchase an apartment in one of the increments of Palm Court which the Association may use as lodging for a resident manager. The apartment selected is Apartment No. 25-B located in the Palm Villas, Increment IIC project. Currently the apartment is being rented by the various Associations of Palm Court for \$900 a month. The costs associated with the Resident Manager are included in the maintenance fees shown in Exhibit "D" for the Project. At the time the various Associations wish to purchase the apartment from the Developer, a fair market price will be agreed upon between the Associations and the Developer.

3. The Developer has no control over certain activities on adjacent property owned by others ("Activities on Adjacent Land"). For example:

a. The Project is located in the vicinity of several military installations, including Barber's Point Naval Air Station and the West Loch Branch of the Lualualei Naval Magazine ("West Loch"). In the event of military action, these military installations are sensitive areas. The Navy has denoted an area east of the Project as an Explosive Safety Hazard Zone in connection with munitions which may be loaded onto ships at West Loch. This area is depicted on a map which is available for inspection in the sales office of the Developer. The Navy has represented that the boundary of said area represents the probable limit of any impact on the adjacent community;

b. The Project is located in the vicinity of a commercial airport (Honolulu International Airport) and a military air base (Barber's Point Naval Air Station) and there is a likelihood of noise from planes passing overhead or nearby.

c. The Project is near or adjacent to land that is used for the cultivation and harvesting of sugar cane and other agricultural products. The Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limits the types of farm activities that may be deemed a nuisance.

d. The Project is located near the Honouliuli Sewage Treatment Plant.

e. The Project is located next to railroad tracks situated between the Project and Renton Road. This area is owned by the State of Hawaii and is being considered as a transit corridor by the City and County of Honolulu.

f. The Project is located near a temporary cane haul road connecting Geiger Road and Renton Road. This cane haul road will, at a later date, become a major roadway connecting the various communities in Ewa (such as the Ewa Marina and Kapolei City projects being developed by others). In addition, a portion of the Project is located adjacent to Kolowaka Drive, the main entry and exit road into the Ewa by Gentry planned community which leads to Ft. Weaver Road.

g. Buildings 48, 49 and 50 located in Increment IIIC of the Palm Court project will be located adjacent to the site of a future Hawaiian Electric substation to be constructed at the juncture of the railroad tracks and the future roadway.

These Activities on Adjacent Land may cause some unpleasant odors, surface water runoff, noise, dust, smoke, and other unpleasant effects that may bother or be a nuisance to Buyer and other occupants and invitees of the Project. In the Apartment Deed, each buyer, for himself, his heirs, personal and legal representatives and assigns, will release, indemnify and hold harmless the Seller and any of its related entities, the Trustees of the Estate of James Campbell, Deceased, and Oahu Sugar Company, Limited and their respective officers, directors, employees, agents, successors, and successors-in-trust and assigns from and against any and all liability, claims or expenses relating to any claim made by the Buyer or any person using or occupying the Property covered by this Sales Agreement, arising directly or indirectly from the Activities on Adjacent Land; provided, however, that the person or entity whose actions or omissions are the direct cause of any damage to the Buyer shall be responsible for the consequences or results of its own gross negligence, willful misconduct or violation of applicable law.

4. The Developer has reserved the right in the Declaration and until December 31, 1991, to amend the instrument entitled "Amendment to Agreement for Issuance of Conditional Use Permit under Section 4.40-21 of the Land Use Ordinance ("Joint Development Agreement") disclosed as an encumbrance to the property in Item 11 of Exhibit "C" without the joinder or consent of the Association. The Amendment will be made in the future for the purpose of

withdrawing The Hawaiian Electric Substation Lot from the encumbrances of the Joint Development Agreement.

5. The Recreation Center being developed on Lot 5945-F, Map 557, adjacent to Increments IIIB and IIIE of the Palm Court Project is currently under construction and are planned for completion by September, 1991. The Recreation Center improvements will consist of (a) the main meeting room which will also house the resident manager's office and the maintenance room, (b) two smaller pavilions located adjacent to gas barbeque grills, and (c) a free form swimming pool. The Recreation Center will be available for use by all of the apartment owners of the overall Palm Court Project. The maintenance fees for this Project include the costs of operating the Recreation Center.

Buyer's Right to Cancel Sales Contract:

A. Rights Under the Condominium Statute:

Preliminary Report: Sales made by the Developer are not binding on the prospective buyer. Sales made by the Developer may be binding on the Developer unless the Developer clearly states in the sales contract that sales are not binding. A prospective buyer who cancels the sales contract is entitled to a refund of all moneys paid, less any escrow cancellation fee up to \$250.00.

Supplementary Report to a Preliminary Report: Same as for Preliminary Report.

Final Report, Supplementary Report to a Final Report: Sales made by the Developer are binding if:

1. The Developer delivers to the buyer a copy of:
 - a. Either the Final Public Report **OR** the Supplementary Public Report which has superseded the Final Public Report;
AND
 - b. Any other public report issued by the Commission prior to the date of delivery, if the report was not previously delivered to the buyer and if the report has not been superseded;
2. The buyer is given an opportunity to read the report(s); and
3. One of the following has occurred:
 - a. The buyer has signed a receipt for the report(s) and waived the right to cancel; or
 - b. Thirty (30) days have passed from the time the report(s) were delivered to the buyer; or

ESTIMATE OF INITIAL MAINTENANCE FEES

<u>APARTMENT MODEL</u>	<u>MONTHLY FEE x 12 MONTHS</u>	<u>YEARLY TOTAL</u>
810 (16 units)	\$122.40	\$1,468.80
874 (16 units)	\$131.75	\$1,581.00

The Developer has reserved the right to merge all of the increments of Palm Court as set forth in the Declaration. The Developer does not know at this time when all of the Palm Court increments will be able to be merged, but anticipates it will be some time in the last quarter of 1991. A tentative budget for the entire Palm Court Project after merger of all of the increments is attached hereto as Exhibit "D-2". Once all of the increments of Palm Court have been merged, the maintenance fees will be recalculated based upon the project expenses for the merged increments.

The resident manager for the Palm Court Project has been hired. The expenses related to the Resident Manager have been included in the attached budget, and are reflected in the foregoing monthly maintenance fees. Until the Palm Court Association makes a decision regarding the purchase of an apartment for the Resident Manager, an apartment will be rented for the Resident Manager from the Developer. The rental is currently \$900 a month.

The Developer anticipates that the Recreation Area will be ready for use around September, 1991. The expenses relating to the Recreation Area are already reflected in the foregoing maintenance fees.

The foregoing maintenance fees do not include the dues payable to the Ewa by Gentry Community Association. At the present time, those dues are \$30 per unit per quarter.

Based upon the tentative budget for the merged Palm Court project attached hereto on Exhibit "D-2", once all of the Palm Court projects are merged, the maintenance fees will be approximately \$100 a month, but may be more or less depending on the Increment in which the apartment is located. The Buyer should be aware that any maintenance fees prepared for a new project are estimated only and may not initially reflect actual costs of operating the project.

1. That the buyer of the apartment must live in the apartment for at least 12 months.
2. What the obligations are of the buyer if the buyer wants a mortgage loan to cover part of the purchase price.
3. That a buyer's money will be held in escrow, under the terms of the Escrow Agreement.
4. That a buyer will not receive interest on deposits made under the Sales Contract.
5. That the apartment will be subject to various other legal documents which the buyer should examine.
6. That the Project will be subject to ongoing construction and sales activities which may result in certain annoyances to buyer.
7. That the Seller has no control over certain activities on adjacent property owned by others including agriculture, military, utility and aviation; that these activities may cause some inconveniences to the buyers; and that the buyer will indemnify the Developer and the owners of the properties involved except in cases of negligence or willful misconduct.
8. That under certain circumstances where the apartment is ready for occupancy and the buyer has not completed his financing arrangements for the purchase of the apartment, buyer will be responsible for all of the Seller's expenses as a result of buyer's delay.

Summary Of Escrow Agreement

The Escrow Agreement sets up an arrangement under which the deposits which a purchaser makes under a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement these things will or may happen:

1. Escrow will let buyers know when payments are due.
2. The Escrow Agreement says that interest on buyer's deposits will accrue in favor of the Developer and not the buyer unless the Sales Contract specifically provides that interest be credited to the buyer.
3. Escrow will arrange for buyers to sign all necessary documents.
4. The Escrow Agreement says under what conditions a refund will be made to a buyer.
5. The Escrow Agreement says what will happen to a buyer's funds upon a default under the Sales Contract.
6. The Escrow Agreement contains various other provisions and establishes certain charges with which the buyer should become acquainted.
