## General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

### Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. 1924928

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

Fourth Amendment to the Declaration, 11/18/92, Doc. No. 1973355.  
Fifth Amendment to the Declaration, 7/14/93, Doc. No. 2057522.

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

- Proposed  
 Recorded - Bureau of Conveyances Condo Map No. \_\_\_\_\_  
 Filed - Land Court Condo Map No. 895

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

Fourth Amendment to the Declaration, 11/18/92, Doc. No. 1973355.

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. 1924929

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

Fourth Amendment to the Bylaws, 7/14/93, Doc. No. 2057521.

D. House Rules. The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed                       Adopted                       Developer does not plan to adopt House Rules

E. Changes to Condominium Documents

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%*	<u>75%</u>
Bylaws	65%	<u>65%</u>
House Rules	---	<u>Majority of Board of Directors</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. Developer:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

The Developer may amend the Declaration, Bylaws and Condominium Map (a) at any time prior to the recording of the first Condominium Unit Deed or other conveyance to a party not a signatory to the Declaration; (b) to make any amendments required by law, by the Real Estate Commission of the State of Hawaii, by any title insurer issuing title insurance on the project, or by any governmental agency of any other jurisdiction; (c) to file the "as built" verified statement required by Section 514A-12, HRS; (d) to delete Phase 4 from the condominium property regime as set forth in Paragraph 20 of the Declaration; and (e) to complete the subdivision and removal of land for Phase 4 as set forth in Paragraph 21 of the Declaration.

III. THE CONDOMINIUM PROJECT

A. Interest to be Conveyed to Buyer:

- Fee Simple: Individual apartments and the common elements, which include the underlying land, will be in fee simple.
- Leasehold or Subleasehold: Individual apartments and the common elements, which include the underlying land will be leasehold.

Leases for the individual apartments and the underlying land usually require that at the end of the lease term, the lessee (apartment owner/tenant) deliver to the lessor (fee property owner) possession of the leased premises and all improvements, including improvements paid for by the lessee.

Exhibit \_\_\_\_\_ contains further explanations regarding the manner in which the renegotiated lease rents will be calculated and a description of the surrender clause provision(s).

For Subleaseholds:

- Buyer's sublease may be canceled if the master lease between the sublessor and fee owner is:

- As long as the buyer is not in default, the buyer may continue to occupy the apartment and/or land on the same terms contained in the sublease even if the master lease is canceled or foreclosed.

Individual Apartments in Fee Simple; Common Interest in the Underlying Land in Leasehold or Subleasehold:

Leases for the underlying land usually require that at the end of the lease term, the lessees (apartment owners/tenants) deliver to the lessor (fee property owner) their interest in the land and that they either (1) remove or dispose of the building(s) and other improvements at the lessee's expense; or (2) convey the building(s) and improvements to the lessor, often at a specified price.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>    X    </u>	<u>          </u>	<u>          </u>
Structures	<u>    X    </u>	<u>          </u>	<u>          </u>
Lot	<u>    X    </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit   E  .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit F.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit B.

as follows:

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit G describes the encumbrances against the title contained in the title report dated 3/10/94 and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Construction Loan	Buyer's interest to be subordinated to Developer's lender. If Developer defaults, buyer may lose the right to purchase the unit and will receive the return of its deposit less escrow cancellation fees, if any.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

See Exhibit "H"

2. Appliances:

A description of warranties on the appliances to be installed in each condominium unit is presently unavailable because the purchase contracts have not been executed. The Developer will attempt to assign to buyers the unexpired term, if any, of any manufacturer's or dealer's warranties covering any fixture or appliance. By such assignment, DEVELOPER IS NOT ADOPTING ANY SUCH CONTRACTOR'S, MANUFACTURER'S OR DEALER'S WARRANTIES OR ACTING AS 15 CO-WARRANTOR, BUT IS MERELY ATTEMPTING TO PASS THROUGH TO BUYER THEIR BENEFIT OF ANY SUCH WARRANTIES.

G. Status of Construction and Estimated Completion Date:

Status - 0% constructed

Estimated Completion Date - April, 1995

H. Project Phases:

The developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Developer has reserved the right to delete one (1) or more phases from the condominium property regime established for the project as set forth in Paragraph 20 of the Declaration.

Developer has also reserved the right to subdivide and remove the land for Phase 4 from the project and condominium property regime as set forth in Paragraph 21 of the Declaration.

Developer shall waive these reserved rights upon commencement of construction of Phase 4.

IV. CONDOMINIUM MANAGEMENT

A. Management of the Common Elements: The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

Summary of Sales Contract

A specimen Fee Simple Condominium Sales Contract ("Sales Contract") has been submitted to the Real Estate Commission as part of the registration. The specimen Fee Simple Condominium Sales Contract provides in part:

(a) That Buyers who have agreed to obtain mortgage loans are required to apply within five (5) days of Buyer's receipt of a Sales Contract accepted by Seller. If Buyer does not obtain loan approval within forty-five (45) days of Buyer's receipt of a Sales Contract accepted by Seller, Seller may elect to terminate at Seller's option, the Sales Contract upon written notice to the Buyer and, upon such termination all monies paid by the Buyer shall be refunded, less the cost of any credit report, escrow cancellation fees, if any, and other costs actually incurred by the Seller or lending institution in processing such loan application; provided, however, that if the Seller ascertains that the Buyer has failed to qualify for the mortgage loan due to the failure to use his best efforts to obtain such mortgage loan in good faith or to do or perform all acts necessary to obtain such loan, then such failure shall constitute a default by the Buyer entitling Seller to retain all sums paid as liquidated damages.

(b) Prospective Buyers should be aware that the Seller's mortgage loans (interim, renewals and extensions) used for the construction of the Project shall be and remain at all times a superior lien on all unsold condominium units of the Project, and Buyers intentionally waive and subordinate the priority of the lien under the Sales Contract or reservation agreement in favor of such mortgage loan and waives any claims which they may have against Seller for breach of the Sales Contract or reservation agreement in the event that said mortgage loans are foreclosed.

(c) That the Sales Contract constitutes only a reservation agreement until such time as the Seller delivers to Buyer (i) a copy of the Final Public Report and two (2) copies of the Receipt For Public Report(s) and Notice of Right to Cancel have been delivered to Buyer; (ii) the lapse of Buyer's Right to Cancel (the expiration of thirty (30) days from the date of receipt of the Final Public Report) or Buyer indicates its intent to waive its Right to Cancel and returns the executed Right to Cancel to Seller; (iii) a copy of the Deed, Third Amendment To And Restatement Of Declaration Of Condominium Property Regime Of Moanalua Village, Third Amendment To And Restatement Of Bylaws Of The Association Of Owners Of Moanalua Village, House Rules, Escrow Agreement, the Developer's Disclosure Abstract and two (2) copies of the Receipt of Condominium Documents have been

delivered to Buyer; and (iv) buyer has returned one (1) copy of the executed Receipt of Condominium Documents to Seller. Prior to that time, either the Seller or the Buyer has an unconditional right to cancel the contract by written notice to each other.

(d) Additionally, the Sales Contract provides that Seller makes no warranties, expressed or implied, with respect to the condominium units or any common elements or anything installed therein. Seller shall assign to Buyers any and all warranties given Seller by the general contractor of the Project together with any guarantees against faulty material or workmanship. Buyer shall receive direct warranties given by dealers or manufacturers on appliances installed in the condominium units and common elements.

(e) All expenses in connection with the sale are to be payable by Buyer, including, but not limited to, the cost of drafting the Condominium Unit Deed and the cost of the acknowledgments in respect thereof; the State of Hawaii conveyance tax (NOTE: In connection with the conveyance tax, the Seller and Buyer will appoint Escrow Agent as their agent for the purposes of filing the affidavit in respect thereto); the escrow fee; the cost of obtaining financing or a financing commitment for any portion of the purchase price and all expense incident thereto; the expense of credit reports; the drafting of mortgages, etc. (which costs shall be paid directly to Buyer's mortgagee and shall in no event be reimbursed by Seller); acknowledgments of the Buyer on all instruments; recording fees; and any costs incurred for title insurance.

(f) Buyer may also be required to prepay maintenance fees for a period of up to two (2) months, prepay insurance premiums for up to one (1) year, prepay real property taxes for the remainder of the tax year prorated as of the date that a certificate of occupancy for the condominium unit has been issued by the City and County of Honolulu and pay a non-refundable start-up fee in an amount equal to two (2) months maintenance fees, which shall be a one-time non-transferable non-refundable assessment at sale, not as a common expense, shall be in addition to the normal maintenance fees, shall be held, accounted for and expended as funds of the Association for the benefit of all of the condominium unit owners by Seller and the managing agent, all of which shall be paid at Pre-Closing. Buyer further agrees that all maintenance, other taxes, assessments and other expenses shall also be prorated between Seller and Buyer as of such proration date for real property taxes which shall be the date that a certificate of occupancy for the condominium unit has been issued by the City and County of Honolulu. (NOTE: This amount, together with other amounts required, are in addition to and are not part of the total purchase price and shall be paid at Pre-Closing).

(g) The Seller has made no representations with respect to the possibility of rental or other income from the condominium unit or other economical benefit to be derived from the rental of the condominium unit, including but not limited to, any representations to the effect that Seller or the managing agent of the project by a third party will provide services relating to the rental or sale of the condominium unit nor representations as to the possible advantages from the rental of the condominium unit under Federal and State tax laws. If Buyer wishes to rent the condominium unit to third persons, Buyer must make his own arrangements. Buyer further agrees and acknowledges that in the event that the offer to sell and the purchase of the condominium unit or the activities of Buyer with respect to the condominium unit are determined to be or alleged to give rise to any violation of any Federal or State securities laws or regulations, Seller may obtain an injunction enjoining such acts of the Buyer and Seller may, in addition, pursue any other remedies and Buyer shall pay the Seller's costs and attorney's fees in connection therewith. In the event that the Buyer or anyone claiming by or through him alleges that the offer to sell or the purchase of any condominium unit gives rise to any violation of any Federal or State disclosure laws or regulations, the Buyer covenants not to sue for any remedy other than to sue for refund of the purchase price and actual closing cost plus interest at ten percent (10%) per annum from the date of closing to the date of repayment. Buyer agrees to absorb any additional charges incurred with respect to the condominium unit as the reasonable use value of the condominium unit. The terms of this paragraph shall survive final closing of the sale and Buyer's occupancy of the condominium unit.

(h) If Buyer is a bona fide owner-occupant, Buyer shall have a period of fifty (50) days after Seller's execution and acceptance of the Sales Contract to obtain adequate financing.

Estimated Monthly Common Expenses and

See Exhibits "1" and "2" attached hereto and made a part hereof.

Description of Warranties:

Paragraph 18 of the Fee Simple Condominium Sales Contract states: The execution, delivery and recordation of the Condominium Unit Deed shall constitute the assignment by Seller to Buyer of any and all warranties given Seller by the general contractor for the Project and by any subcontractors or materialmen, including but not limited to said contractor's guarantee of materials and workmanship against faulty or deficient materials and installation for a period of one (1) year after "substantial completion" of the Condominium Unit, as that term is defined in the construction contract for the Project, and the benefit of such warranties shall accrue to Buyer on closing without further instruments or documents. Seller agrees to cooperate with Buyer during the effective period of any such warranties in asserting any claims based on such warranties. If closing occurs after the expiration of the warranties of the general contractor, subcontractors and materialmen, Seller will also give to Buyer a construction warranty from the Seller which shall last for a period of ninety (90) days from the date of closing; provided, however, that if closing occurs within ninety (90) days before the expiration of the warranties of the general contractor, subcontractors and materialmen, Seller's warranty shall extend for a certain period after said expiration date so

that the total period for Seller's warranty shall be ninety (90) days. Buyer shall also have the direct benefit of any manufacturer's or dealer's warranties covering the appliances in Condominium Unit. Buyer acknowledges that Seller has made no other warranties, expressed or implied, with respect to the project or any common element or anything installed therein. At Seller's option, an inspection program may be instituted and, if so, Buyer agrees to inspect Buyer's Condominium Unit on a date and at a time to be specified by Seller and upon completion of such inspection, to sign an inspection sheet to be furnished by Seller which shall list all defects or damages to the property, if any. Buyer agrees to accept possession of the property despite the existence of such defects or damages to the property regardless of extent, including but not limited to any defects in appliances and fixtures, which may be listed in said inspection sheet, but which do not render the property uninhabitable. Seller will cooperate with and assist Buyer in having legitimate listed defects or damages corrected or repaired within a reasonable time thereafter by the general contractor or other warrantor. This guarantee shall survive closing. Buyer agrees to indemnify Seller for any damages or losses, including interest and attorney's fees, resulting from any refusal to make such inspection, to sign such inspection sheet or to accept possession of the property upon request by Seller and if Buyer shall be deemed to be in default under the sales contract and Seller at its option shall be entitled to cancel the sales contract and keep all payments made hereunder as liquidated damages. Buyer hereby waives all rights of inspection and rights to Seller's cooperation and assistance with the general contractor or other warrantors if buyer fails to inspect Buyer's Condominium Unit on the date and time specified by Seller and Buyer acknowledges that such waiver shall not in any way affect Buyer's obligations under the sales contract including without limitation the making of all payments and performance of Buyer's closing obligations.

Use:

The Project consists of 132 condominium units which shall be used for only residential purposes. The Project will also contain one (1) manager's office. The Project will be constructed in four (4) phases which are referred to as Phases 1, 2, 3, and 4, respectively. Phase 1 shall consist of thirty-six (36) condominium units. Phase 2 shall consist of thirty-eight (38) condominium units. Phase 3 shall consist of thirty (30) condominium units. Phase 4 shall consist of twenty-eight (28) condominium units.

Reservation of Right:

Seller has reserved the right not to construct one (1) or more phases and may delete one (1) or more phases from the condominium property regime. If Seller, in its sole and absolute discretion, elects to exercise these rights, Seller shall file an

amendment to the necessary condominium documents which shall confirm the percentage common interest of the condominium units built and to be built. Seller shall convey additional common interest as necessary. Paragraph 20 of the Third Amendment Of And Restatement Of The Declaration of Condominium Property Regime of Moanalua Village ("Declaration") sets forth the rights, powers and privileges of Seller not to construct one (1) or more phases and delete one (1) or more phases from the condominium property regime and the conditions which must be satisfied in order to exercise these rights.

Buyer should review Paragraph 20 of the Declaration. Seller shall relinquish this reserved right upon commencement of construction of Phase 4.

Option to Subdivide and Remove Land for Phase 4:

Seller, in its sole and absolute discretion, shall have the right to subdivide and remove the land for the development of the proposed Phase 4 from the Project and the condominium property regime for the Project. If Seller exercises its right to subdivide and remove the Phase 4 land, Phase 1, Phase 2 and Phase 3 shall constitute the entire project and the percentage common interest appurtenant to the condominium units shall be as provided in Exhibit "E" of the Declaration. Seller shall have perpetual, non-exclusive easements for ingress to, egress from, utility services for and support, maintenance, and repair of any improvement constructed upon the Phase 4 land and non-exclusive easements for the development and construction of any improvement upon the Phase 4 land.

Paragraph 21 of the Declaration is intended to give Seller, in its sole and absolute discretion, the right to subdivide and remove the Phase 4 land from the condominium property regime established for the Project. The subdivision and removal of Phase 4 land will create separate legal parcels of land. The Project will be contained on a parcel separate and apart from Phase 4 land, as applicable; the portion of the land included within the Project shall be owned solely by the owners of the units within the Project; and the portion of the land removed shall be owned solely by the Seller. Seller shall have the sole and legal right to develop Phase 4 land as a separate, legal parcel as permitted by law and such development and improvement of such land may not constitute a portion of the Project.

Paragraph 21 of the Declaration sets forth the rights, powers and privileges of Seller to subdivide and remove the Phase 4 land from the Project and the condominium property regime established for the Project and the conditions which must be satisfied in order to effectuate the subdivision and removal of the Phase 4 land.

Buyer should review Paragraph 21 of the Declaration. Seller shall relinquish this reserved right upon commencement of construction of Phase 4.
