GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Condominium Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

In the securing of any building, zoning and/or land use permits ("Permits") at the County of Hawaii, State of Hawaii, and/or the federal government, and any of its departments, agencies and/or its commissions the Developer, Association and/or the owners of condominium units shall observe the following.

a. Common Element Improvements. As to any improvements such as the improvement of any roadway and any installation of utilities that are located within the common element areas or if it is necessary to pass over and/or under a limited common element of a condominium unit, the Developer so long as it owns a unit is authorized on behalf of all of the owners to secure the permit or permits required for such improvements (this right shall pass on to the Board of Directors when the Developer no longer owns any units).

b. Limited Common Element Improvements. As to any improvements which will be within the limited common element for an owner, the Developer and thereafter the owner acquiring a conveyance of the condominium unit shall determine and is authorized on behalf of all of the owners to secure the permit or permits and to build the improvements located with the area set aside for the condominium unit, provided that the improvements comply with the Project Rules adopted for the association by the Developer and any amendments thereto. HOUSE RULES
FOR
"COASTVIEW THREE"

A. PURPOSE OF THESE RULES

1. Purpose. The purpose of these House Rules ("Rules") is to protect all occupants from annoyance and nuisance caused by improper use of the units. These Rules supplement, but do not change, the obligations of unit owners and other persons as set forth in the Declaration of Condominium Property Regime of "Coastview Three" and the Bylaws of the Association of Apartment Owners of "Coastview Three". In the event of any inconsistency between these Rules and the Declaration and the Bylaws, the Declaration and the Bylaws will prevail. The Board has the authority to make such other rules or to amend these Rules from time to time as the Board deems advisable for the safety, care and cleanliness of the premises and for securing the comfort and convenience of the owners of the units. All occupants and their guests shall be bound by these Rules and by standards of reasonable conduct whether covered by these Rules or not.

2. Authority. These rules represent the initial rules for the "Coastview Three" condominium project. These Rules will be formally adopted by the Board or changed, as the Board deems appropriate, upon formation of the Association.

B. RULES

The basic guideline for these Rules is the standard of reasonable conduct which incorporates common sense and consideration for the rights and feelings of others so that the general atmosphere is friendly and pleasant. The Board requests all residents to practice reasonable tolerance, remembering the close proximity in which they live.

1. Nuisance.

a. The occupant of a unit shall not make or permit to be made any noise in the building by himself or his family or his invitees which will annoy or interfere with the rights, comforts and convenience of neighbors. Particular attention must be paid to maintaining a minimum of noise between 10:00 p.m. and 8:00 a.m., Sundays through Thursdays, and between midnight and 8:00 a.m., Fridays and Saturdays. In particular, this applies to social gatherings, television sets, radios, stereos and musical instruments.

b. Outdoor cooking shall be conducted so as not to be offensive to any neighbor. Fires other than for outdoor cooking are not permitted.

2. Parking and Parking Stalls. No vehicle belonging to a unit owner or to a guest, tenant, workman, repairman, or employee of a unit owner shall be parked in a driveway, stall or limited common element appurtenant to another unit, or in such a manner as to impede or prevent ready access to any driveway, stall or limited common element appurtenant to another unit. Violators shall have their vehicles towed at their expense. If the violator is a lessee, tenant, employee, workman, repairman, invitee or guest of an owner, the owner shall be responsible for payment of any such towing charges.

3. Occupants. Each unit shall be occupied by a total of no more than two (2) persons multiplied by the number of bedrooms in the unit.

4. Use by Lessees, Tenants and Guests. Owners who permit occupancy of their units by others shall convey a copy of these Rules to the occupant. Each owner shall be responsible for the actions or omissions of all occupants of his unit.

5. Pets. No animals, other than animals permitted pursuant to applicable zoning laws, or common household pets in such a number as not to cause an unreasonable disturbance to any unit owner, may be kept in a unit or upon the limited common element appurtenant to a unit, provided that all such animals and pets shall be restrained from entering upon the unit and limited common element appurtenant to the other unit and from unreasonably disturbing the owner of the other unit. The raising and keeping of said animals and pets shall at all times conform to the requirements of the Planning Department, Department of Health and any other applicable laws.

6. Trash Disposal. Garbage, rubbish and other trash shall be disposed of only in receptacles and areas provided therefor. Trash containing food shall be securely wrapped before being placed in a receptacle.

7. Hazards. No activity shall be engaged in and no substance introduced into or manufactured within the project which might result in violation of the law or in the cancellation of the insurance or increase in the insurance rate for the common elements of the project.

8. Project Appearance. Each unit owner shall maintain its said unit and appurtenant limited common area in such a manner as to foster a neat and attractive project appearance.

9. Landscaping. The landscaping and maintenance of the project common areas shall be paid for by the Association of Apartment Owners and/or Board of Directors and done by gardeners retained by the Developer as long as it owns any unit in the Project and subsequently by the Association of Apartment Owners and/or Board of Directors thereof. Landscaping of the limited common areas and unsold units shall also be paid for by the Association and/or Board of Directors until such units are sold. After purchase, each unit owner shall landscape and maintain the area reserved for the use of his unit at his cost and expense. All landscaping and/or trees shall be maintained and/or situated to minimize obstruction of the mauka and

makai viewplanes of the other units in the Project. All unit owners shall share according to their percentage of common interest in the Project the costs of such landscaping and maintenance.

10. Lot Drainage. Each unit owner shall be responsible for the design of all drainage facilities for the unit owner's site and will be liable for all claims for damages resulting therefrom. The Developer makes no representations to review the drainage plan for adequacy of engineering and shall not be responsible for damages to adjacent property resulting from inadequate drainage and grading.

11. Laws, Codes, Ordinances and Permits. It is the responsibility of the unit owner to become informed of and to comply with the appropriate Federal, State and County laws, rules, regulations, codes and ordinances. If a standard set forth herein differs from standards established by the various regulating agencies, the stricter standard shall govern. Any unit owner desiring to construct improvements within its unit as permitted by law shall comply with all applicable State of Hawaii, County of Hawaii and federal laws, ordinances and building and zoning codes as the same may be changed from time to time.

C. ENFORCEMENT OF RULES

1. Observance of Rules. Each owner shall observe and perform these Rules and ensure that his tenants, workmen, repairmen, employees and guests also observe and perform these Rules. The owner shall be responsible if expenses are incurred due to violations of these Rules by tenants, workmen, repairmen, employees or guests.

2. Violation of Rules. The violation by a unit owner of any of these Rules shall give the Board, and the other unit owner on behalf of the Board, the right, in addition to any other right set forth in the Bylaws, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such violation, and all costs, including attorneys' fees, shall be paid by the violating owner upon demand.

3. Expenses of Enforcement. Each owner shall pay all costs and expenses, including reasonable attorneys' fees, incurred by or on behalf of the Board or the other unit owner in enforcing any of these Rules against the violating owner.

D. AMENDMENT

1. Amendments. These Rules may be amended only by the Board at a duly called meeting and shall become effective when published to all owners and occupants.

The Developer, acting as the initial Association, hereby adopts the foregoing House Rules as the House Rules for the "Coastview Three" condominium project on behalf of the Association this 1st day of AUGUST, 1991.
