GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's *"Condominium Property Act"* (Chapter 514A, Hawaii Revised Statutes) must be followed.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

CONDOMINIUM PUBLIC REPORT ON
KUMELEWAI COURT - PHASE II

EXHIBIT I

SUMMARY OF SALES AGREEMENT

A specimen Sales Agreement (Lower Cost Housing), a specimen Addendum to Sales Agreement (Lower Cost Housing), a specimen Sales Agreement (Market Housing), and a specimen Addendum to Sales Agreement (Market Housing), together with a specimen Co-Mortgagor Addendum to Sales Agreement (Lower Cost Housing) [applicable only to certain buyers who require assistance from Co-Mortgagors for financing purposes] and a specimen V.A. Addendum to Sales Agreement [applicable only to buyers who are eligible and apply for Veterans' Administration guaranteed loans] (collectively the "Sales Agreement"), have been submitted to the Real Estate Commission and are available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT, INCLUDING THE APPLICABLE ADDENDA, IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of their provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. (a) Seller warrants the materials and workmanship of the Apartment against defects for a period of one (1) year from the Closing Date or the date of occupancy (whichever first occurs); provided, however, that said warranty shall in no event be for a period less than one (1) year from the "date of completion" of the Apartment, as that term "date of completion" is defined in Section 507-43 of the Hawaii Revised Statutes. For purposes of the foregoing warranty, "defects" shall be those items which, as a result of poor workmanship or defective materials used in the construction of the Apartment, reasonably require the repair, renovation, restoration, or replacement of any of the components constituting the Apartment. Items of maintenance relating to the Apartment are not covered by the foregoing warranty.

(b) Seller warrants the materials and workmanship of the common elements of the Project against defects for a period of one (1) year from the date each of the common elements is completed and available for use by apartment owners, or one (1) year from the date the first apartment in the Project is conveyed to an apartment owner other than Seller, whichever is later. For purposes of the foregoing warranty, "defects" shall be those items which, as a result of poor workmanship or defective materials used in the construction of the common elements of the Project, reasonably require the repair, renovation, restoration, or replacement of any of the components constituting the common elements of the

Project. Items of maintenance relating to the common elements of the Project are not covered by the foregoing warranty.

(c) Seller's obligations under the foregoing warranties are expressly conditioned on prompt notification by the buyer to Seller of any defects in the materials or workmanship, and are expressly limited to the repair or replacement of defects.

2. Buyer understands and agrees that (a) Seller's obligation to provide landscaping within the common elements of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity) and installation of the irrigation system pursuant to Seller's landscaping plans, as the same may be amended from time to time in Seller's sole discretion; (b) installation of the plant materials and irrigation system may be completed after the Closing Date; (c) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; and (d) the Association will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

3. Seller may (but does not have to) cancel the Sales Agreement (a) if the buyer's mortgage loan application is rejected or not approved within 60 days after application, or (b) if the buyer plans to pay the purchase price in cash but Seller is not satisfied for any reason with the buyer's ability to make the cash payments.

4. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S APARTMENT. IF BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW BUYER DOES IT WILL BE UP TO BUYER SUBJECT TO THE RESTRICTIONS CONTAINED IN THE SALES AGREEMENT. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

5. Buyer will pay for the following closing costs: all of the Escrow fee, all notary fees, all appraisal fees, all recording costs, all charges for buyer's credit report, all costs of preparing any mortgages and promissory notes, and all title insurance costs. Buyer will also pay all mortgage costs. Buyer will also pay a nonrefundable start-up fee which will be held and used by the Seller and the first Managing Agent of the Association as a working capital fund for the benefit of all the apartment owners. Buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project even if it is owned by

Seller. Proration of Mililani Town Association assessments, maintenance charges and other common expenses, and real property taxes will be made as of the scheduled Closing Date.

6. The buyer agrees that buyer may not transfer the Sales Agreement or any of buyer's rights or interests under the Sales Agreement without first getting Seller's written consent (which Seller may withhold in its sole and absolute discretion).

7. Buyer understands that Seller has agreed with the Housing Finance and Development Corporation of the State of Hawaii ("HFDC") that Seller will offer for a period of one hundred twenty (120) days from the issuance of the Final Public Report selected apartments in the Project (each of said apartments hereinafter referred to as a "Lower Cost Housing Apartment") for sale only to "Moderate Income Purchasers" as that term is defined below. If buyer is purchasing a Lower Cost Housing Apartment, buyer represents to Seller that buyer is a "Moderate Income Purchaser". The term "Moderate Income Purchaser" as used herein means an owner-occupant whose income (including the income of all members of such buyer's household) is greater than 120% but does not exceed 140% of the median income (adjusted for family size) for the City and County of Honolulu, as most recently determined by the United States Department of Housing and Urban Development. The following are such income limits (as of April, 1991) by family size for the Project:

Family Size	Median	120% Income Limit	140% Income Limit
1	$30,590	$36,710	$42,830
2	34,960	41,950	49,940
3	39,330	47,200	55,060
4	43,700	52,440	61,180
5	48,070	57,680	67,300

If Seller or HFDC shall determine that buyer is not a "Moderate Income Purchaser", as designated in Article II of the Sales Agreement (Lower Cost Housing), Seller shall have the right to cancel the Sales Agreement at any time. If Seller cancels the Sales Agreement as aforesaid, Seller will tell Escrow to give buyer back all of buyer's payments, without interest, and neither party will have any other obligations under the Sales Agreement or relating to the Project. Buyer shall be responsible for the escrow cancellation fee and all other costs associated with the purchase, up to a maximum of $250.00.

8. That certain Declaration of Merger of Condominium Phases filed or to be filed in the Office of the Assistant Registrar of the Land Court of Hawaii (hereinafter called the "Declaration of Merger"), among other things, gives Seller the right, in

its sole and absolute discretion, to cause and effect an administrative merger of the Project with a condominium project ("Kumelewai Court - Phase I") located or to be located on land adjacent to the Project, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and Kumelewai Court - Phase I are shared, and the administration of the Project and Kumelewai Court - Phase I is unified under one association of apartment owners, but the ownership interests of the apartment owners of the Project and Kumelewai Court - Phase I are not altered or affected. The Declaration of Merger also gives the Seller the right to cause and effect an ownership merger of the Project and Kumelewai Court - Phase I, as an alternative to an administrative merger of the Project and Kumelewai Court - Phase I, to provide for the common ownership of the Project and Kumelewai Court - Phase I by all of the apartment owners of the Project and Kumelewai Court - Phase I all as set forth in the Declaration of Merger. Upon an ownership merger, all of the apartments in the Project and in Kumelewai Court - Phase I shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the Project and Kumelewai Court - Phase I will become the common elements of the Merged Project, and the common interest appurtenant to the Apartment shall be altered from the percentage set forth in Article I of the Sales Agreement to a percentage as set forth in the "Certificate of Ownership Merger" filed by the Seller, in accordance with the Declaration of Merger. Nothing herein will be deemed to require Seller to develop Kumelewai Court - Phase I or to merge Kumelewai Court - Phase I into the Project, or to prohibit Seller from dealing with any lands adjacent to the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.
