**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

1. Buildings 1 and 3 were changed from all two-bedroom units to four three-bedroom and four one-bedroom units in each of the Buildings 1 and 3.
2. The foregoing change in apartment type, as well as a recalculation of interior square footage, necessitated a recalculation of the common interest appurtenant to each unit of the entire project. The number of apartments of each apartment type, percentage of common interest, approximate net living areas and lanai/laundry and entry areas are set forth in Exhibit "F", as revised.
3. Exhibit "B" to the Declaration of Condominium Property Regime of Pae Kō Gardens has also been revised to reflect said number of apartments of each apartment type, percentage of common interest, approximate net living area and lanai/laundry and entry areas. Exhibit "B" to said Declaration is the same as Exhibit "F" hereto.
4. Common expenses for each apartment unit have been nominally changed due to minor common interest recalculations.
5. The condominium constituent documents have been filed in the Office of the Assistant Registrar of the Land Court as noted on page 6 of this public report.

**NOTE:** This is an "affordable housing " project and purchasers of units are subject to certain buy-back and shared-appreciation restrictions. See page 20, Exhibit "K" and the sales contract for further details.

## **General Information on Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document No. 2224715

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

First Amendment to Declaration of Condominium Property Regime of Pae Kō Gardens dated March 21, 1995, filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii, as Document No. 2226489.

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed  
 Recorded - Bureau of Conveyances Condo Map No. \_\_\_\_\_  
 Filed - Land Court Condo Map No. 1077

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document No. 2224716

The Bylaws referred to above have been amended by the following instrument [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt house rules to govern the use and operation of the common elements and limited common elements. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial house rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed       Adopted       Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advise of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor’s enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u>                    </u>	<u>                    </u>
Structures	<u>X</u>	<u>                    </u>	<u>                    </u>
Lot	<u>X</u>	<u>                    </u>	<u>                    </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the declaration, are:

described in Exhibit "E".

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "F".

as follows:

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated March 24, 1995 and issued by Long & Melone, Ltd.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest, being subordinate to the mortgages, may be terminated. In such event, Buyer's deposit (less an escrow cancellation fee) will be refunded.

F. Construction Warranties:

G. **Status of Construction and Estimated Completion Date:**

Construction has begun.

The estimated completion date is July, 1995.

H. **Project Phases:**

The developer [ ] has [ X ] has not reserved the right to add to, merge, or phase this condominium.

SUMMARY OF SALES CONTRACT: The specimen Sales Contract contains, among other things, the following provisions:

1. SELLER'S RIGHT TO MODIFY DOCUMENTS/PROJECT. Subject to any applicable rescission rights that Buyer may have pursuant to Section 514A-63, Hawaii Revised Statutes;

(a) Seller reserves the right to modify the Declaration, By-Laws, Condominium Map, Apartment Deed, and any other documents as may be required by law, any title insurance company, any institutional mortgagee or governmental agency, or as otherwise may be deemed necessary or appropriate by Seller, and Buyer authorizes Seller to make and specifically approves all changes to said documents and the Project, provided that such approval shall not be deemed to constitute a waiver of Buyer's rescission rights under Section 514A-63, Hawaii Revised Statutes.

(b) Buyer acknowledges that the Architect in its sole discretion may increase or decrease the thickness of any wall within the Apartment, resulting in the room dimensions becoming smaller or larger than those shown on the Condominium Map, and Buyer hereby authorizes and specifically approves any such changes. Seller further reserves the right to require alterations of the Project (and to modify any such documents as Seller deems necessary or appropriate in light of such changes) to change the configuration of, to alter the number of rooms of, to decrease or increase the size of, or to change the location of any other apartment and/or parking area, and to make other changes to the Apartment, any of the other apartments, or the common elements. Seller may increase or decrease the size and/or number of parking stalls which may be assigned to the Apartment covered by this Agreement, provided that in no event shall any apartment be assigned fewer than one (1) parking stall. No taking by eminent domain of an easement or other limited right or of a portion of the common elements shall be deemed grounds for cancellation of this Agreement.

2. WARRANTIES. SELLER WILL ASSIGN ANY CONTRACTORS' OR MANUFACTURERS' WARRANTIES TO BUYER. EXCEPT FOR SUCH ASSIGNMENT, SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE HOMES, COMMON ELEMENTS, APPLIANCES, FURNISHINGS, OR ANYTHING INSTALLED IN OR UPON THE APARTMENTS OR THE PROJECT OR USED IN CONNECTION WITH THE APARTMENTS OR THE PROJECT IN ANY MANNER, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, HABITABILITY, WORKMANLIKE CONSTRUCTION, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

3. TIME IS OF THE ESSENCE; SELLER'S REMEDIES; COSTS AND ATTORNEYS' FEES. Time is of the essence with regard to each of the terms of the Sales Contract, and if Buyer shall default in any payment when due, or fail to perform any other obligation required of the Buyer hereunder, Seller may notify Buyer in writing of such default and if such default shall not be cured within fifteen (15) days after receipt of such notice, Seller may, at Seller's option, terminate the Sales Contract by written notice to Buyer. In such event, all sums paid by Buyer thereunder shall belong absolutely to Seller as liquidated damages, or at Seller's option, Seller may pursue any other remedies in law or in equity for specific performance, damages, or otherwise, and all costs, including reasonable attorneys' fees, incurred by reason of default by Buyer shall be borne by Buyer.

4. ASSIGNMENT. Buyer may not assign its rights or obligations under the Sales Contract or any portion thereof without the prior written consent of Seller, which consent may be withheld and/or conditioned upon the payment of a consent fee in such amount as may be determined by Seller, at Seller's sole discretion.

5. RESTRICTIONS ON TRANSFER AND SHARED EQUITY AGREEMENT. Buyer is advised that the Apartment is a reserved housing unit required to be provided by the Seller pursuant to that

certain Development Agreement executed by and between the Seller and the Housing Finance and Development Corporation, a public body and a body corporate and politic of the State of Hawaii ("HFDC"). As a reserved housing unit, the Apartment is subject to certain conditions, restrictions, and requirements in respect to use, resale, and occupancy as set forth in Hawaii Revised Statutes, Sections 201E-221, -222, -223, and -224. For the opportunity which HFDC has created to enable the Buyer to purchase the Apartment for less than its current fair market value, Buyer agrees to pay HFDC a share of the net appreciation which Buyer realizes or is deemed to realize if and when Buyer sells or transfers the Apartment.

6. OTHER CONDITIONS ACKNOWLEDGED BY BUYER. Buyer specifically acknowledges that:

(a) Construction activity by Seller may continue on the site after Buyer has occupied the Apartment and that this activity may result in noise, dust or other annoyances to Buyer and may limit Buyer's access to portions of the Project.

(b) Sales activities, including the use of model apartments, signs and extensive sales displays and activities, may continue in the Project, and some of the parking spaces in the Project may be used for parking for prospective purchasers until the earlier to occur of: (a) twenty-four (24) months from the Closing Date, or (b) the sale of the last unsold apartment in the Project. If Seller's mortgage lender shall acquire any portion of the Project, the lender may continue such use until at least ninety-five percent (95%) of all the apartments have been sold and closed.

(c) Seller reserves the right for itself, its sales representatives and prospective purchasers to utilize the common elements for ingress and egress to such parking spaces and model apartments, and in order to show the common elements to prospective purchasers.

(d) Seller reserves the right to grant to any public or governmental authority rights-of-way and other easements which are for the benefit of the Project, or which do not materially and adversely interfere with the use, nor materially and adversely impair the value of the Project or any apartment over, across, under and through the common elements, for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer, drainage, and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering, and removing such lines and facilities, and of trimming any trees in the way thereof.

(e) Seller and/or others may develop one or more projects on other lands within the Villages of Kapolei area ("Subsequent Project(s)"). The development, construction and sale of Subsequent Project(s) may result in the creation of dust, noise, vibrations and other nuisances. Seller expressly reserves the right and an easement to enter upon and use the common elements of the Project and do all things reasonably necessary, desirable or useful, for the purposes of designing, developing, constructing, and completing Subsequent Project(s), and selling the dwellings in Subsequent Project(s), and the right in the nature of an easement over and upon the Project to create and cause dust, noise, vibration, surface water runoff, smoke, soot, light, heat, noxious vapors, odors, chemicals, and other nuisance created by and resulting from any work connected with or incidental to the development and construction of Subsequent Project(s) and the sale of dwellings therein.

(f) The Project is in the vicinity of an "Air Installation Compatible Use Zone" ("AICUZ") which may result in noise, odors, vibrations, nuisances, disturbances or hazards to persons or property. Buyer may therefore experience aircraft noise from time to time from aircraft taking off and/or landing at Honolulu International Airport, Hickam Air Force Base, and Barber's Point Naval Air Station.

(g) The Project is located near or adjacent to land and easements used for or in connection with the cultivation of sugar cane and other agricultural activities, which may involve open boring, percolating, evaporating, milling, trucking, plowing, hauling, fertilizing, grading, storing, herbicide and pesticide spraying or treatment, crop dusting, water diversion, irrigation, and may cause some unpleasant odors, surface water runoff, noise, dust, smoke and other unpleasant effects that may bother or be a nuisance to the Buyer.

(h) Buyer acknowledges that the Hawaii Right to Farm Act, Chapter 165, Hawaii Revised Statutes limits the circumstances under which preexisting farming operations, as defined in Section 165-2, HRS, may be deemed a nuisance. Buyer hereby releases and agrees to indemnify and hold harmless, Seller, HFDC, the State of Hawaii, and Oahu Sugar Company, Limited and their respective officers, directors, employees, agents, successors and assigns from and against any and all liability, claims and expenses relating to any claim by the Buyer or any person using or occupying the Apartment or the Project arising directly or indirectly out of or from the above-mentioned effects, and hereby agrees to include these provisions in any subsequent conveyance.

(i) At closing, Buyer will receive a manual explaining normal maintenance for the Apartment and all appliances, the applicable warranties, and the procedures to invoke any warranty.

(j) Buyer will be required to attend a homeownership counseling course to be given by HFDC.

(k) The Project is located within the Villages of Kapolei community association, and is subject to the Declaration of Covenants, Conditions and Restrictions of Villages of Kapolei filed as Land Court Document No. 1752834 and the By-Laws of the Villages of Kapolei Association. As an apartment owner, Buyer will be required to comply with the provisions of the Declaration and By-Laws of the Villages of Kapolei, including the payment of any assessments that may be imposed by the Board of Directors of the Villages of Kapolei Association.

(l) Each residential apartment has been assigned an undivided interest in the common elements equal to the ratio of the living area of each unit, including lanais and stoops, to the total such area of all the units.

Buyer accepts the foregoing conditions, as well as any inconvenience or annoyance which Buyer may experience as a result of such conditions, and expressly waives any rights, claims or action which he might otherwise have against Seller, HFDC, or third parties as a result of such circumstances.

NOTE: That until the Final Public Report is issued, Seller may change the purchase price or reassign parking stalls and either party may unilaterally cancel the reservation.

SUMMARY OF ESCROW AGREEMENT: An escrow agreement (hereinafter called the "Escrow Agreement") detailing the manner in which purchasers' funds are to be handled, has been executed and a copy thereof has been filed with the Commission. The Escrow Agent is DEVELOPERS ESCROW SERVICES, INC., a Hawaii corporation (hereinafter referred to as "Escrow"). The escrow agreement, among other things, contains the following provisions:

Each sales contract shall require that all payments to be made thereunder shall be made to Escrow and shall be accompanied by the initial deposit required thereunder.

In accordance with Developer's written instructions to Escrow, Escrow shall deposit all funds received in accounts at a federally insured bank, savings and loan association or other financial institution which pays interest on deposits. All interest earned from such account or accounts shall be credited to the account of Seller as set forth in the sales contract.

Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow shall be made unless and until the following conditions have been fulfilled:

- a. The Real Estate Commission has issued a final public report (the "Final Report") on the Project;
- b. Buyers' sales contracts relating to deposits to be disbursed have become effective; and

Disbursement of Purchaser's Funds. Subject to the provisions of provided for above, and upon prior approval of Seller's construction mortgagee, disbursements from the escrow fund shall be made by Escrow from time to time to pay for construction costs in accordance with bills submitted to Escrow from time to time by Seller, which said bills shall have been approved or certified for payment by Seller's construction mortgagee or a financially disinterested person. The balance of the monies remaining in the escrow fund shall be disbursed in accordance with the direction of Seller only upon completion of the buildings, and when Escrow has received satisfactory evidence that all mechanics' and materialmen's

liens have been cleared or sufficient funds have been set aside to cover claims, if liens are filed, otherwise forty-five (45) days after the filing with Escrow of a copy of the Affidavit of Publication of Notice of Completion.

Return of Funds and Documents. A purchaser shall be entitled to a refund of all funds, and Escrow shall pay said funds to said purchaser without interest and less a cancellation fee of TWENTY-FIVE AND NO/100 DOLLARS (\$ 25.00) and such other amount determined by Seller, including without limitation, all costs incurred by Seller, Escrow, HFDC or any lending institution, up to \$250.00, if purchaser shall in writing request the refund of his or her funds and either of the following shall have occurred:

- (a) Escrow receives a written request from Seller to return to purchaser the funds of such purchaser then held hereunder by Escrow; or
- (b) If purchaser's funds were obtained prior to the issuance of a Final Public Report, purchaser terminates the sales contract as provided for therein.

Upon the refund of said funds to purchaser as aforesaid, Escrow shall return to Seller such purchaser's sales contract and any conveyance document theretofore delivered to Escrow, and the purchaser shall thereupon no longer be deemed obligated thereunder.

Purchaser's Default. Developer will notify Escrow in writing that a purchaser has defaulted and that Developer has cancelled that purchaser's Sales Contract. Escrow will then treat the purchaser's funds, less Escrow's cancellation fees, as belonging to Developer.

SUMMARY OF BUY-BACK AND SHARED-APPRECIATION PROGRAMS

The apartment you are purchasing is part of a residential condominium project which is being developed by West Beach Estates with assistance from the Housing Finance and Development Corporation ("HFDC"). This assistance allows the developer to sell the subject apartment(s) at affordable prices.

For the opportunity to purchase your apartment at less than current market value, you are agreeing to allow the HFDC to buy-back your apartment if you should want to sell or otherwise transfer your interest in the apartment to a third party, for a period of ten years from the date of purchase. Basically, the buy-back price is calculated by taking the original purchase price of the apartment, cost of improvements added by you; and simple interest on the original cost and capital improvements to you at the rate of 1% per year.

Similarly, you are also agreeing to share in the appreciation of the value of your apartment under certain circumstances, terms and conditions which will not terminate until you have sold or transferred your apartment; and the HFDC has been fully paid its net appreciation and any other amounts which you are obligated to pay to HFDC.

With respect to both the buy-back opportunity for the HFDC and the HFDC's Shared Appreciation Program, the specific terms and conditions as to how much the HFDC has to pay you to buy-back your apartment or its share of the appreciation are set forth in both your Apartment Deed and your Sales Contract and Receipt.
