SPECIAL ATTENTION

This is a CONDOMINIUM PROJECT, not a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

1. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property.
 - a. Unit A and Unit B are greenhouses, which may be defined as an "apartment" under the condominium property act.
 - b. Further improvement of the property is also subject to the requirements of the Hawaii County Comprehensive Zoning Ordinance specifically as it relates to "ohana" additional dwelling units.

2. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

SPECIAL ATTENTION (Cc ided):

This public report does not constitute an approval of the project by the Real Estate Commission or any other government agency, nor does it warrant that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

The subject units must be altered such that:

(a) the initial dwelling constructed on a Lot shall have (i) an enclosed living area, exclusive of lanais, patios and garage areas, of not less than one thousand one hundred, twenty-five (1,125) sq. ft. and (ii) a garage, i.e., a two car completely enclosed structure with a garage door.

(b) the Ohana dwelling constructed on a Lot shall have an enclosed living floor area, exclusive of lanais, patios and garage areas, of not less than one thousand (1,000) sq. ft.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- Proposed
 Recorded - Bureau of Conveyances: Document No. 94-195860

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

First Amendment dated December 6, 1994, recorded as Doc. No. 95-003062;
Second Amendment dated March 23, 1995, recorded as Doc. No. 95-041485

 Filed - Land Court Condo Map No. _____

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed
 Recorded - Bureau of Conveyances: Document No. 94-195861
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "B".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "C".

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

as follows: Each unit and its owner(s) shall have appurtenant thereto a one-half (1/2) fractional (50%) interest in the common elements of the Project for all purposes including voiting, said interest is referred to as "common interest".

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "D" describes the encumbrances against the title contained in the title report dated 12/19/94 and issued by Title Guaranty of Hawaii, Incorporated.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults
or Lien is Foreclosed Prior to Conveyance

3. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements: None - Units are sold "AS IS".

2. Appliances: None

3. Status of Construction and Estimated Completion Date:

Units 1 & 2 were both completed in December of 1994.

H. Project Phases:

The developer [] has [x] has not reserved the right to add to, merge, or phase this condominium.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit ____ contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change). As noted in Exhibit "G" (Disclosure Abstract), each unit owner is responsible for payment of their own maintenance, utility and insurance expenses.

If the buyer rescinds a binding sales contract because there has been a material change, the buyer is entitled to a full and prompt refund of any moneys the buyer paid.

2. Rights Under the Sales Contract: Before signing the sales contract, prospective buyers should ask to see and carefully review all documents relating to the project. If these documents are not in final form, the buyer should ask to see the most recent draft. These include but are not limited to the:

1. Evidence of title: Seller shall furnish Buyer evidence of Seller's marketable title to the interest which is to be conveyed to Buyer. If Seller fails to deliver title as herein provided Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price, and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.

2. Default: It is expressly understood and agreed: First: In the event Buyer fails to pay the balance of the purchase price or complete the purchase as herein provided, Seller may (a) bring an action for damages for breach of contract; (b) retain the initial deposit and all additional deposits provided for herein, as liquidated damages, and (c) Buyer shall be responsible for any costs incurred in accordance with this contract. Second: In the event Seller fails to perform his obligations as herein provided, Buyer not being in default, Buyer may (a) bring an action against Seller for damages for breach of contract; (b) file and maintain an action against Seller for specific performance of the contract and (c) Seller shall be responsible for any cost incurred in accordance with this contract. The foregoing shall not exclude any other remedies available to either Seller or Buyer in the event of default and/or a lawsuit arising out of this contract (including a suit by a REALTOR for commission), the prevailing party shall be entitled to recover all costs incurred including reasonable attorney's fees. All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement to the prevailing party.

EXHIBIT F

SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

1. Sales Contracts Deposited in Escrow. As and when Developer shall enter into a sales contract for the sale of a unit, Developer shall deliver an executed copy of such sales contract to Escrow.

2. Receipt of Funds by Escrow. Developer shall pay over to Escrow any monies received by Developer from purchaser under sales contracts covering units in the Project, including all disbursements made on loan commitments, if any, from lending institutions to individual purchasers.

3. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued a Final Report on the Project; provided, however, to the extent any sales contracts are entered into and a purchaser's funds are obtained prior to the issuance of a Final Public Report of the Real Estate Commission, no disbursements shall be made from such purchaser's funds until (i) such Final Public Report shall have been issued; and (ii) the purchaser shall have been given a copy of said Final Report and shall have acknowledged receipt of same or shall have been deemed to have acknowledged receipt of same and Developer's attorney shall have delivered a written opinion to Escrow that the purchaser's sales contract has become effective; and

(b) Developer or Developer's attorney shall have delivered a written opinion to Escrow stating that the requirements of Sections 514A-62 and 514A-63, Hawaii Revised Statutes, as amended, have been met; and, if the project is a conversion project, that requirements of Section 521-38, Hawaii Revised Statutes, as amended, have been complied with; and

(c) Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract; and

(d) Developer shall have delivered to Escrow a certificate from Developer's architect stating that the project is in compliance with the Federal Fair Housing Amendments Act of 1988.

4. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to the purchaser the funds of the purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Report, the purchaser has exercised such purchaser's right to cancel the contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; or

(d) The purchaser has exercised the purchaser's right to rescind the contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from the purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee of Escrow of not less than \$25.00 per unit or a cancellation fee commensurate with the work done by Escrow prior to such cancellation, whichever fee is greater, up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

(e) Notwithstanding any other provision in this Agreement to the contrary, Escrow further agrees to make refunds to purchasers, in accordance with Part VI, Chapter 514A, Hawaii Revised Statutes, out of the funds then on deposit with Escrow, if Developer and the purchaser shall so request in writing and any one of the following events has occurred:

- (i) No sales contract has been offered to the purchaser who has been placed on Developer's reservation list of owner-occupant applicants; or
- (ii) The purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for the purchaser's reserved unit within thirty (30) calendar days following the end of the ten (10) calendar day period during which Developer is limited to selling to owner-occupants; or
- (iii) The purchaser desires to cancel the contract on account of hardship circumstances such as those set forth in Section 514A-104(1), Hawaii

Revised Statutes; or

- (iv) The purchaser indicates an intent not to become an owner-occupant of such unit.

Except for cancellations under subparagraph (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

5. Purchaser's Default. If the purchaser fails to make any payment to Escrow which is required pursuant to the sales contract on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Owner has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer any documents that had been theretofore delivered to Escrow by Developer and shall hold all other documents theretofore delivered to Escrow in connection with the purchase of the unit for the statutory period; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

William Reynolds Sanford, Jr., Trustee of the Ren Sanford Personal Revocable Trust dated November 30, 1993 and Jochen Madeisky, P.O. Box 1718, Kamuela, Hawaii 96743.

ESTIMATED MAINTENANCE FEES/COSTS PER CONDOMINIUM UNIT

MAINTENANCE FEES: The regular maintenance and repair of each condominium unit is the sole responsibility of each respective unit owner. Except for the water service billing and insurance premiums described below, there are no common services and/or expenses which will require regular monthly assessments.

WATER SERVICE: The Project consists of one "Lot" as the same is defined by the Zoning Code of the County of Hawaii, as amended, and, as such, the entire Project is allotted 600 gallons of water per day by the Department of Water Supply via one 5/8" water meter which is a common element of the Project. The Department of Water Supply meter installed on Unit "1" will indicate the amount of water used by the Project. A private sub-meter installed on Unit "2" will determine the usage of unit "2" and, by deduction, the usage of Unit "1". The unit owners will pay the Department of Water Supply their proportionate amount of water bills based upon the usage indicated by these water meters.

INDIVIDUAL INSURANCE: Section 514A-86, Hawaii Revised Statutes, requires that fire insurance be purchased to cover the improvements portion of the Project. Developer anticipates that the Association will elect to permit unit owners to obtain separate policies. In such case, insurance premiums will be the for each individual responsibility of each owner unit rather than common expenses of the Project.

WARRANTIES

Unit "1" is a one room single story wood frame and shade cloth greenhouse with a dirt floor which was completed in December 1994. Unit "2" is a one room single story wood frame and shade cloth greenhouse with a dirt floor which was completed in December 1994.

Potential buyers of said Units are advised that they are being sold "AS IS" without any building warranties.

USE OF CONDOMINIUM UNITS

The units of the Project and their appurtenant land areas shall be occupied and used only by the respective owners thereof, their families, domestic servants, personal guests, tenants, and employees, and only for those purposes permitted by applicable zoning ordinances. The unit owners shall have the absolute right to lease or rent their units subject to the limitations, restrictions, covenants and conditions contained in the Declaration or in the By-Laws of the Association of Condominium Owners. Subject also to said Declaration and By-Laws, maximum allowance and freedom shall be given so as to accommodate the individual unit owner's artistic, creative and life-style requirements.

STRUCTURAL COMPONENTS AND MECHANICAL & ELECTRICAL INSTALLATIONS

It is the developer's opinion that all structural components and mechanical and electrical installations material to the use and enjoyment of the individual condominium units appear to be in sound and satisfactory condition. HOWEVER, NO REPRESENTATIONS OF ANY KIND ARE MADE AS TO THE EXPECTED USEFUL LIFE, IF ANY, OF THE STRUCTURAL COMPONENTS AND MECHANICAL AND ELECTRICAL INSTALLATIONS MATERIAL TO THE USE AND ENJOYMENT OF THE CONDOMINIUM UNITS.

CODE VIOLATIONS

To the best of the knowledge, information and belief of the undersigned, there are no outstanding notices of uncured violations of the building code or other municipal regulations of the County of Hawaii.

Tax Map Key Number. The title report issued by Title Guaranty of Hawaii issued on December 19, 1994 reflects the old tax map key number 4-4-006. por. 013 (3) (see page 2 of report). Subsequent to the issuance of this report the County of Hawaii Real Property Tax Office issued a new tax map key number for the land upon which the Project is located. This new and correct Tax Map Key No. is TMK 3rd Div 4-4-006-0013.

Association Fees Due Huina Estates Owners Association. The subject Project is located within Huina Estates Subdivision and is therefore subject to the Declaration of Covenants, Conditions and Restrictions of the Huina Estates which requires all owners to (i) be members of the Huina Estates Owner's Associations and (ii) pay annual and special assessments for the maintenance and repair of the Huina Estates Subdivision. At the present time there is no set budget or determination of the amount of the Project's share of these Huina Estates assessments, however, each unit will be responsible for paying its 50% share of any Huina Estates assessment made against the Project.

Clarification/Disclosure regarding Encumbrances shown in Title Report. Item 5 of Schedule B of the Title Report issued by Title Guaranty of Hawaii, Inc. indicates the encumbrances of certain Notices of Dedication regarding the dedication of the Projects' land for pasture purposes. When in fact these dedications have been canceled and the roll back taxes that resulted from said cancellation have been paid. These encumbrances will therefore be deleted prior to any conveyance of the units and will not be reflected in the title certificates or title policies issued to a buyer of a unit. Item 8 of Schedule B of the Title Report issued by Title Guaranty of Hawaii, Inc. indicates the encumbrances of the terms and conditions of the Ren Sanford Personal Revocable Trust, it is anticipated that the title company will remove this encumbrance upon its receipt of a copy of said trust.

Permitted Use.

Each Lot shall be used solely for single family residential purposes, no commercial activity, including, without limitation any business or retail operation, shall be carried on or conducted from any Lot, provided, however, that a Lot may be leased or rented for such residential use for a term that shall not be less than thirty (30) days.

Permitted Improvements.

No buildings shall be erected, altered, placed or permitted to remain on any part of a Lot other than a single family dwelling, an Ohana Dwelling, as the same is hereinabove described and a Garage, as the same is hereinabove defined. No quonset hut, tent, shack, house trailer, mobile home or temporary building, outhouse, shed or trailer shall be moved to or built upon any part of a Lot. Provided, however, that temporary construction facilities may be maintained on the Lot as long as such structure is used exclusively for the construction of Improvements upon that Lot and is removed within two (2) weeks after the Improvements are completed, and provided, further, that in no event shall such facilities be maintained for a period greater than one (1) year and two (2) weeks after the visible commencement of construction of the Improvements.

Garages and Minimum Enclosed Floor Area.

Definition of Garage. "Garage" means an open (carport type) or enclosed structure used for parking vehicles, boats and/or trailers therein.

Minimum Enclosed Floor Area. There shall be no minimum enclosed floor area for either initial single family dwellings constructed on a Lot or Ohana Dwellings constructed on a Lot. Moreover, an Owner shall not be required to construct a garage.

Lot Landscaping.

Each original Owner shall install suitable landscaping, i.e., trees, shrubbery and ground cover, on his or her Lot within

six (6) months of their Ownership of said Lot and all Owners shall be required to maintain, as necessary, all landscaping planted on their Lot.

Trash; Lot Maintenance, Excavation and Fill.

No Lot shall be used or maintained as a dumping ground for fill material, rubbish, trash, garbage or other waste. No such material shall be kept on any Lot, except in sanitary containers. Each Owner shall maintain his Lot, whether vacant or improved, in a clean condition, trimmed, and clear of any overgrowth of weeds and bushes. No part of any Lot shall be filled, excavated or otherwise altered as to grade on such a manner as to adversely affect drainage of any adjoining Lot.

Visibility of Clotheslines, Tanks and Materials.

No clotheslines or storage tanks shall be placed on any Lot in a location visible from an adjacent street or neighboring property. Except during the construction phase of Improvements, no lumber, metal or other bulk materials shall be kept or stored or allowed to accumulate on any Lot in a manner which is visible from an adjacent street or neighboring property.

No Owner shall permit the keeping of any animals on a Lot other than a reasonable number of generally recognized house pets, such as dogs and cats, kept for the Owner's personal pleasure and not for sale or other commercial purposes. In particular, without limiting the generality of the foregoing, no fowl, other than canaries, parakeets, and other domestic songbirds, bees, pigs, cows, horses, sheep or goats shall be kept on a Lot as a pet, or otherwise. All permitted house pets must be kept in accordance with all applicable governmental laws, rules and regulations and must not become an annoyance or nuisance to Owners of other Lots in Huina Estates. For purposes of this Declaration, (i) the emission of noise or the generation of odors by any animal kept on a Lot, which noise or odor is readily detectable on any other Lot in Huina Estates and (ii) the wandering of any animal beyond the boundaries of any Lot upon which such animal is kept, shall be deemed to be a prohibited annoyance or nuisance. Notwithstanding the foregoing, no hunting dogs or pitbull dogs shall be kept on any Lot.

Signs

One residential sign, not more than one (1) square foot in size, identifying the Owner, may be placed on a lot. A "for sale" sign, not more than three square feet in size, referring only to the Lot, may be placed on the Lot.

any Lot any Improvement which will create a problem of flooding, erosion, or interference with natural water flow or original runoff pattern damaging to such Lot, the roadway lot, or adjacent properties, nor shall any Owner fail to reasonably act so as to minimize runoff damage or interference with the natural flow of storm waters. Each Owner shall provide for the installation of necessary culverts and drainage facilities upon the Owner's Lot and for keeping the culverts and drainage facilities in good repair. Each Owner shall keep all the drainage facilities and culverts so installed on the Owner's Lot, as well as any other drainage facilities and culverts located on the Owner's Lot, free and unobstructed.

Association of Owners.

Membership. Each owner of any Lot within Huina Estates shall be a member of the Huina Estates Owners' Association and no person other than an Owner may be a member of the Association.

Voting Rights. The voting rights of the members shall be as set forth in the Articles and By-Laws.

Duties and Obligations of the Association:

The Association shall accept title to all common areas, such as the roadway lot.

The Association shall, insure, pay taxes and assessments for, and maintain or provide for the maintenance of common areas, such as the roadway.

The Association may from time to time make, establish, promulgate, amend and repeal rules relating to the use of the subdivision roadway and any other common areas.

Powers and Authority of Association.

The Association shall have the power and authority at any time, and from time to time and without liability to an Owner or Owners for trespass, damage or otherwise, to enter upon any private area for the purpose of maintaining and repairing any such area if for any reason whatsoever the Owner or Owners thereof fail to maintain and repair such area as required herein, or for the purpose of removing any Improvement constructed, refinished, altered or maintained upon such area in violation of this Declaration. The Association may maintain and repair the subdivision roadway, any sidewalks, or other common areas in Huina Estates, including landscaping and planting the same in a manner befitting the standards of the community. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration.

In fulfilling any of its obligations or duties under this Declaration, including without limitation, its obligations or duties for the

maintenance, repair, operation or administration of the subdivision roadway and any other common areas and any maintenance of the Lots necessary by reason of the failure of the Owners thereof, the Association shall have the power and authority:

Liability of Members of the Board. No member of the Board shall be personally liable to any Owner, guest, lessee, or to any other Person, including the Declarant, for any error or omission of the Association, its representative and employees, provided, however, that such member has, with actual knowledge possessed by that member, acted in good faith.

Maintenance Assessment. Within thirty (30) days prior to the commencement of each fiscal year, the Board shall estimate the costs and expenses to be incurred by the Association during such fiscal year in performing its functions and shall subtract from such estimate an amount equal to the anticipated balance (exclusive of any accrued reserves from contingencies and replacements) in the operating fund at the start of such fiscal year which is attributable to assessments. The sum or net estimate determined shall be divided and assessed by the Board as a Maintenance Assessment against the Owners in proportion to the number of Lots owned by each Owner. If at any time, the Maintenance Assessment proves inadequate for any reason, including nonpayment of any Owner's share thereof, the Board may levy a further assessment in the amount of such actual or estimated inadequacy, which further assessment shall be assessed to the Owners. The Board shall have the power and authority to determine all matters in connection with assessments, including Without limitation, the power and authority to determine where, when and how assessments shall be paid to the Association, and each Owner shall comply with all such determinations. Assessments shall become due and payable as specified by the Board, and in any event, thirty (30) days after any Notice of the amount due is given by the Association to the Owner, and any such amount shall bear interest at a rate specified by the Board, but in no event greater than the maximum amount permitted by law, from the date due and payable until paid.

Special Assessments. The Board shall levy a special assessment against any Owner who, as a direct result of whose acts or failure or refusal to act or to otherwise comply with the Declaration has caused monies to be expended from the operating fund by the Association in performing its functions under the Declaration.

Default in Payment of Assessments. Each assessment shall be a separate, distinct, personal debt and obligation of the Owner against whom it is assessed, and each Owner of any Lot, by acceptance of a deed therefor or execution of an agreement of sale, lease or other instrument of conveyance is deemed to covenant and agree to pay the same to the Association. If the Owner does not pay such assessment or any installment thereof when due, the Owner

shall be deemed in default and the amount of the assessment not paid, together with the amount of any subsequent default, plus interest as provided for herein and actual costs, including reasonable attorneys' fees and court costs, shall be and become a lien upon the Lot or Lots of such Owner upon Recordation by the Association of a Notice of default. Such lien shall be subject and subordinate to the lien of any mortgage upon the Lot or Lots of such Owner, and the sale or transfer of any Lot in foreclosure of any such mortgage, whether by judicial proceedings or pursuant to a power of sale contained in such mortgage, or the transfer or conveyance to the mortgagee in lieu of foreclosure, shall extinguish the lien as to payments of assessments which become due prior to such sale, transfer or conveyance, but no such sale, transfer or conveyance shall relieve such Lot or the purchaser or transferee thereof with regard to assessments thereafter becoming due. The Association shall record such Notice of default within ninety (90) days following the occurrence of such default and shall commence proceedings to enforce such lien within six (6) months following such recordation. Such lien may be foreclosed by suit by the Association in like manner as a mortgage of real property, and the Association shall have power to bid on the Lot at foreclosure sale and to acquire and hold, lease, mortgage or convey the same. A suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving the lien securing the same. The foregoing remedies shall be in addition to any other remedies provided by law for the enforcement of such assessment obligation.
