General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

Variance No. 93/VAR-6 allows the Project to contain no off-street loading spaces.

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common-elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "E".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration are:

described in Exhibit "F". SEE ALSO EXHIBIT "D"

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated March 31, 1995 and issued by Title Guaranty of Hawaii, Inc..

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[XX] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>

The Developer's current plan is to develop four (4) additional phases and to merge all phases for administrative purposes into one residential condominium project containing a total of 280 apartments. However, the Developer is not obligated to develop any phase beyond Northpointe Terrace - Phase I or to merge Northpointe Terrace - Phase I with any other projects. The requirements for and consequences of a merger of the Project with any additional phase or phases are more fully set forth in that certain Declaration of Merger of Condominium Phases, as now or hereafter amended, referred to in Section S of the Declaration and on file with the Real Estate Commission.

*The measurements of net living area and net lanai area are in square feet. Net living area is the floor area of the apartment measured from the interior surface of the apartment's perimeter walls. Documents or maps which use a different method of measuring floor area may give figures which differ from those above.

EXHIBIT "A"

BOUNDARIES OF APARTMENTS

Each apartment shall be deemed to include all of the walls and partitions which are not load-bearing and which are within its perimeter walls; the inner decorated or finished surfaces of all walls, floors, roofs and ceilings; all windows, window frames, louvers (if any), shutters (if any), doors and door frames along the perimeter of the apartment; the decorated or finished surface of the floor, walls and ceiling of the lanai abutting or appurtenant to the apartment (if any) and the lanai airspace; and all of the fixtures and appliances originally installed therein. The respective apartments shall not be deemed to include the undecorated or unfinished surfaces of the perimeter walls or interior load-bearing walls or partitions, the foundations, columns, girders, beams, floor slabs, footings, supports, roofs and ceilings located within or at the perimeter of or surrounding such apartment, any attics or crawl spaces between ceilings and roofs of the buildings and all crawl space entryways and entryway covers, any pipes, wires, vents, shafts, ducts, conduits or other utility or service lines or enclosed spaces for wiring, pipes or air exhaust running through or otherwise located within such apartment which are utilized for or serve more than one apartment, all of which are deemed common elements as provided in the Declaration.

EXHIBIT "B"

PERMITTED ALTERATIONS

Except as otherwise provided in the Declaration, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from the Condominium Map, shall be undertaken by the Association or any apartment owners only pursuant to an amendment of the Declaration, duly executed by or pursuant to the affirmative vote of seventy-five percent (75%) of the apartment owners and accompanied by the written consent of the holders of all liens affecting any of the apartments, and in accordance with all of the requirements of Paragraph 6 of Section I of the Declaration, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file of record such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer; PROVIDED, HOWEVER, that notwithstanding any other provision in the Declaration to the contrary, the owner of an apartment may make any alterations or additions within an apartment and the owner of any two adjoining apartments may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the apartments and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by the immediately preceding proviso shall require only the written approval thereof, including approval of the apartment owner's plans therefor, by the holders of first mortgage liens affecting such apartment (if the lien holders require such approval), by the appropriate agencies of the State of Hawaii and the City and County of Honolulu if such agencies so require, by the Board (which approval shall not be unreasonably or arbitrarily withheld or delayed), and by all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board) and such alterations or additions may be undertaken without an amendment to the Declaration or filing of a complete set of floor plans of the Project as so altered. Prior to the termination of the common ownership of any two adjoining apartments, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such apartment shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

Notwithstanding any other provision in the Declaration to the contrary, prior to (a) the time that all apartments

As used herein the term "sold and recorded" shall mean and refer to the sale of apartments in the Project and the recording, in the Office of the Assistant Registrar of the Land Court of the State of Hawaii, of apartment conveyances transferring interests in the apartments from the Developer to parties not signatory to the Declaration.

An apartment owner or occupant may install air-conditioning units in accordance with (i) plans and specifications prepared by the Project architect, Architects Hawaii Ltd. (for which Board approval shall not be required) or (ii) plans and specifications prepared by a licensed architect (if so required by the Board) that are submitted to and approved by the Board, all in accordance with all provisions of the Declaration. Condensate from air conditioning units installed in second floor apartments should be drained via an exterior mounted tube, covered with a wooden channel painted the same color(s) as the exterior of the building in which the air conditioning unit is located, and the flow of the condensate should be directed away from the limited common elements, including without limitation, the fenced private yard areas appurtenant to ground floor apartments of the building in which the air conditioning unit is located.

No highly reflective finish, other than glass (which, however, may not be tinted or mirrored), shall be used on the exterior of any building in the Project; provided, however, that a gray film tint without visible purple tinge (as approved by the Board) may be installed by an apartment owner on the glass located along the perimeter of his apartment.

An apartment owner or occupant may install a front screen door in accordance with (i) plans and specifications prepared by the Project architect, Architects Hawaii Ltd. (for which Board approval shall not be required) or (ii) plans and specifications prepared by a licensed architect (if so required by the Board) that are submitted to and approved by the Board, all in accordance with the provisions of the Declaration.

SUMMARY OF SALES CONTRACT

Apartments in the Project will be sold under one of two different forms of Deposit Receipt and Sales Agreement with an Addendum "A" attached ("Sales Contract"). The two forms of Sales Contract differ slightly depending upon whether the apartment being sold is subject to restrictions on use and transfer established by the Housing Finance and Development Corporation of the State of Hawaii ("HFDC") or by the City and County of Honolulu, by and through its Department of Housing and Community Development ("DHCD"), and also upon whether the buyer qualifies as a "Low-Moderate Income Purchaser" or as a "Moderate Income Purchaser," as those terms are defined in the Sales Contract and in this summary. A specimen of both Sales Contract forms, together with specimen forms of Addendum "A", Co-Mortgagor Addendum to Sales Agreement (applicable only to certain buyers who require assistance from co-mortgagors for financing purposes) and V.A. Addendum to Sales Agreement (applicable only to buyers who are eligible and apply for Veterans' Administration guaranteed loans), have been submitted to the Real Estate Commission and are available in the Seller's sales office. **ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES CONTRACT, INCLUDING THE APPLICABLE ADDENDA, IN FULL,** since this summary is not a complete description of their provisions. The Sales Contract (together with Addendum "A"), among other things, covers in more detail the following items:

1. The Sales Contract provides for the number, amount and timing of payments the buyer is required to make. The Sales Contract also provides who is to receive interest earned on funds deposited with escrow.

2. The developer ("Seller") has agreed with HFDC and DHCD that Seller will offer certain apartments in the Project for sale initially only to eligible "Low-Moderate Income Purchasers" and the remaining apartments only to eligible "Moderate Income Purchasers." The term "Low-Moderate Income Purchaser" as used in Addendum "A" to the Sales Contract means an owner-occupant buyer whose income (including the income of all members of such buyer's household) does not exceed 120% of the median income (adjusted for family size) for the City and County of Honolulu, as most recently determined by the United States Department of Housing and Urban Development. The term "Moderate Income Purchaser" as used in Addendum "A" to the Sales Contract means an owner-occupant buyer whose income (including the income of all members of such buyer's household) does not exceed 140% of the median income (adjusted for family size) for the City and County of Honolulu, as most recently

EXHIBIT "J"

determined by the United States Department of Housing and Urban Development. The following are such income limits (as of January 18, 1995) by family size for the Project:

Family Size	Median Income	120% Income Limit	140% Income Limit
1	\$37,520	\$45,020	\$52,530
2	\$42,880	\$51,460	\$60,030
3	\$48,240	\$57,890	\$67,540
4	\$53,600	\$64,320	\$75,040
5	\$57,890	\$69,470	\$81,040
6	\$62,180	\$74,610	\$87,050
7	\$66,460	\$79,760	\$93,050

If Seller, HFDC or DHCD shall determine that the buyer is neither a "Low-Moderate Income Purchaser" nor a "Moderate Income Purchaser," Seller shall have the right to cancel the Sales Contract at any time. If Seller cancels the Sales Contract because of the buyer's failure to qualify as a Low-Moderate or Moderate Income Purchaser, Seller will tell escrow to give the buyer back all of the buyer's payments, without interest, and neither party will have any other obligations under the Sales Contract or relating to the Project. The buyer shall be responsible for the escrow cancellation fee and all other costs associated with the purchase, up to a maximum of \$250.00.

3. The transfer of the apartment to the buyer will be made subject to (and the Apartment Deed will so provide) certain restrictions on use and transfer of the Property, including without limitation, the following:

If the apartment is subject to HFDC restrictions, the apartment will be the buyer's primary residence for at least one (1) year after the recordation of the Apartment Deed (the "Occupancy Period"), for the buyer's own occupancy and use and not for resale or transfer. In addition, during the Occupancy Period, the buyer shall not transfer the apartment; provided, however, that the buyer shall be permitted to make the following transfers ("Permitted Transfers"): (i) the mortgaging of the Property by the buyer to an institutional lender duly authorized to conduct business in the State of Hawaii for the purpose of obtaining and securing financing for the purchase of the apartment; (ii) any such mortgagee's foreclosure upon the lien of its mortgage or acceptance of a deed for the apartment in lieu of foreclosure; (iii) a transfer of the apartment pursuant to a foreclosure of any mortgage permitted under subsection (i) above; (iv) a

EXHIBIT "J"

transfer to the surviving joint tenant or tenant by the entirety by devise, through the laws of descent or by operation of law on the death of a joint tenant or tenant by the entirety; (v) a transfer by devise or through the laws of descent to a family member; (vi) a transfer resulting from a decree of dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement, by which the buyer's spouse becomes an owner of the apartment; or (vii) a transfer into an inter vivos trust in which the buyer is and remains the primary beneficiary and the buyer continues to occupy and use the apartment. If a mortgagee or other person should become the owner of the apartment pursuant to a Permitted Transfer of the type described in subsections (ii) or (iii) above, the transferee and all successors and assigns shall take title to the apartment free and clear of the foregoing restrictions and provisions.

If the apartment is sold subject to DHCD restrictions, the transfer shall be made subject to (a) a first option to purchase the apartment at a designated price, in favor of the City and County of Honolulu (acting through the DHCD) (the "City"), in the event the buyer violates the covenant requiring the buyer to occupy the apartment, as more particularly described in the Apartment Deed, (b) a first option to purchase the apartment at a designated price, in favor of the City, for a period of 5 years (if the buyer is a "Low-Moderate Income Purchaser" as defined in Addendum "A" attached to the Sales Contract) or 2 years (if the buyer is a "Moderate Income Purchaser" as defined in Addendum "A") in the event the buyer desires to transfer title to the apartment, as more particularly described in the Apartment Deed, (c) a requirement that after the end of the fifth or second year (depending upon whether the buyer is a "Low-Moderate Income Purchaser" or a "Moderate Income Purchaser") from the date of conveyance of the apartment to the buyer, the City shall have a right of first refusal to purchase the apartment at a designated price if the buyer decides to sell or transfer the apartment, and (d) any sale or transfer of the apartment to a party other than the City shall be made to a "qualified resident" as defined in Section 201E-2 of the Hawaii Revised Statutes.

4. Seller may (but does not have to) cancel the Sales Contract (a) if buyer has performed the "Mortgage Loan Acts" described in the Sales Contract but the buyer's loan application is rejected or not approved within sixty (60) days after application or (b) if the buyer plans to pay the total purchase price in cash but Seller is not satisfied for any reason at any time prior to closing, with the buyer's ability to make the cash payments. The Sales Contract also discloses

EXHIBIT "J"

Page 3

other situations in which either the buyer or Seller may cancel the Sales Contract and what remedies the parties have if the other party defaults under the Sales Contract.

5. Seller may need to give to one or more lenders a mortgage or mortgages, security agreement or agreements, and other instruments securing repayment of loan(s) and covering the Project, including the individual apartments. All of the rights and interests which Seller gives to the lender or lenders will have priority over the buyer's rights and interests under the Sales Contract. This applies to any changes to the loan or loans or the mortgage or mortgages, security agreement or agreements, or other instruments (including, among other things, extensions, renewals and other changes). The buyer gives up and subordinates the priority of the buyer's rights and interests under the Sales Contract in favor of the rights and interests of Seller's lender until the final closing and delivery of a signed Apartment Deed to the buyer. If Seller's lender or lenders ask the buyer to do so, the buyer will sign other documents to confirm the promises and agreements mentioned above.

6. The buyer will pay for the following closing costs: all of the escrow fee, all notary fees, all appraisal fees, all recording costs, all charges for the buyer's credit report, all costs of preparing any mortgages and promissory notes, and all title insurance costs. The buyer will also pay all mortgage costs. The buyer will also pay a nonrefundable start-up fee in the amount described in Article III, Section C.1 of the Sales Contract. The start-up fee is a one-time charge at the time of sale, not a common expense, and is in addition to the normal monthly maintenance charges or fees. It will be held and used by the Seller and the first Managing Agent of the Association as a working capital fund for the benefit of all the apartment owners. The buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project even if it is owned by Seller. Proration of maintenance charges and other common expenses, real property taxes, and Mililani Town Association assessments will be made as of the scheduled "Closing Date" set forth in the Sales Contract.

7. The buyer agrees that the buyer may not transfer the Sales Contract or any of the buyer's rights or interests under the Sales Contract without first getting Seller's written consent, which consent may be withheld by Seller in its sole and absolute discretion.

8. The Seller makes the following warranties in the Sales Contract:

EXHIBIT "J"

Page 4

(a) Seller warrants the materials and workmanship of the apartment against defects for a period of one (1) year from the Closing Date; provided, however, that said warranty shall in no event be for a period less than one (1) year from the "date of completion" of the apartment, as the term "date of completion" is defined in Section 507-43 of the Hawaii Revised Statutes. For purposes of the foregoing warranty, "defects" shall be those items which, as a result of poor workmanship or defective materials used in the construction of the apartment, reasonably require the repair, renovation, restoration, or replacement of any of the components constituting the apartment. Items of maintenance relating to the apartment are not covered by the foregoing warranty.

(b) Seller warrants the materials and workmanship of the common elements of the Project against defects for a period of one (1) year from the date the first apartment in the Project is conveyed to an apartment owner other than Seller. For purposes of the foregoing warranty, "defects" shall be those items which, as a result of poor workmanship or defective materials used in the construction of the common elements of the Project, reasonably require the repair, renovation, restoration, or replacement of any of the components constituting the common elements of the Project. Items of maintenance relating to the common elements of the Project are not covered by the foregoing warranty.

(c) Seller's obligations under the foregoing warranties are expressly conditioned on prompt notification by the buyer to Seller of any defects in the materials or workmanship, and are expressly limited to the repair or replacement of defects.

9. The buyer understands and agrees that (a) Seller's obligation to provide landscaping within the common elements of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity) and installation of the irrigation system pursuant to Seller's landscaping plans, as the same may be amended from time to time in Seller's sole discretion; (b) installation of the plant materials and irrigation system may be completed after the Closing Date; (c) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; and (d) the Association will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

10. THE BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO THE BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR THE BUYER'S APARTMENT. IF THE BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW THE BUYER DOES IT WILL BE UP TO THE BUYER SUBJECT TO THE RESTRICTIONS CONTAINED IN THE SALES CONTRACT. THE BUYER ALSO AGREES THAT NO ONE HAS TALKED TO THE BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

11. That certain Declaration of Merger of Condominium Phases filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii, as now or hereafter amended (the "Declaration of Merger"), among other things, gives the Seller the right, in its sole and absolute discretion, to cause and effect an administrative merger or mergers of the Project with a condominium project or projects located or to be located on lands (or a portion or portions thereof) adjacent to or in the vicinity of the land of the Project, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phases are shared, and the administration of the Project and the additional phases is unified under one association of apartment owners, but the ownership interests of the apartment owners in the Project and the additional phases are not altered or affected. Nothing in the Sales Contract will be deemed to require Seller to develop the additional phases or to merge the additional phases into the Project, or to prohibit Seller from dealing with any lands adjacent to or within the vicinity of the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

12. The buyer agrees that construction activity by Seller or other apartment owners may continue on the Project even after the buyer occupies the apartment. This may result in noise, dust or other annoyances to the buyer and may limit the buyer's access to portions of the Project. The buyer gives up any rights or claims which the buyer might otherwise have against Seller or anyone else because of those conditions. The buyer agrees that until January 31, 2000, Seller shall have the right to conduct extensive sales activities utilizing the common elements and any apartments still owned by Seller, including the use of model apartments, sales and management offices, and extensive sales displays and activities.

13. The buyer understands and acknowledges that the Project is located in the vicinity of Wheeler Army Airfield (the "Base"). Aircraft from the Base may fly in the proximity of or directly over the Property or the Project, military activities will be conducted on or near the Base, and such overflights and other military activities may result in noise, dust, vibration, and other nuisances, disturbances or hazards (collectively, the "Military Effects") to persons and property on or within the Property or the Project.

14. The buyer understands and acknowledges that the Project is located on or is near or adjacent to lands and easements used for or in connection with the cultivation of pineapple and diversified agricultural operations, which may include, but are not limited to, open burning, trucking, plowing, hauling, fertilizing, grading, storing, herbicide and pesticide spraying, crop dusting, water diversion, irrigation, all other activities incidental to the planting, cultivating, harvesting and processing of crops, including night time activities, and the grazing and raising of livestock, poultry and other animals, which may from time to time cause surface water runoff, noise, soot, smoke, dust, light, heat, vapors, odors, chemicals, vibrations, insect pests, and other substances and phenomena of every description (collectively, the "Agricultural Effects") to be discharged, emitted, dispersed or transmitted over and upon the Property or the Project which may bother or be a nuisance to the buyer and any person occupying or using the Property, and the buyer also acknowledges that the Hawaii Right to Farm Act (Chapter 165 of the Hawaii Revised Statutes, as amended) and Hawaii law limit the circumstances under which farming operations may be deemed to be a nuisance.

15. The buyer understands and acknowledges that the Project is or may be located adjacent to or in the vicinity of electric, water and other utilities and public roads and thoroughfares, including, without limitation, such things as electrical substations, high-powered electrical transmission lines, water pump stations, water tanks, reservoirs, freeways and exit ramps which may result in nuisances, such as noise and dust, disturbances or hazards (collectively, the "Utility Effects") to persons and to property on or within the Property. In recent years, concerns have been raised about possible adverse health effects of electric and magnetic fields from power lines. Seller is not insuring or guaranteeing the health of the buyer or other occupiers or users of the Property and disclaims liability for personal injury, illness or any other loss or damage caused by or arising from the Utility Effects, including, without limitation, the presence or malfunction of

any electrical distribution systems that may be located adjacent to, near, or over any part of the Project.

16. The buyer understands and acknowledges that (i) the Project is or may be located adjacent to or in the vicinity of a proposed elementary school, a proposed passive park, a proposed fire station, Northpointe - Phase I, Northpointe - Phase II, Northpointe Terrace - Phase II, and various other construction activities, including, but not limited to, ongoing residential and related construction, proposed construction of future residential subdivisions and roads, commercial and office buildings, land development activities, one or more recreational centers and facilities, one or more proposed church sites, and other construction and development projects (collectively, the "Proposed Development"); (ii) construction of the Proposed Development will or may result in noise, dust, vibration and other nuisances, disturbances or hazards to the buyer and to persons and property on or within the Project, and may limit the buyer's access to the Project; (iii) when completed, traffic, lights, noise, dust, vibration and other nuisances, disturbances or hazards to persons and property on or within the Project may be generated from the Proposed Development; (iv) no representations or warranties are made by Seller, its employees or agents concerning plans, or the absence of plans, by Seller or others for future development of adjacent or nearby properties, and any plans for the future development of adjacent and nearby properties by Seller are subject to change in the sole and absolute discretion of the Seller or its successors and assigns; and (v) Seller makes no representations regarding the view from the Project or any view easements or rights, and the views from the Project are not guaranteed and may be altered, diminished, eliminated or blocked entirely by the future development of adjacent or surrounding properties.

17. The buyer agrees that, until the Board of Directors of the Association are elected at the first annual meeting of the Association, Seller will have the right to exercise all of the powers of the Association and the Board of Directors and officers of the Association, including voting. The buyer agrees that Seller will have all of the membership rights in the Association which belong to each apartment in the Project until an Apartment Deed covering such apartment is recorded.

18. Buyer acknowledges that the Declaration provides that all present and future apartment owners, tenants and occupants of apartments in the Project are subject to that certain Declaration of Covenants, Conditions and Restrictions for Mililani Town (the "Mililani Town Covenants") more

particularly described in the Sales Contract. The Mililani Town Covenants provide, among other things, that the buyer automatically becomes a member of the Mililani Town Association upon issuance of the Apartment Deed to buyer, and that the buyer must pay assessments to the Mililani Town Association, as set forth in the Mililani Town Covenants.

SUMMARY OF ESCROW AGREEMENT

Copies of the escrow agreement dated April 13, 1995 (the "Escrow Agreement"), between the Seller and Title Guaranty Escrow Services, Inc. ("Escrow"), have been submitted to the Real Estate Commission and are available for inspection in the Seller's Sales Office. The Escrow Agreement, among other things, covers in more detail the following items (which may be modified or otherwise limited by provisions not summarized):

1. Whenever the Seller enters into a sales contract for the sale of an apartment, the Seller will require that payments due under the sales contract be promptly made to Escrow and will deliver an executed copy of the sales contract to Escrow. The Seller will also pay over to Escrow all monies the Seller receives directly from the Buyer, if any.

2. All monies Escrow receives under the Escrow Agreement will be deposited in a special account or accounts, at the prevailing interest rate, and held in accordance with the terms of the Escrow Agreement. All interest paid on such monies shall be credited to the account of the Seller, as provided in the sales contract.

3. Escrow will disburse the Buyer's escrowed funds in accordance with the terms of the Buyer's sales contract, upon the Seller's direction. No Buyer's funds will be released until after the Seller certifies to Escrow that the sales contract has become effective under Hawaii law, and that the requirements for disbursement of buyer's funds under Chapter 514A, Hawaii Revised Statutes, have been met.

4. The Buyer will be entitled to a refund of his funds in escrow, without interest and minus Escrow's cancellation fee (no less than \$25 and no more than \$100, plus applicable excise tax), if both the Buyer and the Seller request, in writing, that Escrow return such funds to the Buyer. If documents for the closing have already been prepared and delivered to Escrow, the Seller will also be entitled to a cancellation fee.

5. If the Seller certifies to Escrow that the Buyer has defaulted under the sales contract and that the Seller has terminated the sales contract in accordance with its terms, Escrow will notify the Buyer of the default and will thereafter treat all of the Buyer's funds paid under the sales contract (minus Escrow's cancellation fee) as belonging to the Seller, and not the Buyer.

EXHIBIT "K"

6. Escrow will arrange for and supervise the signing of all documents relating to the project and to be signed subsequent to the sales contract.

7. As Escrow's compensation for its performance under the Escrow Agreement, Escrow will receive \$175, plus applicable general excise tax, for each apartment for which a sales contract is received. Escrow will arrange for the issuance of a title insurance policy for \$185 per apartment. If the Buyer obtains a mortgage loan from a lender not designated by the Seller, Escrow will charge an additional fee of \$200, plus general excise tax.

NOTE: ALL BUYERS AND PROSPECTIVE BUYERS SHOULD READ THE ESCROW AGREEMENT AND ALL AMENDMENTS IN FULL AS THIS SUMMARY IS NOT ALL-INCLUSIVE AND DOES NOT CONTAIN A COMPLETE DESCRIPTION OF ALL PROVISIONS OF THE ESCROW AGREEMENT. THIS SUMMARY IS INTENDED ONLY TO GIVE A BRIEF DESCRIPTION OF SOME OF THE ITEMS CONTAINED IN THE ESCROW AGREEMENT, AND DOES NOT ALTER OR AMEND THE ESCROW AGREEMENT IN ANY MANNER.
