General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the buildings) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the buildings) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM:
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Bylaws for this condominium are:

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the nonconformity, and restrictions on altering and repairing structures. In some cases, a nonconforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit D .

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit F.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit G describes the encumbrances against the title contained in the title report dated June 1, 1999,

and issued by Title Guaranty of Hawaii, Incorporated.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[X] There are no blanket liens affecting title to the individual apartments.

[] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults Or Lien is Foreclosed Prior to Conveyance</u>

C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. REPAIR AND MAINTENANCE OF APARTMENTS AND COMMON ELEMENTS. The By-Laws provide that every apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep his apartment, including without limitation all doors, sliding glass doors (if any), windows, window fixtures, and all internal installations within the apartment such as water, electricity, gas (if any), telephone, sanitation, lights, and all other fixtures and accessories belonging to such apartment, if any, and the interior decorated or finished surfaces of all walls, partitions, floors, ceilings and roofs of such apartment, if any, with all necessary reparations and amendments whatsoever in good order and condition, except as otherwise provided by law or the Declaration, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work diligently, and in case of such failure after reasonable notice to perform shall reimburse to the Association promptly on demand all expenses incurred by it in performing any such work authorized by the Board of Directors or the Managing Agent.

In addition, each apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep the yard area, if any, appurtenant to and reserved for the exclusive use of such owner's apartment, in good order and condition, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work, and in case of such owner's failure after reasonable notice to keep the yard area, if any, as aforesaid, the Association (through the Board of Directors or the Managing Agent) shall have the right (but not the obligation) to perform any such work and the cost thereof shall be charged to such apartment owner as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

Except as hereinabove expressly provided to the contrary, all maintenance, repairs and replacements to the common elements, whether located inside or outside of the apartments, shall be made by the Board and be charged to all the owners as a common expense or a limited common expense; provided, however, that any such maintenance, repair or replacement necessitated by the negligence, misuse or neglect of an apartment owner or occupant or any person under either of them, shall be charged to such apartment owner or the apartment owner of the apartment of such occupant, as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

2. LANDSCAPING OF YARD AREA. Each owner shall landscape the Yard Area assigned to his apartment, if any, within ninety (90) days after the closing of the purchase of the apartment (unless the Yard Area has already been completely landscaped). Before commencing any Yard Area landscaping, each owner shall submit to the Board of Directors a landscape plan (which shall include, without limitation, the location of any proposed lanais, patios, paved surfaces or wood decks within the Yard Area and a proposed plant list) for the Board's review and written approval, which approval shall not be unreasonably withheld or delayed.

3. CONDOMINIUM MAP. The Condominium Map for the Project is intended to show only the layout, location, apartment numbers and dimensions of the apartments in the Project. The Condominium Map is NOT intended to show the dimensions of any limited common elements, and buyer understands and acknowledges that the sizes of such limited common elements, such as yard areas, may vary from those shown on the Condominium Map due to field changes and other factors. BUYER AGREES THAT THE CONDOMINIUM MAP IS NOT INTENDED TO BE AND IS NOT A WARRANTY OR PROMISE OF ANY KIND BY SELLER.

4. MERGER OF PROJECT WITH OTHER CONDOMINIUM PROJECTS. In addition to the Project, the Seller has developed two (2) other phases of LALEA at Hawaii Kai and plans to develop one (1) additional phase of LALEA at Hawaii Kai. LALEA at Hawaii Kai - Phase I has eighty (80) apartments and LALEA at Hawaii Kai - Phase II has eighty-one (81) apartments. It is estimated that LALEA at Hawaii Kai - Phase IV will have approximately sixty-four (64) apartments. The Seller has reserved the right to effect an administrative merger or mergers, or an ownership merger or mergers, of any two or more of the phases; however, each phase is a separate project, and the Seller, although it has the right to do so, is not obligated to merge the various phases.

The Seller makes no representation or warranty that LALEA at Hawaii Kai - Phase IV will be developed. The Seller may elect not to develop LALEA at Hawaii Kai - Phase IV, or to develop all or any part of such land in a different manner.

The Declaration of Merger of Condominium Phases recorded in the Bureau of Conveyances of the State of Hawaii provides that upon either the administrative merger or mergers or the ownership merger or mergers of any two or more of the phases, the Seller may, but need not, require the apartment owners in all or any of the merged phases to make contributions, in addition to their normal prescribed share of the common expenses, to the replacement reserves, the general operating account, and/or any other accounts of the merged project. The Seller may provide that such contributions shall be made in a lump sum amount or in installments over a period of time and in setting the amount and terms of such contributions, the Seller may, but need not, take into account the amount of replacement reserves, the amounts in the general operating accounts, and/or the amounts in

any other accounts of the respective phases, accumulated prior to the merger, and the condition of the various buildings and apartments. The amount and terms of the contributions to be made by the apartment owners in a phase shall be as fairly determined by the Seller, in the Seller's sole and absolute discretion, and shall be set forth in a notice by the Seller to the apartment owners or the Board of Directors of the merged project.

5. PRIOR USE. Portions of the Project and/or areas within the vicinity of the Project may have been used previously as a construction material storage facility in connection with the development of other portions of Hawaii Kai by a prior owner. During the construction of LALEA at Hawaii Kai - Phase II, certain remnant construction materials were discovered and removed from the Project site. Additional information regarding this matter is available at the Seller's sales office.

6. MODEL UNITS. Some of the materials used in the model units for the Project and certain methods of construction used for the model units for the Project may differ from the materials and methods of construction used in the buildings in the Project.

7. MASONITE HARDBOARD SIDING. The buildings in the Project contain Masonite Hardboard siding. In 1994, homeowners filed a class action lawsuit against Masonite Corp. and other in the Circuit Court of Mobile County, State of Alabama. This lawsuit was initiated on behalf of all individuals or entities owning property in the United States on which Masonite Hardboard siding has been incorporated and installed from January 1, 1980 to January 15, 1998. The class action lawsuit alleged that there were problems with the Masonite siding and Masonite disputed the allegations. On January 18, 1998, the Circuit Court of Mobile County, State of Alabama, approved a settlement between Plaintiffs and Defendants, including Masonite, in this class action. The Court specifically noted that the settlement was a compromise of disputed claims and is not to be taken as an indication of liability or that damages have been, or would be, found against Masonite if the action proceeded. The settlement does not automatically require the replacement of all Masonite Hardboard Siding and, in order for any class member to recover, that class member must have actually sustained compensable damage as set forth in the settlement. Seller has received complaints from some homebuyers about Masonite Hardboard Siding. These complaints only involve a minority of homes on which Masonite Hardboard Siding has been installed and it is not known whether these complaints are related to the problems alleged in the class action. Additional information regarding this matter is available at the Seller's sales office.

8. TERMITES. The Seller has contracted or will contract with a licensed soil treatment applicator (the "Applicator") for the pre-construction soil treatment process for the control of subterranean termites and Seller will require the Applicator to warrant that if termite infestation should occur within three (3) years from the date of treatment of the building in which the residential apartment is located, the Applicator will re-treat the soil under the building in which the residential apartment is located using the standards in

effect at the time of re-treatment. The Applicator shall further agree to repair all construction damage by subterranean termites within the one-year construction warranty period described in Exhibit H of this Public Report. Seller will transfer to purchasers any warranty from the Applicator or the Applicator shall issue the warranty directly to purchasers. Seller further agrees without incurring any legal liability, to cooperate with purchasers to have the Applicator perform all warranties for which the Applicator is responsible. Seller does not promise that the Applicator will honor its warranties.

The presence of termites is not uncommon within the State of Hawaii and termites have been discovered within the vicinity of the Project, including, without limitation, Buildings 2, 4, 5, 6, 7 and 8 within LALEA at Hawaii Kai – Phase I (“Phase I”) and Building 12 within LALEA at Hawaii Kai – Phase II (“Phase II”). A site plan of Phase I and Phase II indicating the location of these buildings is available at the Seller’s sales office. To date, the Seller and/or the Applicator, at the Seller’s and/or the Applicator’s cost and expense, have arranged for the re-treatment of the soil under Buildings 2, 4, 5, 6, 7 and 8 in Phase I and Building 12 in Phase II and have made certain repairs to the apartments that sustained damage as a result of the termites discovered within Phase I and Phase II. The Association of Apartment Owners of the merged project consisting of Phase I, Phase II and the Project (the “Merged Project Association”) has made certain demands of the Seller with respect to the termite issues, and as of June 10, 1999, the Merged Project Association continues to pursue this matter with the Seller. Additional information regarding this matter is available at the Seller’s sales office.

9. SWIMMING POOL. There is a swimming pool located within LALEA at Hawaii Kai – Phase I (“Phase I”) that is available for use by all residents of LALEA at Hawaii Kai, including purchasers of apartments within the Project. The swimming pool has a surface area of approximately 850 square feet and holds approximately 24,000 gallons of water. Purchasers who are interested in personally viewing the swimming pool and other amenities of the Project may make arrangements with the Seller to do so.

The Association of Apartment Owners of the merged project consisting of Phase I, LALEA at Hawaii Kai – Phase II and the Project (the “Merged Project Association”) has contended that the swimming pool is too small and is overburdened, and has requested that the Seller provide a second swimming pool within LALEA at Hawaii Kai to be located within LALEA at Hawaii Kai – Phase IV (“Phase IV”). The Seller has informed the Merged Project Association that demand for the use of the swimming pool will fluctuate depending on the day of the week, the season of the year, and even on a year-to-year basis as the demographics of the community change. There will be times when the swimming pool will be crowded and other times when it will be empty. The Seller has informed the Merged Project Association that, consistent with the Seller’s representations to purchasers of apartments within LALEA at Hawaii Kai, the

Seller has provided one (1) swimming pool within LALEA at Hawaii Kai, and the Seller will not provide a second swimming pool within LALEA at Hawaii Kai.

The Merged Project Association has informed the Seller of the Merged Project Association's interest in constructing a second swimming pool, on its own, within Phase IV. Alterations to Phase IV by the Association of Apartment Owners of Phase IV (the "Phase IV Association") or any apartment owners may be made pursuant to the terms and provisions of the Phase IV Declaration, the Phase IV By-Laws and applicable law. The Seller has received a request from the Merged Project Association that the Seller amend the Phase IV Declaration to change the provisions relating to alterations of Phase IV in order to permit the Phase IV Association to construct a second swimming pool within Phase IV upon the approval of a smaller percentage of the apartment owners than is currently required under the Phase IV Declaration. Due to the Seller's concern that the Phase IV documentation be consistent with purchasers' expectations regarding Phase IV and alterations that can be made to Phase IV, the Seller has declined the Merged Project Association's request. As of June 10, 1999, the Merged Project Association has not abandoned its request for a second swimming pool and continues to pursue this matter with the Seller.

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

PERMITTED ALTERATIONS TO APARTMENTS

Except as otherwise provided in the Declaration or in the By-Laws, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from said Condominium Map of the Project, shall be undertaken by the Association or any apartment owners only pursuant to an amendment of the Declaration, duly executed by or pursuant to the affirmative vote of seventy-five percent (75%) of the apartment owners and accompanied by the written consent of the holders of all liens affecting any of the apartments, and in accordance with all of the requirements of Paragraph 6 of Section I of the Declaration, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file of record such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer; PROVIDED, HOWEVER, that notwithstanding any other provision in the Declaration to the contrary, the owner of an apartment may make any alterations or additions within an apartment and the owner of any two adjoining apartments may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the apartments and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by the immediately preceding proviso shall require only the written approval thereof, including approval of the apartment owner's plans therefor, by the holders of first mortgage liens affecting such apartment (if the lien holders require such approval), by the appropriate agencies of the State of Hawaii and the City and County of Honolulu if such agencies so require, by the Board of Directors of the Association (which approval shall not be unreasonably or arbitrarily withheld or delayed), and by all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board of Directors of the Association) and such alterations or additions may be undertaken without an amendment to the Declaration or filing of a complete set of floor plans of the Project as so altered. Prior to the termination of the common ownership of any two adjoining apartments, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such apartment shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

Notwithstanding any other provision in the Declaration to the contrary, prior to (a) the time that all apartments in the Project have been sold and recorded and (b) the recordation by the Developer of the "as built" verified statement (with plans, if applicable)

required by Section 514A-12 of said Condominium Property Act (but in no event later than December 31, 2002), the Developer shall have the right to make alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any apartment owner, which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or to make other alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any apartment owner, which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 3 of Section T of the Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of apartments in the Project, and the recordation in the Bureau of Conveyances of the State of Hawaii of apartment conveyances transferring interests in the apartments from the Developer to parties not signatory to the Declaration.

Each Type B, Type BR, Type C and Type CR apartment in the Project will be offered to initial purchasers with an optional floor plan which deletes a bedroom and adds a den in lieu thereof. The basic floor plan and the optional floor plan for each of these apartment types are shown on the Condominium Map. Notwithstanding any other provision in the Declaration to the contrary, prior to the time that all apartments in the Project have been sold and recorded, the Developer shall have the right to make alterations in the Project (and to amend the Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any apartment owner, to construct or modify each Type B, Type BR, Type C and Type CR apartment in accordance with the respective optional floor plans shown on the Condominium Map; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 5 of Section T of the Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of Apartments in the Project and the recordation in the Bureau of Conveyances of the State of Hawaii of Apartment Conveyances transferring interests in the apartments from the Developer to parties not signatory to the Declaration.

An apartment owner or occupant may install air-conditioning units in accordance with (a) plans and specifications prepared by the Project architect, Design Partners Incorporated (for which approval of the Board of Directors of the Association shall not be required) or (b) plans and specifications prepared by a licensed architect (if so required by the Board of Directors of the Association) that are submitted to and approved by the Board of Directors of the Association, all in accordance with all provisions of the Declaration. Condensate from air conditioning units installed in second floor apartments should be drained via an exterior mounted tube, painted the same color(s) as the exterior of the building in which the air conditioning unit is located, which may terminate at wall/roof intersections. All tubing terminating at the ground level and discharging condensate

toward a Yard Area or common area landscaping shall extend down to the finished grade and shall extend out twelve (12) inches from the building. All tubing terminating at the ground level and discharging condensate toward a concrete area shall terminate one (1) inch below the finished siding of the building.

No highly reflective finish, other than glass (which, however, may not be tinted or mirrored), shall be used on the exterior of any building in the Project; provided, however, that a gray film tint without visible purple tinge (as approved by the Board of Directors of the Association) may be installed by an apartment owner on the glass located along the perimeter of his apartment.

3. WARRANTIES:

(a) Developer warrants that the Apartment is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein) and against any defects in equipment, material, or workmanship and materials of the Apartment resulting in noncompliance with standards of quality as measured by acceptable trade practices. This warranty shall continue for a period of one (1) year from the date of recordation of the conveyance of title to the original buyer of the Apartment. The Developer shall remedy, at the Developer's expense, any substantial nonconformity or such defects and shall restore any work damaged in fulfilling the terms and conditions of this warranty. Notwithstanding the generality of the foregoing, Developer's warranty shall not cover defects in any

appliances or floor coverings within the Apartment. All appliances and floor coverings within the Apartment shall be covered solely by the warranties of the respective manufacturers thereof and the warranty periods of such warranties may vary.

(b) Developer has contracted or will contract with a licensed soil treatment applicator (the "Applicator") for the pre-construction soil treatment process for the control of subterranean termites and the Developer will require the Applicator to warrant that if termite infestation should occur within three (3) years from the date of treatment of the building in which the Apartment is located, the Applicator will re-treat the soil under the building in which the Apartment is located using the standards in effect at the time of re-treatment. The Applicator shall further agree to repair all construction damage by subterranean termites within the one-year warranty period. Developer will transfer to Buyer any warranty from the Applicator or the Applicator shall issue the warranty directly to Buyer. Developer further agrees without incurring any legal liability, to cooperate with Buyer to have the Applicator perform all warranties for which the Applicator is responsible. Buyer understands that the Developer does not promise that the Applicator will honor his warranties.

(c) Developer's obligations under the foregoing warranties are expressly conditioned on written notification by Buyer to Developer of substantial non-conformity, defects or ground termite infestation within the warranty periods set forth above.

(d) Developer warrants against defects in equipment, material, or workmanship and materials of the common elements of the Project resulting in noncompliance with standards of quality as measured by acceptable trade practices for a period of one (1) year from the date of original conveyance of title for the first apartment in the Project that is conveyed by Developer to one or more third parties other than the Developer and shall apply only to such instances of defects as to which the Association shall have given written notice to the Developer within said period of one (1) year.

4. BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND ESTIMATED COSTS FOR EACH APARTMENT:

Attached to this Disclosure Abstract as Exhibit "A" is a breakdown of the annual maintenance charges and the monthly estimated cost for each apartment in the Project, prepared by Touchstone Properties, Ltd., a Hawaii corporation, for the one-year period commencing January 1, 1999 and certified to have been based on generally accepted accounting principles. The attached breakdown of annual maintenance charges and the estimated cost for each apartment are subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Developer, apartment owner delinquencies and other factors may cause the maintenance assessments to be

greater or less than the estimated maintenance assessments. The breakdown of the estimated cost for each apartment contained in this Disclosure Abstract does not include the Buyer's obligation for the payment of real property taxes, and does not include or otherwise take into account the one-time "start-up" fee required to be paid in addition to the normal maintenance charges. Estimates of the real property taxes will be provided by the Developer upon request.

NOTE: THE DEVELOPER ADVISES THAT COSTS AND EXPENSES OF MAINTENANCE AND OPERATION OF A CONDOMINIUM PROJECT ARE VERY DIFFICULT TO ESTIMATE INITIALLY AND EVEN IF SUCH MAINTENANCE CHARGES HAVE BEEN ACCURATELY ESTIMATED, SUCH CHARGES WILL TEND TO INCREASE IN AN INFLATIONARY ECONOMY AND AS THE IMPROVEMENTS AGE. MAINTENANCE CHARGES CAN VARY DEPENDING ON SERVICES DESIRED BY APARTMENT OWNERS. THE BUYER SHOULD EXAMINE THE MAINTENANCE CHARGE SCHEDULE TO SEE WHAT SERVICES ARE INCLUDED IN THE SCHEDULE.

5. TERMINATION OF DEVELOPER'S TEMPORARY ASSUMPTION OF ACTUAL COMMON EXPENSES:

The Developer had assumed all the actual common expenses of the Project (and therefore an apartment owner had not been obligated for the payment of his respective share of the common expenses). Effective from and after April 1, 1999, each apartment owner in the Project shall be obligated to pay his respective share of the common expenses allocated to his apartment.

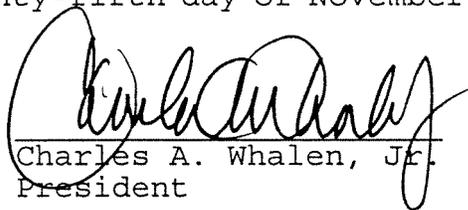

CERTIFICATE

I, the undersigned, duly sworn on oath, depose and affirm as follows:

2. SUMMARY OF SALES AGREEMENT

A specimen Sales Agreement (the "Sales Agreement"), has been submitted to the Real Estate Commission and is available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. That certain Declaration of Merger of Condominium Phases recorded or to be recorded in the Bureau of Conveyances of the State of Hawaii (hereinafter called the "Declaration of Merger"), among other things, gives Seller the right, in its sole and absolute discretion, to cause and effect an administrative merger or mergers of the Project with a condominium project or projects located or to be located on lands (or a portion or portions thereof) adjacent to the Project, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phases are shared, and the administration of the Project and the additional phases is unified under one association of apartment owners, but the ownership interests of the apartment owners of the Project and the additional phases are not altered or affected. The Declaration of Merger also gives the Seller the right, in its sole and absolute discretion, to cause and effect an ownership merger or mergers of the Project and the additional phases, as an alternative to an administrative merger or mergers of the Project and the additional phases, to provide for the common ownership of the Project and the additional phases by all of the apartment owners of the Project and the additional phases all as set forth in the Declaration of Merger. Upon an ownership merger, all of the apartments in the merged phases shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the merged phases will become the common elements of the Merged Project, and the common interest appurtenant to the Apartment shall be altered from the percentage set forth in Article I of the Sales Agreement to a percentage as set forth in the "Certificate of Ownership Merger" filed by the Seller, in accordance with the Declaration of Merger. Nothing herein will be deemed to require Seller to develop the additional phases or to merge the additional phases into the Project, or to prohibit Seller from dealing with any lands adjacent to the Project not merged with the

Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

2. Seller has given to and/or may give to one or more lenders a mortgage or mortgages, security agreement or agreements, and other instruments securing repayment of loan(s) and covering Seller's ownership rights in the Project, including the individual apartments. All of the rights and interests which Seller gives to the lender or lenders will have priority over the buyers' rights and interests under the Sales Agreements. This applies to any changes in the loan or loans or the mortgage or mortgages, security agreement or agreements or other instruments (including, among other things, extensions, renewals and other changes). The buyers give up and subordinate the priority of their rights and interests under the Sales Agreements in favor of the rights and interests of Seller's lenders until the final closing and delivery of signed apartment deeds to the buyers. If Seller's lender or lenders ask the buyers to do so, the buyers will sign other documents to confirm the promises and agreements mentioned above.

3. Seller may (but does not have to) cancel the Sales Agreement (a) if the buyer's mortgage loan application is rejected or not approved within 60 days after application, or (b) if the buyer plans to pay the purchase price in cash but Seller is not satisfied for any reason with the buyer's ability to make the cash payments.

4. (a) Seller warrants that the residential Apartment is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein) and against any defects in equipment, material, or workmanship and materials of the Apartment resulting in noncompliance with standards of quality as measured by acceptable trade practices. This warranty shall continue for a period of one (1) year from the date of recordation of the conveyance of title to the original buyer of the Apartment. The Seller shall remedy, at the Seller's expense, any substantial nonconformity or such defects and shall restore any work damaged in fulfilling the terms and conditions of this warranty. Notwithstanding the generality of the foregoing, Seller's warranty shall not cover defects in any appliances or floor coverings within the Apartment. All appliances and floor coverings within the Apartment shall be covered solely by the warranties of the respective manufacturers thereof and the warranty periods of such warranties may vary.

(b) Seller has contracted or will contract with a licensed soil treatment applicator (the "Applicator") for the pre-construction soil treatment process for the control of subterranean termites and the Seller will require the Applicator to warrant that if termite infestation should occur within three (3) years from the date of treatment of the building in which the Apartment is located, the Applicator will re-treat the soil under the building in which the Apartment is located using the standards in effect at the time of re-

treatment. The Applicator shall further agree to repair all construction damage by subterranean termites within the one-year warranty period. Seller will transfer to buyer any warranty from the Applicator or the Applicator shall issue the warranty directly to buyer. Seller further agrees without incurring any legal liability, to cooperate with buyer to have the Applicator perform all warranties for which the Applicator is responsible. Buyer understands that the Seller does not promise that the Applicator will honor his warranties.

(c) Seller's obligations under the foregoing warranties are expressly conditioned on written notification by buyer to Seller of substantial non-conformity, defects or ground termite infestation within the warranty periods set forth above.

(d) Seller warrants against defects in equipment, material, or workmanship and materials of the common elements of the Project and the boat parking apartments resulting in noncompliance with standards of quality as measured by acceptable trade practices for a period of one (1) year from the date of original conveyance of title for the first apartment in the Project that is conveyed by Seller to one or more third parties other than the Seller and shall apply only to such instances of defects as to which the Association shall have given written notice to the Seller within said period of one (1) year.

5. Buyer understands and agrees that (a) Seller's obligation to provide landscaping within the common elements of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity) and installation of the irrigation system pursuant to Seller's landscaping plans, as the same may be amended from time to time in Seller's sole discretion; (b) installation of the plant materials and irrigation system may be completed after the Closing Date; (c) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; and (d) the Association will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

6. The Condominium Map for the Project is intended to show only the layout, location, apartment numbers and dimensions of the apartments in the Project. The Condominium Map is NOT intended to show the dimensions of any limited common elements, and buyer understands and acknowledges that the sizes of such limited common elements, such as yard areas, may vary from those shown on the Condominium Map due to field changes and other factors. **BUYER AGREES THAT THE CONDOMINIUM MAP IS NOT INTENDED TO BE AND IS NOT A WARRANTY OR PROMISE OF ANY KIND BY SELLER.**

7. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S APARTMENT. IF BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW BUYER DOES IT WILL BE UP TO BUYER SUBJECT TO THE RESTRICTIONS CONTAINED IN THE SALES AGREEMENT. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

8. Buyer will pay for the following closing costs: all of the Escrow fee, all notary fees, all appraisal fees, all recording costs, all charges for buyer's credit report, all costs of preparing any mortgages and promissory notes, and all title insurance costs. Buyer will also pay all mortgage costs. Buyer will also pay a nonrefundable start-up fee which will be held and used by the Seller and the first Managing Agent of the Association as a working capital fund for the benefit of all the apartment owners. Buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project even if it is owned by Seller. Proration of maintenance charges and other common expenses, and real property taxes will be made as of the scheduled Closing Date.

9. If buyer fails to make any payment when it is due or fails to keep any of buyer's other promises or agreements contained in the Sales Agreement, then Seller will have the right, at Seller's sole option and in addition to any other rights contained in the Sales Agreement, to do any one or more of the following:

(a) Seller may cancel the Sales Agreement by giving buyer written notice of cancellation and Seller may keep all sums paid by buyer under the Sales Agreement as "liquidated damages" (i.e., the amount agreed to by buyer and Seller as properly payable in settlement for breach of contract), and not as a penalty. Without limiting the generality of the foregoing, buyer understands and acknowledges that if buyer defaults under the Sales Agreement after it has become a binding contract (as described in Article V, Section E.1 of the Sales Agreement), Seller may keep the Option Deposit (as defined in the Sales Agreement) in addition to all other sums paid by buyer under the Sales Agreement. If Seller cancels the Sales Agreement, buyer agrees that it will be difficult and expensive to determine the amount of loss or damage Seller will suffer. This is because of, among other things, Seller's commitments relating to the financing of the Project, the effect of default and cancellation of one sale on other apartment sales, and the nature of the real estate market in Hawaii. Buyer agrees that the sums paid by buyer under the Sales Agreement are a reasonable estimate of a fair payment to Seller for Seller's loss or damage resulting from buyer's default.

(b) Seller may file a lawsuit for damages.

(c) Seller may file a lawsuit for "specific performance" (in other words, a lawsuit to make buyer keep all of buyer's promises and agreements).

(d) Seller may take advantage of any other rights which the law allows or which Seller may have under the Sales Agreement.

Buyer also agrees to pay for all costs, including Seller's reasonable lawyers' fees (for both in-house and outside counsel) and the escrow cancellation fee, which are incurred because of buyer's default.

10. If Seller fails to keep any of Seller's promises or agreements contained in the Sales Agreement, buyer may require Seller to go through with the Sales Agreement unless the Sales Agreement is only a "reservation" in which case the terms of Article V, Section E.1 of the Sales Agreement will control, or buyer may cancel the Sales Agreement. If buyer cancels the Sales Agreement because of Seller's default, Seller will repay to buyer all sums paid by buyer to Seller or Escrow under the Sales Agreement, without interest.

BUYER AGREES THAT IF SELLER DEFAULTS UNDER THE SALES AGREEMENT AT ANY TIME, BUYER WILL ONLY HAVE THE RIGHTS MENTIONED IN THIS SECTION. BUYER GIVES UP ANY OTHER RIGHTS BUYER MIGHT OTHERWISE HAVE.

11. Conditions Affecting the Property and Project. The buyer understands, acknowledges, covenants and agrees to the following:

(a) Utility Effects. The Property is located across the street from an electrical substation and is or may be located adjacent to or in the vicinity of electric, water and other utilities and public roads and thoroughfares, including, without limitation, such things as electrical substations, high-powered electrical transmission lines, water pump stations, water tanks, reservoirs, freeways and exit ramps which may result in nuisances, such as noise and dust, disturbances or hazards (collectively, the "Utility Effects") to persons and to property on or within the Property. In recent years, concerns have been raised about possible adverse health effects of electric and magnetic fields from power lines. Seller is not insuring or guaranteeing the health of buyer or other occupants or users of the Property and disclaims liability for personal injury, illness or any other loss or damage caused by or arising from the Utility Effects including, without limitation, the presence or malfunction of any electrical distribution systems that may be located adjacent to, near, or over any part of the Property;

(b) Geological Effects. The Property is located adjacent to or in the vicinity of lands from which boulders and other material may become dislodged by acts of God or other natural forces which may result in injury or damage (collectively, the "Geological Effects") to persons and to property on or within the Property;

(c) Development Effects. (i) The Project is or may be located adjacent to or in the vicinity of other phases of LALEA at Hawaii Kai, and various construction activities, including, but not limited to, ongoing residential and related construction, proposed construction of future residential subdivisions and roads, commercial and office buildings, land development activities, one or more recreational centers and facilities, and other construction and development projects (collectively, the "Proposed Development"); (ii) construction of the Proposed Development will or may result in noise, dust, vibration and other nuisances, disturbances or hazards to buyer and to persons and property on or within the Property or the Project, and may limit buyer access to the Project; (iii) when completed, traffic, lights, noise, dust, vibration and other nuisances, disturbances or hazards to persons and property on or within the Property or the Project may be generated from the Proposed Development; (iv) no representations or warranties are made by Seller, its employees or agents concerning plans, or the absence of plans, by Seller or others for future development of adjacent or nearby properties, and any plans for the future development of adjacent and nearby properties by Seller are subject to change in the sole and absolute discretion of the Seller or its successors and assigns; and (v) Seller makes no representations regarding the view from the Property or any view easements or rights, and the views from the Property are not guaranteed and may be altered, diminished, eliminated or blocked entirely by the future development of adjacent or surrounding properties (items (i) through (v) are hereinafter collectively called the "Development Effects"); and

(d) Waiver, Release and Indemnity. Buyer represents and warrants to Seller that buyer, in buyer's sole discretion, has determined that the benefits of owning and enjoying the Property outweigh the risks of the Utility Effects, the Geological Effects and the Development Effects (collectively, the "Property Conditions"). Buyer irrevocably agrees to suffer and permit all actions and consequences incidental to the Utility Effects and the Geological Effects. Buyer irrevocably agrees to suffer and permit all actions and consequences incidental to the Development Effects, for a period of ten (10) years after the date of recordation of the Apartment Deed. Buyer covenants and agrees to assume all risks of impairment of buyer's use and enjoyment of the Property or the Project, loss of market value of the Property, and property damage or personal injury arising from the Property Conditions, and buyer, for the buyer and the buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, and those who use the Property through the buyer for an extended period of time (collectively, the "Occupants"), waives any claims or rights of action or suits against Seller, its successors and assigns, the City and County of Honolulu, the State of Hawaii,
