## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 98-016666  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]: First Amendment to Declaration of Condominium Property Regime of Kilauea Estates 15 Condominium dated June 24, 1998, recorded as Document No. 98-096551.

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

 Recorded - Bureau of Conveyances Condo Map No. 2667  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 98-016667  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]: First Amendment to the Bylaws of the Association of Unit Owners of Kilauea Estates 15 Condominium dated April 30, 1998, and recorded as Document No. 98-069235.

**D. House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed                       Adopted                       Developer does not plan to adopt House Rules

**E. Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interests which must vote for or give written consent to changes:

Declaration (and Condo Map)	75%*	_____100%_____
Bylaws	65%	_____100%_____
House Rules	-----	_____N/A_____

\*The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. Developer

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

The Developer reserves the right to change the Declaration and Condominium Map as provided for in Section L.2. of the Declaration, and further the Developer reserves the right to change the By-Laws as provided for in Section 13.5(b) of the Bylaws.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

**D. Common Elements, Limited Common Elements, Common Interests:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

The common elements of the project include the land described in Exhibit "A" attached to the Declaration in fee simple, and the limited common elements as described in the Declaration, and all other portions of the project, other than the units, including, specifically, but not limited to: (1) the common elements mentioned in the Act that are actually constructed on the land, and all other portions of the project necessary or convenient to its existence, maintenance and safety or normally in common use and which are not included as part of a unit; (2) the common elements shown on the Condominium Map; (3) the leach field/seepage pit for the individual septic systems; and (4) the common driveway (if any).

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit\_\_\_\_\_.

as follows:           The limited common element consists of the land area surrounding each unit as shown on the Condominium Map.

NOTE: Land areas referenced herein are not legally subdivided lots.

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit\_\_\_\_\_.

as follows:           Each unit shall have appurtenant thereto an undivided fifty percent (50%) interest in all common elements of the property, and the same proportionate share in all common profits and expenses of the project for all other purposes, including voting. The percentage common interest for each unit is determined by apportioning a fifty percent (50%) interest to each of the two (2) units irrespective of the actual land areas contained in each of the two (2) units.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit\_\_\_\_\_ "C" describes the encumbrances against the title contained in the title report dated JUL - 8 1998

and issued by TITLE GUARANTY OF HAWAII INCORPORATED.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgages	Buyer's interest will be terminated and Buyer may be entitled to a refund of deposit, less escrow cancellation fees.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:**

Developer makes no warranties but will assign contractor's warranties, which will last for five years for the roof and one year for the unit from the date of substantial completion of each unit.

2. **Appliances:**

Developer makes no warranties but will assign any manufacturer's warranties then in effect.

**G. Status of Construction and Date of Completion or Estimated Completion Date:**

The Owner/Developer estimates the time of completion of the project to be April - July, 1998.

**H. Project Phases:**

The developer  has  has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

#### IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Managing Agent:** When the developer or the developer's affiliated is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report is:

not affiliated with the Developer  the Developer or the Developer's affiliate.  
 self-managed by the Association of Apartment Owners  other \_\_\_\_\_

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "D" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

None  Electricity ( \_\_\_\_\_ Common Elements only \_\_\_\_\_ Common Elements & Apartments)

SUMMARY OF DEPOSIT RECEIPT AND SALES CONTRACT

The Deposit Receipt and Sales Contract, including the terms and conditions attached thereto as Article IV (hereinafter collectively called the "Sales Contract") contain the price and other terms and conditions under which a purchaser will agree to buy a unit in the Project. Among other things, the Sales Contract states:

(a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a unit.

(b) That the purchaser acknowledges having received and read a public report (either preliminary or final) for the Project prior to signing the Sales Contract.

(c) That the Developer makes no representations concerning rental of a unit, income or profit from a unit, or any other economic benefit to be derived from the purchase of a unit.

(d) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.

(e) Requirements relating to the purchaser's financing of the purchase of a unit.

(f) That the unit and the Project will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.

(g) That the Developer makes no warranties regarding the unit, the Project or anything installed or contained in the unit or the Project.

(h) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.

(i) That the purchaser will not receive interest on deposits made under the Sales Contract.

(j) If the buyer shall default:

(1) The contract may, at the seller's option, be terminated by written notice to the buyer; and

(2) Any sums paid by the buyer shall belong to the seller as liquidated damages (up to a maximum of 20% of the total purchase price); and

(3) The seller may pursue any other remedy, including specific performance, permitted by law or equity. All costs, including reasonable attorneys' fees, incurred by reason of default by the buyer shall be borne by the buyer.

Further, if the buyer shall default in making any payment when due, a late charge of one percent (1%) per month shall accrue from the due date until such payment, together with such late charge, is paid, or at any time prior to the time that such payment and late charge is paid in full, the seller may, at its option, terminate this contract as provided in paragraphs (1) through (3) above.

EXHIBIT "F"

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser is entitled to a refund if the purchaser or seller cancels the Sales Contract in accordance with its cancellation provisions, or if the purchaser terminates its reservation before the Sales Contract is binding. However, Escrow may deduct from the refund cancellation fees in accordance with the Sales Contract.

In the event of a default by the purchaser, the funds paid by the purchaser shall belong to the seller as liquidated damages (up to a maximum of twenty percent (20%) of the total purchase price).

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.

(d) The purchaser's funds that are placed in trust prior to closing may be used by the seller after (1) the purchaser has (i) been provided with a final public report; (ii) executed a receipt and notice and has waived his right to cancel or thirty (30) days have elapsed since the purchaser has been provided with the final public report and receipt and notice of right to cancel; and (2) the seller notifies escrow in writing that since (i) and (ii) have happened, the Sales Contract is binding; and (3) the seller's attorney advises escrow that the Sales Contract is binding and the requirements of Hawaii Revised Statutes, Sections 514A-63 and -65 have been met.

(e) Escrow may not disburse any buyer's funds in the construction of the project until completion of the project and the expiration of the mechanic's and materialmen's lien period. Escrow may disburse prior to completion of the project and expiration of the applicable lien period if the Developers would furnish each purchaser an Owners Title Insurance with an endorsement against any future liens placed on the apartments or project as a result of the development, plus providing the Real Estate Commission a release of the General Contractor's lien rights.
