## General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- Proposed  
 Recorded - Bureau of Conveyances - Document No. 98-157069  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court - Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

- Proposed  
 Recorded - Bureau of Conveyances Condo Map No. 2811  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed  
 Recorded - Bureau of Conveyances - Document No. 98-157070  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt house rules to govern the use and operation of the common elements and individual apartments. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed       Adopted       Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75% *	<u>75%</u>
Bylaws	65%	<u>65%</u>
House Rules	--	<u>n/a</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. Developer:

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules.

**See attached Exhibit "A"**

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.  
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>    X    </u>	<u>          </u>	<u>          </u>
Structures	<u>    X    </u>	<u>          </u>	<u>          </u>
Lot	<u>    X    </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit     C    .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit D

as follows:

**Note:** Reference in said Exhibit D to "Dwelling Areas" 59-762 and 59-762A does not mean legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

Dwelling 59-762	-	50%
Dwelling 59-762A	-	50%

**E. Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit E describes the encumbrances against the title contained in the title report dated October 21, 1998 and issued by Hawaii Escrow & Title, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- [ ] There are no blanket liens affecting title to the individual apartments.  
[ x ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The Buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
<b>Mortgages</b>	<b>Buyer's interest may be terminated by mortgagee but Buyer shall be entitled to return of his deposit less escrow cancellation fees.</b>

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

Purchaser understands that Dwelling 59-762 was built in the 1960's and Dwelling 59-762A was built in the 1940's. Seller is selling the Dwellings together with the appliances and other personal property in "as is" condition. The Seller is giving no warranties to Purchaser with respect to the construction, materials or workmanship of the Dwellings. Seller is not giving any warranty on the Dwellings.

2. Appliances:

Purchaser shall have the direct benefit of any manufacturer's or dealer's warranties covering the furnishings and appliances in the Dwellings.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Dwelling 59-762 was built in the 1960's.  
Dwelling 59-762A was built in the 1940's.

H. Project Phases:

The developer [ ] has [ X ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer
- the developer or the Developer's affiliate
- self-managed by the Association of Apartment Owners
- other \_\_\_\_\_

B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit H contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

See attached Disclosure Abstract (Exhibit H)

C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

- None
- Electricity (\_\_\_ Common Elements only \_\_\_\_\_ Common Elements & Apartments)
- Gas (\_\_\_\_\_ Common Elements only \_\_\_\_\_ Common Elements & Apartments)
- Water
- Sewer
- Television Cable

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

Paragraph 20 of the Declaration states:

"Except as otherwise provided herein, this Declaration may be amended by vote of seventy-five percent (75%) of the Dwelling Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association. In addition, the approval of eligible holders of first mortgages on Dwellings to which are appurtenant at least 51% of the common interest of the project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Dwellings. An eligible holder is a holder of a first mortgage on a Dwelling which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Dwelling; (9) the interest in the common elements; (10) convertibility of Dwellings into common elements or of common elements into Dwellings; (11) leasing of Dwellings; (12) imposition of any right of first refusal or similar restriction on the right of a Dwelling Owner to sell, transfer or otherwise convey his or her interest in the Dwelling; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

Notwithstanding the foregoing, however, if (1) at any time prior to the first filing in the Recording Office of a conveyance of a Dwelling, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Dwelling purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Dwelling as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

Notwithstanding the foregoing, the Owner of any Dwelling shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the changes made to a Dwelling in accordance with Paragraph 19.1 of this Declaration. Promptly upon completion of such changes, the Owner of the changed Dwelling shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Dwelling Owners and all future Dwelling Owners and their mortgagees, by accepting an interest in a Dwelling, shall be deemed to have given each Dwelling Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Dwelling on the Declaration so that each Dwelling Owner shall hereafter have a Power of Attorney from all the other Dwelling Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Dwelling (including his common interest) and shall be irrevocable."

(v) During the entire course of such construction, the Dwelling Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(vi) The Owner of the changed Dwelling shall have the right to utilize, relocate and realign existing and/or to develop

additional, central and appurtenant installations for services to the Dwelling affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the project;

(vii) If the consent or joinder of another Owner is required by the Act, then each Owner hereby consents in advance to such change.
