General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- Proposed
 Recorded - Bureau of Conveyances - Document No. _____
Book _____ Page _____
 Filed - Land Court - Document No. 2495975

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

 Filed - Land Court Condo Map No. 1269

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed
 Recorded - Bureau of Conveyances - Document No. _____
 Filed - Land Court Condo Map No. 2495976

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. House Rules. The Board of Directors may adopt house rules to govern the use and operation of the common elements and individual apartments. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt house rules.

E. Changes to Condominium Documents

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Exhibit E describes the encumbrances against the title contained in the title report dated October 19, 1998 and issued by Hawaii Escrow & Title, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- [] There are no blanket liens affecting title to the individual apartments.
- [x] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The Buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>

The Seller is giving no warranties to Purchaser with respect to the construction, materials or workmanship of Unit 1. Seller is not giving any warranty on Unit 2.

2. Appliances:

Purchaser shall have the direct benefit of any manufacturer's or dealer's warranties covering the furnishings and appliances in Unit 1.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

C. Additional Information Not Covered Above

SPECIAL NOTATION

The specimen Sales Contract provides in part that Purchasers understand Unit 1 and Unit 2 are being sold in "as is" condition. The existence of any defect in the Units or anything installed thereon shall not excuse the Purchaser's obligation to perform all of his obligations under his contract.

The Specimen Sales Contract further states that the Purchasers will not have any right to file any lawsuit for damages against the Seller for any defects in the Units or in the Project.

UNIT 2

There are County restrictions on the number of residential dwellings, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property.

DEVELOPER'S RESERVED RIGHTS

The Developer (Declarant) has reserved the following rights to change the Declaration, Condominium Map, By-Laws or House Rules:

Paragraph 20 of the Declaration states:

"Except as otherwise provided herein, this Declaration may be amended by vote of one hundred percent (100%) of the Unit Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such Owners or by the proper officers of the Association.

In addition, the approval of eligible holders of first mortgages on Units to which are appurtenant at least 51% of the common interest of the project shall be required for any material amendment to the Declaration or any amendment of a provision for the express benefit of holders or insurers of first mortgages on Units. An eligible holder is a holder of a first mortgage on a Unit which has made a written request to the Association that it receive notices of proposed changes to the Declaration. A material amendment to the Declaration is one which establishes, provides for, governs or regulates any of the following: (1) voting; (2) assessments, assessment liens, or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for maintenance and repair of the project; (7) expansion or contraction of the project for the addition, annexational or withdrawal of property to or from the project; (8) boundaries of any Unit; (9) the interest in the common elements; (10) convertibility of Units into common elements or of common elements into Units; (11) leasing of Units; (12) imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer or otherwise convey his or her interest in the Unit; or (13) establishment of self management by the Association after professional management has previously been required by any of the mortgage holders.

Notwithstanding the foregoing, however, if (1) at any time prior to the first filing in the Recording Office of a conveyance of a Unit, the Declarant may amend this Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Unit purchaser; and (2) at any time thereafter, the Declarant may amend this Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Unit as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

Notwithstanding the foregoing, a Unit Owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to reflect the changes made to his Unit in accordance with Paragraph 19.1 of this Declaration. Promptly upon completion of such changes, the Unit Owner shall duly record with the Recording Office an amendment to this Declaration and to the Condominium Map, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Unit Owners and all future Unit Owners and their mortgagees, by accepting an interest in a Unit, shall be deemed to have given each Unit Owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Unit on the Declaration so that each Unit Owner shall hereafter have a Power of Attorney from all the other Unit Owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Unit (including his common interest) and shall be irrevocable."

EXHIBIT "A-1"

DECLARANT'S RIGHT TO ADD ONE ADDITIONAL UNIT TO THE PROJECT.

Subparagraph 19.3 of the Declaration states:

"(a) Declarant's Reserved Rights. Any provision of this Declaration to the contrary notwithstanding, Declarant hereby reserves the right, at their sole option, in accordance with Section 514A-11(12) of the Act, to construct one (1) additional residence (together with accessory buildings) on that portion of the Land designated on the Condominium Map as "Reserved for Future Development", which residence together with its appurtenant limited common element shall constitute an additional unit ("Additional Unit"). Such change may be made at any time and from time to time as hereinafter described and provided in this Paragraph 19.3, without obtaining the approval, consent or joinder of any owner, mortgagee or purchaser of any apartment or any interest therein or any of the persons then owning, leasing, renting or occupying any apartment or any interest therein. The Declarant's option to construct said Additional Unit to the Project shall expire on December 31, 2028. The Declarant's right under this Paragraph 19.3 may be terminated prior to such expiration date only upon the recordation in the Recording Office of an amendment to this Declaration executed by Declarant providing for such termination.

(b) Description of Additional Unit. If Declarant adds the Additional Unit to the Project, the Additional Unit will be designated as Unit No. 3 and its appurtenant limited common element shall be the area designated as "Reserved for Future Development" on the Plot Plan. Declarant reserves the right to select the design of the Additional Unit provided that except where the context would indicate to the contrary, the provision of Paragraph 19.1 shall govern the change to the Project being made by Declarant and provided, further, that the Additional Unit may not be created unless at least a third dwelling unit is legally permitted on the Land.

(c) Amendments of Declaration. Notwithstanding any other provision of this Declaration to the contrary, the Declarant may record in the Recording Office amendments of this Declaration and such other documents and instruments necessary or appropriate to effect the provisions of this Paragraph 19.3, including without limitation, (i) an amendment of the Declaration which describes the Additional Unit, sets forth the percentage of undivided interest in the common elements of the Project appurtenant to each apartment in the Project (including the Additional Unit), and amends such other provisions of this Declaration as appropriate to provide for the Additional Unit, (ii) an amendment of the Condominium Map showing the layout, location, apartment number and dimension of the Additional Unit, and the location and layout of any other improvements being added, and (iii) the "as built" verified statement (with plans, if applicable) with respect to the Additional Unit required by Section 514A-12 of the Act. The foregoing amendments need only be signed by the

Declarant and shall not require the approval, consent or joinder of any owner, mortgagee or purchaser of an apartment or any interest therein (including any time share or sharing interest) or any of the persons then owning, leasing, renting or occupying any apartment or any interest therein (including any time share or sharing interest).

(d) Effects of Amendments. After recording in the Recording Office each Amendment to the Declaration and Condominium Map as described in paragraph (c) of this Paragraph 19.3, the following shall occur:

(i) Each unit in the Project shall have an undivided interest in the common elements and in all common profits and expenses of the Project, and for all other purposes, including voting, as set forth in Section 6 above.

(ii) Upon the sale of the Additional Unit to a third party, Declarant may require any such purchaser to make contributions, in addition to their normal prescribed share of the common expenses, to the maintenance reserves, if any, of the Project. Declarant may provide that such contribution shall be made over a period of time and in setting the amount and terms of such contribution, Declarant shall take into account the amount of maintenance reserves accumulated prior to the construction of the Additional Unit, as appropriate, and the condition of preexisting improvements in the Project.

(iii) The owner of the Additional Unit shall not be obligated to pay any outstanding debts, expenses, costs or other obligations of the apartment owners in the Project as of the date of recordation of the Amendment reflecting the Additional Unit.

(iv) The Project, including the Additional Unit shall be treated as a single condominium project by the name previously used, and the owner of the Additional Unit (including the Declarant) shall automatically become a member of the Association.

(e) No Obligations Regarding the Addition. Nothing in this paragraph 19.3 regarding Declarant's right and option to construct the Additional Unit shall be construed as a representation or warranty by the Declarant that the Additional Unit will be constructed or developed as part of the Project.

(f) Easements for Construction and Sale of Additional Unit. In connection with, and only to the extent necessary for, the development, construction and sale of the Additional Unit and common elements, Declarant, its employees, agents and contractors, shall have the right to enter into the common elements of the Project for all purposes reasonably necessary for or useful to (i) the construction and completion of the Additional Unit according to plans and specifications or amended plans and specifications approved by the officer of the County of Honolulu having jurisdiction over the issuance of building

permits, (ii) the sale of the Additional Unit, (iii) the connection of the apartment and common elements in the Additional Unit to all utilities serving the Project, and (iv) the relocation or realignment of any existing easements, rights of way or utilities, provided that any such relocation or realignment shall not materially impair or interfere with the use and enjoyment of any apartment in the Project. Declarant shall have, and hereby reserves, an easement over, under and across the common elements of the Project of the purpose of commencing and completing all work connected with or incidental to the development, construction and sale of the Additional Unit and other improvements contemplated, together with the right, in the nature of an easement, to create and cause noise and other nuisances necessitated by and resulting from any work connected with or incidental to the development, construction and sale of the apartment and improvements contemplated for the additional building and together also with the right to grant new and/or realigned easements for utility and rights of way to the appropriate utility companies provided that such easements shall not materially impair or interfere with the use in enjoyment of any apartment in the Project.

(g) Easements for Completion of Improvements. Declarant, its agents, employees, contractors, licensees, successors and assigns shall have an easement over and upon any portion of the Project (including the Additional Unit) as may be reasonably necessary for the completion of any improvements to and correction of defects and other punch list items in the common elements or the Additional Unit. Such easement shall terminate twenty-four (24) months after the later to occur of (i) the date of recording in said Recording Office of the first apartment conveyance in favor of a party not signatory to this Declaration covering an Additional Unit; or (ii) the "date of completion" as said term is used in Chapter 507, Part II, Hawaii Revised Statutes, of the improvements to be completed or constructed.

(h) Power of Attorney. The acceptance or acquisition by any party of any interest in the Project shall constitute an undertaking and agreement by such party to execute any document or instrument necessary or appropriate, as determined by Declarant in its sole and absolute discretion, for the purpose of carrying out the provisions of this paragraph 19.3, and shall constitute an appointment by such part of Declarant as the true and lawful attorney in fact of such party, to execute, acknowledge, deliver and record any and all such instruments. Said power of attorney shall be coupled with an interest and shall be irrevocable.

(i) Severability. If any one or more of the provisions of this paragraph 19.3 shall be declared to be contrary to law, then such provision or provisions shall be null and void and shall be deemed separable from the remaining provisions of this paragraph 19.3 and shall in no way affect the enforceability of any other provision hereof."

EXHIBIT "B"

PERMITTED ALTERATIONS TO APARTMENTS.

1. Sub-paragraph 19.1 of the Declaration states:

"Each Unit Owner, with the consent of any holder of any mortgage affecting the Owner's Unit, shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all liens affecting his Unit, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make improvements upon the Dwelling Area appurtenant to the Unit (collectively, the foregoing are referred to "changes") subject to the following conditions:

(i) Building plans for any change shall be prepared by a licensed architect or professional engineer; and any change shall conform with (aa) City and County building and zoning laws, (bb) other applicable County ordinances, and (cc) Restrictive Covenants.

(ii) Any change to a Unit must be made within the Dwelling Area which is appurtenant to such Unit and may not interfere with the other Owner's use or enjoyment of the other Unit in the Project, the common elements or the limited common elements appurtenant to such other Unit;

(iii) No change to a Unit will be made if the effect of such change would be to exceed the Unit's proportionate share of the allowable floor area or Lot area coverage for the Land, or number of dwelling units, as defined by the zoning and building codes applicable to the Land in effect when the change is to be made. The proportionate share for each Unit shall be a percentage having as its numerator the area of the Dwelling Area appurtenant to such Unit and having as its denominator 1.167 acres.

(iv) All such changes shall be at the expense of the Unit Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Unit Owner's use of his Dwelling Area.

(v) If and when a change is made to a Unit (including without limitation the replacement by a residence if the Unit was previously a shed or carport), the Owner making the change ("Building Owner") and the Owner of the other Unit ("Non-Building Owner") shall cooperate with each other with respect to making of such change. Such cooperation shall include without limitation applying for and obtaining building, utility and other governmental permits, and obtaining utility services into the Dwelling Area appurtenant to the Unit being affected by the change. Notwithstanding the foregoing, the Non-Building Owner

shall not be required to incur any cost or expense on account of said change without being reimbursed by the Building Owner. All costs incurred in the making of the change (including the building of any residence) shall be borne by the Building Owner, who shall indemnify and hold the Non-Building Owner harmless from any loss, liability, damage or expense incurred or suffered by the Non-Building Owner on account of such change made by the Building Owner.

(vi) During the entire course of such construction, the Unit Owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(vii) The Owner of the changed Unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the project;

(viii) If the consent or joinder of another Owner is required by the Act, then each Owner hereby consents in advance to such change.

(ix) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to all Owners the rights set forth in this paragraph."
