**Summary of Changes from Earlier Public Reports:**

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

**SPECIAL ATTENTION**

This is a CONDOMINIUM PROJECT, **not** a subdivision. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property.

1. There are presently NO RESIDENTIAL STRUCTURES ON THE PROPERTY. The only buildings on the property are agricultural shade sheds, each of which may be defined as an "apartment" under the condominium property act.
2. This public report does **not** constitute an approval of the project by the Real Estate Commission or any other governmental agency, nor does it warrant that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.
3. The land area beneath and immediately appurtenant to each unit is designated a **LIMITED COMMON ELEMENT** and is **not** a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.
4. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common Elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 98-177672  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed  
 Recorded - Bureau of Conveyances Condo Map No. 2829  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 98-177673  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

**D. House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed                       Adopted                       Developer does not plan to adopt House Rules

**E. Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. Apartment Owners: Minimum percentage of common interests which must vote for or give written consent to changes:

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

The Developer reserves the right to change the Declaration and Condominium Map as provided for in Section M. of the Declaration, and further the Developer reserves the right to change the Bylaws as provided for in Section 13.5 of the Bylaws.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

**D. Common Elements, Limited Common Elements, Common Interests:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "C".

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "D"\*.

as follows:

\*Note: Land areas reference herein are not legally subdivided lots.

3. Common Interests: Each apartment will have an undivided fractional interests in all of the common elements. This interest is called the "common interests." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_.

as follows:

Each unit shall have apurtenant thereto an undivided thirty-three and one-third percent (33-1/3%) interest in all common elements of the property, and the same proportionate share in all common profits and common expenses of the property (except as may be otherwise provided in the Bylaws) and for all other purposes, including voting. The percentage common interest for each unit is determined by apportioning a thirty-three and one-third percent (33-1/3%) interest to each of the three (3) units irrespective of the actual land areas contained in each unit.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "E" describes the encumbrances against the title contained in the title report dated October 15, 1998 and issued by Title Guraranty of Hawaii, Inc.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>

1. Building and Other Improvements:

None: Units are sold "as is".

2. Appliances:

**G. Status of Construction and Date of Completion or Estimated Completion Date:**

C. **Additional Information Not Covered Above**

1. Purchasers should be aware that Chapter 205, Hawaii Revised Statutes ("H.R.S."), does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".

The term "farm dwelling" is defined in H.R.S. Chapter 205-4.5(a)(4) as a "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwelling permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling."

The penalty for violation of H.R.S. Section 205-4.5, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

In order for any purchaser to obtain a building permit to construct a single family residential unit (farm dwelling), the County of Kauai will require the purchase to sign a Farm Dwelling Agreement in the form attached hereto as Exhibit "I".

In addition, Section K.2. of the Declaration imposes a duty of each unit owner to bear an equal burden proportionate to the unit owner's respective appurtenant interest in the common area for the cost of maintaining agricultural activities on the Project that are satisfactory to the Planning Department of the County of Kauai and that will allow the issuance of a Farm Dwelling Agreement and corresponding building permit to all of the units with the Project. See Section K.2. of Exhibit "B", Alteration of Project.

2. Purchasers should be aware that the property, and each condominium unit, is subject to the restrictions contained in the following documents:
  - (a) Declaration of Restrictive Covenants, attached hereto as Exhibit "J".
  - (b) Special Management Area Permit SMA(U)-79-9, as amended, attached hereto as Exhibit "K".
3. The use of hazardous material is restricted except as provided under Article H of the Declaration and all hazardous materials laws.

The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

## EXHIBIT "A"

### DESCRIPTION OF BUILDINGS

The project consists of three (3) agricultural shade sheds constructed principally of steel posts and screen, without a basement or foundation.

Units A, B and C, located as shown on the Condominium Map, each contain a total area of 20 square feet.

The approximate net floor areas of each unit as set forth above is measured from the interior surface of the unit perimeter walls and includes all of the walls and partitions within its perimeter walls.

**EXHIBIT "B"**

**ALTERATION OF PROJECT**

Paragraph K of the Declaration provides that:

1. Provided that the unit owner satisfies the applicable terms and conditions of the Project Documents and obtains the necessary governmental permits and the prior approval of the Design Review Committee as set forth in the Restrictive Covenants, each unit owner shall have the right at his sole option at any time and from time to time, as hereinafter set forth, without the consent and/or approval of the owner of any other unit or any other persons or entity, to improve, renovate, remodel, make additions to, enlarge, remove, replace, alter or restore the improvements to or in his unit or portions thereof or upon or within the limited common elements or easements appurtenant to his unit (collectively, the foregoing are referred to as "alterations"). Each unit owner shall have the right without the consent or joinder of any other person to amend this declaration and the Condominium Map to accomplish any such alterations. If required by the Act, promptly upon completion of such alterations the owner of the altered unit shall duly record such amendment to this declaration in the Bureau of Conveyances, together with a complete set of the floor plans of such unit as so altered, certified by a registered architect or professional engineer to fully and accurately depict the altered portions of the property as built. All existing unit owners and all future unit owners and their mortgagees, by accepting an interest in a unit, consent to all such alterations and agree to give and shall be deemed to have given the owner of the altered unit a power of attorney to execute an amendment to the declaration solely for the purpose of describing the alterations to such unit in the declaration so that the owner of the altered unit shall hereafter have a power of attorney from all the other unit owners to execute such amendment to the declaration. This power of attorney shall be deemed coupled with each owner's interest in his unit (including his common interest) and shall be irrevocable. If, despite the provisions of this paragraph, any governmental agency shall require some or all of the owners of units in the Project (other than the unit owner applying for the governmental permit) to sign the necessary governmental permit application or related documents, then all of the other unit owners shall be required to sign any such permit applications or related documents as may be necessary to allow a unit owner to obtain the governmental permit authorized by this paragraph.

2. In certain cases, H.R.S. Chapter 205 may require that the Condominium Houses located within the Project qualify and be used as Farm Dwellings. If one or more of the Condominium Houses within the Project must qualify as a Farm Dwelling, then the affected unit owner will be required to enter into an agreement with the County of Kauai certifying that the Farm Dwelling will be used in connection with a farm or where agricultural activity provides income to the family occupying the Farm Dwelling. In addition, the Planning Department of the County of Kauai may not allow any Farm Dwelling to be constructed after the first Farm Dwelling within the Project unless the Planning Department inspects the Project to confirm whether agricultural activities are being conducted on the Project in accordance with H.R.S. Chapter 205. Each unit owner in the Project, therefore, shall bear an equal burden proportionate to the unit

owner's respective appurtenant interest in the common area, for the cost of maintaining agricultural activities on the Project that are satisfactory to the Planning Department of the County of Kauai and that will allow the issuance of a Farm Dwelling Agreement and corresponding building permit to all of the units within the Project. Any assessment that may be necessary to maintain agricultural activities pursuant to this paragraph may be imposed upon each unit in accordance with the Bylaws as a common expense of the association in connection with the operation of the Project.

3. Any alteration of a unit pursuant to this Paragraph K shall be subject to the following conditions:

(a) All such alterations shall conform with all applicable governmental regulations, laws and ordinances.

(b) Such alterations may decrease or increase the size of the affected unit, provided that no alteration shall extend or place the unit outside of the limits of the Yard Area appurtenant to such unit.

(c) All such alterations shall be at the sole expense of the unit owner making the change and shall be made within one (1) year of the commencement thereof and in a manner that will not unreasonably interfere with the other unit owner's use of his unit or Yard Area.

(d) The owner of the altered unit shall have the right to utilize, relocate, realign and/or develop additional, central and appurtenant installations for services to the unit affected by such alteration for electricity, sewer and other utilities and services. When necessary, the owner of the altered unit may add, delete, relocate, realign, designate and grant easements and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith. Provided, however, that no work done pursuant to this paragraph shall cause any unreasonable interruption in the service of such utilities to any other part of the Project, nor shall it unreasonably interfere with any other unit owner's use or enjoyment of his unit or Yard Area.

4. Under current laws, the Project is entitled to construct one (1) Guest House. The right to construct said Guest House is reserved to the owner of Unit B. Said right may be assigned by the owner of Unit B to any other unit owner within the Project at any time. All provisions of the Comprehensive Zoning Ordinance and any other laws, ordinances or regulations which are applicable shall be observed by the unit owner to which the right to build a Guest House applies. The unit owner shall also consult with the appropriate County and/or State agencies regarding all applicable laws or regulations prior to construction.

5. Each and every conveyance, lease and mortgage or other lien made or created on any unit and all common interests, limited common elements, and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a unit shall reserve to all unit owners the rights set forth in this paragraph.

\* SPECIAL NOTATION: When applying for building permits, use permits, zoning permits or any other land use permits with governmental agencies, 75% of the owners of the Project may be required to sign the permit forms. In such case, all unit owners shall be required to sign such permit applications and related documents as may be necessary for any unit owner to obtain such permits.

The issuance of an effective date for the Condominium Public Report should not be construed to mean that all governmental laws, ordinances and regulations have been complied with and all subsequent development and use shall comply with applicable governmental laws, ordinances and regulations.

Additionally, the creation of the Condominium Property Regime does not mean that the land has met the subdivision requirements of the County. As such, certain facilities and improvements normally associated with County approved subdivisions may not be necessarily included as part of this Project.

**EXHIBIT "C"**

**COMMON ELEMENTS**

The common elements of the project shall specifically include, but are not limited to, the following:

1. The Property described in Exhibit "A", attached to the Declaration, in fee simple.
2. All central and appurtenant installations for common services, including utilities.
3. Any and all apparatus and installations of common use and all other parts of the project necessary or convenient to its existence, use, maintenance or safety, or normally in common use.

(\*) Mandatory reserves assessment and collection in effect beginning 1994 budget year. The Developer is to attach to this exhibit an explanation whether, in arriving at the figure for "Reserves", the Developer has conducted a reserve study in accordance with §514A-83.6, HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

Pursuant to §514A-83.6, HRS, a new association created after January 1, 1993, need not collect estimated replacement reserves until the fiscal year which begins after the association's first annual meeting.

End of EXHIBIT  "F"

Developer discloses that Developer has not conducted a reserve study in accordance with §514A-83.6, HRS, and the replacement reserve rules.

**EXHIBIT "G"**

**SUMMARY OF DEPOSIT RECEIPT AND SALES CONTRACT**

The Deposit Receipt and Sales Contract, including the terms and conditions attached thereto as Article IV (hereinafter collectively called the "Sales Contract") contain the price and other terms and conditions under which a purchaser will agree to buy a unit in the Project. Among other things, the Sales Contract states:

(a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a unit.

(b) That the purchaser acknowledges having received and read a public report (either preliminary or final) for the Project prior to signing the Sales Contract.

(c) That the Developer makes no representations concerning rental of a unit, income or profit from a unit, or any other economic benefit to be derived from the purchase of a unit.

(d) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.

(e) Requirements relating to the purchaser's financing of the purchase of a unit.

(f) That the unit and the Project will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.

(g) That the Developer makes no warranties regarding the unit, the Project or anything installed or contained in the unit or the Project.

(h) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.

(i) That the purchaser will not receive interest on deposits made under the Sales Contract.

(j) If the buyer shall default:

(1) The contract may, at the seller's option, be terminated by written notice to the buyer; and

(2) Any sums paid by the buyer shall belong to the seller as liquidated damages (up to a maximum of 20% of the total purchase price); and

(3) The seller may pursue any other remedy, including specific performance, permitted by law or equity. All costs, including reasonable attorneys' fees, incurred by reason of default by the buyer shall be borne by the buyer.

Further, if the buyer shall default in making any payment when due, a late charge of one percent (1%) per month shall accrue from the due date until such payment, together with such late charge, is paid, or at any time prior to the time that such payment and late charge is paid in full, the seller may, at its option, terminate this contract as provided in paragraphs (1) through (3) above.

The Sales Contract contains various other important provisions relating to the purchase of a unit in the Project. It is incumbent upon purchasers and prospective purchasers to read with care the specimen sales Contract on file with the Real Estate Commission.

## EXHIBIT "H"

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser is entitled to a refund if the purchaser or seller cancels the Sales Contract in accordance with its cancellation provisions, or if the purchaser terminates its reservation before the Sales Contract is binding. However, Escrow may deduct from the refund cancellation fees in accordance with the Sales Contract.

In the event of a default by the purchaser, the funds paid by the purchaser shall belong to the seller as liquidated damages (up to a maximum of twenty percent (20%) of the total purchase price).

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.

(d) The purchaser's funds that are placed in trust prior to closing may be used by the seller after (1) the purchaser has (i) been provided with a final public report; (ii) executed a receipt and notice and has waived his right to cancel or thirty (30) days have elapsed since the purchaser has been provided with the final public report and receipt and notice of right to cancel; and (2) the seller notifies escrow in writing that since (i) and (ii) have happened, the Sales Contract is binding; and (3) the seller's attorney advises escrow that the Sales Contract is binding and the requirements of Hawaii Revised Statutes, Sections 514A-63 and -65 have been met.

(e) Escrow may not disburse any buyer's funds in the construction of the project until completion of the project and the expiration of the mechanic's and materialmen's lien period. Escrow may disburse prior to completion of the project and expiration of the applicable lien period if the Developers would furnish each purchaser an Owners Title Insurance with an endorsement against any future liens placed on the apartments or project as a result of the development, plus providing the Real Estate Commission a release of the General Contractor's lien rights.

(b) "Owner" shall mean the legal or equitable owner, whether one or more persons or entities, who acquires title to all of the fee simple interest in any one of the 9 Lots, or who leases all of the leasehold interest in any one of the 9 Lots, but excluding any person or entity having any interest in any of the 9 Lots merely as security for the performance or repayment of any obligation and specifically excluding Declarant.

## ARTICLE II

### Restrictions

Section 1. Land Use. The 9 Lots shall be used in accordance with the State Land Use District Regulation and the Comprehensive Zoning Ordinance of the Island and County of Kauai. The land is zoned "Agricultural" by the Island and County of Kauai, and classified "Agricultural" by the State of Hawaii; therefore use of the land shall be in accordance with the following:

- A. The use of the 9 Lots shall be limited to those uses permissible in an "A" agricultural district, which are as follows:
- (1) Cultivation of crops, including but not limited to flowers, vegetables, foliage, fruits, forage and timber.
  - (2) Game and fish propagation.
  - (3) Raising of livestock, including but not limited to poultry, bees, fish or other animal or aquatic life that are propagated for economic or personal use.
  - (4) Farm dwellings, farm buildings or activities or uses related to farming and animal husbandry.
  - (5) Public institutions and buildings which are necessary for agricultural practices.
  - (6) Public and private "open area" types of recreational uses including day camps, picnic ground, parks, and riding stables, but not including drag strips, airports, drive-in theaters, golf courses, golf driving ranges, country clubs, and overnight camps.
  - (7) Public, private, and quasi-public utility lines, and roadways, transformer stations, solid waste transfer stations, etc., and appurtenant small buildings such as booster pumping stations but not including offices or yards for equipment, material,

vehicle storage, repair or maintenance, treatment plants and major storage tanks not ancillary to agricultural practices, or corporation yards or other like structures.

- (8) Retention, restoration, rehabilitation or improvement of buildings or sites of historic or scenic interest.
- (9) Roadside stands for the sale of agricultural products grown on the premises.
- (10) Building and uses, including but not limited to mills, storage and processing facilities, maintenance facilities that are normally considered direct accessory to the above permitted uses.
- (11) Agricultural parks.

B. Any dwelling constructed on any lot shall be a farm dwelling. A farm dwelling shall mean a single family dwelling located on and used in connection with a farm where agricultural activity provides income to the family occupying the dwelling.

C. The following activities will not be permitted.

1. No off street or curb parking will be permitted along Anini Vista Drive.
2. No commercial activity, with the exception of vacation rentals, will be permitted on any lot.
3. No offensive noises (that is, motor cross bikes, continuously barking dogs or other animals making unwanted noises such as roosters and chickens crowing continuously, and parrots and macaws cawing or making noises continuously) outside of those associated with the necessary maintenance and use of a lot.
4. Offensive Odors. No activity that generates an offensive or noxious odor will be permitted.

D. These covenants and restrictions shall run with the land until such time as the land is reclassified to a Land Use District other than Agriculture.

Section 2. Site Improvement Guidelines. The lots shall be subject to the following site improvement guidelines:

- A. Sight Distance At Intersections. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points fifteen (15) feet from the intersection of the street lines, or in the case of a rounded lot property corner from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.
- B. Fences. All fencing bordering on to Anini Vista Drive, Anini Road, Kalihiwai Road or Kuhio Highway must be three (3) rail wooden fencing of a kind and color to be approved by the Design Review Committee.
- C. Walls. No walls higher than six (6) feet will be permitted.
- D. Recreational, Commercial and Construction Vehicle, Boats, and Trailers. All such vehicles must be parked under roof in an approved building. No trailer homes shall be allowed.
- E. Mowing. Each lot fronting Anini Vista Drive must be kept mowed in a reasonable manner with the exception of areas where the topography makes mowing impossible or unreasonable.
- F. Driveways. Each property bordering onto Anini Vista Drive will be permitted a maximum of one (1) entry driveway with the exception of Lots 1 and 7 which shall each be permitted two (2) entry driveways.
- G. Construction Hours. Construction hours will be limited to Mondays through Saturdays from 7:00 a.m. to 6:00 p.m.

### Section 3. Building Guidelines.

- A. Building Setbacks. All setbacks must comply with existing county setbacks and with a sixty (60) foot setback for any lot fronting Anini Vista Drive.
- B. Building Size, Costs and Materials. The floor area of the building or dwelling shall have a floor area of not less than one thousand (1,000) square feet. A minimum building cost of one hundred-fifty dollars (\$150.00) per square foot for all living areas will be required. No

used materials or vinyl or plywood siding will be permitted with the exception of a board and batten finish of a style and type to be approved by the Design Review Committee.

- C. Height Profile of Building. Only a one (1) story building or dwelling will be permitted off the existing grade level. A lower second story will be permitted only at the lower level on a down slope lot condition. Exposed column structures below the second level shall not exceed 6 feet. (See attached sketch labelled as Exhibit "B" and made a part hereof for further details on this height profile matter.)
- D. Roofs. All roofs must be pitched with a minimum  $4\frac{1}{2}/12$  slope, preferably a "Hawaiian" style roof. Transitional flat roofs will only be permitted on approval of the Design Review Committee. (See Exhibit "B" for further information on the shape of the roof.) Roof materials shall be shake, shingle composition, copper or non-glazed ceramic. Colors shall be earth tone. No red or white roofs are allowed.
- E. Garages. All garages must be covered by a roof and must accommodate a minimum of two (2) cars. No garage doors facing towards the Anini Vista Drive will be permitted.
- F. Barns and Accessory Farm Buildings. There may be a maximum of one (1) barn per dwelling site with a maximum height of twenty (20) feet and of a color and style to be approved by the Design Review Committee. In the event that a detached garage is built on the dwelling site, then no barn will be permitted. No living quarters in any detached structure other than the principal residence will be permitted.
- G. Temporary Buildings. The only temporary buildings to be permitted will be condominium property regime ("CPR") sheds which must be of a style and color approved by the Design Review Committee. In the event that a barn or a detached garage is constructed on the lot or lot site, then the CPR shed must be removed or demolished at the cost and expense of the lot owner.

Section 4. View Corridors and Tree Trimming Guidelines. Lot owners shall have the right to reasonably trim vegetation on adjoining lots within fifty (50) feet of the adjoining lot boundary line. Such trimming can only be completed in the Open Space zoning area. Such work is to be completed at no cost to the adjoining lot owner. Such trimming shall be completed in a prudent manner in order to enhance views. Lot owners completing such trimming on adjoining lots shall notify adjoining lot owners five (5) days in advance and shall indemnify the adjoining lot owner for any damages

done caused by such trimming. Only licensed tree trimmers with adequate liability and personal injury insurance and who are also covered by workers compensation insurance shall be allowed to undertake and complete such trimming work.

Section 5. Additional Restrictions.

(a) Nuisance. No noxious or offensive activity shall be carried on upon any lot nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

(b) Temporary Structures. No structure or building of temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot of the subdivision at any time as a residence, either temporarily or permanently.

(c) Signs. No sign of any kind shall be displayed to the public view on any lot, except one (1) professional sign not more than one (1) square foot, one (1) sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

(d) Garbage and Refuse Disposal. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers which are sheltered and kept from public view. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. All lot owners and lot lessees will be responsible for the timely disposal of their garbage at a County Garbage Disposal site.

(e) Water Supply. No individual water supply system shall be permitted on any lot of the subdivision. Water will be supplied through a public system maintained by Princeville Water Systems, Inc., or its successor and assigns.

(f) Natural Water Courses. No construction of any buildings or any improvements or any grading or disposal of soil, rubbish, or other material which will impede the free flow of water in the various natural channels and water courses located within the 9 Lots shall be undertaken unless such impediments are approved in writing by the Department of Public Works of the Island and County of Kauai.

ARTICLE III

Section 1. Design Review Committee and Procedure for Making Amendments to the Improvement Guidelines, Building Guidelines and Related Construction Matters. A Design Review Committee consisting of three (3) members will be established for the 9 Lots. The initial Design Review Committee will include John Ferry, Alistair

Paterson, and William Dornbush. A majority vote of the nine (9) lot owners can replace any member of the Design Review Committee.

Except as otherwise provided herein, this Declaration, including the "Guidelines" set forth in Sections 1.C., 2, 3, 4, and 5 of ARTICLE II, may be amended by a vote of at least seven (7) of the nine (9) lot owners.

#### ARTICLE IV

##### General Provisions

Section 1. Duration. These restrictive covenants will be in effect from the date this instrument is recorded. These restrictive covenants are to run with the land and shall be binding on all parties and persons claiming under any of the 9 Lots. These restrictive covenants may be changed at any time, as provided herein; provided, however, that such changes do not violate the Island and County of Kauai and the State of Hawaii statutes, ordinances and laws, easements in effect, and that changes to restrictive covenants listed in Section 1.A, 1.B, 1.D, 2.A., 3.A, and 3.B. of ARTICLE II may be made only with the written approval of the County of Kauai.

Section 2. Enforcement. The Association of Owners of Anini Vista Estates (hereinafter referred to as "Association") shall have the right and the responsibility, to enforce any or all of the restrictive covenants and conditions imposed by this Declaration of Restrictive Covenants against any lot owner, person or persons violating or attempting to violate any restrictive covenant or condition. If at any time a dispute, difference or question shall arise between the Association and either a lot owner, person or persons, concerning the interpretation, construction or effect of the terms and provisions hereof or concerning full compliance by such lot owner, person or persons, with the Declaration, then every such dispute, difference or question shall be submitted to and determined by arbitration as set forth in the Bylaws of Association; provided, however, notwithstanding any provision herein to the contrary, the Association shall have the right to bring an action in any court of competent jurisdiction for an injunction pending the outcome of the arbitration. The lot owner, person or persons who the arbitrator(s) finds in violation of any restrictive covenant or condition may be liable for all costs and expenses of such enforcement action, including reasonable attorney's fees, and shall pay for any damages incurred. No failure by the Association to seek enforcement of the provisions of this Declaration of Restrictive Covenants shall entitle any lot owner or Declarant, or other person, to bring or maintain any action or proceeding in law or equity against the lot owner violating or attempting to violate a restrictive covenant or condition.

Section 3. No Waiver. No failure by the Association to enforce the provisions of any restrictive covenant or condition of this Declaration of Restrictive Covenants shall constitute a waiver of any right by the Association to enforce any provisions of the Declaration of Restrictive Covenants in another case against or with respect to the same lot owner.

Section 4. Severability. The restrictive covenants and conditions of this Declaration of Restrictive Covenants shall be deemed independent and severable and the invalidity or partial invalidity of any provision or portion thereof, or of any such restrictive covenant or condition shall not affect the validity or enforceability of any other provision.
