## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 99-064412  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instrument [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment numbers, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed  
 Recorded - Bureau of Conveyances Condo Map No. 2893  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instrument [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 99-064413  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed       Adopted       Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents:**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%	<u>100%</u>
Bylaws	65%	<u>100%</u>
House Rules	---	<u>N/A</u>

\* The percentages for individual condominiums may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws House Rules:

During the sales period, the Developer has reserved the right to make changes to the project documents and the project as may be required by law, a title insurance company, an institutional lender or any governmental agency prior to the conveyance or transfers of the first apartment, for any reason and in any manner, as the developer deems necessary under the circumstances, provided that no such change shall substantially alter or reduce the usable space within the Buyer's Apartment, render unenforceable the Buyer's mortgage commitment, increase the Buyer's share of common expenses, or reduce the obligations of the Developer for common expense on unsold apartments.

III. THE CONDOMINIUM PROJECT

A. **Interest to be Conveyed to Buyer:**

- Fee Simple:** Individual apartments and common elements, which include underlying land, will be in fee simple.
- Leasehold or Subleasehold:** Individual apartments and the common elements, which include the underlying land will be leasehold.

**Leases for the individual apartments and the underlying land usually require that at the end of the lease term, the lessee (apartment owner/tenant) deliver to the lessor (fee property owner) possession of the leased premises and all improvements, including improvements paid for by the lessee.**

Exhibit \_\_\_\_\_ contains further explanations regarding the manner in which the renegotiated lease rents will be calculated and a description of the surrender clause provision(s).

**For Sub-leaseholds:**

- Buyer's sublease may be canceled if the master lease between sublessor and fee owner is:  
 Canceled                            Foreclosed

- As long as the buyer is not in default, the buyer may continue to occupy the apartment and/or land on the same terms contained in the sublease even if the master lease is canceled or foreclosed.

- Individual Apartments in Fee Simple: Common Interest in the Underlying Land in Leasehold or Sub-leasehold:**

**Leases for the underlying land usually require that at the end of the lease term, the lessees (apartment owners/tenants) deliver the lessor (fee property owner) their interest in the land and that they either (1) remove or dispose of the building(s) and other improvements at the lessee's expense; or (2) convey the building(s) and improvements to the lessor, often at a specified price.**

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement by law or by agreement between the lessor and lessee.

The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

**\*Net Living Area is the floor area of the apartment measured from the interior surface of the apartment perimeter walls.**

**Other documents and maps may give floor area figures which differ from those above because a different method of determining the floor area may have been used.**

Boundaries of Each Apartment:

Each apartment includes, but is not limited to, the exterior finished surfaces of all walls, the doors and door frames, windows and window frames along the perimeters, the air space within the perimeter, and all fixtures originally installed in the apartment. The apartments include the interior load-bearing columns, girders, beams and walls, the undecorated or unfinished surfaces of the floor and ceilings surrounding each apartment and any pipes, shafts, wires, conduits or other utility or service lines running through or servicing only that apartment, which are utilized for or serve more than one apartment. An apartment does not include any pipes, shafts, wires, conduits or other utility or service lines running through or servicing an apartment which are utilized for or serve more than one apartment.

Permitted Alterations to Apartments:

Alterations or additions within an apartment may be made with prior written notice to the Board of Directors, as long as the structural integrity and soundness of the apartment is not adversely affected. A copy of the owner's plans and appropriate building permits and an estimate of time of construction shall be submitted with the written notice. No exterior alterations other than those reasonably required for maintenance and upkeep may be made without the prior written approval of the Board of Directors if such alterations will change the overall uniform appearance of the Project.

11. Conformance to Present Zoning Code:

- a.  No variances to zoning code have been granted.
- Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	_____	_____
Structures	<u>  X  </u>	_____	_____
Lot	<u>  X  </u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

D. Common Elements, Limited Common Elements, Common Interest:

- 1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit   C  

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project:

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit C.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration are:

described in Exhibit \_\_\_\_\_

as follows:

Apartment "A" : Fifty Percent (50%)

Apartment "B" : Fifty Percent (50%)

Each apartment has an equal undivided fractional interest in all of the common elements. The common interests are equal and not related to or determined by the size of the apartments.

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "D" describes the encumbrances against the title contained in the title report dated MAY 20, 1999

and issued by TITLE GUARANTY OF HAWAII, INC.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conversion</b></u>
Mortgages	If Developer defaults or the mortgage lien is foreclosed prior to conveyance to Buyer, Buyer's contract to purchase will be terminated and all of Buyer's funds will be refunded to Buyer, less escrow cancellation fees. However, should Buyer's deposit be used by the Developer prior to a foreclosure of the mortgage and prior to conveyance to Buyer, Buyer may not be able to recover the deposited moneys

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Owner/Developer makes no warranties itself and the Owner/Developer is not aware of any warranties from any general contractor, subcontractor or materials supplier that are in existence. The Owner/Developer will assign to the purchasers apartments such warranties as may exist, if any, and the Owner/Developer will cooperate with each apartment owner during the effective period of any warranty, if any, in asserting any claims.

2. Appliances:

None

G. **Status of Construction and Estimated Completion Date:**

APARTMENT "A" WAS COMPLETED IN APPROXIMATELY 1979  
APARTMENT "B" WAS COMPLETED IN 1990

H. **Project Phase:**

The developer [ ] has [X] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or rights to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

A. Management of the Common Elements: The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

not affiliated with the Developer  the Developer or the Developer's affiliate.  
 self-managed by the Association of Apartment Owners  other \_\_\_\_\_

B. Estimate of Initial Maintenance Fees:

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "E" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

C. Utility Charges for Apartments:

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

**C. Additional Information Not Covered Above**

The property is zoned for agriculture. The apartments may be used for residential purposes, but only in support of or in conjunction with an agricultural use of the property. The apartments may not be used for any trade or business that is not related to an agricultural use of the property.

**Residential Dwellings within State Land Use Agricultural District**

Purchasers should be aware that the State Land Use Commission issued a Declaratory Ruling in December, 1994, regarding the construction of residential dwellings on properties located within the State Land Use Agricultural District. In response to said ruling, the Hawaii County Planning Department is requiring applicants for building permits on such lands to acknowledge receipt of a "Farm Dwelling Notice". This Farm Dwelling Notice reads as follows:

**FARM DWELLING NOTICE**

*To: Applicants for Building Permits on Land in State Land Use Agricultural District.*

*This is to inform you that Chapter 205, Hawaii Revised Statutes, does not authorize residential dwellings as permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".*

*Farm Dwelling is defined in Chapter 205-4.5(a)(4) as "single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State, or where agricultural activity provides income to the family occupying the dwelling. "*

*Penalty for violation of Section 205-4. 5, Hawaii Revised Statutes, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.*

*and have been given a copy* *I acknowledge that I have read the above*

In addition, prospective buyers of Apartment 2 should examine County of Hawaii Ordinance No. 9647 on Ohana Dwelling Units to see how said law might affect the renovation and/or replacement of the Ohana unit.

**EXHIBIT "C"**  
**DESCRIPTION OF COMMON ELEMENTS**  
**AND**  
**LIMITED COMMON ELEMENTS**

All of the property is Fee Simple.

In the various documents relating to this project, the term "Common Element" means the same thing as the term "Common Area", and the term "Limited Common Element" means the same thing as "Limited Common Area".

Common Elements are those portions of the condominium project other than the individual apartments. Common Elements are owned jointly by all apartment owners. The owners of each apartment own an undivided one-half (1/2) interest (undivided 50% interest) in all of the Common Elements for all purposes, including voting. This means that the ownership **does not** depend on the size of an apartment or the use to which an apartment is put. The Common Elements include the land upon which the project is located, in fee simple, and all other portions of the project, other than the Apartments, including, specifically, but not limited to, the Common Elements mentioned in the Act that are actually constructed on the land, and all other portions of the Project necessary or convenient to its existence, maintenance and safety or normally in common use and which are not included as part of an apartment, including but not limited to following:

- (a) The land in fee simple;
- (b) All ducts, electrical equipment, wiring, pipes and other central and appurtenant transmission facilities and installations over, under and across the project, if any, which serve more than one (1) apartment for services such as power, light, water, gas, sewer, telephone and radio and television signal distribution, if any.
- (c) The roof and all load bearing perimeter walls that serve more than one apartment, if any;
- (d) Any and all other elements and facilities rationally in common use or necessary to the existence, upkeep and safety of the Project.
- (e) The common elements shall remain undivided, and no right shall exist to partition or divide any part thereof, except as provided in the Condominium Property Act.
- (f) Any such partition or division shall be subject to the prior consent thereto by the holder(s) of all mortgage(s) of any condominium Apartment(s) which are filed of record.
- (g) All the rights, benefits and privileges, if any, inuring to the land or to the Condominium from all easements shown on the File Plan or listed in Exhibit "A", or acquired subsequent to the creation of those documents.
- (h) Any and all other portions of the land and improvements that are not specifically designated for use by one or more specific Apartments, but which are intended for common use, including any directory facilities that may be established, and all other apparatus and installations the use of which exists for, is rationally allocated to or is necessary to the existence, upkeep and safety of more than one Apartment of the Condominium Project or which may otherwise be of common use.
- (i) Common Element "C" shown on the Condominium File. It serves as a driveway for both apartments.

Unless clearly repugnant to the context thereof, the term "Common Elements" also means and includes the limited common elements hereinafter described.

Limited Common Elements are those portions of the Common Elements which are reserved for the exclusive use of the owners of certain apartments. They are often referred to as Limited Common Area.

Limited Common Elements for Apartment "A". The Limited Common Elements for Apartment A are the approximately 29,790 square feet of land appurtenant to Apartment "A". The land appurtenant to Apartment "A" is indicated by a dashed line on the Condominium File Plan. The dashed line, metes and bounds, courses and distances, and statement of a land area on Condominium File Plan **do not** indicate that the land has been subdivided. They only define the Limited Common Area for Apartment "A".

Limited Common Elements for Apartment "B". The Limited Common Elements for Apartment "B" are the approximately 10,890 square feet appurtenant to Apartment "B". The dashed line, metes and bounds, courses and distances, and statement of a land area on the Condominium File Plan **do not** indicate that the land has been subdivided. They only define the Limited Common Area for Apartment "B".

Each apartment has an equal undivided one-half (1/2) interest (undivided 50% interest) in all of the common elements for all purposes, including voting.

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a Buyer makes pursuant to the Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

1. Escrow will let the Buyer know when payments are due.
  2. Escrow will arrange for the Buyer to sign all necessary documents.
  3. The Buyer will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Contract. Those circumstances include the following:
    - a. If the Seller is not able to provide the Buyer with clear title at the time of closing;
    - b. The Buyer has a right to cancel the Deposit, Receipt and Sales Contract before the apartment has been transferred to him or at any time within thirty (30) days after delivery of the Public Report, whichever is earlier and to have all money paid into escrow refunded less any escrow cancellation fees and other costs, up to \$250, by giving notice to the Seller as provided by HRS § 514-62 (d), as amended.
  4. Subject to the conditions set forth below, the Buyer of a condominium unit under a sales contract shall be entitled to a refund of all payments made to date thereof, less such fee as hereinafter enumerated, if any, and without interest. Escrow agrees to make such refunds to Buyer out of funds then on deposit with Escrow, if Buyer shall so request in writing and any one of the following events shall have occurred.
    - a. Escrow has received a written request from Developer to return to the buyer the funds of such buyer then held by Escrow; or
    - b. Developer shall have notified Escrow of Developer's exercise to cancel or rescind the sales contract pursuant to any right of cancellation or recession provided therein or otherwise available to Developer; or

    - d. A buyer has exercised his right to rescind the contract pursuant to § 514A-63, Hawaii Revised Statutes, as amended; or
    - e. If, in accordance with Part VI of Chapter 514A, Hawaii Revised Statutes, as amended:
      - i. No sales contract is offered to a buyer who was placed on the Developer's reservation list of owner-occupant applicants; or
      - ii. The buyer has been unable to obtain adequate financing, or a commitment for adequate financing, for his unit within thirty (30) calendar days following the end of the ten (10) calendar day period during which the developer is limited to selling to owner-occupants; or
      - iii. The buyer desires to cancel the contract on account of hardship circumstances such as those set forth in § 514A-104(1) Hawaii Revised Statutes, as amended; or
      - iv. The buyer indicates an intent not to become an owner-occupant of such unit.
- c. If (a) the Buyer has undertaken and performed the Mortgage Loan Acts but his application or eligibility for a loan is rejected or not given unqualified approval within sixty (60) days after

application, or (b) the Buyer proposes to pay the Total Purchase Price in cash and has undertaken and performed the Cash Payment Acts, and if the Seller, in its sole discretion, after reviewing the written evidence submitted to it by the Buyer, determines that the Seller is not satisfied as to the Buyer's ability to make such cash payments, then in either of the foregoing events, the Seller may elect to cancel this Contract upon written notice to the Buyer and, upon such cancellation, the Seller shall direct Escrow to refund to the Buyer all sums paid hereunder by the Buyer, less any costs incurred by the Seller, Escrow or any lending institution in processing this Contract or the loan application. In the event, however, that the Seller ascertains that the Buyer has failed to perform the Mortgage Loan Acts, or in the event that the Seller determines in its sole discretion that the Buyer has failed to perform the Cash Payment Acts, whichever is appropriate, then the Buyer shall be in default hereunder, entitling the Seller to cancel this Contract and retain all sums paid hereunder (up to a maximum of twenty percent [20%] of the Total Purchase Price) as liquidated damages.

5. The Escrow Agreement also establishes the procedures for the retention and/or disbursement of a Buyer's funds, and says what will happen to the funds upon a default under the Sales Contract.

a. Retention of Buyer's funds. The Escrow will retain the Buyer's funds until the escrow is ready to close. When the Escrow is ready to close, the Escrow will disburse the Buyer's funds according to the terms of the Sales Contract.

b. Disbursement of Buyer's funds. If for some reason the escrow cannot close, either because of the fault of the Seller or the Buyer, then the Escrow will disburse the Buyer's funds, less escrow costs and fees of up to \$250.00, as follows:

- (a) To the Buyer if the Buyer is entitled to a refund;
- (b) To the Seller if the Buyer is in default (see below); or
- (c) In accordance with any subsequent agreement signed by both the Seller and

the Buyer.

c. Default. If the Buyer does not do all that the Buyer has promised to do in the Sales Agreement, and if the Seller does all that the Seller has agreed to do, then the Buyer may be in default. If the Buyer is in default then the Seller is entitled to cancel the Sales Contract and to have the Escrow pay to the Seller all sums paid into Escrow up to twenty percent (20%) of the purchase price as liquidated damages. If the Buyer has paid more than twenty percent (20%) of the purchase price into escrow, then the Buyer may be refunded the excess less the Escrow cancellation fee of up to \$250.

6. Indemnification of Escrow. In the Sales Contract the Seller and the Buyer agree that they will be jointly and severally liable to Escrow for all losses, costs, damages or money owed, including reasonable attorneys' fees, that Escrow must pay as a result of this Sales Contract. If Escrow has the right to collect these amounts from any other person, then that right shall belong to the Seller after the Seller pays Escrow. However, neither the Seller nor the Buyer has to pay to Escrow any losses, costs, damages, money owned or attorneys' fees if Escrow has done something wrong or doesn't do something it is supposed to do and that act or failure to act is not reasonable or responsible.

The Escrow Agreement contains various other important provisions and establishes certain charges with which a Buyer should be familiar, It is incumbent upon Buyers and prospective Buyers to read with care the executed Escrow Agreement on file with the Real Estate Commission.
