## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. 99-110043

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purposes of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

The structural components and the mechanical and electrical systems are in fair to good condition consistent with their age. The Developer is not able to make any representations as to the useful life of the structural components or the mechanical and electrical systems.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>      </u>	<u>      </u>
Structures	<u>  X  </u>	<u>      </u>	<u>      </u>
Lot	<u>  X  </u>	<u>      </u>	<u>      </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit   B  .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit C.

as follows:

Note: Land areas referenced herein are not legally subdivided lots.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit \_\_\_\_.

as follows:

Unit 1 - 1/3

Unit 2 - 1/3

Unit 3 - 1/3

The foregoing percentages were calculated to provide each apartment owner with a roughly equal percentage of common interest in the condominium project.

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit D describes the encumbrances against the title contained in the title report dated July 22, 1999, and issued by Title Guaranty of Hawaii, Incorporated.

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b></u>
Mortgage [First Hawaiian Bank, Mortgagee] \$150,000.00	Buyer's interest may be terminated, and the Buyer will receive back any deposit(s) paid to escrow less the escrow cancellation fee of not more than \$250.00.  However, the Buyer's interest under the Sales Contract usually will be subordinate to the blanket lien. Therefore, upon foreclosure of the blanket lien, the lien holder may be able to terminate the Buyer's interest.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

**1. Building and Other Improvements:**

Seller makes no express warranties. SELLER DISCLAIMS ANY IMPLIED WARRANTY OF HABITABILITY, ANY IMPLIED WARRANTY OF MERCHANTABILITY, ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR USE, ANY IMPLIED WARRANTY OF WORKMANSHIP AND ANY OTHER EXPRESS OR ANY IMPLIED WARRANTIES WITH RESPECT TO THE APARTMENTS, THE COMMON ELEMENTS OR THE PROJECT.

Seller is not aware of any water infiltration, any malfunction, any construction or design defect, or any other problems related to the Apartments or the Project, and disclaims any and all responsibility for any such problems which Buyer may encounter with respect to said Apartments or the Project.

**2. Appliances:**

Seller warrants that all major appliances, plumbing and electrical fixtures included in the sale will be in working order consistent with their age as of the date of closing, or occupancy, if earlier. No continuing warranty is expressed or implied.

G. **Status of Construction and Estimated Completion Date:**

**Unit 1: Completed in March 1999: Storage shed.**

**Unit 2: Completed in March 1999: Two-bedroom, two-bath single-family dwelling.**

**Unit 3: Completed in March 1999: Storage shed.**

**Construction of Unit 2 was completed in March 1999 by the Developer as owner-builder, pursuant to Sections 444-2(7) and 444-9.1, Hawaii Revised Statutes ("HRS"), with final inspection under Building Permit 906391 approved by the County of Hawaii Building Division on March 4, 1999.**

Section 444-2(7), HRS provides that a contractor's license pursuant to Chapter 444, HRS, shall not be required of the following:

"Owners or lessees of property who build or improve residential, farm, industrial, or commercial buildings or structures on property for their own use, or for use by their grandparents, parents, siblings, or children and who do not offer the buildings or structures for sale or lease; provided that this exemption shall not apply to electrical or plumbing work that must be performed only by persons or entities licensed under this chapter, or to the owner or lessee of the property if the owner or lessee is licensed under chapter 448E. In all actions brought under this paragraph, proof of the sale or lease, or offering for sale or lease, of the structure not more than one year after completion is prima facie evidence that the construction or improvement of the structure was undertaken for the purpose of sale or lease; provided that this provision shall not apply to residential properties sold or leased to employees of the owner or lessee; provided further that in order to qualify for this exemption the owner or lessee must register for the exemptions as provided in section 444-9.1. Any owner or lessee of property found to have violated this paragraph shall not be permitted to engage in any activities pursuant to this paragraph or to register under section 444-9.1 for a period of three years. There is a presumption that an owner or lessee has violated this section, when the owner or lessee obtains an exemption from the licensing requirements of section 444-9 more than once in two years."

Section 444-9.1, HRS, requires the owner-builder to certify that the building or structure is for the owner-builder's "personal use and not for use or occupancy by the general public."

Therefore, the offer for sale or lease, or the sale or lease, of Unit 2 described above, within one year of its construction completion date on March 4, 1999, as set forth in Section III.G herein, may be a violation of Chapter 444, HRS.

The Developer hereby certifies that Unit 2 described above is for the developer's "personal use and not for use or occupancy by the general public", pursuant to Chapter 444, HRS.

**Construction of Units 1 and 3 was completed in March 1999 by the Developer as owner-builder, and constructed without building permits from the County of Hawaii because sheds of less than six (6) feet in height do not require building permits.** Normally, an owner-builder who constructs a structure on his property can be exempt from the requirements of Section 444-1 et seq., HRS, if certain things are done in connection with the County's issuance of a building permit. However, since the County of Hawaii does not require a building permit for storage sheds of the type in question, Chapter 444, HRS, does not appear to apply in this situation.

H. **Project Phases:**

The developer [ ] has [X] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

**IV. CONDOMINIUM MANAGEMENT**

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Managing Agent:** When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- |   |  |
|---|--|
| <input type="checkbox"/> not affiliated with the Developer                              | <input type="checkbox"/> the Developer or the Developer's affiliate. |
| <input checked="" type="checkbox"/> self-managed by the Association of Apartment Owners | <input type="checkbox"/> other _____                                 |

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit  E  contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

Additional Information Not Covered Above

- A. The land is zoned "Agricultural" (A-5a and A-20a) by the County of Hawaii, which designation permits single-family and farm dwellings and related uses set forth in the Zoning Code of the Hawaii County Code, and is not located within the Special Management Area of the County of Hawaii.
- B. Prospective purchasers are advised to consult with the County of Hawaii's Planning Department and Department of Public Works, and the State of Hawaii's Department of Land and Natural Resources, for permitted uses and structures and the construction of improvements on the land prior to purchasing.
- C. Construction of structures and improvements to existing structures must conform to County and State of Hawaii zoning and building ordinances and regulations.
- D. The land areas depicted on the Project Plot Plan (or Condominium Map) submitted to the Real Estate Commission represent limited common elements of approximately 5.007 acres appurtenant to Unit 1, approximately 5.813 acres appurtenant to Unit 2, approximately 5.022 acres appurtenant to Unit 3, approximately 0.445 acres comprising Common Area 1-A, and approximately 0.396 acres comprising Common Area 2-A. Purchasers should be aware that the State Land Use Commission issued a Declaratory Ruling in December, 1994, regarding the construction of residential dwellings on properties located within the State Land Use Agricultural District. In response to said ruling, the Hawaii County Planning Department is requiring applicants for building permits on such lands to acknowledge receipt of a "Farm Dwelling Notice". This Farm Dwelling Notice reads as follows:

FARM DWELLING NOTICE

To: Applicants for Building Permits on Land in State Land Use Agricultural District.

This is to inform you that Chapter 205, Hawaii Revised Statutes, does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".

Farm Dwelling is defined in Chapter 205.4.5(a)(4) as "a single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State, or where agricultural activity provides income to the family occupying the dwelling."

Penalty for violation of Section 205.4.5, Hawaii Revised Statutes, is a fine of not more than \$5,000. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000 for any additional violation.

The sales contract that will be used will say, in addition to the price, description and location of the apartment, and other terms and conditions under which a buyer will agree to purchase an apartment in the Project, the following:

- (c) That the buyer must close the purchase at a certain date and pay closing costs, in addition to the purchase price.

### SUMMARY OF EXECUTED ESCROW AGREEMENT

A copy of the executed Escrow Agreement dated July 22, 1999, between Title Guaranty Escrow Services, Inc., as Escrow Agent, and Developer, as Seller, has been filed with the Commission. The Escrow Agreement provides for the deposit of Purchaser's funds pursuant to the Sales Contract and also provides for the retention or disbursement of the funds. The Escrow Agreement provides, in part, that any interest earned on money on deposit may be retained by the Developer unless the Sales Contract directs otherwise. In the event that the Sales Contract and Chapter 514A, Hawaii Revised Statutes entitle a Purchaser to a refund of Purchaser's Deposits held by the Escrow Agent, then Escrow Agent, upon instruction from the Seller, will refund Purchaser's deposits, without interest earned and less certain cancellation fees and costs (e.g., escrow cancellation fees, loan processing fees, cost of credit reports, etc.) as provided in the Sales Contract and in Chapter 514A, Hawaii Revised Statutes, as amended (hereinafter the "Condominium Law").

Purchaser's funds shall only be disbursed to the Seller upon: i) issuance by the Real Estate Commission of a final public report for the project; ii) receipt by Purchaser of copies of said final public report and the required Receipt and Notice of Right to Cancel form; iii) written notification by Purchaser to Seller that Purchaser will not rescind the sales contract, and the elapse of 48 hours since said notification; iv) written notification by Seller or Seller's attorney to the Escrow Agent that all provisions of the Condominium Law have been met; and v) written notification by the Seller to the Escrow Agent that all of the foregoing has occurred, and that Seller and Purchaser shall not rescind the sales contract.

Purchaser's deposits shall be refunded upon written notification by the Purchaser, Seller and Mortgagee to the Escrow Agent that such refund shall be made. No refund shall be made to any Purchaser unless said Escrow Agent receives written approval from the Seller and Mortgagee. In the case of default by the Purchaser, Purchaser's deposits will be treated as liquidated damages and given to the Seller, less escrow cancellation fees and after proper notice by the Escrow Agent to Purchaser of said default. By law the total amount of such cancellation fees shall not exceed Two Hundred Fifty and No/100 Dollars (\$250.00). Under the Escrow Agreement, no disbursement of funds can be made to the Seller until all provisions of the Condominium Law have been met.

It is incumbent upon a prospective Purchaser to read the executed Escrow Agreement with care.

HOUSE RULES

for

WAILANI RANCH CONDOMINIUMS

These House Rules contain background information that should make your daily living at **WAILANI RANCH CONDOMINIUMS** (the "Project") more meaningful and enjoyable. It must be realized that condominium living requires each resident to have appropriate respect for the needs and rights of others living in the complex. The primary purpose of these House Rules is to protect all apartment owners and other occupants, including tenants and guests, from annoyance and nuisance caused by improper use of the Project and also to protect the reputation and desirability of the Project and the enjoyment, comfort and security of all residents.

The Board of Directors of the Association of Apartment Owners (the "Board") shall be responsible for enforcing these House Rules, but such responsibility may be delegated to the Managing Agent or to the Board of Directors of the Association of Apartment Owners of **WAILANI RANCH CONDOMINIUMS** (the "Association") by the Board. All apartment owners and other occupants, tenants and their guests shall be bound by these House Rules.

These House Rules supplement but do not change the obligations of the apartment owners and all occupants, tenants and their guests as set forth in the Declaration of Condominium Property Regime ("Declaration") and By-Laws of the Association of Apartment Owners ("By-Laws") pertaining to the Project. In the event of any inconsistency between these House Rules and the Declaration or the By-Laws, the Declaration and By-Laws will prevail.

The Board shall make such other rules and regulations from time to time or amend the following House Rules as it deems necessary or desirable.

A. OCCUPANCY

1. Use of Apartments. The apartments shall be used for residential purposes only. No apartments shall be used for transient or hotel purposes, or in connection with the carrying on of any business. Time-sharing is prohibited.
