SPECIAL ATTENTION

This is a CONDOMINIUM PROJECT, not a subdivision. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

1. There are County restrictions on the number of residential dwelling units, or other structures, which may be built on the property. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies to determine whether the Purchaser may build a residential dwelling unit, or any other type of structure, on the property.
 - a. Further improvement of the property is also subject to the requirements of the Hawaii County Comprehensive Zoning Ordinance specifically as it relates to "ohana" additional dwelling units.
2. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owners and emergency traffic, drainage facilities, etc., may not be provided, and services such as County street maintenance and trash collection may not be available for interior roads and driveways.

Special Attention Cont.

This public report does not constitute an approval of the project by the Real Estate Commission or any other government agency, nor does it warrant that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase and decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM:
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Filed – Land Court

Doc. No. _____

The Declaration referred to above has been amended by the following instruments (state name of document, date and recording/filing information):

The Bylaws for this condominium are:

Proposed

Recorded – Bureau of Conveyances: Doc. No. 99-140403

Book _____ Page _____

Filed – Land Court: Doc. No

The Bylaws referred to above have been amended by the following instruments (state name of document, date and recording/filing information):

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

- Proposed
- Adopted
- Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell improvements to the apartment owners by way of a condominium conveyance or apartment deed.

Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit ____.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting the title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	---

Mortgage	In the event of foreclosure of either mortgage, Buyer's interest may be canceled and Buyer would be entitled to a refund of deposits, less escrow cancellation fees. However, should Buyer's deposit be disbursed by Escrow and the lien be foreclosed prior to conveyance to Buyer, Buyer may not be able to recover any deposits.
----------	---

Residential Dwellings within State Land Use Agricultural District

Purchasers should be aware that the State Land Use Commission issued a Declaratory Ruling in December, 1994, regarding the construction of residential dwellings on properties located within the State Land Use Agricultural District. If Seller fails to deliver title as herein provided Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price, and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.

SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

1. Sales Contracts Deposited in Escrow. As and when Developer shall enter into a sales contract for the sale of a unit, Developer shall deliver an executed copy of such sales contract to Escrow.

2. Receipt of Funds by Escrow. Developer shall pay over to Escrow any monies received by Developer from purchaser under sales contracts covering units in the Project, including all disbursements made on loan commitments, if any, from lending institutions to individual purchasers.

3. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued a Final Report on the Project; provided, however, to the extent any sales contracts are entered into and a purchaser's funds are obtained prior to the issuance of a Final Public Report of the Real Estate Commission, no disbursements shall be made from such purchaser's funds until (i) such Final Public Report shall have been issued; and (ii) the purchaser shall have been given a copy of said Final Report and shall have acknowledged receipt of same or shall have been deemed to have acknowledged receipt of same and Developer's attorney shall have delivered a written opinion to Escrow that the purchaser's sales contract has become effective; and

(b) Developer or Developer's attorney shall have delivered a written opinion to Escrow stating that the requirements of Sections 514A-62 and 514A-63, Hawaii Revised Statutes, as amended, have been met; and, if the project is a conversion project, that requirements of Section 521-38, Hawaii Revised Statutes, as amended, have been complied with; and

(c) Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract; and

(d) Developer shall have delivered to Escrow a certificate from Developer's architect stating that the project is in compliance with the Federal Fair Housing Amendments Act of 1988.

4. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to the purchaser the funds of the purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Report, the purchaser has exercised such purchaser's right to cancel the contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; or

(d) The purchaser has exercised the purchaser's right to rescind the contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from the purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee of Escrow of not less than \$25.00 per unit or a cancellation fee commensurate with the work done by Escrow prior to such cancellation, whichever fee is greater, up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

(e) Notwithstanding any other provision in this Agreement to the contrary, Escrow further agrees to make refunds to purchasers, in accordance with Part VI, Chapter 514A, Hawaii Revised Statutes, out of the funds then on deposit with Escrow, if Developer and the purchaser shall so request in writing and any one of the following events has occurred:

- (i) No sales contract has been offered to the purchaser who has been placed on Developer's reservation list of owner-occupant applicants; or
- (ii) The purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for the purchaser's reserved unit within thirty (30) calendar days following the end of the ten (10) calendar day period during which Developer is limited to selling to owner-occupants; or
- (iii) The purchaser desires to cancel the contract on account of hardship circumstances such as those set forth in Section 514A-104(1), Hawaii Revised Statutes; or
- (iv) The purchaser indicates an intent not to become an owner-occupant of such unit.

Except for cancellations under subparagraph (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

5. Purchaser's Default. If the purchaser fails to make any payment to Escrow which is required pursuant to the sales contract on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Owner has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer any documents that had been theretofore delivered to Escrow by Developer and shall hold all other documents theretofore delivered to Escrow in connection with the purchase of the unit for the statutory period; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

DISCLOSURE ABSTRACT LOT 5, OHAI MAUKA ESTATES CONDOMINIUM PROJECT

Pursuant to the Section 514A-61, Hawaii Revised Statutes Condominium Property Act

DEVELOPER/PROJECT MANAGER

Steven Lee Reinert, 77-126 Kalaniuka Street, Holualoa, Hawaii 96725.

ESTIMATED MAINTENANCE FEES/COSTS PER CONDOMINIUM UNIT

MAINTENANCE FEES: The regular maintenance and repair of each condominium unit is the sole responsibility of each respective unit owner. The initial maintenance assessment shall be \$200.00 per Lot, per year, and shall be paid by the Owner upon his acquiring the status of an Owner. The maintenance assessment shall cover the cost of the Association for common area maintenance water and insurance. The maintenance of Lots shall be done by Association or its designated agent. Developers disclose that no reserve study was done in accordance with Chapter 514A-83.6, HRS, and replacement reserves rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

WATER SERVICE: The Project consists of one "Lot" as the same is defined by the Zoning Code of the County of Hawaii, as amended, and, as such, the entire Project is allotted 600 gallons of water per day by the Department of Water Supply via one 5/8" water meter which is a common element of the Project. The Department of Water Supply meter installed on Unit "1" will indicate the amount of water used by the Project. A private sub-meter installed on Unit "2" will determine the usage of Unit "2" and, by deduction, the usage of Unit "1". The unit owners will pay the Department of Water Supply their proportionate amount of water bills based upon the usage indicated by these water meters.

INDIVIDUAL INSURANCE: Section 514A-86, Hawaii Revised Statutes, requires that fire insurance be purchased to cover the improvements portion of the Project and that premiums be common expenses. Developer anticipates that the Association will elect to permit unit owners to obtain separate policies and name the Association as additional insured. In such case, insurance premiums will be the individual's responsibility of each owner unit rather than common expenses of the Project. Developer estimates such annual premium expense to be \$250.00 per apartment. This estimate was prepared in accordance with generally accepted accounting principles.

WARRANTIES

"Unit 1" is a one (1) room, single story, wood frame and shade cloth greenhouse with a dirt floor.
"Unit 2" is a one (1) room single story, wood frame and shade cloth greenhouse with a dirt floor.

Potential buyers of said Units are advised that they are being sold "AS IS" without any building warranties.

USE OF CONDOMINIUM UNITS

The units of the Project and their appurtenant land areas shall be occupied and used only by the respective owners thereof, their families, domestic servants, personal guests, tenants, and employees, and only for those purposes permitted by applicable zoning ordinances. The unit owners shall have the absolute right to lease or rent their units subject to the limitations, restrictions, covenants and conditions contained in the Declaration or in the By-Laws of the Association of Condominium Owners. Subject also to said Declaration and By-Laws, maximum allowance and freedom shall be given so as to accommodate the individual unit owner's artistic, creative and life-style requirements.

STRUCTURAL COMPONENTS AND MECHANICAL & ELECTRICAL INSTALLATIONS

It is the developer's opinion that all structural components and mechanical and electrical installations material to the use and enjoyment of the individual condominium units appear to be in sound and satisfactory condition. HOWEVER, NO REPRESENTATIONS OF ANY KIND ARE MADE AS TO THE EXPECTED USEFUL LIFE, IF ANY, OF THE STRUCTURAL COMPONENTS AND MECHANICAL AND ELECTRICAL INSTALLATIONS MATERIAL TO THE USE AND ENJOYMENT OF THE CONDOMINIUM UNITS.

CODE VIOLATIONS

To the best of the knowledge, information and belief of the undersigned, there are no outstanding notices of uncured violations of the building code or other municipal regulations of the County of Hawaii.
