General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Bylaws for this condominium are:

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit _____.

Exhibit "B" describes the encumbrances against the title contained in the title report dated September 3, 1999

and issued by Island Title Corporation

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
MORTGAGE dated 8/19/99 recorded in said Bureau as Doc #99-136586 in favor of Pinnfund, USA, a California corporation	The Buyer's deposit shall be returned, less escrow cancellation fee. The Buyer may lose all rights to acquire the apartment. Further, should Buyer's deposit be disbursed by Escrow and the lien be foreclosed prior to conveyance to Buyer, Buyer may not be able to recover the deposit moneys.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements: NONE.

The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- not affiliated with the Developer
- self-managed by the Association of Apartment Owners

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit "C" contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change). SUMMARY OF THE PROVISIONS
OF THE ESCROW AGREEMENT

Among other provisions of the Escrow Agreement, the Agreement provides that:

Disbursement from the escrow fund may be made to pay for construction costs upon certification and approval for payment by an architect or engineer, and approved by Seller's lender. However, the agreement further provides that no disbursement of Purchaser's funds shall be made until (a) Escrow is notified by Seller that Real Estate Commission has issued an effective date for a Final Public Report, superseding all prior reports, on the project and that each purchaser has been given a copy of said Final Public Report; (b) purchaser executes the form of Receipt for Public Report and Notice of Right to Cancel and waives his right to cancel; and (c) the completion of construction of the project and the forty-six day lien period has expired or Seller has posted a Surety Bond or submits title insurance with lien waivers.

Further, Purchaser shall be entitled to a refund of Purchaser's funds, and Escrow shall pay the funds to Purchaser, without interest and less Escrow's cancellation fee upon receipt by Escrow of a written request from Seller to return to Purchaser the funds of such Purchaser then held hereunder by Escrow.

Subject to such deduction as may be provided in the Sales Contract, and an escrow cancellation fee, the purchaser shall be entitled to a return of his funds, and Escrow shall pay such funds to the purchaser, without interest, upon purchaser's written request, and, if any, one of the following events has occurred:

(a) Seller has instructed Escrow in writing to return to the purchaser the funds of the purchaser then being held hereunder by Escrow; or

(b) Seller has notified Escrow in writing of the Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated herein or otherwise available to the seller; or

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Public Report, the purchaser has exercised his right to cancel the contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; and, upon any such cancellation, purchaser shall be entitled to a prompt refund of all monies paid, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00; or

(d) A purchaser has exercised his right to rescind the contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended, or

(e) If, in accordance with Part VI, Chapter 514A, Hawaii Revised Statutes:

i) no sales contract is offered to purchaser who was placed on the Developer's reservation list of owner-occupants, or upon a request from a person who is on the final reservation list but who has elected not to execute a sales contract; or

ii) the purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for his unit within fifty (50) calendar days following the end of the ten (1) calendar-day period during which the Developer is limited to selling to owner-occupants.

Upon the return of said funds to the purchaser as aforesaid, Escrow shall return to seller such purchaser's Sales Contract and any conveyancing documents theretofore delivered to Escrow pursuant to such Sales Contract. Other documents delivered to Escrow relating to the sale of the units identified in such Sales Contracts will be returned to the person from whom or entity from which they were received.

EXHIBIT "E"

SUMMARY OF SALE CONTRACT

The pertinent provisions of the sales contract for this project are as follows:

1. Deed:

Seller agrees to convey a good and marketable title to the property, free and clear of encumbrances except certain matters of record which do not materially affect the value of the property.

2. Binding Effect:

The contract also provides that, if it is executed and accepted prior to the completion of construction of the Apartment described herein, it will not be binding upon the Purchaser until; (a) An effective date for a Final Public Report superseding all prior reports, if any, has been issued by the Commission and true copy of such report (or a supplementary public report, if applicable) has been delivered to the Purchaser, either personally or by registered or certified mail; (b) The Purchaser has had full opportunity to read the report(s); and (c) The Purchaser executes the form of Receipt for Public Report and Notice of Right to Cancel delivered together with the aforesaid report(s) and waives his right to cancel.

Further the contract also provides that unless Purchaser has previously waived his right to cancel, he shall have the right to cancel this Contract prior to the earlier of (a) the conveyance of the Apartment to him, or (b) midnight of the 30th day following the date of delivery of the Final Public Report.

Upon such cancellation, Purchaser shall be entitled to a prompt and full refund of all monies paid, less escrow cancellation fees and other costs of purchase, up to a maximum of \$250.00.

Upon such refund, all rights of Seller and Purchaser under this Contract shall terminate and neither shall have any further liabilities hereunder. If Purchaser shall fail to make any payment when required or fails to perform any other obligation required of Purchaser under the Contract, Seller may, at Seller's option, cancel said contract and all sums paid by Purchaser shall belong absolutely to Seller as liquidated damages.

3. Closing Date: The contract provides that the closing of a sale shall be 46 days after the date of completion as defined by Sec 507-43 Hawaii Revised Statutes, or if completed then not earlier than thirty (30) days after acceptance of contract by seller, or such later date as the seller may set. Although the contract does not so state, the law provides that sales contract, for owner-occupants, the sales contract may (but not required to) be conditioned upon Purchaser obtaining adequate financing or a commitment for adequate financing by a date which is not earlier than fifty (50) days after the Seller executes and accepts the sales contract.

4. Default: In the event of default in the making of any payments, or failure to close, the seller may (1) cancel the contract and retain all deposits or payments made prior to default, or (2) decide not to cancel but charge a late fee of 10% of the amount then due and not paid.

5. Assignment of Contract: The Purchaser may assign the sales contract, prior to pre-closing, only with the prior written consent of the Seller, who may withhold the consent as Seller's discretion.

Dear Mr. Tashima:

Subject: Condominium Conversion Project
1917 and 1921 Uhu Street
Tax Map Key: 1-3-07: 84

This is in response to your letter dated April 20, 1999 requesting verification that the three dwellings located at the above-mentioned addresses met all applicable requirements at the time of construction.

Investigation revealed that the three one-story single-family dwellings on the Diamond Head side and the one-story recreation room (formerly maid's quarters) at the rear of the property met all applicable code requirements when they were relocated prior to 1947.

Adjoining parcel 85 was consolidated into the above-mentioned parcel 84 on May 13, 1999. Also, an existing use permit (File No. 99/EU-8) for the three dwellings and the recreation room was approved on June 7, 1999.

Inspection also revealed the following:

1. The tenant occupying the recreation room is not permitted.
2. A minimum of six all-weather surface off-street parking spaces and a 19-foot-wide driveway are required. There are only 4 spaces on the property.
3. The five-foot seven-inch setback for the front dwelling is considered nonconforming.

Mr. Vernon T. Tashima

The Department of Planning and Permitting cannot determine all other legal nonconforming uses or structures as a result of the adoption or amendment of any ordinances or codes.

No other variances or special permits were granted to allow deviations from any applicable codes.

Very truly yours,

MINOR PERMIT : EXISTING USE (EU)	
File Number	: 1999/EU-8
Project	: Galacgac Existing Use
Location	: 1921 Uhu Street - Kalihi
Tax Map Key	: 1-3-007: 084
Zoning	: R-3.5 Residential District
Applicant	: Pedro Galacgac
Date Accepted	: April 22, 1999

APPROVAL is granted to the existing use, 3 existing single-family dwellings, in accordance with the application documents (date-stamped April 12, 1999), subject to the following conditions:

1. All work shall be in accordance with approved application documents, the conditions enumerated below and the Land Use Ordinance (LUO) unless otherwise stated by this permit.
2. The Existing Use (EU) permit is only for the continued use, repair, alteration, expansion, relocation, or reconstruction of the existing dwellings. This Existing Use approval does not certify that the existing structures and improvements comply with the current zoning code or other regulations.

In accordance with Section 2.100(a) of the LUO, in the event of destruction, uses may be continued and structures may be rebuilt under the approved existing use plan, provided that such restoration is permitted by the building code and Flood Hazard Regulations and is started within two years.

3. Only **minor modifications** to the EU plans shall be allowed. Any major modification which may have an adverse impact on surrounding land uses, increases the number of dwelling units, and/or involves the reconstruction and/or expansion of a dwelling(s) which is part of a larger development, shall require the processing of a Cluster Housing Permit.
4. The applicant or owner(s) shall incorporate this EU Permit into the restrictive covenants which run with the land, to serve as notice to all owners and tenants. The draft covenant shall be submitted for review and approval by the Department of Planning and Permitting (DPP). Upon approval of the covenant, a certified recorded copy shall be filed with the DPP, prior to the change in any ownership or the issuance of any permits.
5. If the project is to be condominiumized, the applicant or owner(s) shall submit a draft copy of the Condominium Property Regime (CPR) map and documents to the DPP for our review. Future work subsequent to the creation of a CPR may require approval from the homeowners association prior to the start of work. If the EU Permit is incorporated into the CPR documents, a separate declaration of restrictive covenants is not required.

6. All new work shall comply with the applicable LUO standards, including a 5-foot building setback from the 19-foot wide private driveway. Within the project, the minimum distances between buildings shall be as follows:

- a. 10 feet between two one-story dwellings
- b. 15 feet between a one-story and a two-story dwelling or portion thereof
- c. 20 feet between two-story dwellings

If the property is condominiumized, then, buildings shall comply with required yards and height setbacks of the underlying zoning district as measured from limited common element (CPR) lines.

7. All new work shall be compatible in design with the existing and surrounding structures. The Director may require the redesign of exterior entrances, stairways, bar areas, including plumbing and electrical systems, to ensure that the number of dwellings is not increased.
8. Maximum building area shall not exceed **40 percent** of the original lot area of 11,198 square feet. If the property is condominiumized, then, the maximum building area shall not exceed 40 percent of each limited common element.
9. A minimum of 6 parking spaces (2 stalls for each dwelling unit), shall be provided prior to the issuance of any building permits subsequent to this approval. Dwelling additions shall comply with the LUO parking regulations. Parking spaces within carports or garages shall not be converted into usable floor area (including garage or carport storage areas).
10. An all weather surface shall be provided at all driveway or parking areas prior to the issuance of any building permits, subsequent to this approval.
11. A Fence Master Plan shall be submitted to the DPP for review and approval prior to the issuance of any new building permit for fences or walls. New perimeter chain link fencing shall require a two-foot landscape strip with a minimum four-foot high continuous hedge.
12. All existing trees 6 inches or greater in diameter shall be retained on-site, or replacement landscaping shall be required. All landscaping shall be maintained in a visually healthy condition at all times.
13. The addition, alteration or reconstruction of any dwelling unit shall comply with Fire Department requirements for access, water and/or Fire Department connections, and shall be submitted to the Fire Department for review and approval prior to issuance of building permits. The on-site access (19-foot wide driveway) to the structures located at the rear of the property shall not be obstructed.
14. Any modification to the application documents and conditions stated herein shall be subject to approval by the DPP. For good cause, the Director may impose additional requirements and/or amend the above conditions.
