General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a. No variances to zoning code have been granted.
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- described in Exhibit E .
 as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit E.

as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit F.

as follows:

E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit G describes the encumbrances against the title contained in the title report dated October 2, 2001 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	If the Developer defaults before the apartment is conveyed to the buyer, the Mortgagee will have the right to decide whether to sell the apartment to the buyer under the Sales Contract. If the buyer's interest is terminated by the Mortgagee, then the buyer's deposit will be refunded to the buyer, less the escrow cancellation fee.

See Exhibit H

2. Appliances:

See Exhibit H

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Construction commenced in August 2000, and is scheduled to be completed in October 2001.

H. Project Phases:

The developer has has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer plans to develop the Project as the first phase of a 270 apartment condominium project. The Developer has no obligation to build any phase beyond Phase 1. The Developer can develop the phases in any order that it wishes. It can also develop more than one phase at a time or divide a phase into separate smaller phases.

The Developer will be assigning to the commercial apartment in Phase 1 (the "TC Apartment") an undivided 93.2688% common interest in the Project, which represents the remaining undivided percentage common interest in the Project which is not assigned to the eighteen (18) residential apartments in Phase 1. It is not the intention of the Developer to complete construction of the TC Apartment and to obtain a certificate of occupancy therefor until the last phase of the Project. At least until such time as the TC Building is completed and the certificate of occupancy for the TC Apartment is issued, the Developer will retain sole ownership of the TC Apartment. As is described in more detail in Sections 19 and 28 of the Declaration, it is the intention of the Developer as subsequent phases of the Project are developed to transfer, allocate and assign a portion of the common interest assigned to the TC Apartment to each of the New Apartments to be developed in each of the future phases as the New Apartments are incorporated into the Project. The Declaration also provides that the lands comprising the "Undeveloped Portion of the Property" will be made a Limited Common Element appurtenant to and for the exclusive use of the owner of the TC Apartment. As the Project is developed and future phases are incorporated into the Project, the Developer will have the right to exercise its reserved rights under the Declaration to alter, modify and change the Limited Common Elements appurtenant to the TC Apartment and convert the same into New Apartments, Common Elements and Limited Common Elements.

The Developer has reserved the right to develop one or more Adjacent Condominiums on any Adjacent Parcel and to merge any Adjacent Condominium with the Project pursuant to the Declaration of Merger. The Developer may do this more than once and at any time before the Development Period ends. The Developer must complete each phase of any Adjacent Condominium within forty-eight (48) months after it starts building it. If there is a delay for reasons beyond the control of the Developer or its contractors, the construction must be completed in the additional time reasonably needed to finish it by working on it diligently.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit I contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

UNDER THE CURRENT DEFINITION OF "TIME SHARE PLAN" CONTAINED IN THE TIME SHARE ACT, A FRACTIONAL OWNERSHIP PLAN WOULD CONTEMPLATE CIRCULATION FOR A PERIOD OF SIXTY OR MORE DAYS IN ANY YEAR, FOR ANY OCCUPANT.
3. This restriction is intended to benefit the Developer alone and it will apply in every case unless the Developer gives its written consent in a recorded document. This restriction does not apply to the Developer. The Developer has the right to use its Apartments and the Developer's Reserved Rights for the promotion and sale of time share interests and/or interests in a fractional ownership plan, as provided elsewhere in this Declaration, if and to the extent permitted by applicable law.
5. Owners are not allowed to change or cause a change to the exterior appearance of the Apartments unless they have the prior written consent of either the Board or the Managing Agent. This rule does not apply to the Developer when exercising the Developer's Reserved Rights. 6. Neither pets nor specially trained animals may be kept, bred, or used at the Project for any commercial purpose.
7. Except for fishes and birds, no more than one (1) pet shall be allowed per Apartment. No more than two (2) birds shall be allowed per Apartment.

Any pet or specially trained animal causing a nuisance or an unreasonable disturbance to any other Owner or occupant of the Project must be permanently removed from the Project promptly after the Board or the Managing Agent gives notice to the person owning the pet or using the specially trained animal.
12. No Owner of an Apartment may paint, resurface, enclose or make any structural modifications, changes, additions or alterations to such Owner's lanai, except in strict accordance with such guidelines, rules, regulations, and requirements as the Board may adopt from time to time in the House Rules; provided, however, that under no circumstance shall any lanai located above the ground floor be permitted to paint or resurface such lanai.
13. The Owners of Type MP-2 apartments located on the second floor (the "Second Floor Apartments") shall be restricted to installing hard floor surfaces only in the entry foyer, the kitchen, the bathrooms, and the hallway fronting the laundry area. 3. The Purchase Price does not include the Project start-up fee, any maintenance fees for the Apartment, closing costs, prorations, and additional costs payable by Buyer under the Purchase Agreement.

4. Until (i) the Real Estate Commission of the State of Hawaii has issued an effective date for a Final Public Report for the Project, (ii) Buyer has receipted for or is deemed to have receipted for the Final Public Report, and (iii) Buyer has waived or is deemed to have waived Buyer's right to cancel under Hawaii Revised Statutes ("H.R.S.") §514A-62, the Purchase Agreement does not constitute a binding sales contract and may be terminated by either Buyer or Seller by written notice of such termination delivered to the other party.

5. Buyer has received a copy of the public report(s) for the Project, and Buyer acknowledges that Buyer has had a reasonable opportunity to read the Declaration, By-Laws, House Rules, form of Apartment Deed and Escrow Agreement, to review a copy of the Master Association Declaration and to examine the Project plans, and Buyer accepts such documents and plans with such changes and modifications as the Project architect may deem necessary.

6. Within thirty (30) days after the date Seller accepts the Purchase Agreement, Buyer must submit to Seller evidence of Buyer's ability to pay the Purchase Price.

7. If Buyer will be utilizing mortgage financing to pay a portion of the Purchase Price, then:

(i) If the Purchase Agreement is executed prior to the issuance of the Final Public Report on the Project, then within thirty (30) days of Seller's acceptance of the Purchase Agreement Buyer must submit to Seller a pre-qualification letter from Southland Mortgage, Inc. dba Island Home Mortgage. Such pre-qualification letter shall not constitute financing or loan approval by Island Home Mortgage nor shall Buyer be obligated to use Island Home Mortgage to obtain financing in connection with the purchase of the Apartment. If such pre-qualification letter is not obtained by Buyer within the required time, Seller or Buyer shall have the option to terminate the Purchase Agreement.

(ii) Buyer must submit to Seller a firm written commitment for Buyer's Permanent Loan from Buyer's Permanent Lender within forty-five (45) days from the date of delivery to Buyer of the Final Public Report (or within sixty (60) days if Buyer is not a resident of the State of Hawaii). If said written commitment is issued more than one hundred twenty (120) days prior to the Date of Closing, Buyer must submit all verifications, authorizations, certifications, tax returns, and other documents that may be required by Buyer's Permanent Lender to reconfirm the written commitment for Buyer's Permanent Loan.

EXHIBIT J

If Buyer's application for mortgage financing is not approved within forty-five (45) days from the date of delivery to Buyer of the Final Public Report (or within sixty (60) days if Buyer is not a resident of the State of Hawaii), either Buyer or Seller may terminate the Purchase Agreement, provided that Buyer's option to terminate must be exercised, if at all, within fifty-five (55) days after delivery to Buyer of the Final Public Report (or within seventy (70) days if Buyer is a not a resident of the State of Hawaii).

8. If Buyer will be paying the entire Purchase Price in cash, then (i) within thirty (30) days after Buyer's receipt for the Final Public Report, and (ii) if Seller so requires, no later than thirty (30) days, and no earlier than ninety (90) days prior to the estimated Date of Closing, Buyer must submit to Seller written evidence from Buyer's bankers or accountants or other persons reconfirming Buyer's ability to pay the Purchase Price in cash on the Date of Closing. If Seller, in its sole discretion, is not satisfied as to Buyer's continued ability to make such cash payments, then Seller may terminate the Purchase Agreement.

9. All payments made by Borrower under the Purchase Agreement will be deposited with Escrow under the terms of the Escrow Agreement.

10. Seller has reserved the right to make certain modifications to the Declaration, By-Laws, House Rules, Condominium Map, form of Apartment Deed, and other documents as may be required by law, any title insurance company, any institutional mortgagee, or any governmental agency, or as Seller otherwise deems appropriate.

11. Buyer acknowledges the conditions pertaining to the Project set forth in Exhibit 1 attached hereto.

12. The Purchase Agreement shall not be construed as a present transfer of any interest in the Apartment, but is an agreement to transfer in the future.

13. Buyer waives, relinquishes, and subordinates the priority or superiority of any lien or any other legal or equitable interest arising under the Purchase Agreement in favor of the lien or charge on the Project or the security interests of Seller's lender ("Lender"), including but not limited to any lien, mortgage, or other charge securing a loan made to finance the acquisition of the land and the costs of construction and other costs during such construction and any and all advances therefor, whether contractual or voluntary, until the final closing and delivery by Seller of an apartment deed to Buyer.

14. Buyer consents to Seller's assignment to Lender, as security, of Seller's interests in the Purchase Agreement and Buyer's deposits with Escrow. In the event Lender acquires Seller's interest in the Purchase Agreement pursuant to said assignment, Buyer will, at Lender's option, perform to, attorn to, and recognize Lender as the Seller under the Purchase Agreement.

15. The estimated completion date of Phase I of the Project, October 31, 2001, is an approximate date given to the best of Seller's information and belief. The Apartment shall be completed within two (2) years of the date of the execution by Buyer of the receipt for the Final Public Report; provided, however that said two (2) year period shall be extended for any period of time during which Seller is delayed in completing construction due to fire, earthquake, acts of God, the elements, war or civil disturbance, strikes or other disturbances, government legislation or controls, or economic controls making it impossible to obtain the necessary labor or materials or other matters or conditions legally supportable under Hawaii law as impossible of performance for reasons beyond the control of Seller.

16. Any model shown to Buyer is displayed only for illustration, and Seller is not required to deliver the Apartment in exact accordance with any model. None of the appurtenances and furnishings shown in any model is included in the Purchase Agreement unless Seller agrees in writing to deliver the same for part of the Purchase Price. The usable or living area, location and configuration of the Apartment and all improvements located on Phase I or other Phases of the Project may fluctuate from that shown or

displayed to Buyer in any drawings, plans, topographic maps or models when Seller finally places final improvements. The location, size, height and composition of all walls, fences and other improvements to be constructed on the Project or adjacent thereto shall be determined by Seller in its sole and absolute discretion. Despite temporary fencing, models, drawings or topographic maps displayed to Buyer, Seller has made no representations, warranties or assurances to Buyer regarding the size, height, location or composition of any wall, fence or other improvement to be constructed on or adjacent to the Project. Seller may substitute the materials, appliances and other items in the Apartment and on the Project with materials, appliances and other items of substantially equal quality and utility, without adjustment to the Purchase Price. If Seller is unable to complete or install in the Apartment any optional item, decorator item, fixture, furnishing or other improvement, and such failure is caused by circumstances beyond Seller's reasonable control, the Close of Escrow shall not be delayed so long as occupancy of the Apartment is approved by the applicable governmental authority.

17. So long as Seller owns an interest in any apartment in the Project, and until the election of the Board of Directors and officers of the Association of Apartment Owners, Seller may exercise all of the powers of the Board of Directors and officers.

18. The estimates of monthly maintenance charges and assessments for the Apartments set forth in the public reports for the Project are not intended to be and do not constitute any representation or warranty by Seller.

19. The Apartment being purchase by Buyer is intended to be a part of and included within and merged into a larger Project which Seller intends to develop in several phases over a period of years. For the twelve (12) month period commencing on the date of the first closing of the sale of an Apartment in Phase I of the Project, Seller intends to provide a subsidy to the Association for the purpose of covering a portion of the maintenance and upkeep expenses attributable to the recreational facilities for the Project so that each apartment owner's proportionate share of the expenses attributable to such recreational facilities is approximately equal to the proportionate share which will be paid by each such apartment owner upon the full build-out of the planned phases for the overall Project. The amount of the subsidy provided by Seller will decrease as additional phases are completed and owners of the new apartments begin to pay maintenance fees to the Association. There is no assurance that Seller will in fact build out all of the remaining phases of the larger Project or that Seller will provide a subsidy to the Association beyond the period expiring twelve (12) months after the first closing of the sale of an Apartment in Phase I of the Project.

20. In the event that the development and construction of the Project is delayed due to any governmental restrictions or regulations enacted after the date of acceptance of the Purchase Agreement by Seller, or by the occurrence of a contingency, the nonoccurrence of which was a basic assumption on which the Purchase Agreement was made, and Seller determines that increases in the development and construction costs due to such delay require increases in the sales price of apartments to maintain financial feasibility of the Project, Seller may increase the Purchase Price of the Apartment, and after Buyer's receipt of notice of such increase in the Purchase Price, Buyer shall have fifteen (15) days within which to cancel the Agreement. Seller reserves the right, from time to time, to increase or decrease the listed purchase price of any unsold apartment in the Project.

21. After Buyer has receipted for or is deemed to have receipted for the Final Public Report, and Buyer has waived or is deemed to have waived Buyer's right to cancel under H.R.S. §514A-62, Buyer may terminate the Purchase Agreement only if there is a material change in the Project (other than a change made pursuant to the Declaration) which directly, substantially, and adversely affects the use or value of the Apartment or appurtenant limited common elements or the amenities of the Project available for Buyer's use. The foregoing rescission right may be waived as provided in H.R.S. §514A-63.

22. Seller may terminate the Purchase Agreement if (i) Buyer fails to make any payment when due under the Purchase Agreement, or (ii) Buyer fails to furnish to Seller satisfactory evidence of

EXHIBIT J

Buyer's ability to pay the Purchase Price, or (iii) if Buyer is paying the Purchase Price partially from the proceeds of a loan to Buyer, Buyer fails to furnish to Seller the pre-qualification letter or Buyer fails to furnish to Seller a firm written commitment for such loan within the time periods specified in the Purchase Agreement, or (iv) if Buyer is paying the entire Purchase Price in cash, Buyer fails to provide evidence to Seller of Buyer's ability to pay the Purchase Price as required by the Purchase Agreement, or (v) if Buyer is not a natural person, Buyer fails to have its obligations under the Purchase Agreement guaranteed by a person acceptable to Seller, or (vi) Buyer fails to execute and return the receipt and notice of right to cancel in connection with Buyer's receipt of a copy of the Final Public Report within the time period specified in the Purchase Agreement, or (vii) Buyer fails to perform any other obligation required under the Purchase Agreement and such failure continues for fifteen (15) days after Seller gives written notice to Buyer of such failure, or (viii) any Buyer under the Purchase Agreement dies prior to the performance of all of Buyer's obligations under the Purchase Agreement.

23. Neither Seller nor any of Seller's representatives has made any representations or references as to rental of the Apartment, or the income, or any other economic benefit to be derived from the rental of the Apartment. Buyer will not enter into any rental pool or similar arrangement until Seller has closed the sale of all the apartments in the Project or until December 31, 2006, whichever shall first occur.

24. Upon the Closing of the purchase of the Apartment, Seller shall issue to Buyer a Limited Warranty relating to the construction of the Apartment as more particularly set forth in the Limited Warranty Section of the Brookfield Homes Homeowner Manual provided by Seller to Buyer upon acceptance of the Purchase Agreement by Seller (the "Homeowner Manual"). The coverage of this Limited Warranty begins on the Date of Closing and, except for any exceptions expressly stated in the Homeowner Manual the coverage of the Limited Warranty expires one year from the Date of Closing. The closing of the sale of the Apartment shall also constitute the assignment by Seller to Buyer for the unexpired term, if any, of any manufacturer's or dealer's warranties covering any furnishings, fixtures and appliances that are part of the Apartment. Seller is merely attempting to pass through to Buyer any such manufacturer's or dealer's warranties; Seller is not adopting any such warranties or acting as co-warrantor with respect to any furnishings, fixtures or appliances. Except for the agreements set forth in this paragraph, Seller makes no warranties, express or implied, with respect to the Apartment, the Project, any consumer products or anything else installed in the Apartment or in the Project, including but not limited to any implied warranty of merchantability, habitability, workmanlike construction or fitness of the Apartment for a particular purpose.

25. If Buyer is purchasing the Apartment as a prospective owner-occupant pursuant to H.R.S. §514A-101 et seq., then until the expiration of the Owner-Occupant Affidavit executed by Buyer, Buyer must notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the Apartment.

26. If the Purchase Agreement is accepted by Seller more than forty-five (45) days prior to the Date of Occupancy, the Date of Closing shall be the date, selected by Seller, within thirty (30) days after the Date of Occupancy; otherwise, the Date of Closing shall be a date mutually acceptable to Buyer and Seller, but in no event more than ninety (90) days after Seller has accepted the Purchase Agreement.

27. Seller may preclose on or about thirty (30) days prior to the estimated Date of Closing by having all documents necessary for closing executed and deposited with Escrow. Upon preclosing, Buyer must deposit into Escrow all sums due at closing, except Buyer's Permanent Loan proceeds, if applicable.

28. Buyer will not take possession of the Apartment prior to the Date of Closing and full satisfaction by Buyer of all terms and conditions of the Purchase Agreement.

EXHIBIT J

29. Buyer will inspect the Apartment and will sign an inspection sheet to be furnished by Seller or the contractor, or Buyer will appoint the inspecting architect or engineer for the Project, or Seller or any agent of Seller to inspect the Apartment and execute the inspection sheet on behalf of Buyer. Buyer agrees to accept possession of the Apartment despite the existence of defects and damages as long as Seller agrees to repair such defects or damages within a reasonable time. Buyer agrees to indemnify Seller for any damages or losses resulting from any wrongful refusal to accept possession of the Apartment.

30. Within five (5) days after receipt of a written notice from Seller or Seller's agent requiring Buyer to finalize its selections of optional items from the choices provided to Buyer by Seller and/or through the Design Center, Buyer must finalize such selections and execute the Upgrades Agreement covering Buyer's purchase of the selected optional items. Buyer's selections will be final. Seller shall have the right to treat a failure by Buyer to execute the Upgrades Agreement within the specified time period as an election by Buyer not to select any optional items.

31. If Seller chooses to offer color selections for the standard appliances or any other standard items in the Apartment, then Buyer must make such selections within five (5) days after receipt of notice from Seller or Seller's agent requiring Buyer to make such selections. If Buyer fails to make such selections within the required time period, Seller shall be authorized to make the color selections on behalf of Buyer. If any of the color selections become unavailable for any reason, Buyer must make another color selection from the alternative choices offered by Seller within five (5) days after receipt of written notice of the unavailability of the original color selection, or Seller shall be authorized to make such selection on behalf of Buyer. The unavailability of any original color selection shall have no effect on Buyer's obligations under the Purchase Agreement and shall not in any way constitute grounds for any claim whatsoever against Seller.

32. Risk of loss to the Apartment shall be borne by Seller until the Date of Closing.

33. Time is of the essence of the obligations of Buyer under the Purchase Agreement.

34. In the event of any default under the Purchase Agreement by Buyer which occurs before the Purchase Agreement becomes a binding contract, Seller may cancel the Purchase Agreement and (a) all moneys paid under the Purchase Agreement shall be refunded or the check returned to Buyer, with interest to the extent provided in the Purchase Agreement, less any cancellation fee imposed by Escrow and any other actual expenses incurred by reason of Buyer having signed the Purchase Agreement; and (b) all costs, including reasonable attorneys' fees, incurred by reason of the default by Buyer shall be paid by Buyer promptly upon Seller's demand therefor. In the event of any default under the Purchase Agreement by Buyer which occurs after the Purchase Agreement becomes a binding contract, Seller may cancel the Purchase Agreement and thereupon, at Seller's option, all sums previously paid by Buyer, together with all accrued interest thereon, shall belong to Seller as liquidated damages.

35. Buyer may not at any time assign its rights or obligations under the Purchase Agreement.

36. If at any time during Buyer's ownership of the Apartment, Buyer discovers a Defect in the Apartment or Project, Buyer must provide to Seller written notice of the Defect. Seller may, in its sole discretion, inspect the Apartment and/or Project regarding the reported Defect and may, in its sole discretion, cure such Defect. Buyer cannot pursue any other remedies available to it under the Purchase Agreement, including the filing of any lawsuit or action, until Seller has had the reasonable opportunity to inspect and cure the alleged Defect. Seller is not liable for any general, special or consequential damage, cost, diminution in value or other loss Buyer suffers as a result of any Defect which reasonably might have been avoided had Buyer given to Seller the required notice and opportunity to cure.

While the TC apartment and TC Building are included within Phase I of the Project it is not the intention of the Seller to complete construction of the TC Building and the TC Apartment to be located therein or to obtain a certificate of occupancy therefor until the last phase of the Project is constructed. The Seller will retain ownership of the TC Apartment at least until the Project is completed. However, the Seller will be assigning to the TC Apartment in Phase I an undivided interest of 93.2689% which represents the remaining undivided percentage interest in the Common Elements of the Project which is not assigned to the eighteen (18) residential apartments in Phase I. Pursuant to the Seller's reserved rights under the Declaration it is the intention of the Seller as subsequent phases of the Project are developed to transfer, allocate and assign a portion of the common interest assigned to the TC Apartment to each of the New Apartments to be developed in each of the future phases as the New Apartments are incorporated into the Project. - (xiv) Ko Olina Golf Course. The Project is located adjacent to the Ko Olina Golf Club. The maintenance, operation and use of said golf course may result in nuisances or hazards to persons on or about the Project and/or damage to real or personal property on or about the Apartment or Project, including, without limitation, those caused by stray golf balls, agricultural chemicals, particulates and the use of a non-potable water system.
- (xv) Nuisances Arising from Ko Olina Resort. The Project is also a part of the Ko Olina Resort & Marina. Resort-related activities such as golf tournaments, concerts, luaus and regattas, and commercial related activities on adjacent or nearby lands may result in further nuisances to persons or property on or about the Project.
- (xvi) Existing Encroachments. Easements exist for the encroachment of certain facilities and improvements of the Ko Olina Golf Club onto the Project, which easements are set out in instruments each dated September 24, 1999 filed as Land Court Document Nos. 2577262, 2577263, 2577264, 2577267 and 2577271.
- (xvii) Old Railroad Tracks. Located near to the Land is the old Oahu Railway railroad track and bed. The Ko Olina Resort and/or others currently make periodic use of the railroad track for resort or other operations including the use of a locomotive on such railroad track which may result in the discharge or emission of noise, smoke, soot, heat, dust, lights, noxious vapors, particulates, odors, and other substances and nuisances.
- (xviii) Waimanalo Landfill. Located on the lower portion of the hillside directly across Farrington Highway from the main entrance to the Ko Olina Resort is the Waimanalo Landfill operated by the City and County of Honolulu. The location and operation of this existing landfill facility by the City and County of Honolulu in the vicinity of the Project and its potential expansion in the future may result in the discharge or emission of noise, smoke, noxious vapors, particulates, odors and other nuisances.

Buyer is responsible for determining the availability of schools and the same are subject to change by the applicable school district.

The Declaration does not contain any provisions intended to protect the view from any apartment or any other portion of the Project.
- (xxiii) Tax and Insurance Estimates. Any sum estimated for taxes or insurance affecting the Apartment or Project may increase or decrease depending upon fluctuation of real property taxes or insurance rates.

SUMMARY OF CONDOMINIUM ESCROW AGREEMENT

The Condominium Escrow Agreement ("Escrow Agreement") dated as of November 10, 2000, made by and between Island Title Corporation ("Escrow Agent"), and Brookfield Ko Olina Inc. ("Developer"), contains among other provisions the following (which may be modified or otherwise limited by provisions not summarized herein):

1. Sales Contracts Deposited in Escrow. Whenever Developer enters into a sales contract with a purchaser for the sale of an apartment in The Coconut Plantation at Ko Olina (the "Project"), Developer shall deliver an executed copy of said contract to Escrow Agent. The sales contract shall require that all payments due thereunder be made directly to Escrow Agent to be held and disbursed in accordance with the Escrow Agreement. If the purchaser intends to purchase the apartment as an "owner-occupant" pursuant to Chapter 514A, Part VI, Hawaii Revised Statutes ("H.R.S."), said purchaser shall deliver an owner-occupant affidavit to Escrow Agent in the form and content required by H.R.S. §514A-104.5.

2. Receipt of Funds by Escrow Agent. Escrow Agent will receive payments under the sales contracts and from any other source relating to the Project. Escrow Agent will deposit all funds within a reasonable time after receipt in an interest-bearing account or accounts at a federally insured bank, savings and loan association, or other financial institution. Any interest earned on such deposits shall accrue to the credit of Developer unless Escrow Agent is asked to establish a separate account for a purchaser, in which case interest on such account shall accrue to the credit of said purchaser. (Pursuant to the sales contract, Purchaser and Developer will instruct Escrow Agent to credit to Purchaser all interest earned on deposits made by Purchaser, except as otherwise specifically provided for in the sales contract.)

3. Conditions to be Met Prior to Disbursement. Escrow Agent shall make no disbursement of funds deposited with it unless: (a) the Real Estate Commission has issued a Final Public Report on the Project; (b) Developer or Developer's attorney has notified Escrow Agent that the requirements of H.R.S. §514A-62 and §514A-63 have been met; and (c) Developer has given Escrow Agent a written waiver of any reserved option to cancel the sales contract.

4. Return of Funds and Documents. Escrow Agent will return deposited sums, without interest and less Escrow Agent's cancellation fee and other costs up to a maximum of \$250.00, to a purchaser if:

(a) Developer and such purchaser shall instruct Escrow Agent in writing to return such funds to such purchaser; or

(b) Developer shall notify Escrow Agent of Developer's exercise of the option to cancel or rescind the Sales Contract entered into by such purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer with respect to which, in accordance with the sales contract, Purchaser is entitled to a return of funds deposited by it with Escrow Agent; or

(c) With respect to any purchaser whose funds were obtained prior to the issuance of the Final Public Report, such purchaser has exercised such purchaser's right to cancel the sales contract entered into by such purchaser pursuant to HRS Section 514A-62; or

(d) Such purchaser has exercised such purchaser's right to rescind the sales contract pursuant to HRS Section 514A-63.

5. Unclaimed Funds. Escrow Agent shall notify each purchaser entitled to a return of funds by registered or certified mail. If any purchaser does not claim the refund within sixty (60) days, Escrow Agent shall deposit the funds with a bank or depository selected by Escrow Agent in the name of Developer as trustee for the purchaser. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

6. Closing. Except for the sales contract and any note and mortgage, Escrow Agent shall arrange for and supervise the execution, recording, and delivery of all documents, as necessary, related to the Project.

7. Partial Closings. In the event Developer desires partial closings (i.e. closings for some but not all of the apartments), Escrow Agent agrees to cooperate and facilitate such partial closings.

8. Defects in Documents. Escrow Agent shall record all documents within five (5) business days of the date of closing, provided said documents are not defective in any way. If any documents are defective, Escrow Agent will notify Developer thereof and correct such defects if they are within Escrow Agent's capacity to correct.

9. Purchaser's Default. Developer shall notify Escrow Agent when payments are due from a purchaser, who shall then be notified by Escrow Agent. Escrow Agent shall notify Developer of any defaults by a purchaser. If Developer certifies to Escrow Agent in writing that Developer has terminated the sales contract, Escrow Agent shall thereafter treat all funds of the purchaser paid on account of said sales contract as funds of Developer. Upon the written request of Developer, Escrow Agent shall pay such funds to Developer, less any cancellation fee, and shall return any partially executed conveyance documents. Escrow Agent shall retain all other documents for the statutory period. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

10. Protection of Escrow Agent. Escrow Agent shall have no liability for acting in accordance with the terms of the Escrow Agreement, notwithstanding a notice to the contrary from Developer, any purchaser, or any third person. Escrow Agent shall not be responsible for the validity or sufficiency of any documents received by it, shall assume that said documents have been properly executed, and shall assume that any written certification or instrument from Developer is true and accurate. In the event of any dispute, difference, or conflicting demand upon Escrow Agent, Escrow Agent shall not be required to determine the same or take any action in the premises, but may await settlement of the controversy by appropriate legal proceedings or otherwise, including the resolution of an interpleader action initiated by Escrow Agent. Developer and each purchaser agree to pay Escrow Agent on demand and to indemnify and hold harmless Escrow Agent against all costs and damages arising out of this Agreement, except for any act or omission of Escrow Agent that is not generally accepted as a reasonable business practice. Escrow Agent shall not be required to mail any notice or keep any records required under H.R.S. Chapter 514A.

11. Miscellaneous. The Escrow Agreement is binding upon and inures to the benefit of the parties hereto and their successors and assigns. The Escrow Agreement may be terminated on fifteen (15) days' written notice to either party. In the event of any conflict between the Escrow Agreement and H.R.S. Chapter 514A, the statutory provisions shall control. Escrow Agent shall furnish Developer with semi-monthly reports that cover the status of each sales contract in escrow.

12. Compensation. For each Apartment sale closed by Escrow Agent, Escrow Agent shall be paid a fee in the amount of \$475.00. The premium for the standard owner's title insurance policy and ALTA lender's title insurance policy issued with respect to each Apartment shall be \$575.00; provided,

however, that the title insurance premium may be subject to change if reinsurance rates change or if special endorsements or additional title services are requested.

The compensation to Escrow Agent with respect to the closing of the sale of any apartment shall be due and payable upon the earlier of : (i) transfer to a purchaser of legal title to such apartment; and (ii) final disbursement of the purchase price of such apartment and other sums held by Escrow Agent with respect hereto. Developer agrees to pay an additional charge for any changes to any closing statement or other document that are necessary after the commencement of preclosing or closing proceedings, unless said changes are necessary due to the fault of Escrow Agent.
